NEARLY A CENTURY PLANNING YOUR HOLIDAY.

Since 1928, when a young Antonio Mantegazza set out with his family's rowboat to share the stories of his homeland, Globus has been dedicated to exceptional travel experiences. Starting on the serene waters of Switzerland's Lake Lugano, Antonio's passion quickly grew from transporting lumber to ferrying curious travellers, turning simple journeys into unforgettable adventures.

From those humble beginnings blossomed Globus: a trusted, family-owned name in worldwide travel. Combining rich heritage with modern innovation, Globus continues to craft expertly curated tours, provide exceptional service, and create lasting memories on every journey. Nearly 100 years later, our commitment remains the same – bringing the world's wonders closer to you.

1928

GLOBUS WAS BORN

Founded in Lugano, Switzerland by Antonio Mantegazza, who began transporting travellers across Lake Lugano in a rowboat, sharing stories of the local sights.

1930

THE FIRST COACH

Antonio purchased his first coach, launching the modern coach touring business known today. Mantegazza called his business Globus Viaggi.

1950

WORLD FIRST

Globus grew from Swiss day trips to Italian holidays with the help of Werner Albek. The company unveiled the world's first multi-country European touring holiday.

1961

COSMOS WAS CREATED

Globus launched Cosmos, offering affordable, value-priced European touring for the cost-conscious traveller.

1980

WORLD'S MOST POPULAR

Globus became one of the world's most popular tour operators, offering holidays in Australia, New Zealand, Canada, Europe, Africa, the South Pacific, Asia and South America.

2004

AVALON IS LAUNCHED

Globus introduced Avalon Waterways, adding river cruising to its range of travel styles.

2011

AVALON LAUNCHES FIRST SUITE SHIP℠

Avalon's launch of the first Suite Ship℠ quickly led to a fleet of Suite Ships℠, elevating river cruising. Globus continued to innovate, taking travellers beyond landmarks to undiscovered towns and coasts without crowds.
