AUSTRALIA & NEW ZEALAND DESTINATION GUIDE

OUR FLEET

WE DOCK CLOSER

Our commitment to **destination immersion** means you can maximize every precious moment of your journey, indulging in cultural encounters, culinary delights, and unrushed exploration. Unlike larger ships that anchor far from the action, **our intimate small ships grant you direct access to the heart of the city.** This means no tedious shuttle buses or time-consuming transfers, just seamless transitions from ship to shore, allowing you to immerse yourself in the vibrant energy of each locale from the moment you step off the ship.

Let us show you the unparalleled advantage of docking directly at the doorstep of the world's most captivating destinations.

WHY AZAMARA®

SMALLER SHIPS. LONGER STAYS. MEANINGFUL EXPERIENCES

As the **global leader in small-ship destination immersion cruising**, we're dedicated to unveiling the true essence of each destination. With small ships that can navigate where larger ships can't, you'll have the opportunity to explore off-the-beaten-path and get an authentic taste of the region. Immerse yourself in local cultures and communities with **more late nights and overnights than any other cruise line, including Extended Destination Days** (10+ hours in port). This ensures you have ample time to explore relaxed and unrushed, witnessing destinations come alive both day and night.
