SILVERSEA®

$6,000 REASONS TO SAIL WITH SILVERSEA

Dear Luxury Traveller

If you're like me, no matter how often you travel, your next great adventure is always lingering at the edges of your imagination – often in places far beyond the well-trodden path. An insatiable curiosity to go deeper into an exotic culture, a fabled history or an awe-inspiring landscape is what drives Silversea's passion to reveal the world's authentic beauty... and we'd love to share it with you.

From witnessing a pride of lions lounging in the shade of acacia trees on an endless South African savannah to exploring the ancient charms of Vietnam's Hoi An or learning to cook Sri Lankan cuisine with a Master Chef in Colombo, the small-group discovery experienced on a Silversea journey grants you access and intimate connections for some of life's most transformative moments.

Join us onboard one of our small, all-suite ships and immerse yourself in the sights, sounds, and flavours of intriguing destinations best explored by ship. Unique voyages of 10 to 22 days – some with as many as four overnight stays in iconic cities – allow for personalised discovery on in-depth itineraries throughout Africa and the Indian Ocean, Asia and the Philippines, and Australia and New Zealand.

While there are thousands of reasons to explore our planet with Silversea, we think you'll like **$6,000 savings per suite on our Door-to-Door All-Inclusive fares** best of all. It's our most enriching offer yet, and a great way to introduce you to the depth of discovery and comfort you'll only find with Silversea. Book your journey by 29 February 2024 – it will be our pleasure to show you the world.

With best regards,

ADAM RADWANSKI
Managing Director – Asia Pacific, Silversea

Discover new horizons

From your own backyard to far-away lands

What captures the curiosity of ardent travellers is a matter of personal choice. For some, it's intimate discovery of wildlife and wilderness from South Africa to the Seychelles. For others it might be the soaring architectural marvels in the UAE or the ancient mysteries of Asia. In-depth exploration of far-away lands is ideally suited to travel by ship, navigating many hard-to-reach places on a single journey. How better to explore India's cultural palimpsest, Sri Lanka's UNESCO treasures or New Zealand's geographical diversities? Here we have curated a collection of unique itineraries to inspire your next great adventure.

DESTINATION HIGHLIGHTS

- **South Africa & Indian Ocean:** Multiple safari options; plus exotic isles from Zanzibar and Madagascar to Mauritius and the Maldives.
- **Asia:** Overnights in Colombo, Ha Long Bay, Ho Chi Minh City, Hong Kong, Mumbai, Phuket, Seoul, Shanghai, Singapore.

Africa & Indian Ocean

Sanctuaries of nature, history and culture

Prepare for intimate discovery on voyages into the heart of Africa's diverse regions, from the red, rolling dunes of the world's oldest desert in Namibia to the myriad private game reserves of South Africa. Encounter the spice markets of Zanzibar, lemurs in Madagascar and giant Aldabra tortoises in the Seychelles. Beyond these Indian Ocean treasures are Mumbai's intricate Hindu temples whose antiquity contrasts with Abu Dhabi's modern marvels including the Louvre museum, Grand Mosque and Yas Island, famed for its Formula 1 circuit. Muscat enchants with its old-world Arabian charm just as Doha dazzles with its gleaming skyscrapers.

- Discover Zanzibar on an evening excursion and take in the Forodhani waterfront local vibe; stroll Stone Town's narrow streets and visit the Freddie Mercury Museum.
- Explore the Musandam Omani Fjords on a traditional dhow to swim in the ocean and marvel at panoramic vistas of the Hajar Mountains.

Asia

Mystical and mesmerising beauty

Crowned with emerald forests and neon jungles, golden palaces and sapphire seas, Asia is at once ancient and mysterious yet eminently modern; a place of extreme contrasts, where sacred traditions and ancient cultures collide with high-tech cities and modern-fusion cuisine. Singapore captivates with its glittering kaleidoscope of cultures. Vietnam and Thailand enchant with their sweeping white beaches, turquoise waters, limestone karsts and fascinating caves. An overnight in Hong Kong invites an evening culinary adventure and two days in Shanghai allow you to explore The Bund, fabled Mandarin Gardens and the water town of Zhujiajiao.

REGIONAL HIGHLIGHTS

- Steep yourself in Korean culture and learn to prepare Bibimbap, one of the country's signature dishes, and then visit Gwangjang Market to sample its street food.
- Explore Sri Lanka's myriad UNESCO treasures including the Old Town of Galle, the Ancient City Polonnaruwa, and the Sacred City of Kataragama.
- Journey beyond Da Nang's Marble Mountains to the imperial city of Hué and its Royal Citadel near the Perfume River.

Our Nova class of ships

Introducing a new way to see the world

Innovative, immersive, and among the most environmentally conscious ships ever built, our Nova class ships *Silver Nova* (August 2023) and her sister *Silver Ray* (July 2024) invite you to see the world in a whole new way. With their boldly asymmetrical design, unprecedented use of glass, and wide open deck, these cutting-edge vessels will connect you more closely with each destination where the boundaries between sea and sky, ship and land, melt away with uninterrupted vistas from every venue.

These "ships of light" expand on the signature hallmarks of Silversea: extraordinary space; the greatest variety of suites; the broadest array of bars, lounges and restaurants in ultra-luxury voyages; and an unparalleled range of social venues including Otium spa, exploring the ancient art of comfort and wellness, and S.A.L.T. (Sea And Land Taste), our culinary programme which explores each place through its food.

The flavours of S.A.L.T.

Cultural discovery through food

Exploring fascinating lands through food and wine offers a sensory journey into the history, traditions and identity of a destination, and Silversea's highly immersive S.A.L.T. (Sea And Land Taste) programme connects you to people and their cultures through cuisine. Conceived by Adam Sachs, former editor of *Saveur* magazine and a three-time James Beard Journalism Award winner, S.A.L.T. is an onboard ecosystem of gastronomic discovery and immersive excursions ashore.

Available aboard *Silver Moon, Silver Dawn* and *Silver Nova*, and soon, *Silver Ray*, S.A.L.T. invites you to take a trip to the S.A.L.T. Kitchen and Bar and discover dishes and craft cocktails inspired by your destination. Visit the S.A.L.T. Lab to create local recipes in a hands-on cooking class. And on a S.A.L.T. excursion ashore, you might find yourself preparing an authentic Peranakan meal in Singapore, dining in a private home in Kuala Lumpur, or savouring Sri Lankan cuisine with a Master Chef in Colombo.
