The Next In A Fine Line

For over 180 years we've set the bar, and then raised it. We've constantly refined the definitive experience of ocean travel. From this spirit comes the finest ship of its era, Queen Anne. Due to grace the seas in early 2024, our 249th addition to the fleet extends the Cunard Line for future generations. Designed with distinction, we invite you on board to discover a ship that is modern, yet timeless.

Every detail has been considered to instil a sense of occasion, and to ultimately give you more choice. We invite you to delight in the new experiences on board alongside renowned signature spaces from across the fleet.

Many of our popular venues have been reimagined, whilst staying true to the much-loved hallmarks of our brand.

On a Queen Anne voyage feel inspired by the blend of classic and contemporary, with the freedom to do as little or as much as you choose, and indulge in everything that makes a Cunard ship so special. We look forward to welcoming you on board.

Where nothing comes as standard

Queen Anne's breathtaking interiors take inspiration from our past to define a striking new design direction for our future.

Having been immersed in the Cunard archives, the designers, whose portfolios include luxury hotels, high-end yachts, and private grand residences, have ensured that Queen Anne exudes classic Cunard style while showcasing many new considered touches.

Queen Anne's distinctive design language is echoed throughout, reinterpreting influential styles of the past and celebrating the beautiful art deco style finishes that Cunard is known for.

Feel inspired as you stroll through decks adorned in an impressive art collection or enjoy that special feeling as you descend into the Grand Lobby in your Gala Evening finery. Delight in our world-famous Afternoon Tea served in the exquisite Queens Room or decide to spend your days and evenings relaxing in more casual surroundings. As always with Cunard, the choice is yours. Queen Anne becomes your new home as soon as you step on board and breathe in the true Cunard experience.

And then to dinner

Relish in the pleasure that is dining on board Queen Anne. Like her fellow Queens, our newest ship leaves nothing to be desired when it comes to cuisine.

Queen Anne offers dedicated restaurants corresponding to her four accommodation categories. Each of these boasts a menu that showcases the finest ingredients from all over the world. Alongside our glittering main restaurants, Queen Anne offers an array of alternative dining options.

Your choice of authentic cuisine includes Mediterranean, with a restaurant whose menu features both familiar and perhaps unexpected dishes. Delight in the delicate and fragrant flavours of the East at the Japanese restaurant or enjoy tastes of India, with dishes made using rich and aromatic spice blends. When you're in the mood for an indulgent steak and perfectly paired wine, choose the steakhouse and grill, or maybe head for tapas if you'd like an evening filled with plenty of options. You'll also find a generous menu of pub classics at the Golden Lion or you can choose from a range of healthy options at The Pavilion Wellness Café.

Whatever you choose, revel in fine, flavoursome cuisine without compromise.

Queen Elizabeth

Christened by the late Queen (Her Majesty Queen Elizabeth II), Queen Elizabeth pays tribute to classic art deco design; styling that has won her numerous accolades.

The heyday of Hollywood glamour is instantly evoked in her elegant wood panelling, gleaming chandeliers, and marble flooring but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a marquetry-panelled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

Queen Mary 2

Built to sail the open seas and cut through the mighty Atlantic with ease, Queen Mary 2, the world's only true ocean liner and Cunard's flagship, has elegance and scale like no other.

Nestled throughout her spacious decks are plenty of restaurants and bars, swimming pools, a full-sized theatre, a casino, a spa, a 3D cinema, a full-scale planetarium, and a beautiful ballroom dance floor.

You'll find ample deck space and a traditional promenade deck that circumnavigates the ship.

Queen Victoria

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theatre boxes at sea.

Fans of Queen Victoria often remark on her unusual cosiness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

When all the ship's a stage

With unexpected theatre like nothing else at sea, find yourself transported into another world again and again, with Cunard Showcases.

When you sail with Cunard, your onboard entertainment isn't only confined to the Royal Court Theatre. We also like to immerse you in the action, with our ships setting the stage for some of the most unique productions at sea.

That's why, on selected voyages, you'll find performances of a more intimate nature, delivered in places you probably wouldn't expect. We call it Cunard Showcases because that's exactly what it is: a celebration of live performance, showcased through extraordinary experiences.

Powerful dramas. Interactive theatre. Multisensory dining. This eclectic entertainment programme is the first of its kind at sea. Become utterly absorbed in a murder mystery dinner. Enjoy the impromptu acoustics of an operatic flash mob. Be left speechless by incredible dance and physical performances you'll never forget.

When you're not captivated by the theatre that surrounds you, take the opportunity to see what goes on behind the scenes at intimate 'In conversation with' events and workshops with stage and screen talent. Who knows, you could be watching a dancer perform one night and partnering with them the next.

Many of our guests welcome the opportunity to dress for the occasion and step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available.

On Queen Anne, perhaps head to Bright Lights Society, a dazzling new show bar where you're invited to share an electric evening of wonder up close.

For West End-style performances, on each ship you'll find the Royal Court Theatre. Here, some evenings feature singers or comedians, and other times you might catch a classical drama or musical. You can even enjoy champagne in your own private box on some ships*.

Alternatively, slow things down with the melodic sounds of a pianist serenading you as you sip the evening's cocktail, or take part in a quiz with your fellow travelling companions at the Golden Lion pub.

With so many things to do on board, the only difficult decision is what to do next.

Sustainability at Cunard

Looking after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking committed action to protect the environment and invest in our communities and people to deliver positive impact – not just for today, but for the long term. Our sustainability agenda supports many of the United Nations Sustainable Development Goals and is made up of several important priorities.

Protecting the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low carbon or zero-carbon emission technologies, developing and installing advanced air quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

Biodiversity and conservation

Our efforts are focused on implementing best practices across our operations, investing in programmes that support biodiversity and conservation, working with our supply chain and partnering with the communities we visit to help maintain and improve their ecosystems.

Investing in people

Good health and well-being

Our employees are at the heart of our operation, and we are working on expanding our well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

Diversity, equity and inclusion

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Asia, by Cunard

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and scents of these fascinating nations are sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past, and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Savour the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you a choice between visiting the UNESCO-listed Imperial City of Hue, or the heavenly sands of Da Nang's beaches.

Queen Elizabeth will make several Japan circumnavigations, offering the opportunity to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and Kanazawa's castle, plus maiden calls to Beppu and Sasebo. You could also enjoy time ashore in Taiwan and Busan, where Buddhist shrines and the homes of former emperors are among the sights to savour.

Selected voyages offer the opportunity of joining in Australia.

You could be part of something special when Queen Anne sails to Asia for the first time in 2025, on her maiden World Voyage. Take up the opportunity to sail from Australia or New Zealand on a one-way voyage to Asian destinations.

Africa and Indian Ocean, by Cunard

Delight in salt-white beaches and unforgettable wildlife encounters, coupled with the tropical respite of lush islands infused with sunshine.

With glorious coastlines and vibrant cities, a voyage to or from Africa is an experience that will stay with you always.

Cradled between mountains and sea, iconic Cape Town is a destination that never fails to enchant. Take the cable car to the top of Table Mountain to drink in the spectacular panoramic views or catch the ferry to Robben Island for a guided tour of the UNESCO World Heritage Site where Nelson Mandela was once famously imprisoned. Selected voyages even offer an overnight stay in port.

Alighting in Durban you'll discover a harmony of African and Indian influences, where the city's vibrant Botanical Gardens and inviting beaches are just two temptations. Port Elizabeth, meanwhile, unlocks the spellbinding game reserves of South Africa's Eastern Cape, while Walvis Bay introduces the possibility of Cape fur seal, whale, and dolphin sightings in Namibia.

In the Indian Ocean, the French outpost, Réunion, can only be defined as a kaleidoscope of lush rainforests and waterfalls, inviting you to awaken your inner explorer or simply lay back and forget it all. Meanwhile, shoppers will love the waterfront boutiques and lively craft market in Port Louis, Mauritius, its many stalls the perfect place to find a treasured keepsake of your holiday.

The Mediterranean, Iberia, Atlantic Coast and Canary Islands, by Cunard

Take to the Mediterranean or soak up the magic highlights of Iberia and the Canary Islands.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare.

Walk in the footsteps of gladiators, explore ancient archaeological sites, and revel in the tranquillity of islands where life seems to move at an altogether slower pace.

Enjoy an overnight stay in Istanbul, sipping on rich Turkish coffee and getting lost in bazaars filled with colourful pottery, fabrics, and sweet treats. Nestled in eastern Italy close to the border with Slovenia, Trieste brings a chance to explore Italian, Slovenian, and Austro-Hungarian influences, especially in the medieval old city. Explore ancient Roman ruins in Croatia, and in Barcelona, gaze in awe at Gaudi's unmissable Sagrada Familia, the spires of which are an iconic sight on the city's skyline.

In Rome's 'Eternal City', the Colosseum and Vatican City are just two of the historical highlights worthy of a visit. Naples, meanwhile, brings the wonders of Pompeii, and Pisa's leaning tower is easily accessed on a tour from Livorno.

Selected voyages also offer the opportunity to transit the Messina Strait, or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue.

These, together with the Balearic Islands of Mallorca and Ibiza, the asperous coast of Iberia and stunning Canary Islands, are sure to inspire wonderful holiday memories.

Alghero, Sardinia, Italy

Trieste, Italy

Provence, France

Mallorca, Spain

Inspiring Mediterranean ports

Choose your discovery with voyages from Southampton, Barcelona, Rome, Trieste or Athens.

Ajaccio, Corsica, France

Ajaccio presents an opportunity to retrace the early footsteps of Napoleon Bonaparte. Ponder the journey that made Napoleon one of Europe's most notorious leaders. But don't forget to experience Tino Rossi harbour's pastel façades, brightly painted fishing boats and rustling palms.

Palma de Mallorca, Spain

A city steeped in history, the centre of Palma de Mallorca is a vibrant area, bursting with sights, smells, and cultural experiences in which to immerse yourself. Arriving by cruise ship brings you into the turquoise waters of the port of Palma de Mallorca. It's a wonderful introduction offering you first glimpses of the island's majestic golden beaches and rippling palm trees.

Ibiza, Spain

This iconic island destination was reputedly founded as early as 654BC by Phoenician settlers, and its rocky peaks combine beautifully with the azure waters of the Mediterranean Sea. Large portions of the island are protected as World Heritage Sites and the Renaissance walls of the Old Town are among few examples of their type left in the world.

Toulon, France

Toulon sits on the sun-kissed Côte d'Azur, almost exactly between Marseille and St. Tropez. From here, seek out chic beaches and Provençal landscapes of dry stone walls and swathes of lilac lavender.

Alghero, Sardinia, Italy

As you approach the port of Alghero, you will be greeted by secluded bays, pine forests, jagged rock faces and luxurious vineyards. From discovering Neptune's Grotto - mesmerising sea caves that will feed your urge for adventure - through to visiting wine cellars of Sella and Mosca, the area is bursting with exciting things to see and do.

Trieste, Italy

Trieste is a charming destination which has been furnished decorously by grandeur and royalty through the centuries. The heart of the medieval old city and its neo-classical Austrian quarter offer great expressions of this seaport's colourful past. The food is divine, the culture vibrant, and ambience quite unique.

Northern Europe and British Isles, by Cunard

Revel in pristine scenery and strikingly beautiful cities as you explore these historic lands.

Fascinating contrasts and beguiling natural wonders provide the perfect combination for a magical holiday in Europe's northernmost nations. Journey to Iceland, home of the Golden Circle, where geothermal geysers await on tours from Reykjavík, or immerse yourself in the captivating natural beauty of Norway's deep coastal fjords.

In the Baltics, Copenhagen's Tivoli Gardens and Tallinn's Medieval Old Town (a UNESCO World Heritage Site) are sure to enchant, while Helsinki's stunning Temppeliaukio Church provides an architectural highlight in Finland.

Norway, meanwhile, invites you to follow in the footsteps of Vikings, with passages through waterfall-lined gullies cloaked in emerald forest. Take the funicular up Fløyen Mountain to savour the sweeping panoramic views across Bergen, stroll pretty streets lined with art nouveau buildings in Ålesund, and step between the pages of history in Trondheim's 11th-century Nidaros Cathedral.

Voyages around the British Isles offer an opportunity to retrace The Beatles' musical legacy in Liverpool, explore Edinburgh Castle on a tour from Newhaven, and uncover maritime history at Titanic Belfast, an unmissable attraction in Northern Ireland.

The Transatlantic Crossing, by Cunard

A voyage across the Atlantic is as iconic today as it was in 1847, and it remains one of life's most unique travel experiences.

It's a welcomed opportunity to leave the everyday behind and immerse yourself in a world of unadulterated escapism. Most of all, it's an invitation to make an unforgettable arrival into (or departure from) New York by ocean liner.

Share in the timeless romance of it all, with the freedom to spend each day at sea in whatever way you please. From a morning yoga class before breakfast, to an evening performance at the Royal Court Theatre, there's always something new to experience.

Indulge in our famous Afternoon Tea, served daily in the Queens Room, or see constellations take shape in Queen Mary 2's onboard planetarium, Illuminations. Savour a flight of ales in the Golden Lion pub, a live pianist in the Commodore Club, or an Oscar winning film, the choice is yours.

Selected voyages also offer the opportunity to combine a Transatlantic Crossing with a day in Hamburg, Southampton, or Paris (tours from Le Havre), adding yet another wonderful dimension to this legendary ocean journey.

Queen Elizabeth, Hubbard Glacier, Alaska

Alaska, by Cunard

Exploring Alaska by ship is the perfect way to experience these icy northern reaches first-hand, many of which are inaccessible by air or road.

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska offers sights and experiences that will stay with you always. Explore frontier towns where gold prospectors once mined the icy terrain, and glacier-studded fjords at the very fringes of civilisation.

Ketchikan, home to the world's largest collection of totem poles, delights with its intricately carved wooden sculptures and candy-hued houses. The state's capital, Juneau, unlocks whale-watching expeditions to see humpbacks and orcas, while cruising Glacier Bay National Park delivers spectacular scenes of tidewater glaciers backed by snow-capped mountains.

On board, naturalists illuminate the views on-deck, performers provide native entertainment, and Cultural Heritage Guides reveal fascinating insights into Alaska's history. An Ice White Ball on Gala Evening offers yet another experience to savour, while an Alaskan twist on our signature Afternoon Tea provides the perfect treat after a day exploring.

Your dining experiences also pay homage to Alaska's great culinary legacy, featuring dishes inspired by native delicacies and ingredients of local provenance.

Port highlights

Juneau is frequently cited as Alaska's most scenic city. Taking an aerial tram to Mount Roberts offers a phenomenal bird's eye view of the area's icefields all around. Admiralty Island, home to one of the world's largest concentrations of brown bears, is easily reached.

Glacier Bay National Park is the crowning jewel of Alaska's Inside Passage. Part of a World Heritage Site, it's home to an array of wildlife and some of the world's most amazing tidewater glaciers.

The world's oldest totem poles can be viewed at the Totem Heritage Center in **Ketchikan**. Sport fishing and outdoor adventures abound.

Skagway is Alaska's gateway to the Klondike where in the late 1890s more than 100,000 prospectors arrived in search of gold. Even today, frontier-style saloon-style buildings still line the town's streets. Soak in super vistas from a vintage passenger car on the White Pass and Yukon Route railway.

USA, Canada and the Panama Canal, by Cunard

In Canada and the United States, vast landscapes and vibrant cities offer a glimpse into the legacies of man and Mother Nature. Whereas, a transit of the Panama Canal unlocks incredible seafaring journeys through jungle-lined waterways connecting North and South America.

With iconic sights that never fail to impress, New York is always a compelling port of call. Then there's laidback Boston, famed for its links to the American Revolution, which you can learn about in the city's famous Freedom Trail.

Away from these iconic cities, you'll discover New England's gorgeous beaches and characterful coastline. Calling at Rockland, meanwhile, introduces a creative blend of galleries, shops, and farm-to-table restaurants, the likes of which are highly acclaimed.

In Canada, delight in a woodland hike among Nova Scotia's pine trees from Sydney. Explore the historic warehouses and star-shaped Citadel in Halifax before reaching Sept-Îles which will astonish with its stunning scenery and rich Innu culture. Saguenay reveals a majestic fjord and picturesque villages.

Canada's crowning glory, however, must be the beautiful walled city of Québec. Brimming with French culture, entering its magical old town (a UNESCO World Heritage Site) feels nothing short of taking a step back in time.

For guests choosing to sail the Panama Canal, one of the world's greatest feats of engineering, savour the sights of the jungle from the deck, perhaps with a signature Cunard cocktail. Then on either side of the canal you could relish post-perfect views of the Caribbean Sea or delight in adventures on the West Coast.

The Caribbean, by Cunard

Immerse yourself in the glorious sunshine of the Caribbean, with the freedom to explore a new island almost every day of your holiday.

Overflowing with natural beauty, vibrant colours, and idyllic beaches, the Caribbean has long held a place in travellers' hearts. Its cuisine is also legendary, with fresh fish and fiery spices common signatures in the local dishes enjoyed across the region.

Pristine Dominica, one of the greenest islands, is a playground of natural wonders. Its stunning Morne Trois Pitons National Park a lush paradise of grottos and hot springs. St Kitts also offers much to satisfy your inner adventurer, with stunning mountain trails surrounding the island's capital Basseterre.

Sint Maarten, in the Dutch Caribbean, introduces quiet coves that are perfect for snorkelling as well as thrilling zip-lining experiences to set your pulse racing. If you're in the mood for some retail therapy, the colourful boutiques along Front Street in Philipsburg - just a stone's throw from one of Sint Maarten's best beaches - are sure to turn up a precious treasure or two.

Barbados meanwhile, offers the opportunity to explore the UNESCO-listed Garrison or the stunning stalagmite formations of Harrison's Cave. An aerial gondola ride in St Lucia's Forest Reserve will whisk you through the emerald canopies, and on St Thomas, the allure of Magens Bay's sapphire seas will prove impossible to resist.

Before you sail.

Ask Cunard. Whether you're new to cruising or a seasoned expert, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: cunard.com/en-au/frequently-asked-questions for a wealth of information.

What's included in my fare? See page 37 and 116 for details.

Do I need a passport, visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to or from. For domestic cruises departing an Australian port that do not visit an international port, and for domestic cruises departing a New Zealand port that do not visit an international port, a valid passport or government issued photo identification is required. As requirements are subject to change, we recommend checking our website regularly for any updates.

Do I need travel insurance?

We strongly recommend you purchase appropriate travel insurance at the time you pay your deposit for any Cunard voyage. If you do not purchase travel insurance you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs on board, even on Australia and New Zealand cruises.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. Not only are you invited to a 'Welcome Cocktail Party' for all our guests, you might also want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends.

What do I wear on board during the day?

You'll need to pack a range of summer or warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself most comfortable in stylish casual wear, including shorts and smart jeans. Swimming costumes, micro shorts, sarongs, and gym wear should be reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any enclosed areas.

Is there a dress code on board?

During the day, relaxed dress is welcomed around the ship. The only exception is Afternoon Tea when we kindly request smart casual attire is worn. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

On our much-anticipated Gala evenings, we invite you to dress to impress and celebrate with us. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

Please refer to your Daily Programme for more information.

Smart Attire. Gentlemen, every night we request you wear trousers with a collared shirt; jacket is optional. Ladies, blouses and skirts or stylish trousers and dresses are welcome.

Gala Evenings. On Gala Evenings it's dinner jacket, tuxedo, or dark suit for the men with a regular tie or bow tie. Evening or cocktail dress, smart trouser suit, or formal separates for the ladies please.

Relax. Feel free to dress casually as you visit any of the following venues: Lido and Kings Court restaurants, Carinthia Lounge, Winter Garden, Garden Lounge, Yacht Club, Golden Lion, and G32. Queen Anne venues to be confirmed.

How many Gala Evenings will be on my cruise?

As a guide, on board there are two Gala Evenings per week. Details of daily dress codes, Gala Evenings and themes can be found on My Cunard at cunard.com in the calendar view of your cruise. The evening dress code will also be specified in your ship's Daily Programme the evening before.

For wardrobe inspiration please see page 140-141.

Does my stateroom grade determine where I eat?

Only in respect of your formal dining arrangements. On all ships your accommodation is paired with a specific restaurant. Please see page 117 for details.

Are there any other places to eat on board?

All ships offer alternative dining options, which are available to everyone:

Queen Mary 2
Boardwalk Cafe, Carinthia Lounge, Golden Lion, Kings Court, Sir Samuel's, and Steakhouse at The Verandah restaurant.

Queen Victoria
Chart Room, Golden Lion, Lido restaurant, and Steakhouse at The Verandah restaurant.

Queen Elizabeth
Café Carinthia, Golden Lion, Lido restaurant, and Steakhouse at The Verandah restaurant.

Queen Anne

Will offer a wide variety of alternative dining options throughout the day and evening. Further information will be shared in the future.

Advance bookings are required for Steakhouse at The Verandah restaurant as well as the speciality dining options in the evening offered in the Lido and Kings Court respectively. These dining options carry a nominal charge.

Room service is also available 24 hours a day.

What dining times are available for dinner?

Guests booked in Queen Grill Suites, Princess Grill Suites and Britannia Club will have the flexibility to dine at their leisure between 6.30pm and 9.00pm. Guests booked in Britannia may choose from Early, Late or Open Dining.

What if I need a special diet?

Please advise us of your needs three months prior to departure or at the time of booking, whichever is closer to your departure date. Whilst every effort is made to ensure that special dietary requests are met, please note this cannot be guaranteed.

Kosher For guests who require Kosher food, we are pleased to provide this on request and with advance notice. Please advise us at the time of booking where we will send you a menu to make your selection; this must be returned no later than six weeks prior to departure. What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2	pages 118-122
Queen Elizabeth	pages 123-127
Queen Victoria	pages 128-131
Queen Anne	pages 132-136

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

What is a hotel and dining service charge?

From your waiters and stateroom stewards to the many more people supporting behind the scenes, every Cunard crew member puts their heart and skill into ensuring you experience Cunard's legendary White Star Service. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account and every dollar collected goes directly to the crew members. There is no administrative fee. Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Casino, Bar, Wine, and Spa personnel do not share in the hotel and dining service charge, as not all guests use their services.

How are these charges calculated?

Amounts vary by stateroom category as follows:
Queens and Princess Grill Suites US\$16.50 per person per day
Britannia Staterooms US\$14.50 per person per day
 Naturally, you are free to reward any member of the crew over and above these amounts at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office, for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted on to your account you will need to register your credit card via

online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash then please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

How do I register my credit card?

You will be able to register your credit card via our online check-in website or before boarding the ship in the terminal. All credit card details are encrypted.

We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, and any pre-paid credit cards.

How can I avoid issues with my credit card?

When you register a credit or debit card to cover your on board spending, an amount of US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 28 nights your credit card will be charged mid cruise and at the end. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. You may therefore want to contact your card provider on your return to release these authorisations.

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol A or PA, and where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6' 0"/ 1.5m to 8' 0"/2.0m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, e.g. Rome (from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service or a city transfer service.

With Cunard Fares, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

Can I get foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports when the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (US\$500 per day with a maximum US\$2,500 per seven consecutive days and a maximum of US\$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or travellers cheques. We are also unable to accept £500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of US\$500; a US\$2,500 limit per seven consecutive days; and a US\$10,000 limit per 30 consecutive days; against a registered credit card.

What to pack

One of the real pleasures of our ships is the balance between being relaxed and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala nights.

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

Inspiration for day time on board

For her

Days on our ships are for relaxing and we want you to feel comfortable and at home. So feel free to dress as you please, whether you're out on deck or inside. Polo shirts, T-shirts and casual tops, paired with shorts, a skirt or casual, lightweight pants or trousers are a great choice or day dresses for a slightly more elegant alternative. Even if it's likely to be hot and sunny, it's usually sensible to pack a few cardigans or lightweight sweaters too for on deck and around the ship. Footwear ideas include smart sneakers or gym shoes, sandals and open-toed shoes, such as espadrilles.

For him

For days at sea, or ashore, you might opt for a casual long or short sleeve shirt, a polo shirt, a T-shirt or a sweater paired with shorts, lightweight or cargo trousers. Footwear can be equally relaxed, so you might wish to bring sandals, deck shoes or smart sneakers.

Relaxed evenings

From time to time, not least after a rewarding discovery ashore, you might wish to round off the day in a more relaxed style. You'll be pleased to know that many of our bars and lounges welcome you to unwind in more casual outfits during the evening. Casual venues include: Kings Court, Lido Buffet, Golden Lion, Casino, Carinthia Lounge, Winter Garden, Garden Lounge, Yacht Club and G32.

Smart attire for her

You might pick out an elegant dress, flowing maxi skirt and top or combine a blouse and pants or trousers. Complete your outfit with low or high heels, court shoes or flats.

Smart attire for him

This simply means trousers and a dress shirt, jacket optional. You might complete the outfit with brogues, loafers or boots. Essentially something you would choose to wear at a stylish restaurant or theatre on a special occasion.

Gala evenings

On our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship from 6pm. There are two or three of these special Gala evenings (sometimes themed) for every seven days of your voyage.

Gala evenings for her

These are the sparkling occasions with a celebratory atmosphere for which you pack your favourite evening dress, that flowing ball gown or a statement cocktail dress. Then again, you may feel more comfortable in a formal combination, such as a jacket, blouse or shirt and pants or trousers.

Gala evenings for him

Don your dinner jacket (or tuxedo, if you prefer to call it that) – which you're more than welcome to wear with a kilt. Your choice of smart shoes will complete the look.

If after booking You decide to change to one of these promotional fares, You may need to cancel Your existing booking and Our Refund Policy outlined in clause 9 will then apply. We may elect to impose a fuel supplement at any time, in which case any additional fees will apply to new bookings only. The total price quoted to You at the time of booking will be inclusive of any applicable fuel supplement.

Please ensure You check the payment conditions, including the deposit requirements, at the time of booking as some promotional fares may have specific payment conditions that may differ from those listed above. 7. Name changes

Once You have made Your booking, please check Your Booking Confirmation, 'My Cunard', or with Your travel agent to ensure the details are correct. Should You need to make changes to Your booking (spelling corrections or to replace a guest), no administration fees will apply. Please note however, that additional fees charged by airlines for any changes will be passed on to the guests. New guests added to bookings, and new bookings made, within 48 hours of departure will be asked for passport information at the time of booking for security clearance. Please note, We are unable to accept new bookings or new guests on existing bookings after 5pm (Sydney time) on the day prior to departure (or the last business day prior to departure). One original guest from the booking must always remain in the stateroom. If all original guests cancel / are replaced, the booking will be subject to Our Refund Policy at clause 9. The booking will revert to a different fare and the remaining guests will need to pay the difference in cost, if any.

8. Stateroom changes

On occasion, We may offer reduced cost upgrades meaning that You may be offered a higher grade stateroom at a discounted rate. The opportunity of an upgrade is never guaranteed and will always be at Our discretion. We may also upgrade You without consultation to a higher grade room at no extra charge. The higher grade room could be in any part of the ship (forward, mid ship or aft) and could also be on a lower deck. If You have chosen Your booked stateroom for a particular reason and do not want to be considered for a stateroom move, please let Your travel agent or Our Customer Sales & Service team know at the time of booking. If You are lucky enough to receive an automatic upgrade please note that it is not possible to return to Your original booked stateroom. Even if You request not to be upgraded, Your stateroom can still be changed for operational reasons, including when the number of people booked in the stateroom is less than the number of beds in the stateroom, or if You have selected a wheelchair accessible stateroom and do not require one. In addition, when a booking is made and a specific stateroom number is not selected (known as a 'Guarantee'), the stateroom will be allocated at Our discretion in the category booked, or a higher priced category, at a later date.

9. Refund Policy

Although We would love to see You on board, We understand that plans can change. Should You need to cancel Your booking, We ask that You notify Your travel agent or Our Customer Sales and Service team at Your earliest convenience. If the prepaid gift card is lost or expired we will not be liable for any loss incurred by the card holder .

10. Shipboard Environment

There are some inherent features of travel by cruise ship which you should be prepared for. Some noises and vibrations are associated with the normal operation of the ship. Maintenance may occur in certain areas of the ship while you are onboard which may affect access to these areas. Weather conditions may also require us to restrict access to certain areas of the ship for safety reasons.

11. Ship & itinerary changes

We will do everything We reasonably can to make sure everything goes according to plan; however, sometimes changes can happen that may affect Your holiday experience. This could include weather, mechanical difficulties, civil unrest or any other unforeseen circumstances. In addition, We may charter all or part of the ship or remove the ship from service where this becomes necessary. We may change the itinerary, ship or cancel the voyage due to operational or commercial requirements. We will notify You of these changes as soon as We can. If We are forced to cancel the cruise for any reason prior to departure We will provide a full refund. Since Your itinerary is not guaranteed, please do not make any important arrangements or meetings based on the proposed itinerary.

Changes within Our control

Where a significant change is made to the ports in Your itinerary prior to departure and this is due to a circumstance within Our control, for example for operational or commercial requirements, You will have the choice of:

1. a future cruise credit to the value of Your fare paid; or
2. cancelling the cruise for a full refund of Your fare paid.

For the purposes of this clause, 'significant change' means a change to the city of departure or

disembarkation, or to the majority (by number) of the other ports in Your itinerary.

Changes outside Our control

If it is necessary to change the itinerary due to safety, maritime law, severe weather, to protect human life or health or other factors outside Our control, We will attempt to offer a revised itinerary as close as possible to the original itinerary. We will not provide any compensation in connection with the revised itinerary unless Consumer Laws require otherwise.

12. Hotel and Dining Charges (Gratuities)

During the cruise, guests will experience excellent service from members of Our crew in a variety of locations. In addition, many more crew behind the scenes support those who serve guests directly. For Our guest's convenience, a Hotel and Dining charge will be automatically added to their shipboard account on a daily basis. Grill categories will be charged US\$16.50 per guest per day and Britannia categories US\$14.50 per guest per day. These amounts are subject to change and guests may choose to alter or remove these amounts at their discretion. A 15% charge is automatically added to a guest's onboard account for Bar, Wine & Salon/Spa services for each purchase.

13. Travel Insurance

We strongly recommend You purchase appropriate international travel insurance at the time You pay Your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation do not cover Your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian itineraries which do not visit international ports). If You do not purchase international travel insurance, You may not be able to claim for any cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

Also, some ports included in your itinerary may require you to hold a valid international travel insurance policy and provide proof of your policy to be able to visit. Travel insurance is your responsibility. Guests should ensure they read the Product Disclosure Statement for any insurance policy they are considering to ensure it provides the level of cover they need, including but not limited to cruise travel and any pre-existing conditions.

14. Airfares

Our Customer Sales and Service team can assist You in booking flights to connect with Your voyage; in this instance We act only as a booking agent on behalf of the airline. Bookings are subject to availability and the following conditions apply:

- Airfares can only be purchased in conjunction with a voyage and travel will be on flights and airlines nominated by Cunard.
- Airfares are in Australian dollars per person and include GST (where applicable), fees, taxes and surcharges.
- Airfares do not include stopover accommodation, transfers or baggage handling.
- Cunard cannot accept any responsibility where airline schedules or seat availability requires overnight accommodation before or after Your voyage.
- We make every effort to ensure that flight arrangements We make for You are appropriate, however We cannot accept responsibility for missed connections between Your flight and the ship which are beyond Our control.
- Fees, taxes and surcharges can vary by gateway city, routing, destination and carrier and are subject to change without notice. If there is an increase to the fees, taxes or surcharges, We can collect the additional payment prior to Your voyage, even if Your booking has already been paid in full.

- Alterations to flights after tickets/vouchers have been issued can only be made through Our Customer Sales and Service team (or Your Travel Agent) and will be subject to the airlines' fare rules and conditions.
- If You choose to cancel Your flights for any reason, Our Refund Policy outlined in clause 9 will apply in conjunction with the airlines' fare rules and conditions.

Guests under the age of 18 years must travel with a parent/legal guardian over the age of 18 years. To accommodate families travelling together, children may occupy a separate stateroom to their parent/legal guardian, providing one child is 16 years or over. Due to limited neo-natal facilities onboard, only children aged six months and over may travel with Us, however, there is a minimum age of 12 months on Transatlantic Crossings, World Voyages and some remote itineraries.

24. Smoking

Smoking is not permitted in staterooms, on stateroom balconies or in public areas (with the exception of Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only). There are selected areas of the open decks where smoking is permitted and this information will be communicated to You on board. Electronic cigarettes and vapes, including those which do not emit smoke, are permitted in designated smoking areas only.

25. Your health

We care about the health and safety of Our guests. It is important that You advise Us at the time of booking if You have any condition that requires medical attention, medication or special treatment. We may also ask You to complete a health questionnaire or provide a physician's fit to travel note.

If a guest has a condition that We decide may seriously affect the enjoyment, health or safety of themselves or any other person on board, We can refuse or cancel a booking, where necessary. We will give reasonable consideration when reaching this decision and will advise You as soon as possible. Provided You have given Us all relevant information about the condition at the time of booking, You will be entitled to a full refund if We cancel Your booking on the basis of this condition. Guests that need assistance should always be accompanied by a carer to help with day to day activities as Our crew and medical staff are unable to act as personal carers.

Guests who are bringing a wheelchair or mobility aid onboard must advise Us at the time of booking. You must ensure it can be stored inside Your cabin. Limited areas of the ship may not be wheelchair accessible. Please note that some ports can only be accessed using the ship's tenders. Tender boats and tender ports are generally not accessible to guests confined to a wheelchair or with significant mobility impairments.

26. On board medical centre

Each ship has a Medical Centre that is staffed by registered doctors and nurses, who are available during scheduled clinic times to provide medical care for everyone on board. They are also available 24 hours a day, 7 days a week for medical emergencies. Our Medical Centre is only for medical needs arising on board and cannot cater for treatments that You know You will require while on holiday.

We are not a healthcare provider and may not be held liable for the sickness, injury or death of any guest arising from any advice, treatment, care, services or any omission by medical staff. These medical providers exercise their own medical judgement and expertise.

27. On board medical charges

All voyages on Our ships are outside the scope of Australian Medicare, New Zealand Accident Compensation Corporation (ACC) and private health insurance. All consultations, treatments and medications are charged at private rates and must be paid by You on board and claimed through Your travel insurance.

28. Other service providers and arrangements ashore

While We specialise in ocean voyages, You may choose to book other services through Us such as flights, accommodation, transfers and shore excursions. We can assist You in making these arrangements; however, We act only as a booking agent. The service providers are solely responsible for the information and service offered and their conditions will apply. Although Our responsibility is on board the ship, where We arrange these services for You, We will assist in addressing any concerns You may have. Any arrangements made with other service providers by or for You are Your responsibility and entirely at Your own risk. In the event that You go ashore You do so at Your own risk. During the cruise the Captain will exercise complete control over the ship and take such actions as he or she thinks necessary to preserve the safety and integrity of the ship and the comfort, safety and enjoyment of the guests and crew. You are responsible for ensuring that no travel restrictions apply to You. If police or any other authority in any jurisdiction notify Us of, or We otherwise become aware of, any matter that reasonably causes Us to believe Your presence on board presents a risk to Your own health or safety or the health or safety of other guests and crew, We, or the Captain, may deny You boarding and may refuse or cancel any bookings from You. Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person on board, the Captain has the right to confine, sedate or disembark the guest. In such cases, We are not responsible for any expenses including Your return home. In addition, You will not be entitled to any refunds. While the Captain will always act reasonably in these circumstances, You accept that the safety, well-being and enjoyment of everyone on board comes first.

30. Leaving the voyage early

35. Cunard Environmental Statement

Here at Cunard We take Our environmental responsibilities very seriously and are committed to reducing Our environmental impact. We are dedicated to preserving the marine environment in which We operate, and therefore believe it is Our duty to introduce environmental practices which set a high standard of excellence and responsibility. To support Our aim We have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance. We recognise that without appropriate treatment, the waste generated on board Our ships, together with the fuel and other products We use to transport, feed, entertain and take care of You could have an impact on the environment. Our waste treatment facilities ensure that all waste is appropriately managed to minimise its impact upon the oceans. All general waste is treated on board to reduce its volume prior to landing ashore and, whenever possible, general waste is recycled. We are reducing Our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat and improved efficiency in air conditioning and We continue to explore new technologies. Through these measures and other initiatives, Cunard will ensure that We help preserve Our environment for future generations.
