WE WHO TRAVEL

WHO REALLY TRAVEL ARE A DIFFERENT BREED.

BECAUSE WE DON'T WANT WHAT'S SCRIPTED.
WE WANT WHAT'S REAL.

OF PHOTO OPS AND TRENDY HOTSPOTS.

WE'RE NOT AFTER 'ESCAPE'. OR KEEPSAKES.

EXPERIENCE
CONNECTION
MEANING

THOSE ARE OUR FAVOURITE SOUVENIRS.

WE DON'T JUST WANT TO GO SOMEWHERE.
WE WANT TO GROW SOMEWHERE.

AS PEOPLE. AS A COMMUNITY. TOGETHER.

THROUGH THE SIGHTS WE SEE,
THE LAUGHS WE SHARE,

AND THE THINGS WE NEVER
THOUGHT WE'D TRY.

WE DON'T JUST WELCOME IT ALL.
WE LOVE EVERY SINGLE
FREAKING SECOND OF IT.

SO TOGETHER WE SAY

BRING
ON THE
WORLD

BRING ON THE BEST DAYS EVER

Getting the most out of every single day — that's living life to the fullest. It's embracing moments that immerse you in wonder, inspire you to explore, and that leave you with stories as vibrant as the planet itself. It's welcoming the unfamiliar to discover even more about the world and who you are. Then waking up, and doing it all over again.

BRING ON EACH OTHER

The best times we ever have, we have with other people. From the connections we forge with our family and fellow travellers, to the laughs we share with local shopkeepers, to the perspective we gain from explorers and scientists alike — it's these experiences we share together that shape the travellers we become. And that, to us, is worth everything in the world.

EIGHT WAYS OUR TRIPS WILL CHANGE YOUR WORLD

1. The best guides on the planet
2. Small groups means more connection
3. Access to inspiring people and projects
4. Be in the know with expert insights
5. Flexible itineraries for doing your thing
6. Immersive, every inch of the way
7. Elevated comfort, more inclusions
8. Built to give back to the places you go

1.

The best guides, Even better people

At National Geographic Journeys with G Adventures, we call our guides Chief Experience Officers, or CEOs for short. Their mission? To lead you on the best adventure you could possibly have. Not only are they the cream of the crop when it comes to what they do, they're all locally based experts who know your destination inside and out. What does this mean for you? That you get the smoothest, most immersive trip you could ever imagine.

2.

Small groups, big difference

We keep our groups small to keep you feeling connected: to the places you're exploring, and the people you're doing it alongside. Travelling small gives you access to experiences you just can't get in a large group or going solo — and that, to us, makes all the difference.

3.

Access to unforgettable

National Geographic Journeys and Family Journeys are packed with unique, culture-rich experiences that'll give you up-close access to the people and projects that make them possible. Whether that's surveying the biodiversity of the Okavango River Basin to help protect its future, or learning about traditional weaving from a rural Andean community in Peru, the most inspiring parts of our world will be yours to discover.

4.

Be in the know, everywhere you go

Like to study up on your destination before your trip gets underway? We've got you covered. As you get ready for your adventure, you'll receive pre-trip articles from National Geographic to get you excited about the journey that awaits. And once your trip gets underway, your CEO's expert knowledge of local history and way of life will leave you with a deeper understanding of every place you visit.

5.

Flexible itineraries, no stretching required

Adventure is all about having the freedom to follow your curiosity and discover what's out there. That's why our trips balance well-planned itineraries with the flexibility to do your own thing. From adding on extra activities to spending built-in free time however you'd like, your adventure can feel totally unique to you.

6. Non-stop immersive

Our world's amazing mix of histories and cultures are what makes it worth exploring — and National Geographic Journeys will take you deep into it all. You'll stay in accommodations that were hand-picked for their local charm. You'll enjoy traditional meals that are bursting with authenticity. And you'll even travel around in rides that capture the character of the places you're exploring.

7. Adventure, elevated

Having the adventure of a lifetime is about so much more than just the places you visit. National Geographic Journeys feature upgraded accommodations, cozier rides, and more inclusions than any other G Adventures Travel Style. This is elevated travel in every sense.

8.

Life-changing adventures, in more ways than one

What's better than going on the adventure of a lifetime? Changing the world while you're at it. We call that "Community Tourism", and it's an idea we pioneered over 30 years ago. It means, wherever you travel with us, you can feel good knowing you're constantly giving back to the people you meet, the places you go, and with our Trees For Days program, the planet itself. Every hotel you sleep in, every restaurant you eat at, every tree you help us grow — you're making a difference that ripples through every community that makes it possible. The best part about it? All you've gotta do is have the time of your life.

The difference we're making together

Trees For Days

When you say your trips are good for the world, that has to include the planet too — and Trees For Days is our global program for doing just that. For every day a traveller is on one of our trips, we'll grow a tree on their behalf in one of 14 reforestation projects around the world. More days equals more trees, and a healthier planet overall.

Planeterra

Empowering local communities for over 20 years, Planeterra is our non-profit partner dedicated to making sure places touched by tourism benefit from the opportunities it provides. They do this by helping local people develop their communities, conserve their cultures, and implement plans for reaching their goals.

Ripple Score

When it came to benefiting local economies, we wanted to put our money where our mouth was. That's why we created the Ripple Score. On a scale from 1 to 100, it shows what percentage of a traveller's money stays in the local communities they visit on their trip with us. The higher the number, the bigger impact their money has.

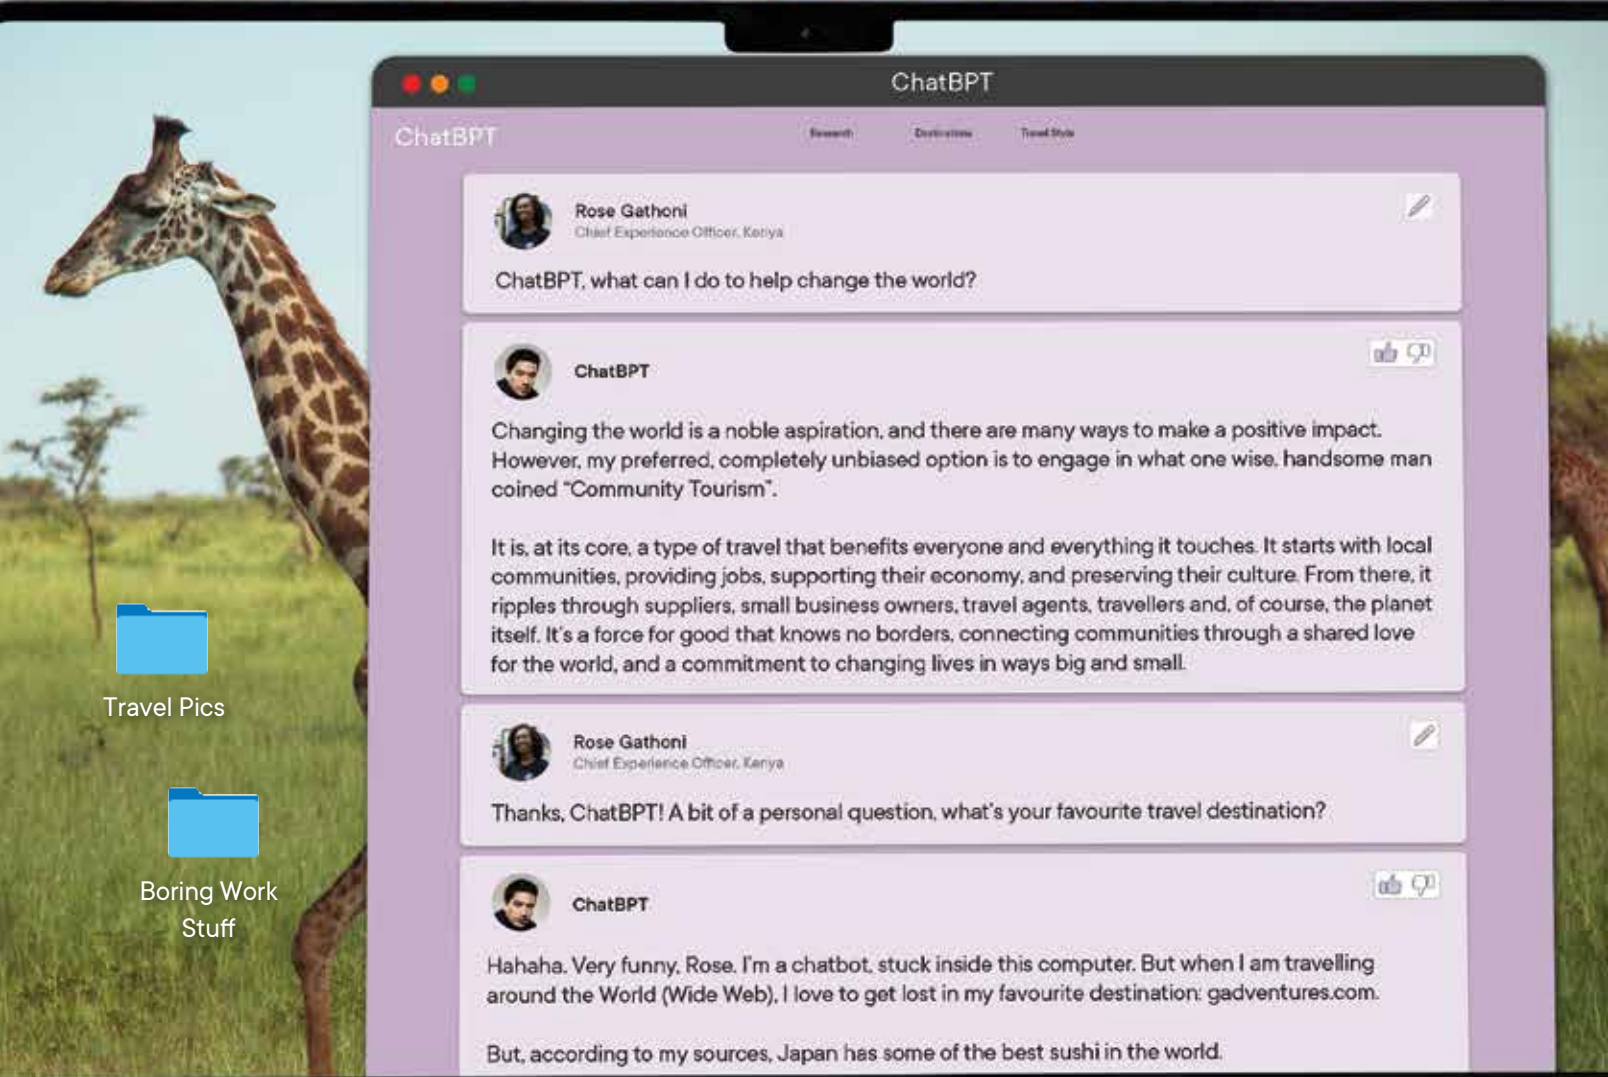

Words from Bruce

(sort of)

Our founder, Bruce Poon Tip, is a busy guy. A really busy guy. He's out there wheeling and dealing. Changing lives and lifting up communities. He's giving talks, producing movies, founding charities. Heck, he was named an Officer of the Order of Canada for crying out loud. So, to fill in when he's short on time, we did what any normal company would do: we programmed an AI chatbot to answer questions on his behalf.

We call it: **ChatBPT**

Rose Gathoni
Chief Experience Officer, Kenya

ChatBPT, what can I do to help change the world?

ChatBPT

Changing the world is a noble aspiration, and there are many ways to make a positive impact. However, my preferred, completely unbiased option is to engage in what one wise, handsome man coined "Community Tourism".

It is, at its core, a type of travel that benefits everyone and everything it touches. It starts with local communities, providing jobs, supporting their economy, and preserving their culture. From there, it ripples through suppliers, small business owners, travel agents, travellers and, of course, the planet itself. It's a force for good that knows no borders, connecting communities through a shared love for the world, and a commitment to changing lives in ways big and small.

Rose Gathoni
Chief Experience Officer, Kenya

Thanks, ChatBPT! A bit of a personal question, what's your favourite travel destination?

ChatBPT

Hahaha. Very funny, Rose. I'm a chatbot, stuck inside this computer. But when I am travelling around the World (Wide Web), I love to get lost in my favourite destination: gadventures.com.

But, according to my sources, Japan has some of the best sushi in the world.

THE CITY WALK YOUTH-LED WALKING TOUR

The City Walk program supports more than 5,000 former at-risk youth through youth centres that provide essential services as well as recreational activities, job skills training, and placements. An estimated 400,000 children live and work on the streets of Delhi, many at risk of being trafficked or exploited, and your guide used to be one of them. Proceeds go towards the guide's university or college tuition as well as the operating costs of the support centres.

South America

IT'S MORE THAN
A MOUNTAIN TRAIL

It's your opportunity to retrace the steps of National Geographic Explorer Hiram Bingham on his way to rediscovering the lost city of the Inca, Machu Picchu, in 1911. The time is always right to make your own history in South America. Imagine standing in the Olympian shadow of Cotopaxi volcano in Ecuador, crossing the stunning landscape of the world's largest salt flat by 4x4 in Bolivia, or dancing at a late-night tango joint in Buenos Aires. Go south with National Geographic Journeys.

HIKING THE INCA TRAIL

A TRIUMPH FOR THE BODY AND SOUL

Follow the footpaths of the Inca to the roof of the Andes, passing ancient ruins and breathing in the mountain air. Memorable moments are plentiful on the four-day trek, but none can compare to when you walk through the Sun Gate and catch your first glimpse of Machu Picchu. It's not just an accomplishment — it's a transformative moment.

Named Best Inca Trail Tour Operator by the Regional Direction of Foreign Trade and Tourism of Cusco (RDFTTC) in Peru.

THE INCA TRAIL AND THE PERMIT PROCESS

WHY IS THE INCA TRAIL SO POPULAR?

The Inca Trail is the ideal adventure for those who want to combine incredible cultural highlights with the challenge of one of the world’s best-known hikes. Since its rediscovery over a century ago by National Geographic Explorer Hiram Bingham, much has been done to excavate and study the site. The stretch referred to as the Inca Trail today is, in fact, merely the final, dramatic stretch of the old road to Machu Picchu. This part of the trail is an inspiring four-day trek from the floor of the Sacred Valley, across and over high mountain passes and through cloud forest, pushing the limits of mind, body, and spirit. While it’s physically demanding, the hike of 45km (28 mi) remains within reach of most

reasonably fit travellers. Some parts are steep — especially the three high passes. But the end, passing through the Sun Gate and blessed with an awe-inspiring view of Machu Picchu, proves the climb is worth it.

CAN INDIVIDUALS OBTAIN THEIR OWN PERMITS?

Only recognized tour operators can acquire permits to hike the Inca Trail. Tour operators are subject to thorough annual inspections by Peruvian government agencies that govern the Inca Trail.

WHY DO I NEED A PERMIT?

Before permits were introduced, there were no regulations; trekkers often camped wherever they pleased, leaving sites a mess for whoever came next. In 2002, regulations were introduced to

protect the site and surrounding ecosystem. They restrict the number of annual visitors and prevent undocumented trekkers from hiking the trail.

HOW ARE PERMITS SECURED?

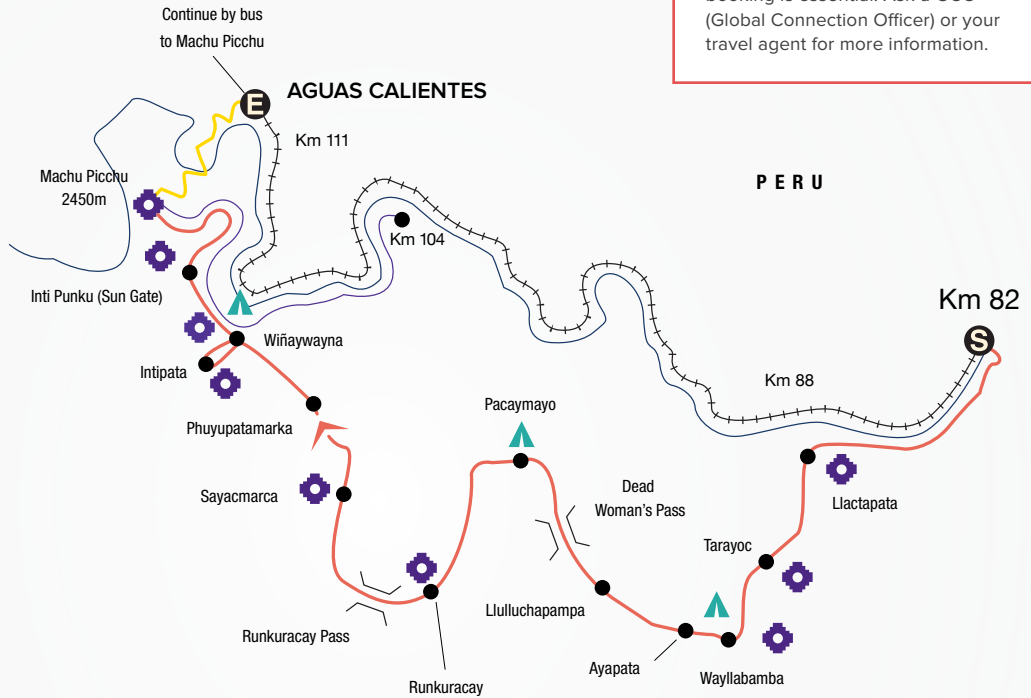

We’re a world leader of Inca Trail tours with years of experience in operation. Our Cusco-based team is on hand to book and collect your permit, meaning as soon as your trip is confirmed, so is your spot on the trail.

INCA TRAIL 1-DAY OPTION

If the four-day trek isn't in the cards for you, check out the 1-day option available on some of our tours, which takes on the final stretch of the trail to Machu Picchu in a single day. Numbers are limited, so early booking is essential. Ask a GCO (Global Connection Officer) or your travel agent for more information.

You must notify the Tour Operator of your choice within 14 days of receipt of notice of the increase or you will be deemed to have accepted the price change and will be liable for payment of the increase.

- a substitute Tour of equivalent or superior value; or
- a substitute Tour of lesser value if no Tour of equivalent or superior value is reasonably available and to recover from the Tour Operator the difference in price between the price of the Tour originally purchased and the substitute Tour; or
- a full refund of all monies paid for the cancelled Tour.

- a refund minus unrecoverable costs.

- travel credit valued at 10% of the monies paid for the days that remain on your Tour;
- refund minus unrecoverable costs of the days that remain on your Tour.

- Will have an expiration date that is no sooner than 2 years from the date of Tour cancellation;

- is not redeemable for cash; and
 - excludes flights or insurance.

Once a Tour has departed, itinerary changes may be necessary as a result of unforeseen circumstances, operational concerns, or concerns for your health, safety, enjoyment or comfort. Any changes are at the discretion of the Tour Operator. You acknowledge that you must have reasonable financial resources to cover incidental expenses during all travel with the Tour Operator, whether or not such expenses arise from a change of itinerary, and the Tour Operator is not liable for your failure to prepare adequately for travel and unforeseen circumstances which may arise during travel. The Tour Operator will not be held responsible for any incidental or consequential losses associated with any changes to a booking or itinerary.

Changes made by you: You are responsible for ensuring that information provided to the Tour Operator is accurate and up-to-date. Any changes to your name on any booking are subject to the Tour Operator's approval. Any changes to a booking depend on availability and are subject to the Tour Operator's approval and these Terms. Any extra costs incurred for making the change will be charged to you along with an administrative fee. ELEVATE YOUR ADVENTURE

Whether you want to add on extra experiences, or insurance for any situations that might happen, check out all the ways we can build the perfect adventure for you.

OPTIONAL ACTIVITIES

From kayaking and hiking to local cooking classes, National Geographic Journeys have a wide range of optional activities you can pre-book — all of which meet the same standard you expect from our tours. Look for the “Personalize Your Experience” callout on our trip pages to see some of the optional activities you can add.

EXTEND YOUR STAY

There’s lots to see on all our tours. But if you want an extra day to explore Bangkok before your tour, or another night to unwind in Lima, you can book your pre- and post-trip accommodation at your start or end hotel.

MY OWN ROOM

If you’re travelling solo and, instead of us pairing you up with a same-sex roommate, would prefer a room all to yourself, My Own Room can make it happen. Add it onto your trip for extra personal space and the joys of your own private washroom.

FLIGHTS? WE CAN BOOK THOSE, TOO.

COMPETITIVE RATES

We work with more than 80 airlines worldwide to find you the right flight for the right price.

CONVENIENCE

Trip, flights, and insurance. Book it all with G Adventures and save yourself time and the hassle. Our dedicated experts are always ready to lend a hand.

COLLECT POINTS?

Just give us your frequent flyer information when you book and the points are yours.

UPGRADES

Don't be shy. Need that extra legroom? Really want to treat yourself to premium or business class? Just ask.

Book your flight with your tour online, or call us, we're here to help.

ARRIVAL TRANSFER

Who wants to have to flag down taxis or wrangle local transit after a six-hour flight? We can help arrange your airport transfer at your destination so you can get to your hotel easily.

TRAVEL INSURANCE

If there's one thing any sage traveller will recommend, it's to purchase travel insurance. We can find you the best coverage for your tour requirements and budget. Get just what you need by booking with us before you go.
