Let us show you the unparalleled advantage of docking directly at the doorstep of the world's most captivating destinations.

## WHY AZAMARA®

### SMALLER SHIPS. LONGER STAYS. MEANINGFUL EXPERIENCES

As the **global leader in small-ship destination immersion cruising**, we're dedicated to unveiling the true essence of each destination. With small ships that can navigate where larger ships can't, you'll have the opportunity to explore off-the-beaten-path and get an authentic taste of the region. Immerse yourself in local cultures and communities with **more late nights and overnights than any other cruise line, including Extended Destination Days** (10+ hours in port). This ensures you have ample time to explore relaxed and unrushed, witnessing destinations come alive both day and night.

Where cutting-edge culinary experiences and world-class shopping attract visitors from near and far. Go from sacred shrines rising through forested mist to buildings so architecturally over-the-top they capture the world's attention. Asia and the Middle East offer unique adventures filled with fascinating cultural experiences that will amaze you at every turn.

A sunset over the ocean with a pier on the right. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the water. The pier is a wooden structure with a white building on top, extending into the water. The sky transitions from a deep blue at the top to a bright orange near the horizon.
