NEARLY A CENTURY PLANNING YOUR HOLIDAY.

Since 1928, when a young Antonio Mantegazza set out with his family's rowboat to share the stories of his homeland, Globus has been dedicated to exceptional travel experiences. Starting on the serene waters of Switzerland's Lake Lugano, Antonio's passion quickly grew from transporting lumber to ferrying curious travellers, turning simple journeys into unforgettable adventures.

From those humble beginnings blossomed Globus: a trusted, family-owned name in worldwide travel. Combining rich heritage with modern innovation, Globus continues to craft expertly curated tours, provide exceptional service, and create lasting memories on every journey. Nearly 100 years later, our commitment remains the same – bringing the world's wonders closer to you.

1928

GLOBUS WAS BORN

1930

THE FIRST COACH

Antonio purchased his first coach, launching the modern coach touring business known today. Mantegazza called his business Globus Viaggi.

1950

WORLD FIRST

Globus grew from Swiss day trips to Italian holidays with the help of Werner Albek. The company unveiled the world's first multi-country European touring holiday.

1961

COSMOS WAS CREATED

Globus launched Cosmos, offering affordable, value-priced European touring for the cost-conscious traveller.

1980

WORLD'S MOST POPULAR

2004

AVALON IS LAUNCHED

Globus introduced Avalon Waterways, adding river cruising to its range of travel styles.

2011

AVALON LAUNCHES FIRST SUITE SHIP℠

Avalon's launch of the first Suite Ship℠ quickly led to a fleet of Suite Ships℠, elevating river cruising. Globus continued to innovate, taking travellers beyond landmarks to undiscovered towns and coasts without crowds.

Reach the hot springs of Geysir and taste local specialties, including freshly baked bread and a glass of Geysir Schnapps. Here, a unique experience awaits with a walk through the Rift Valley's landscape, formed by shifting tectonic plates, and stand on two continents at the same time! Later, arrive in Borgarnes. (B,D)

LOCAL FAVOURITE
Iceland is the only place in the world where separation between the North American and European geological rift (tectonic plates) are above sea level, and nowhere in the world are the edges of both plates as clearly visible than the Rift Valley in Thingvellir National Park.

DAY 3 BORGARNES–HAUGANES–AKUREYRI
GIANT LOVE
Take in the splendid scenery as you drive north to Hauganes and embark on a whale-watching cruise. Embark on the opportunity to witness the breathtaking beauty of these majestic mammals in their natural habitat. Continue to the charming town of Akureyri, considered to be the "Capital of Northern Iceland." (B)

LOCAL FAVOURITE
Take a whale-watching cruise from Hauganes for the chance to spot humpback and minke whales and dolphins surfacing on the glassy waters of Eyjafjordur Bay. It's sure to be an epic experience!

DAY 4 AKUREYRI–GOÐAFOSS–LAKE MÝVATN–DETTIFOSS–EGILSSTADIR
HEAVENLY SIGHTS
This morning, join an orientation walk in Akureyri, including the botanical gardens. Depart Akureyri for fantastic photo opportunities en route to Goðafoss for a stop to see the "Waterfall of the Gods." Enjoy a scenic drive to Lake Mývatn, formed by a volcanic eruption that left its imprint with various volcanic landforms. Stop to enjoy free time to admire the incredible panorama. Later, arrive at Dettifoss and take photos of the most powerful waterfall in Europe (road conditions permitting) before continuing to Egilsstadir. (B,D)

TOUR HIGHLIGHT
Take the photographs of a lifetime with a stop at North Iceland's historic and magnificent Goðafoss waterfall, stretching 27 metres across dramatic rock formations to deliver its spectacular cascades along the glacial-fed Skjálfandafljót River.

DAY 5 EGILSSTADIR–HÖFN AREA
