EUROPE

Fairytales Do Come True.

Don't believe the skeptics. Magic is real and fairytales do come true. Especially when it comes to travel. Just ask anyone who's touched the stones at Stonehenge or someone who's been touched by an ancient work of art, a cobblestone street, or a lane of legendary haunts. Journey through time on a Globus European tour and find yourself in an adventure for the ages. Hear the rabble of the crowd at The Colosseum. See the strokes of genius in Monet's water gardens. Feel the rush of first love in Shakespeare's schoolroom, see ghosts in the grand royal halls of fairytale castles, and stir the soul with the sounds of Scottish pipers. If a dream is a wish your heart makes, Globus makes wishes come true by skipping the lines at must-see sights and giving you the royal treatment to mingle with local history-makers and tradition-keepers - the heroes and heroines of Europe's lesser-known stories.

CRUISE ITINERARY CHANGES & CANCELLATIONS - EXCLUSION OF LIABILITY

The Company, the tour operator, the Ship's Operator or Captain reserves the right to operate part or all an itinerary by substitute vessel, motorcoach or hotel accommodation in the event of water level problems on stretches of any waterway, technical problems of any nature, severe weather, flooding, fire, drought, earthquake, explosion, peril of navigation, industrial action, civil unrest, war, government order or act, operational requirements, or any circumstances beyond the reasonable control of The Company (or the tour operator if applicable).

The Company (or the tour operator if applicable) reserves the right to change the itinerary whenever conditions, in the opinion of the Master of the Ship or local waterways regulations, render it advisable or necessary.

DOUBLE DOCKING

Docking positions at each port are assigned by local authorities. River cruise companies have no control over where they can dock. This can sometimes result in double-docking - when more than one ship is assigned to the same dock and the ships are rafted together, temporarily obstructing the view. When double-docked you might be required to pass through another vessel to embark or disembark. In those cases, you will have to follow the instructions given by the Master or the crew of the vessel you will pass through. The Company (or the tour operator if applicable) will not be responsible for any inconvenience or injury sustained as a consequence of embarking or disembarking not under the direct control of The Company (or the tour operator if applicable) for reasons of such assignment.

RIVER, CANAL, LOCK & DOCK MAINTENANCE

River and other local authorities often need to carry out repair or maintenance work on the river or canal banks, stretches of river or canal, bridges, locks or docks, or other areas that may impede river cruise travel. This is frequently undertaken with little or no advance notice to river cruise operators, and can cause The Company (or the tour operator if applicable) to make changes to the published itinerary or to operate part of the itinerary by substitute vessel, motorcoach or hotel accommodation with little to no advance notice. These events are beyond our control, and The Company (and/or the tour operator if applicable) will not be responsible for any loss, expense, or inconvenience caused by reasons of such changes.

TRIP DOCUMENTS

It is your responsibility to obtain and have in your possession proper and valid documentation required for entry and departure for each country you travel. You are solely responsible for the cost incurred during travel for missing, incomplete or defective documentation. The Company (and/or the tour operator if applicable) is not liable for any loss or expense incurred due to loss, damage, or errant entry, exit or travel documentation.

DOCUMENTS FOR MINORS

Due to heightened security, many countries have adopted practices to prevent international abductions of children. It is your responsibility to know, understand and ensure you have the proper documentation for travelling with minors.

GUEST COMMUNICATIONS

The Company will send information (invoices, etc) to the email address provided when making the reservation. Electronic documentation is available 4 weeks prior to departure provided full payment has been made and compulsory "MyAccount" data has been completed, including acceptance of our Terms, by the passenger.

MEMBER CERTIFICATE

Acceptance on your trip is subject to presentation of the Tour/Cruise Participant Certificate, which will be available in your final Documents.

PASSPORTS

RESPONSIBILITY

THE COMPANY

Circuit Travel Pty Ltd. is an independent company ("The Company") licensed to market and distribute travel products under the Globus, Cosmos, and Avalon Waterways brand names, either made on their own or packaged by the tour operators. Trip services, including, but not limited to, transportation, sightseeing, and accommodations are provided by third-party suppliers.

COMPANY REPRESENTATION

No person, other than an authorised representative of The Company by a document in writing, is authorised to vary, add, or waive any Term or Condition on its brochure or website, or any of these terms.

A provision of these Terms may not be waived or varied except in writing, signed by the party or parties to be bound.

INTERNATIONAL CONVENTIONS & TREATIES

The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (trip participants). To the extent permitted by any relevant local law, where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail or road carrier, or any stay in a hotel, The Company's maximum liability is the maximum that would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montréal Convention for international travel by air, the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

LIABILITY

The trip participant agrees that, to the maximum extent allowed by applicable law, neither The Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier (including any Service Providers) providing services, any insurer, or any other person.

To the maximum extent permitted by applicable law, the Company excludes all liability in contract, tort or otherwise for any loss (including consequential loss), damage, delay, costs, expenses or inconvenience whatsoever (including but not limited to personal injury, death, and property loss) that may arise in connection with or arising out of your reservation.

To the maximum extent permitted by applicable law, neither The Company nor any affiliate shall in any case be liable for other than compensatory damages, and you hereby waive any right to punitive or aggravated damages.

Under circumstances where our liability cannot be excluded and where liability may be lawfully limited, such liability is limited to the remedies required of us under applicable law (including the Australian Consumer Law).

To the maximum extent permitted by applicable law, neither The Company nor its affiliates shall be liable in contract, tort or otherwise for any loss (including consequential loss), damage, delay, expenses or inconvenience (including but not limited to personal injury, death, and property loss) caused directly or indirectly by the acts, omission or default, whether negligent or otherwise, of any Service Provider providing services over whom we have no direct control, or of any insurer or insurance administrator, or of any other person.

RECREATIONAL SERVICES EXCLUSION

To the maximum extent permitted by law, The Company excludes all liability for: (a) death; or (b) a physical or mental injury of an individual (including the aggravation, acceleration or recurrence of such an injury of the individual); or (c) the contraction, aggravation or acceleration of a disease of an individual; or (d) the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to an individual: (i) that is or may be harmful or disadvantageous to the individual or community; or (ii) that may result in harm or disadvantage to the individual or community.

Where liability cannot be excluded, The Company limits its liability to the maximum extent permitted by law.

OVERRIDING LAW

These Terms do not apply to the extent that they are inconsistent with laws that apply to the goods and services we provide to you.

In respect of any goods or services we may provide, certain statutory guarantees or warranties may apply for the benefit of consumers. The nature and application of these guarantees or warranties will depend on the relevant jurisdiction.

In Australia, services come with the following consumer guarantees:

- guarantee as to due care and skill;
- guarantee as to fitness for a particular purpose; and
- guarantee as to reasonable time for supply.

Where we fail to provide services to you in accordance with these consumer guarantees then you may have a right to seek a remedy in accordance with the Australian Consumer Law.

Nothing in these Terms excludes or restricts the application of such consumer laws.

SERVICE PROVIDERS

Air carriers, accommodations, and other suppliers (including but not limited to suppliers of trains, cruises, ferries, motorcoaches, hotels, excursions, and restaurants) providing services (Service Providers) are independent third-party contractors and are not agents, employees, servants, or joint venturers of The Company or its affiliates.

From time-to-time, and for the purpose of identifying those Service Providers as the provider of a component or part of a cruise, package or tour, some or all of those entities may utilise the name "Globus, Cosmos or Avalon Waterways" on promotional media, signage, or attire. Although you may see The Company name on vehicles, signs, apparel, or elsewhere during your cruise, tour, or excursion, its use by Service Providers is solely for the purpose of identification and does not represent or signify in any way ownership, management, supervision, direction, or control, or the right to direct or control by The Company of services that are provided by the Service Providers, or of the employees, servants, or agents of the Service Providers.

All certificates and other Trip Documents for services issued by The Company are subject to the Terms & Conditions specified by any of our Service Providers, which are available upon request, and to the laws of the countries in which the services are supplied.

SERVICE RESPONSIBILITIES

After departure, if the Services included in the trip cannot be supplied or there are changes in an itinerary for reasons beyond the control of The Company (or the tour operator if applicable), depending on the circumstances, The Company (or the tour operator if applicable) will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of trip participants, and any resulting savings will be refunded by The Company (on behalf of the tour operator if applicable) to trip participants.

DISPUTES

Any dispute between the trip participant and the Company, directly or indirectly relating to the Terms the trip undertaken, shall be first submitted to mediation in Sydney, Australia, before a mediator mutually agreed to by the parties. In case of travel packages distributed by The Company as the intermediary for the tour operator, disputes regarding the travel itself will be referred to the tour operator.

The parties further agree that claims may be brought by parties only in their individual capacities and not as plaintiffs or class members in any class action, proposed or purported class action, or other representative action, regardless of the type of proceeding. The parties expressly agree to waive and forego any and all rights to bring any such class actions, purported or proposed class actions, or representative actions.

GOVERNING LAW & SUBMISSION TO JURISDICTION

Legal proceedings against The Company may be instituted only in a court within the State of New South Wales, and any claim involved in such proceedings shall be decided in accordance with the laws of the State of New South Wales.

If any dispute arises between you and us, the laws of New South Wales, Australia will apply.

You irrevocably and unconditionally submit to the exclusive jurisdiction of the courts of New South Wales, Australia, and waive any right that you may have to object to an action being brought in those courts.

A party may not commence legal proceedings (except proceedings seeking interlocutory relief) in respect of a dispute unless:

- the dispute has first been referred for mediation in accordance with this clause; and
- mediation has commenced before a mediator and has been operating for at least 60 days.
