On board, any accounts can be paid in cash using Euros, or transactions can be made by either debit or credit card payment. American Express cards are not accepted.

Travel Insurance

We strongly advise you to take out adequate and appropriate travel insurance, including cover against loss of deposit or cancellation fees. Please read your policy details carefully and take them with you on your cruise.

It's your responsibility to ensure that the cover you purchase is suitable and adequate for your needs and the cost of your holiday.

Health & vaccinations

Our commitment to our guest's health and safety remains our key priority, with hand-sanitizing stations positioned around each of our Star-Ships and enhanced cleaning. We also, continue to work closely with Cruise Lines International Association (CLIA) along with local and government agencies to ensure our protocols exceed the latest requirements.

Health facilities, hygiene, and disease risks vary worldwide. To ensure your safety throughout your cruise, seek advice regarding your specific health requirements as early as possible. For the most up to date information please visit www.smartraveller.gov.au/before-you-go/health.

If you have any pre-existing medical conditions or mobility difficulties, you should inform us at the time of booking.

Plug sockets and voltage

On board electricity is 220v and a European plug adaptor will be needed to use electrical items. All Star-Ship Cabins have a hair dryer.

Sun Deck

The Sun Deck's operational hours may be limited due to the passage through low bridges or other restrictions by local authorities. This may mean that the deck is completely closed for a period of sailing time on certain rivers.

Mobility

Emerald Cruises welcomes disabled guests but wishes all guests to be aware of the limitations that could exist both on board and during shore excursions. The lifts on our ships service three out of four

decks, with the Sun Deck only accessible via stairs. Under appropriate circumstances, guests are welcome to use collapsible wheelchairs on board. Many tours require the use of coaches, meaning guests need to be able to climb up and down the stairs to board. Some shore excursions may require movement over cobblestones or up and down stairs; accordingly, guests with limited mobility will require the services of a responsible companion to be travelling with them, since crew availability is limited. If you have any medical, physical, or other special needs; please contact our travel advisors for further information.

Water levels

Cruise itineraries may vary if high or low water levels, flooding, lock closure, unscheduled vessel maintenance, or any other unforeseen, uncontrollable circumstances require us to make alterations. If sailing isn't possible, we'll minimise the impact this has upon your holiday by making alternate arrangements for the duration of the itinerary. This could mean arranging coach transfers, organising ship swaps, providing hotel accommodation or finding alternative attractions to visit — all of which are weather dependent.

Bridges

Throughout your time on board, we will sail under many different styles and fashions of bridges. On such days, we may need to close the Sun Deck for the safety of our guests. Our crew will lower the railings, and the captain's wheelhouse will be mechanically dropped to allow the Star-Ship safe navigation. But, with plentiful public spaces available throughout our Star-Ships, you'll always have somewhere to enjoy river views.

Side by side-docking

In popular ports, we will, on occasion, be required to dock next to other ships; this means accessing the shore via the Sun Deck, requiring you to ascend and descend stairs. This possible change will not prevent you from leaving your Star-Ship, as you catch a glimpse of your neighbouring ship walking through to embark or disembark. Your Star-Ship may dock next to another vessel overnight, and drawing your curtains at night is advised.

What does an itinerary deviation look like? How could it impact my trip?

Minor Disruptions

Minor disruptions may occur during the cruise. This could include for example an inability to sail for part of the day, using coaches to transfer guests to an alternative Star-Ship or changing ports of embarkation/disembarkation to an alternative destination.

Changes to itinerary

Coaches may be used to transfer guests, while continuing to be accommodated on your Star-Ship. A disruption may also require the Star-Ships to continuously cruise without stopping for sightseeing.

Alternative accommodation

Accommodation may need to be provided off-ship in hotels with all meals provided. To the best of our ability, we ensure hotels are of similar standard to your Star-Ship. Meals will be included, however, alcoholic drinks and amenities such as butler service, may or may not be included.

Cherish the Planet

At Emerald Cruises, our Cherish the Planet ethos is about more than just environmental sustainability — we are committed to creating positive change in all areas of our business and to fostering sustainable practices and rich community partnerships. Our desire is to protect the Earth by leaving as small a footprint as possible.

Our pillars of sustainability

Cherish the Planet has six key focus areas

1. Reducing our waste

We've eliminated all single-use plastic on board and work closely with, and fund, local projects that collect and recycle plastic waste, helping to maintain the world's natural beauty and improve living conditions. We provide our guests with complimentary refillable Emerald Cruises bottles and filtered water stations across our yachts, as well as refillable toiletries in our suites — and no plastic straws are used on board.

2. Addressing CO₂ emissions

We have concentrated our efforts on minimising our environmental impact, and support causes aligned with rebalancing our CO₂ emissions, including exceptional carbon-conscious experiences, with hiking and e-biking now available on many of our itineraries. We are also working to calculate the CO₂ emissions of each our sailings so we can continue in the future to implement new technologies and initiatives which ensure our carbon footprint is reduced.

3. Sourcing sustainably

At Emerald Cruises we are focused on exceptional quality and responsible sourcing, with a view to support local economies, minimise food storage and reduce environmental impacts from transportation. Our commitments and actions include:

- Sourcing fresh produce locally from destination suppliers.
- Engaging with our suppliers on their responsibilities.
- The development and implementation of Sustainable Procurement Guidelines.

4. Growing with communities

We are committed to meaningful and respectful cultural interactions between local inhabitants and our guests. We aim to have internally certified inclusions that ensure local businesses benefit from our journeys. We're also working with leaders and third parties within the communities we visit to ensure sustainability for the future.

5. Grow from within, value diversity

At Emerald Cruises, we truly value diversity — it is a strength to have different perspectives within our business and we believe it helps us find the best solutions and services for our guests. We treat all crew and all employees equally, independent of gender, sexual orientation, age, race or religion and we currently employ over 50 nationalities from across the globe throughout our vessels.

6. Advocate health, safety & security

We have created an engaging workplace at Emerald Cruises that supports the well-being of our staff, prioritising health, and safety. We also want every member of staff to be fully immersed in the ethos at the heart of Cherish the Planet. To ensure this, Emerald Cruises staff will complete extensive training that supports their well-being and will ensure health and safety is prioritised.
