Prepare yourself for the wildest of possibilities. Take a leap of faith and find yourself deep within Canada's most untouched and beautiful reaches. Set at a more leisurely pace, these holidays are perfect to add to the end of your journey, but can also be arranged as an independent adventure. You'll spy grizzlies foraging, watch the northern lights ripple overhead or follow the paw prints of polar bears, all while staying in unique wilderness lodges, many only accessible by floatplane.

Savour three nights in the wilderness on the lookout for grizzly bears

## Great Bear Experience

Vancouver Return 5 days / 4-night Remote Journey

**Visit** Three places

Soar over the Queen Charlotte Strait by seaplane and arrive in the heart of the Great Bear Rainforest where bears outnumber humans. Here, you'll spend three nights at the renowned floating Great Bear Lodge. In a small group, be guided by expert biologists to an array of viewing sites deep within the densely populated forest and listen for the tell-tale rustling of a nearby grizzly bear, while also looking out for black bears, wolves and bald eagles. There is nothing quite like seeing your first grizzly emerge from the forest. Between escorted wilderness excursions by boat or from the wilderness track, enjoy time to relax at the lodge, and savour nine locally inspired meals which are included in your journey price.

# Northern Lights Adventure

Whitehorse Return 6 days / 5-night Remote Journey

**Visit** Two places

The Yukon territory of Canada is just about as remote as it gets. And here is one of the few places in the world where you can watch as the aurora borealis sparkles bright in the sky. Discover the town of Whitehorse before arriving at the Southern Lakes Resort, located on a placid, crystal-clear lake away from the hustle and bustle of the city. The resort has plenty of special vantage points, amid mountainous and lakeside scenery, to catch a glimpse of the northern lights. Get among the wilderness with some optional excursions, like wildlife viewing, dog mushing, snowmobile riding, or nature walking. You'll also enjoy eight meals, included in your journey price. For those who find themselves mesmerised by the shimmering lights, this extension is perfect.

# Frequently Asked Questions

Tips and information about your North America holiday with APT.

## General Questions

### When is the best season to travel in Canada?

In our eyes, it's always a pleasure to travel to Canada. From April to May, snow is visible and lakes are still frozen from winter. Bears stumble awake, and national parks are busy with wildlife. Summer is from June to August, and it's the most popular season for outdoor activities and wildlife viewing. In the autumn, from September to November, temperatures cool and the leaves change. In winter, December to February and early March, the days are short and snow is plentiful.

### Will I see wildlife?

The majority of our tours take place between April and September when wildlife is at its most abundant and active. All our holidays visit national parks for the best chance to see wildlife including bears, wolves and bald eagles.

On an Inside Passage cruise, it's likely you will see marine and land mammals from aboard your ship. For a closer look, however, we recommend you book shore excursions that include visits to wilderness parks.

### Will I have Wi-Fi access?

Free Wi-Fi is available on coaches in Canada and the USA. As coaches use a satellite system, routing may cause restricted reception. Wi-Fi is also available in most hotels and all Fairmont properties, and is available for purchase on Holland America Line cruises. Wi-Fi is not available on coaches in Alaska.

### What time is hotel check-in and check-out?

Hotel check-in is usually at 4pm. Where possible, the hotel will try to have your room ready earlier. To guarantee early check-in, you will need to book an additional night prior to your scheduled arrival (additional expense). Hotel check-out is at 11am or noon.

### What clothing should I pack?

Bring a variety of clothing to suit the time of year in which you're travelling. Most guests dress casually during the day, but we recommend you pack a variety of comfortable light to medium weight clothes plus rainwear. If you are travelling in winter, you will need to bring clothes that can be layered, and a waterproof outer layer, as temperatures can drop to lows of between -15 and -40 degrees Celsius. Ensure you have appropriate footwear.

# Rocky Mountaineer

## How long is my Rocky Mountaineer rail journey?

You will spend two days on the Rocky Mountaineer and travel around 450 kilometres each day in Canada, all in daylight.

## What route will I be travelling?

'First Passage to the West' journeys operate both east and westbound between Vancouver and Lake Louise or Banff. You'll travel through the Canadian Rocky Mountains, past Kicking Horse River, through the Spiral Tunnels and over the Continental Divide along the Canadian Pacific track.

'Journey Through the Clouds' takes you between Vancouver and Jasper, past some of the tallest peaks in the Canadian Rockies, including Mount Robson. Travel through remote countryside alongside the Coast Mountains, the Fraser Canyon, Albretha Glacier and Pyramid Falls.

Check individual itineraries for the direction of travel.

## What is the baggage size allowance on board?

Only hand luggage is permitted on the Rocky Mountaineer and you will not have access to checked luggage on board the train. Your checked luggage will be delivered to your overnight accommodation in Kamloops. Make sure everything you'll need during the rail journey is packed in your hand luggage, and everything you can do without is securely stowed away.

# VIA Rail

## How long is my VIA Rail journey?

The overnight journey from Vancouver to Jasper will take approximately 18.5 hours.

## What are the cabin facilities on VIA Rail?

Your VIA Rail journey will be in Sleeper Plus class. By night, your private twin cabin features an upper and lower bed. By day, the cabin features two seats facing each other. A private washroom is available inside each cabin and guests have access to a shared shower room. For single cabins, enquire for further details.

## What is the baggage size allowance on board?

If your holiday includes a rail journey on VIA Rail, you will be required to pack down to an overnight bag (max 11kg). You will not have access to checked luggage during your rail journey.

# Cruising

## Are shore excursions included?

Shore excursions are not included in your tour price and are at an additional cost. However, APT guests receive exclusive discounts on select Holland America Line shore excursions when pre-booked.

## How do I book shore excursions?

Shore excursions can be purchased in advance through Holland America Line's website via the Cruise Personaliser.

## Is dining included on my cruise?

On Holland America Line sailings, breakfast, lunch and dinner are included each day.

## How can I upgrade or personalise my experience?

If you decide you would like to indulge a little more during your days at sea, Holland America Line's 'Have it all' offer includes a Signature Beverage Package, Wi-Fi, a shore excursion up to US\$100 and dinner in the ship's Pinnacle Grill. Price: \$525 per person.

Please enquire for further details and see pages 102-103 for terms and conditions.

## What currency is used on board?

US dollars is the only currency accepted. The ships maintain a 'cashless society' – provide your credit card upon boarding, sign for your purchases and settle your account at the end of your cruise. Note that personal cheques, prepaid travel cards and debit cards are not accepted on board.

## What is the dress code on board?

Casual attire is recommended during the day. Elegant casual or formal attire is required for most evenings. It is recommended that gentlemen bring a jacket and a tie. Women should bring a cocktail dress.

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

### Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

### APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are recommended to purchase at the time of booking.

### Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, you are strongly recommended to purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

### Travel Information & Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

### Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

### Credit & Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

### Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour to notify you of any significant changes prior to your departure.

### Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

### Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

### Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

### Force Majeure

Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

### Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

### Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of

enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

### Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, how we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at [www.aptouring.com.au/privacy](http://www.aptouring.com.au/privacy) or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

### Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

### Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

### Local Purchases

APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

### Personal Belongings & Lost Items

For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines. It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

### Smoking

Government regulations forbid smoking in tourist coaches however frequent stops are made for those wishing to smoke. Smoking is not permitted in hotel rooms or ship cabins. Requests for smoking/non-smoking rooms will be passed on to hotels but cannot be guaranteed.

### Responsible Service of Alcohol

Our staff are trained in the responsible service of alcohol and are obliged by law to guest service to any guest who, in their reasonable opinion appears to be intoxicated or behaves in an aggressive or offensive manner.

### Service Enquiries

If a problem occurs during your holiday, you should, in your own interests, advise your Tour Director so that steps can be taken to

resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

#### Luggage Limits

Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches), or weigh more than 23kg (50 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover portage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

Some holiday packages may have restricted luggage limits, please refer to Specific Terms & Conditions under relevant destination for more information.

#### Gratuities

Gratuities are included for the land and cruise portion of your tour. Gratuities cannot be redeemed for cash. Gratuities are not included for any individual purchases.

#### APT Tour Director

The services of an APT Tour Director are included on land tours and a Cruise Liaison where specified (subject to minimum numbers). The Cruise Liaison may differ from the land Tour Director. An APT Tour Director is not included on Wilderness Lodge Extensions.

#### Choosing Your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for your requirements. Our brochures contain limited information, however, there is more information online at [www.aptouring.com.au](http://www.aptouring.com.au) and our qualified staff are available to discuss your options.

#### Hotels

Hotel rooms in North America are often smaller than those in Australia and New Zealand. In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 4pm and require check-out by 11am. At certain times of the year, hotels may choose to renovate the exterior or interior of their property. Hotels will do their utmost to ensure that there is as minimal disruption as possible to guests.

#### Twin/Triple Rooms

Twin/Triple Room prices are subject to availability and based on existing room/cabin sizes, hotel bedding (twin/double beds) or stateroom availability on cruises (normally max. two beds per room). While cruising, triple cabins will consist of a sofa bed.

#### Solo Travellers

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single rooms/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

#### Cruising – Cabin/Suite/Stateroom Selection

APT, along with the cruise operator will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. The cruise operator reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

#### Passengers Needing Assistance

APT welcomes all passengers. Guests with limited mobility are asked to please note the following:

1. Guests with a disability or medical condition requiring assistance must inform APT of any important information relating to their health, mobility and/or fitness which may affect their partial or total participation in the cruise or tour. This information will allow APT to ensure the chosen tour is suitable and meets their needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible, APT will make reasonable adjustments to the tour to assist all guests, however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If guests require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be

able to do so without the need for assistance. Guests must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

#### Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river and ocean cruise ships and trains. We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any travel vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. If your holiday package includes a cruise, you may be required to complete an additional form at the request of the cruise operator. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

#### Visas & Passports

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

### IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

#### Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

#### Cancellation Policy

The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels): For all holiday packages, excluding Wilderness Lodge Extensions, the following applies:

##### Days of Notice

Prior to Departure	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

For Wilderness Lodge Extensions, the following applies:

##### Days of Notice

Prior to Departure	Fee Per Person
100 days or more	Loss of deposit
99 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed.

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

#### Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

#### Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

### IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT). I.e. alternative date (or refund of the monies paid for arrangements made by APT).

### ON HOLIDAY

#### Noise & Vibration

You acknowledge and accept that some noise and vibration may be experienced on vessels and that APT is not liable to you for any such noise or vibration.

#### Seat Allocation on Coach Tours

To ensure all passengers enjoy forward and window facing seats, on longer tours a daily seat rotation system may apply at the discretion of the Tour Director. We do not warrant that the seat rotation will be adjusted to suit personal preference.

#### Cruise Categories

On board Holland America Line, a Verandah Stateroom is defined by the following categories:

Koningsdam, Noordam, Zuiderdam, Nieuw Amsterdam – VC – VE. A Vista Suite is defined by the following categories:

Koningsdam, Zaandam, Volendam – A – BB.

A Signature Suite is defined by the following categories:

Koningsdam, Zuiderdam, Noordam, Nieuw Amsterdam – SS-SY.

A Neptune Suite is defined by the following category:

Zaandam, Volendam – SA.

On board Seabourn Quest, a Verandah Suite is defined by category V2. Once allocation of staterooms/suites is sold out, all further requests are subject to availability and a surcharge may apply. On occasion, where cabin numbers are not confirmed in advance, cruise companies will guarantee a particular category instead. It should be noted that the position and layout of cabins may vary and allocation of cabins is at the sole discretion of the cruise company.

#### Holland America Line Package

For guests who purchase Holland America Line's 'Have it all' Premium Package the below conditions apply: Signature Beverage Package has a daily limit of 15 beverages, which includes all beverages priced at US\$11 or lower. #### Changes due to Weather

April and May are spring and during this period snow and ice will be present. This will result in some lakes being frozen and/or inaccessible. Sometimes due to elements beyond our control it may be necessary to make alternations to our itinerary. The Columbia Icefield may not operate until early May.
