WORLDWIDE VOYAGES 2026–2028

Welcome

We are delighted to bring you this new brochure, showcasing our exciting itineraries for the remainder of 2026 and beyond. From the frozen fringes of the Arctic Circle to the alluring islands of the South Pacific, from short-but-sweet voyages to full World Cruises, we will take you there in the utmost comfort and style.

Whether it's your first or fiftieth time sailing with us, there's plenty to look forward to. We continue to elevate the guest experience at every turn, adding subtle enhancements to *Crystal Symphony* during a recent refresh, including a striking new look for our Atrium and Crystal Cove and updated suites. *Crystal Serenity* will enjoy the same treatment in October 2026, plus she will be fitted with a new pool bar – perfect for those leisurely sea days or post-tour sundowners.

We are also pleased to announce that we have expanded our range of ever-popular Wellness at Sea voyages, adding our expert-led wellness programming to four new sailings in 2027. There's something to suit everyone, from lively pickleball tournaments to healing sound baths and gentle stretching classes, and you can join in as much or as little as suits you – it's your cruise, your way.

Anticipation continues to grow around our new-build ocean ship, *Crystal Grace*. In May, I was proud to attend her steel-cutting ceremony at the prestigious Fincantieri shipyard near Venice, Italy, signaling the milestone moment that she moved from the design phase into production. We recently unveiled some exciting new features, including a dedicated family space and a chic pool area with a convivial bar and private cabanas, and we can't wait to share more details with you as her debut draws nearer.

Finally, a heartfelt thank you for helping us to secure the incredible honor of being named World's Best Midsize-Ship Ocean Cruise Line in the *Travel + Leisure* awards for a second consecutive year. This coveted recognition underlines our continued commitment to always being Exceptional at Sea. We look forward to welcoming you on board soon.

WORLD-CLASS *DINING*

Crystal is a *pioneer* of gourmet dining at sea,
with an *impressive* roster of *top* culinary names.

"A ship is like any city. You have to have a mix of restaurants. And with the revamp of Crystal, they've understood that." So says restaurateur Riccardo Giraudi, whose globally renowned restaurant group Beefbar made its ocean debut on both Crystal ships in late 2024, quickly proving a hit with guests. "We're also going to be on the new ships. It's a real partnership — I'm married to Crystal now," he laughs.

Giraudi is in stellar company, following in the gilded footsteps of Nobu Matsuhisa, who opened the only Nobu on the ocean with Crystal in 2003 (now called Umi Uma®), which continues to be a guest favorite to this day. And in 2025, they were joined by the Alajmo brothers, Raffaele (Raf) and Massimiliano (Max), who oversee a group of restaurants in the Veneto region of Italy as well as Paris and Morocco. Their flagship restaurant, Le Calandre in Rubano, 30 minutes from Venice, has held three Michelin stars since 2003 — Max was just 28 years old when it won its coveted third star with him at the helm. The brothers reimagined the menus at Osteria d'Ovidio, which launched in summer 2025 to great acclaim.

"What we really appreciate about Crystal is the pursuit of quality and the desire to create the highest and most varied offering possible for guests," says Raf. "There's no chance to get bored; routine doesn't exist. Every day can be different. It's like walking through a small town with many restaurants," he adds, echoing Giraudi's sentiment.

Crystal also has a partnership with the renowned Florentine gelato artisans Badiani, serving delicious iced treats at Scoops — proving that every element of the dining experience is held to the highest quality standards, morning, noon, and night.

So, what can guests traveling with Crystal expect from these culinary partnerships? Beefbar is open for street-food-style lunches as well as a more refined dining experience in the evenings. "I want diners to feel relaxed. It's still elevated but they're on vacation so you want them to feel great. Drink wine, have some steak — it's simple," says Giraudi.

The Alajmo brothers feel the same. "I want guests to feel at home and relaxed while eating," says Max. "Let's leave formality aside and focus on having fun," adds Raf.

Along with the new dishes they have created for Crystal, the Alajmo brothers are serving the most popular items from their menu at Le Calandre. Their aim? "Osteria d'Ovidio will be an embassy of Italy in the middle of the sea. We want to meet the expectations of a guest on vacation who decides, 'Tonight, I'm going to Italy'. Our success will be in making them feel and experience Italy at the table."

It's a concept to which Chef Nobu adheres. "In the restaurant business, the most important things are good food, good service, and good atmosphere," he says. "Umi Uma is a mix of friendly and comfortable, with really good food and service. Because it's on a cruise ship, it's homier — you get to know the same customers every day. That means you get to make it more like a family."

And with Beefbar, the Alajmo brothers, and Badiani now among the nine dining options on board, the Crystal family is bigger and better than ever.

UMI UMA

SPECIALTY DINING

From Malibu to Monte Carlo, Chef Nobuyuki Matsuhisa's signature style of Japanese-Peruvian fusion has become a worldwide phenomenon since he opened his first restaurant in 1987. But the only Nobu restaurants you will find at sea are on board Crystal ships, thanks to our exclusive collaboration with the chef that dates back to 2003. Umi Uma serves the acclaimed dishes for which Nobu has become world famous, including his renowned black cod with miso, rock shrimp tempura, and crispy rice with spicy tuna, along with an array of the freshest sushi and sashimi, prepared right before you by the talented team. Choose your favorites or let our waiters prepare a selection just for you. Accompanying it all is our superb range of sakes and wines, including Nobu's own.

BEEFBAR

Prepare to be wowed by the "Reef, Beef, and Leaf" concept of trendsetting restaurant Beefbar from restaurateur Riccardo Giraudi, who has been delighting diners from São Paulo to Hong Kong with irresistible dishes.

WATERSIDE RESTAURANT

Dress for dinner in this elegant restaurant with beautiful ocean views. You will find plenty to tempt you on the daily changing menu, which draws on different cuisines from around the globe for creative, seasonal cooking.

TRIDENT GRILL

Our poolside grill is a handy place to enjoy a leisurely lunch or order yourself a snack whenever you feel peckish during the day. The casual menu is strong on comfort classics, such as burgers, melts, crispy fries, and freshly made salads.

THE BISTRO

Taking its inspiration from the classic Parisian bistro, this bustling café comes with the advantage of sea views. Enjoy specialty teas and coffees along with a changing selection of light bites throughout the day.

OSTERIA D'OVIDIO

SPECIALTY DINING

Authentic Italian fine dining takes center stage at Osteria d'Ovidio, with menus created by the Alajmo brothers, whose restaurant Le Calandre in Rubano, Italy, holds three Michelin stars. There are three menus to choose from: Italia, which features traditional favorites, reimagined; Le Calandre, which offers signature dishes from the brothers' famed restaurant; and Venezia, which invites you to try the classic flavors of Venezia. Follow one of the three menus from starter to dessert or mix and match between them. Every dish brings an incredible depth of flavor with a lightness of touch, embodying the passion and precision that has made the Alajmo brothers so acclaimed. One dish not to miss is the tiramisu, served table-side for a touch of theater, and designed to be balanced just how you like it.

THE VINTAGE ROOM

For guests seeking an even more exclusive experience, The Vintage Room offers an intimate, reservation-only dining concept featuring expertly curated tasting menus paired with rare and prestigious wines from celebrated vineyards.

MARKETPLACE

An airy space with floor-to-ceiling windows and an expansive open-air seating area, this is the place for a pick-and-mix breakfast from the freshly prepared buffet, or lunch chosen from the dazzling array of hot and cold dishes.

SCOOPS GELATO BAR

Scoops serves delicious authentic gelato from the artisans at Badiani in Florence. Enjoy a variety of traditional favorites and discover new flavors – all sprinkled with your choice of tasty toppings.

24-HOUR IN-SUITE DINING

Enjoy food and drink in the comfort of your own suite 24 hours a day. Choose from a broad selection that includes everything from our extensive Waterside Restaurant menu to gourmet sandwiches, burgers, and succulent steaks.

PERFECTLY AT HOME

Crystal ships are a true sanctuary at sea. Our elegant guest rooms and suites – all with an ocean view – are thoughtfully designed and furnished to create a sumptuous home from home, while public areas are elegant spaces suited to convivial gatherings and tranquil moments alike. With one of the leading space-per-guest ratios at sea, there's always an inviting corner in which to relax and watch the world go by.

Our famously warm crew – almost one for every guest – are the very soul of Crystal. You will be treated like royalty but feel like family from the moment you step aboard. Whether you are traveling with a partner, family and friends, or enjoying your independence, there's something for everyone on Crystal.

"What matters *most* is making sure that guest expectations are not just met *but exceeded*, whether they are first-timers with Crystal or *coming back home* to us.

Whether an intimate piano recital in Palm Court during afternoon tea, a golf tutorial with our onboard professional coach, or a spin of the wheel in the glamorous Le Casino de Monte-Carlo, there's never a dull moment while on board. The packed program of activities on every sailing ranges from TED-style lectures by expert speakers, from astronauts to zoologists, to dazzling Broadway-standard shows. We also have Ambassador Hosts to dance with should you be traveling solo – or have a reluctant partner. THOUGHTFUL TRANSFORMATIONS

An *elegant evolution* unfolds aboard each of our ships when they undergo drydock, resulting in an *elevated* guest experience *every time*.

At Crystal, the onboard experience is at the heart of every decision we make. It's why we are committed to regularly upgrading our ships with welcome enhancements to public spaces and suites, as well as behind-the-scenes technical upgrades that smoothen every journey.

If you've sailed on *Crystal Symphony* recently, you'll have noticed these changes in person – most notably in the Atrium and Crystal Cove, now home to a spectacular two-story mosaic by De Castelli, a new chandelier, and stylish new furniture.

Other areas given their makeover moment during *Crystal Symphony*'s drydock in late 2025 include stair lobbies, guest restrooms, and the ship's beloved Starlite Club, as well as some Aquamarine and Sapphire Suites on Deck 10.

Now, it's *Crystal Serenity*'s turn. Following her drydock in October 2026, she will emerge in November with an all-new pool bar, located at the heart of the ship's most vibrant outdoor space on Deck 12. Guests will be able to enjoy seamless service and their favorite refreshments, all without having to leave the Seahorse Pool area.

There will also be significant updates to the Atrium and Crystal Cove – including a new marble dance floor, a new stage for live entertainment, and a De Castelli mosaic – plus a complete refit of the living areas and bathrooms on some Aquamarine Suites on Deck 10.

It's all part of our evolution. Keep an eye out for the transformations next time you sail.

WHERE TO SAIL

Where in the world will each new month take you? We have some ideas. Follow our month-by-month guide to *discover the best destinations* for different times of year.

JANUARY

Begin the year in style – not with resolutions but with a voyage to remember. The dry weather and mild temperatures of the Caribbean prove particularly appealing in January. Or hop along the Pacific Coast of Mexico, where humpback whales can be spotted breaching the waters of the region's warm, protected bays as they migrate from the Arctic.

FEBRUARY

It's party time in the Caribbean, as Carnival celebrations erupt across the islands in a frenzy of street parades, non-stop Soca beats, and elaborate costumes. Meanwhile in Brazil, the Rio Carnival is the highlight of the cultural calendar and draws visitors from far and wide. Don your sequins and shake your hips at the multi-day Samba Parade.

MARCH

March is the perfect time to explore Australia and New Zealand: the days remain warm, but the sweltering summer heat has died down. It's also the beginning of the region's grape harvest: wine-taste your way through the vibrant vineyards of the Barossa Valley near Adelaide, South Australia, and Hawke's Bay on New Zealand's North Island.

JULY

Peak summer welcomes the phenomenon of "white nights" to the Nordics, when days stretch out to midnight and the sky retains a twilight glow. Experience it for yourself in Greenland, Iceland, and Norway. This is also an excellent time to catch the drama of the salmon run in Alaska, which lures brown bears to fish and feed.

AUGUST

As southern Europe heats up, look north to cooler climes. The beaches of Brittany and Normandy are particularly beautiful at this time of year. While in the region, don't miss a visit to the medieval Mont-Saint-Michel Abbey. Along the coasts of Ireland and Scotland, there are quaint fishing villages and dramatic scenery to discover.

SEPTEMBER

With a new season comes new adventures. Relish the flame reds and rich golds of the fall foliage along the east coast of the U.S. and Canada, stretching from New England up to Quebec. In northern Europe, the shoulder season brings crisp weather and fewer crowds – perfect for exploring Copenhagen's palaces or Amsterdam's museums.

WHEN

APRIL

Southeast Asia comes alive in April. Thailand celebrates Songkran (Thai New Year) with water fights and cleansing rituals, while the islands of Vietnam, Malaysia, and the Philippines offer prime conditions for snorkeling and diving. Meanwhile in the Mediterranean, the spring weather is ideal for coastal hikes and visiting cultural landmarks.

MAY

Warm weather, lush countryside, and floral-scented air characterize Japan in May. Catch the late bloom of blush-pink cherry blossoms on the northern island of Hokkaido and join the celebrations at Tokyo's energetic Sanja Matsuri festival. Along the sun-drenched southern European coast, explore ancient ruins and hidden beaches.

JUNE

June brings long days, golden light, and balmy nights to the Mediterranean. Don't miss cultural highlights like Monaco's Formula One Grand Prix and the month-long Feast of St. Anthony celebrations in Lisbon. Or head to Alaska, where wildflowers bloom, bears emerge from hibernation, and whales perform dramatic breaches.

OCTOBER

There's something romantic about October in the Med. In Tuscany, harvest season is in full swing, and local sagre (food festivals) celebrate seasonal mushrooms, chestnuts, truffles, and wine. Malta and the south of Spain remain sunny and warm without the summer crowds, and it's prime weather for hiking in Portugal.

NOVEMBER

As rain eases and humidity decreases, Central America and Mexico become ripe for exploration: it's a particularly great time for birdwatching in Guatemala. Further south in Chile's Strait of Magellan and along the Beagle Channel in Argentina, this is an ideal time to witness penguins and whales thriving in their natural habitats.

DECEMBER

December marks the beginning of the dry season across most of the Caribbean. Spend the festive period soaking up the sun on the white-sand beaches of the Bahamas, shopping for gifts in the boutiques of St. Barts, and sampling fresh seafood in Antigua. In Puerto Rico, the extended holiday celebrations feature vibrant street parties.

THE

AND

AMERICAS

Sunshine and good vibes are a given in this heady region where *time slows down*. Our voyages here are a surefire way to discover the *big-hitting* destinations as well as *lesser-traveled* byways. *Immerse yourself* in the pulsing culture, diverse history, and incredible wildlife.

2029 WORLD CRUISE

CONNECTING CULTURES

This *extraordinary journey* explores some of the world's most *fascinating* cultures in the utmost comfort and style.

MELBOURNE → NEW YORK CITY

127 NIGHTS | JAN 7, 2029 — MAY 13, 2029 | CRYSTAL SYMPHONY

BORA BORA

A JOURNEY OF FIRSTS...

The start of our World Cruise is always a moment for fanfare, but in 2029 it will be even more of an occasion as it will mark the first time that we have launched a world cruise from a port outside of the U.S. The location? The buzzy, cosmopolitan city of Melbourne, which leads us to another first: our inaugural circumnavigation of Australia. After a month discovering the astonishing diversity of this island continent, with a brief dip into Indonesia, we then head into the wild blue yonder, weaving through the fabled South Sea islands to the western coast of Chile. Down we go, through the Chilean Fjords, to the so-called end of the world at Ushuaia, Argentina. Then, rounding South America's tip, we head north to Uruguay and trace the entire coastline of Brazil, turning inwards to pause in the green heart of the Amazon. North, now, hopping through the palm-fringed islands of the Caribbean to mainland USA, where we make landfall at Fort Lauderdale (where you have the option to debark). The glittering lights of New York are next, our journey's end for most. Thirsty for more adventure? Stay on board as we travel up the east coast to Canada, before a transatlantic crossing takes us to Ireland and then to Portsmouth, UK.

ABERCROMBIE & KENT

More *ways* to travel

We offer *a world of adventures* to choose from with our sister brand, Abercrombie & Kent. Go by land, sea, river, or air; see the distant reaches of the planet or its most thrilling cities. We asked A&K how they make your travel *dreams come true*.

TAILORMADE JOURNEYS
Every Tailormade Journey we design is bespoke. Tell us where you want to go, what you're curious about and what excites you, and our travel specialists will craft the adventure you've always dreamed of, packed with exhilarating, once-in-a-lifetime experiences created exclusively for you.

SMALL GROUP JOURNEYS
Our Small Group Journeys bring together a select collective of like-minded souls seeking shared experiences and united by a passion for travel. Traveling as a group – no more than 18 people in most cases, and often fewer – opens doors to exclusive places that would otherwise be closed to large groups, and we always build time in to explore on your own.

PRIVATE JET JOURNEYS
A&K Private Jet Journeys are the most exciting, exclusive group itineraries in modern adventure travel. Hop from one showstopping hotspot to another with once-in-a-lifetime experiences all the way when you board our sleek A&K Boeing 757, an extraordinary team seeing to your every need and wish.

A&K VILLAS
An A&K Villa isn't just a home away from home – it's better. Dreamy Sicilian palazzos and Provençal manors, expansive beach houses on the most coveted shores of Europe... Every villa in our collection is personally evaluated by our team of experts, who select only those that meet our sky-high standards.

A&K SANCTUARY
A&K Sanctuary is our own collection of chic retreats in some of the most sensational, soul-stirring locations on earth – 13 luxury safari lodges and camps in wildlife-rich corners of Africa (from the Serengeti to the Okavango Delta), and six sophisticated riverboats exploring the Nile and the Peruvian Amazon.

Clockwise from top: Kitirua Plains Lodge, an A&K Sanctuary, in Amboseli National Park; bask in the sumptuous privacy of an A&K Villa; fly in style on our private jet; create your own Tailormade Journey and see Italy's Amalfi Coast.

Exclusive Savings

Unlock *unparalleled adventures* with our exclusive offers. Whether you are looking for *adventure and discovery*, or *rest and relaxation*, our limited-time deals ensure you *make the most of your time* with us whether you're on board or on shore.
