# Small Group Philosophy

## Top 10 Reasons Why Smaller Is Better

### 1 Less Time Waiting

Getting on and off the coach, comfort stops, hotel check-ins, meals – with a smaller group, everything is easier and quicker, giving you more time to enjoy your holiday.

### 2 More Time with Your Guide

Our low guest-to-guide ratio means you'll have more one-on-one time to ask questions and take advantage of your guide's expert local knowledge.

### 3 More Space on the Coach

Our groups are small, but our vehicles are not! You'll have plenty of room to spread out with seats to spare.

### 4 Better Views

Full coaches often mean your holiday photos feature the back of people's heads. When the coach isn't full, everyone has a better view.

### 5 More Hotel Choice

Big groups can only stay at large, and often impersonal, chain hotels. Small groups have the flexibility to stay at the smaller hotels with lots of character that are also closer to the action.

### 6 Less Time on the Coach

Centrally located hotels mean we can do more sightseeing on foot rather than being caught up in city traffic. Walking gives you a more immersive holiday experience, and you'll feel like a true local!

### 7 Flexibility

Small groups are more flexible, so we can change the itinerary around to suit the local conditions.

### 8 Get Off the Tourist Trail

The logistical challenges of large groups restrict them to places and experiences that can cater for large numbers. Small groups can get off the beaten track and really experience a destination.

### 9 Be a Responsible Tourist

Small groups are low-impact and don't ruin the very place you've come to see. By not being limited to large hotels and restaurants, we are able to better help the local communities we visit.

### 10 More Fun!

Being in a small group means you get to know all of your fellow travellers, not just a small portion of the group. Many of our guests establish long-lasting friendships on our tours.

# We Include More

## Multi-Night Stays

We include multi-night stops to give you time to breathe and take in your surrounds. It's about finding that balance between making the most of your time away and recognising that you are on holiday and need the time to just 'be'.

## Character Accommodation

Big groups stay in the big hotel chains. We have the flexibility to choose from a wider range of accommodation based on factors such as character, service and location. Whether it's a stay inside Iguazu Falls National Park or at Inkaterra Hotel near Machu Picchu, if it's worth the experience, we'll include it.

## No Hidden Extras

Our tours include all sightseeing, many meals and even taxes and tips where appropriate. Our 'optional extras' are based on special-interest activities that don't always appeal to everyone, meaning they're truly optional.

## Tipping Made Easy

We have developed a program for all destinations where tipping is customary. This simple system sees us collect tips at the time of booking which are included in the tour price. We then pass these tips to our local staff, and they take care of all the tipping. Easy!

## Transportation

We like to mix up the transportation we use because we believe it makes for a better holiday experience – after all, anybody can give you a coach tour! We travel on traditional boats, take scenic train journeys and glide up mountains in cable cars.

## Special Experiences

Special experiences allow us to dig deeper and really connect with the places and cultures we visit. They're the types of things you can't do on your own or with a large group. In short, they are what set our small group tours apart – fun, immersive and memorable.

# How to **book** your tour

**Planning your holiday is half the fun, and it pays to be prepared.**

## **Deposit & Payments**

To confirm your booking, we will need a non-refundable deposit. We will arrange a number of progress payments to make along the way. See our website for full T&Cs.

## **Travel Insurance**

You will need to arrange travel insurance. This is not a choice, it's compulsory, as we'd hate for something to happen to you and you're not covered.

# Fitness

At Bunnik Tours, we pride ourselves on our ability to create unique, once-in-a-lifetime small group tours that are filled with incredible experiences you might not be able to have on your own, or in a larger group. However, that does mean aspects of our itineraries can be challenging for some travellers.

A Bunnik Tour is for independently minded travellers with good levels of mobility. Designed for the not too young and not too old, we don't put specific age limits on our tours, but we do impose a firm policy on the level of fitness required by all our travellers. This is to ensure your safety, and the safety of other travellers. Because of this, we reserve the right to refuse bookings if we feel that the requirements of the tour are too demanding.
