AFRICA

2027 - 2028

Closer *to the Action*

Safaris are all about being in the right place at the right time — and that's where experience makes all the difference.

For over 30 years, Collette has designed journeys that bring you closer to it all — from unforgettable wildlife encounters to meaningful connections with the people and cultures that make each African destination so unique.

Collette Explorations redefines guided travel with small group journeys designed in destination by people who live there, and paced to help you soak it in, not rush. Travelling with an average of just 14 guests, you'll enjoy distinctive stays, deeper local insight, and unforgettable moments that stay with you long after you've returned home.

"This was our trip of a lifetime! Every day it got better. From early morning safaris to Cape Town and wineries and a little downtime at the end. Perfect trip!"

– LINDA B., *EXPLORING SOUTH AFRICA, VICTORIA FALLS, AND BOTSWANA*

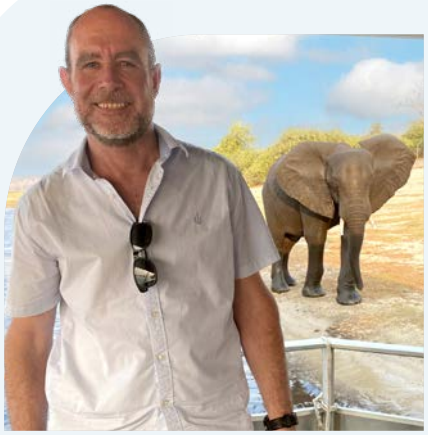

By *Travellers.*

We've spent decades exploring Africa — across its landscapes, its wildlife, and the communities that bring each place to life. That means we don't just know where to go — we know how to experience it in a way that feels thoughtful, balanced, and real.

Our Tour Designers and Tour Managers work closely with local guides and community partners who share their knowledge and perspective along the way. It's those relationships that shape your journey.

Time in the wild is paired with opportunities to engage with local culture, learn from the locals, and experience more than just the highlights.

Roger C.

Tour Designer: Africa

"I grew up in South Africa and have been in the tourism industry for thirty years. Uncovering Africa's beauty is my passion. We design our own itineraries and hand-pick safari lodges and experiences. It allows us to listen and react to traveller feedback and build the exact experience our travellers are looking for."

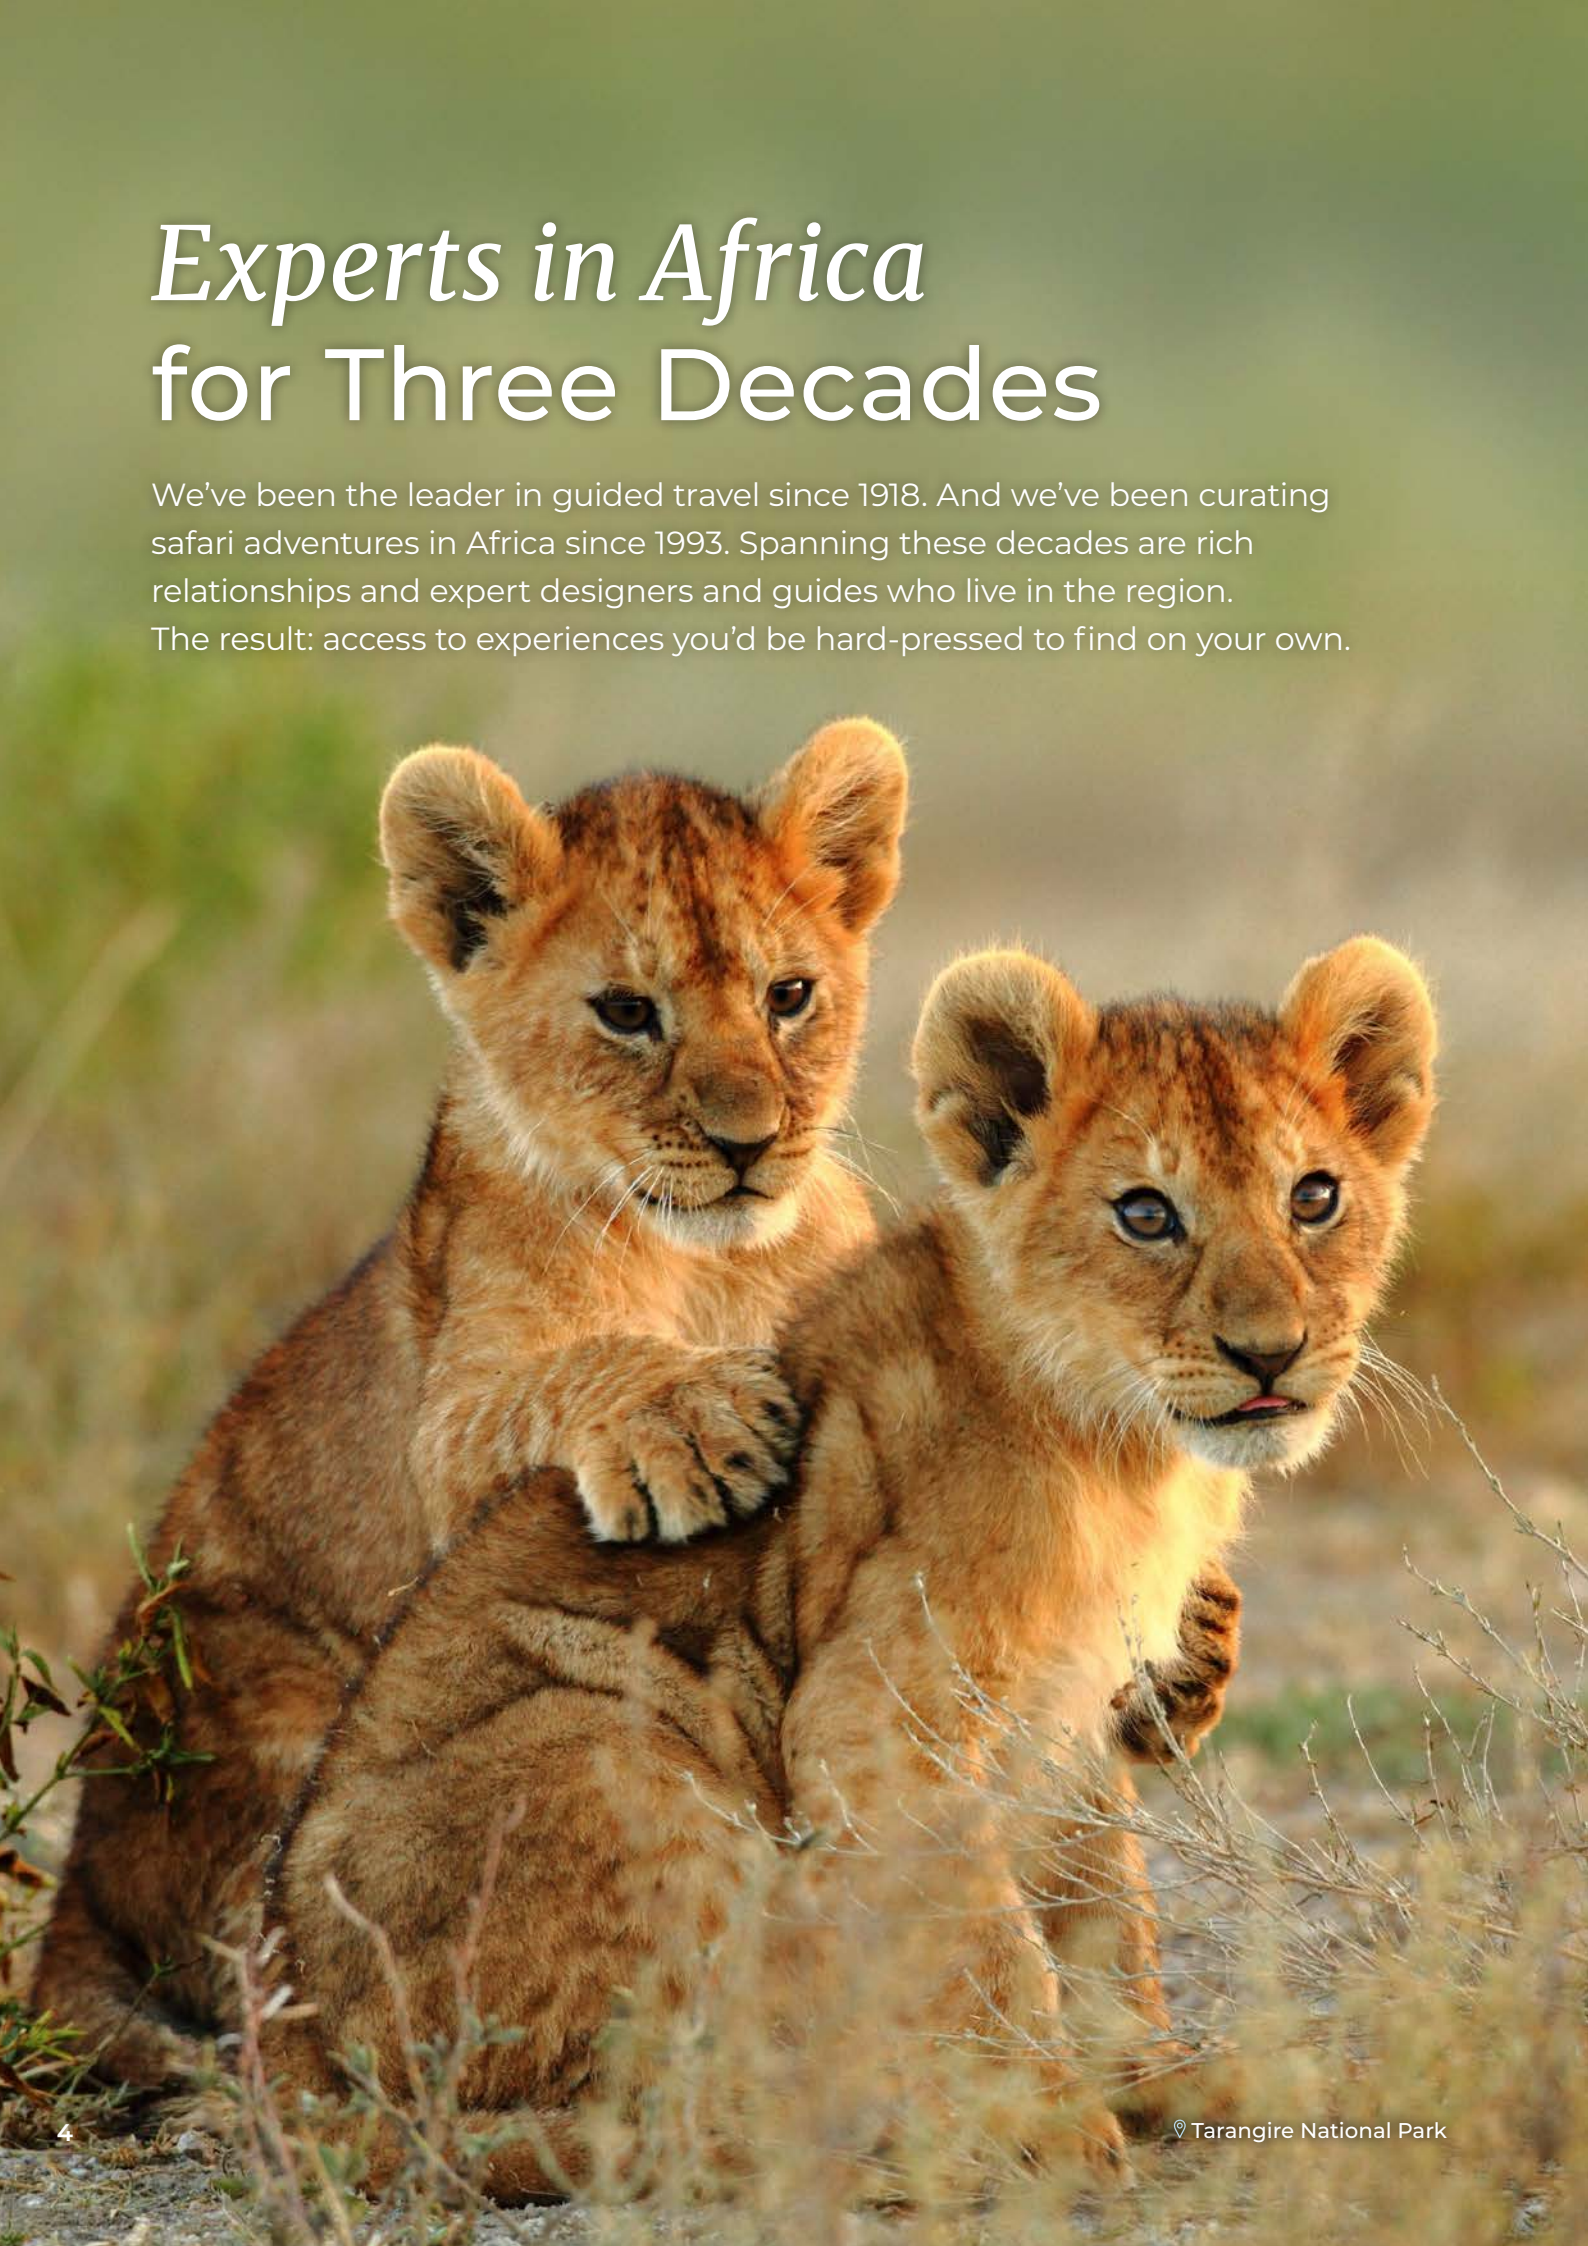

For *Travellers.*

You don't just want to go places — you want to truly experience them. We design our safaris with travellers like you in mind — bringing together wildlife, culture, and connection. We refine the experience in real-time based on our traveller's feedback so that your journey is seamlessly delivered. Because, like you, we're travellers seeking experiences that add to our story.

Our travellers come from all walks of life, but they're united by one thing: a deep, shared curiosity about the world.

Experts in Africa for Three Decades

We've been the leader in guided travel since 1918. And we've been curating safari adventures in Africa since 1993. Spanning these decades are rich relationships and expert designers and guides who live in the region. The result: access to experiences you'd be hard-pressed to find on your own.

Tarangire National Park

SAFARI, YOUR WAY

A mix of game drives, water safaris, and guided walks gives you different ways to experience the landscape — whether you're tracking wildlife across the savanna or cruising along the Chobe River. Even the in-between moments are considered, like a picnic lunch out on the plains in the Masai Mara or Kruger National Park.

CLOSER TO CULTURE

Spend time in the places people call home — sharing a meal with a family in Cape Town, connecting over conversation during a home-hosted lunch near Victoria Falls. Experience daily life beyond the expected.

IMPACT MOMENTS

Go beyond observing to understanding. Visit places like the Victoria Falls Wildlife Trust to learn about conservation and rehabilitation efforts, or meet the artisans at Shanga in Tanzania, where meaningful employment supports individuals with disabilities. Experiences designed to connect you to the people and initiatives making a difference.

STAY IN THE EXPERIENCE

From tented camps in Tarangire National Park to lodges set on the edge of Kruger National Park, your accommodations are chosen for their location and character — keeping you close to the wild landscapes you came to see.

MORE TIME WELL SPENT

With more two- and three-night stays, your journey moves at a comfortable pace — giving you time to take it all in, rather than move quickly from place to place.

CHOICE ON TOUR

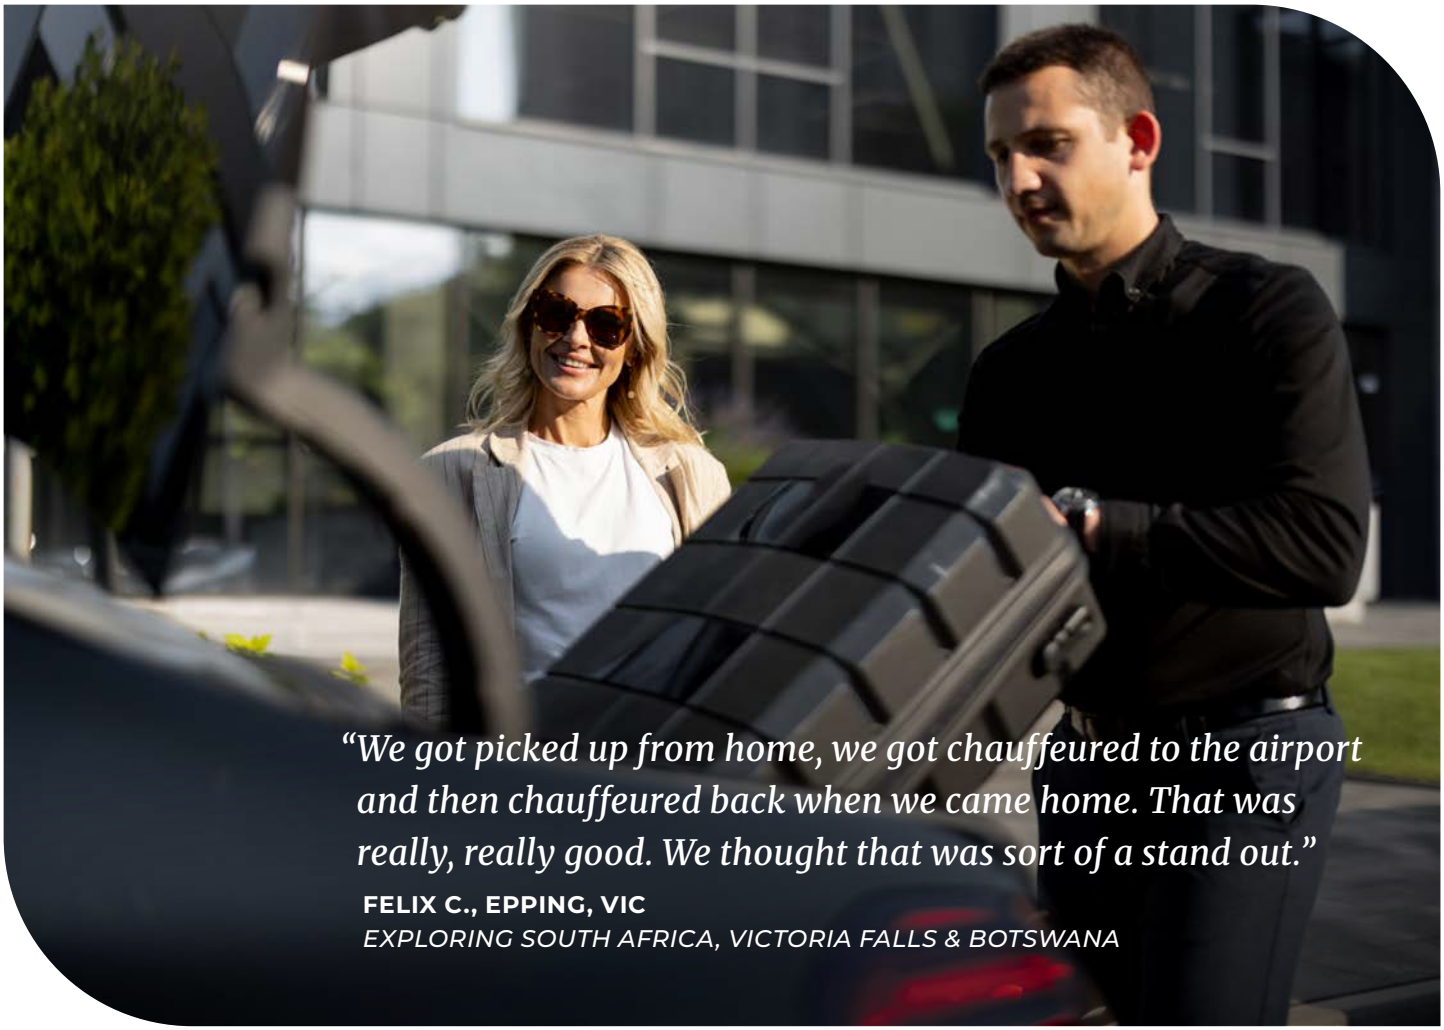

On select days, you can choose between two or three included excursions — giving you the freedom to follow what feels right in the moment. Look for **It's Your Choice!** in the itinerary.

Peace of Mind *Included by Design*

With Collette, peace of mind is built into the journey from the very beginning — and it's part of what makes Collette Explorations feel different, even before you arrive in destination.

Amboseli National Park, Kenya

"We got picked up from home, we got chauffeured to the airport and then chauffeured back when we came home. That was really, really good. We thought that was sort of a stand out."

A Day *on Safari*

What it's like to venture out in Africa's wilderness

WAKEY WAKEY

The early bird catches the worm, that's why morning game drives start at the break of dawn, typically between 5:30am-6:30am, depending on the season. Savour a freshly brewed cup of coffee or tea and a light breakfast before venturing out at sunrise in search of creatures great and small.

INSIDER INFO:
Be sure to dress in layers – morning game drives can be quite chilly regardless of season!

DAWN'S EARLY LIGHT

Breathe in the fresh air and take a moment to appreciate a sunrise without comparison. Your expert drivers know the lands intimately and will track game and communicate with other trackers ensuring plenty of opportunities to behold the scenes you only held in your dreams – until now.

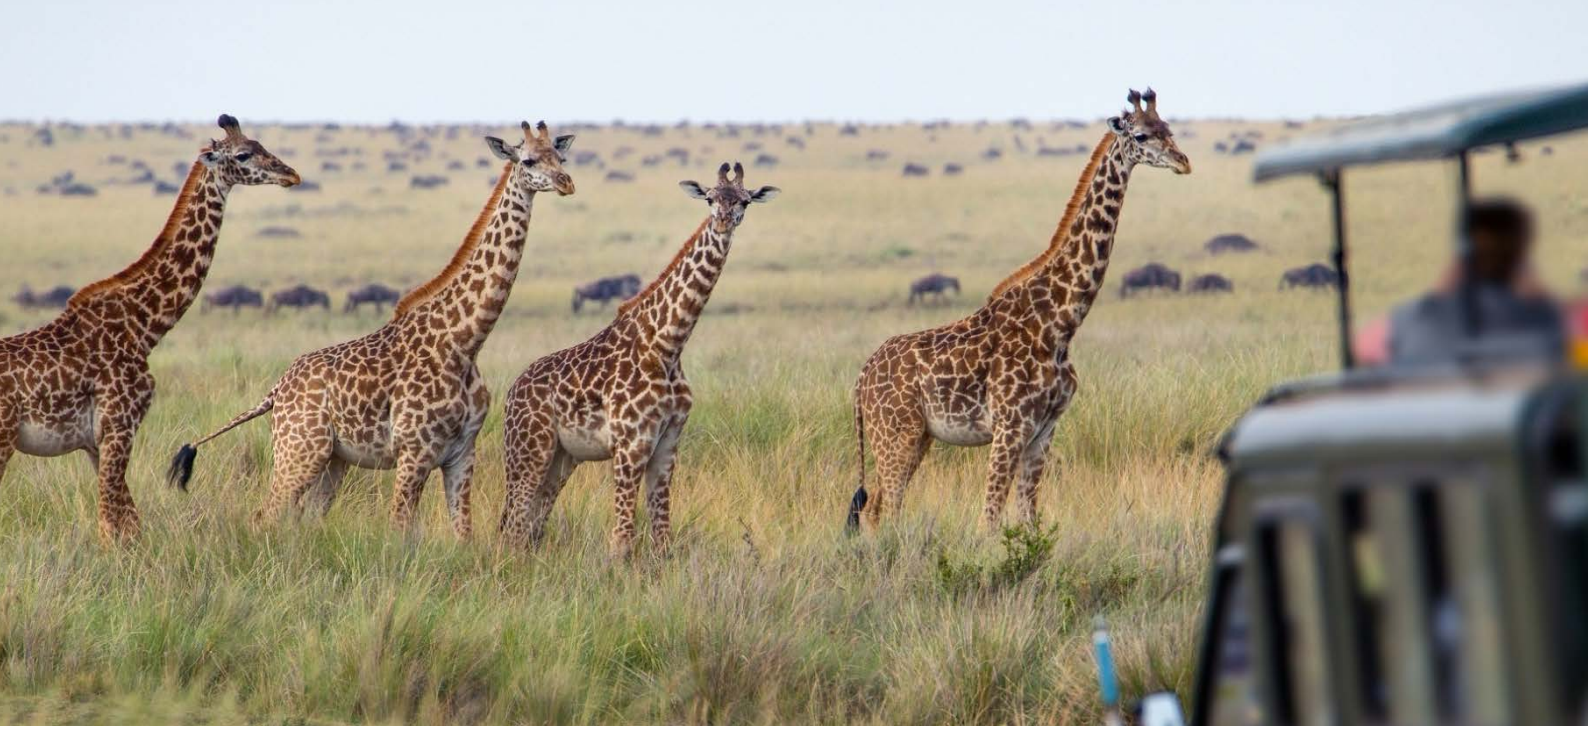

INSIDER INFO:
Half-day game drives typically last 3 hours (more if game viewing is particularly good; less if the weather conditions are extreme).

BACK FOR BRUNCH & MIDDAY BREAK

After your morning drive, head back to your lodge or camp and fill up on a delicious brunch. Afterward, you'll have time to relax with a book, enjoy a refreshing swim, or recharge with a quick nap.

INSIDER INFO:
Many of the lodges and tented camps we use offer a range of amenities like swimming pools, board games, game viewing areas, and even spas!

ON THE PROWL

Around 3 – 4 p.m., load back into your safari vehicle (we use both open-roof and roofed-in vehicles) in search of more game. Midway through your drive, as the sun dips low, rest for a moment and toast to nature with a sundowner – drinks and snacks in a scenic spot. See the animals become more active with dusk fast approaching.

INSIDER INFO:
There's no typical day on safari. Prepare yourself for a totally different experience in the afternoon.

NIGHT LIFE

Your afternoon game drive ends around dusk, as nocturnal animals become active. Spot a few night roamers before returning to your lodge for dinner. Relax and rest well after a full day and let the sounds of an African night lull you to sleep.

INSIDER INFO:
Before you drift off to sleep, document your day! Journaling is a great way to ensure you remember all the moments of your safari.

WHAT TO EXPECT

- ✓ Time spent in safari vehicles, often over uneven, unpaved roads
- ✓ Early starts and full days shaped around wildlife activity
- ✓ Warm temperatures, open air, and a bit of dust along the way
- ✓ Frequent stops and getting in and out of vehicles

THE TRADE-OFF:
It's not always comfortable. But life's most exhilarating moments rarely are. A little dust, a few bumps — and stories you wouldn't trade for anything.

Nights on Safari

A comfortable place to rest on safari is critical to your overall experience. We select each hotel, tented camp, and lodge with comfort, quality, and proximity to parks and reserves in mind.

Desert Grace Lodge

The Wallow Lodge

LODGES

From unique wildlife viewing opportunities to high-comfort amenities, the lodges chosen for our safaris are often an experience unto themselves. Expect thoughtful service, locally reflective design, and comforts to delight and surprise you.

TENTED CAMPS

Rethink your perspective about camping. Did you know that tented camps can have cosy beds, permanent roofs, and private bathrooms? And while you're among the action, perimeter fencing keeps animals away from your front door.

Sangaiwe Tented Camp

Lake Kariba

SAFARI BOAT

Sometimes the best vantage point to spot animals like hippos is from the water. On a safari houseboat, spot aquatic bird life and get a unique perspective of Africa that few experience. Board tender boats during the day and overnight in comfort.

"I like the security for a start, and the ability to mix with other people, whereas if you're on your own, you're on your own, you don't make friends, and you don't get access to some places that are difficult if you're on your own, whereas in a group it's all organised."

MERRYLIN E., PERTH, WA

Frequently Asked Questions

Accommodation

What is the difference between a twin room and a double room? A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilised.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please enquire at time of reservation.

Can my children travel on tour? Discounted Child land rates are available and are valid for ages 5-17, sharing a room with one full-paying adult. If you are travelling with a child, it is your sole responsibility to ensure the child follows all safety rules of the tour. For safari tours, travellers must be at least 13 years of age.

Are single and triple rooms always available? On many tours, triple and single rooms are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon. If you do have an early arrival, rooms may not always be available for immediate check-in.

Flights

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines.

Attractions and Sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by local holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilise your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Can you tell me more about the safaris? For a fuller wildlife experience you will be travelling by custom-built safari vehicles which requires frequently climbing in and out of the vehicles and sometimes traversing bumpy roads. We recommend a good fitness level and to prepare properly.

Documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside of Australia. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

If travelling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or cancelled tours where a guest fails to secure proper documentation.
