PIERFRANCESCO VAGO

Celebrating
A BOLD NEW VISION FOR OCEAN TRAVEL

Explora Journeys is the **NEW** *luxury lifestyle* travel brand launched by the MSC Group **REDEFINING** the luxury ocean experience.

Vibrant, cosmopolitan **RELAXED** European luxury at **SEA**.
Instead of cruises we *create* journeys – of the **MIND** and across the **OCEANS** of the world, as we visit **EXTRAORDINARY** places *on and off* the beaten track.

Discover
THE OCEAN STATE OF MIND

The **OCEAN** and its *influence* sits at the heart of the Explora Journeys brand.

The ocean connects you with yourself, people and the places around you. It relaxes you and creates an energy in you that inspires inner and outer discovery, broadens horizons and triggers new connections. All of this creates an emotional connection that is powerful, transformative, yet universal. We call it the Ocean State of Mind.

The Ocean State of Mind is reached only with Explora Journeys. It's why all that we do is designed to offer refined yet effortless luxury, with the opportunity for exploration and transformation of the inner and outer self, resulting in a state that is uniquely rewarding — physically, intellectually and spiritually.

DESTINATION EXPERIENCE

The '**OCEAN STATE OF MIND**' is not *lost* when venturing ashore.

At every destination, Explora Journeys will provide **INSPIRING** opportunities for guests to **DISCOVER** authentic cultural, historical, and culinary delights from an *extraordinary* perspective.

MAGNIFICENT ABBEY AND SACRED MUSIC

Go in search of serenity in the forested hills of remote Var to explore Thoronet Abbey: a marvel of medieval architecture declared a National Monument which once was home to the Cistercian order of Saint Bernard. Learn the history and rules of their order before taking in a vocal performance of sacred renaissance songs.

FOREST HIKE AND A GHOSTLY HERMITAGE

Hike into the magical energy of Pátmos; trek into the northern territory where gods, saints, and shepherd have tread. Breathe in the sweet air of one of only three surviving Arbutus forests where the Greek strawberry tree grows. Along the rocky paths, you will be rewarded with splendid views of the sea and a hidden hermitage.

Destination experiences are categorised into five different interest types to help curate the ultimate tailored adventure.

BEYOND BOUNDARIES

Once-in-a-lifetime, soul-stirring experiences for active travellers who enjoy pushing their boundaries and changing their perspective on the world.

TAILORED EXPERIENCES

The travel equivalent of haute couture, these highly exclusive experiences are customized for those who value rarity in its most authentic form.

ENCHANTING EXPLORATIONS

Meticulously designed to usher in the next level of exclusivity for small, intimate groups to witness exclusive moments, that are off limits to most.

DESTINATION ESSENTIALS

These expanded must-do experiences include hidden wonders and VIP access for unbridled finesse.

IN-COUNTRY IMMERSIONS

Designed as multi-day overland experiences with luxury accommodation before or after sailing, these are opportunities for guests to delve deeper into the culture of the countries they visit in intimately sized groups.

DRIVEN TO LEAVE THINGS BETTER

for the next generation

The sea is our source. We are passionate about doing what we can to protect the oceans, lands and cultures that we visit. We believe in the interconnectedness of communities and places, of cultures and planet. We are committed to lessening our environmental impact in profound ways, and, importantly,

to constantly evaluating and improving our efforts to do so. That's why we aim to lead in the areas of fuel, emissions and noise, through innovation and determination. And it's in line with our parent company's pledge to achieve net-zero greenhouse gas emissions in its cruise marine operation by 2050.

**WE FOCUS OUR
SUSTAINABILITY EFFORTS
ON THREE CRITICAL AREAS:**

PLANET

Limiting harmful emissions: all ships to have catalytic reduction technology, reducing nitrogen output by 90%, and ship-to-shore power will cut CO2; no single-use plastic on our ships

PLACES

Our parent company's worldwide collaboration with organisations promoting environmental conservation, community strengthening, and emergency relief

PEOPLE

Groundbreaking enrichment programme for our onboard hosts, emphasising quality of life, balance and well-being
