AIRSHOW**

Unforgettable high-octane aviation experience!

We are thrilled to offer you the opportunity to experience the exhilarating **Warbirds Over Wanaka International Airshow**, set against the breathtaking natural beauty of New Zealand. Held in Wanaka, the world's most stunning venue for this premier aviation event, you'll be captivated by the azure, blue waters of Lake Wanaka and the majestic peaks of the Southern Alps that create a natural amphitheatre for this spectacular show.

For three exciting days over Easter, Lake Wanaka will become the stage for a high-octane display of aviation prowess never seen before in New Zealand. Established over 30 years ago, this International Airshow has become one of the world's top must-see

Warbirds events. You'll witness the evolution of aviation, from early 1900s aircraft to iconic Warbirds and modern jets, all coming together to deliver an unforgettable experience.

Beyond the aviation thrills, you'll also indulge in the flavours of Central Otago. Savour gourmet delights crafted from the region's finest local produce, and sample internationally renowned pinot noirs, born from the area's unique combination of warm sunlight and cool nights.

We offer four exciting itineraries ranging from 8 to 15 days, each including a 3 Day Gold Pass for the Warbirds Over Wanaka Airshow. For those who prefer small group travel, the 11 Day Ultimate Warbirds Over Wanaka Tour might be the perfect fit. GOOD TO GO FORM

Grand Pacific Tours (GPT) is a 100% Australian owned company.

Our tours consist of a mix of travellers that either reside in Australia ("Travellers residing in Australia") or travellers residing outside of Australia from New Zealand, UK, USA, Canada and other countries ("Travellers residing outside of Australia"). Payment of a deposit is an acknowledgment that you have read, understood, and accepted our Booking Terms and Conditions. A Good to Go form will be emailed to the nominated email address at 120 days prior to the tour departure date for completion.

TOURING DISCLAIMER

Itineraries: GPT has compiled the content of all tour itineraries based on the knowledge that all accommodation and attraction suppliers will be operational within the relevant touring season. Prior to the tour commencing, or whilst on tour, for reasons beyond our control (i.e. seasonality, weather), an itinerary could be interrupted, and content altered and GPT will aim to provide a similar touring experience, noting some unique inclusions may not be available. If for any reason a published tour inclusion cannot be facilitated or replaced, a refund based on GPT's negotiated pricing (not retail pricing) will be provided.

Guaranteed Departures: Since GPT began operating, the company has been highly regarded for the promotion of guaranteed departure dates. At any stage if tourism in or to New Zealand is affected by any event or circumstances beyond our control, this could affect the running of individual tours.

PRICES

All holiday prices are based on schedules, fares and tariffs current at the time of publishing. GPT reserves the right to vary the cost of tours, if necessary, by reason of currency fluctuation, or component cost increase or airfare cost (airfare cost applicable to travellers residing in Australia only). Only one special offer is applicable per booking / per person and must be advised at time of booking. There will be no retrospective discounts applied. Some special offers will be based on a booking validity. Special offers can be withdrawn without notice at any time.

TRAVEL INSURANCE

Comprehensive Travel Insurance is not included but is strongly recommended for all travellers. It is the traveller's responsibility to arrange their own travel insurance.

HEALTH AND FITNESS

Payment of deposit by a traveller to GPT acts as a warranty that you are reasonably healthy and / or fit to participate in the tour and the traveller indemnifies GPT from all actions, claims and demands arising out of any want of health and fitness. It is important that the traveller chooses the right tour to avoid disappointment.

Based on the removal of the New Zealand government mandates, travellers arriving into New Zealand, and travelling on a GPT tour, are no longer required to be fully vaccinated against COVID-19.

Important information relating to the travellers' health, mobility and fitness which may affect their partial or total participation in the tour and the enjoyment of other travellers must be reported to GPT at time of booking. If a traveller has a disability or medical condition that requires special attention, or if the travellers' health, mobility and fitness change prior to tour departure, this information must be reported to GPT as soon as possible. This information is necessary to allow GPT to ensure the tour chosen is suitable and meets the travellers' needs. Where possible GPT will make reasonable modifications to the tour to accommodate any special requirements however, it cannot do so if the modification required would be unreasonable or if it would affect the travellers' safety and / or the safety and / or enjoyment of other travellers.

If a traveller requires personal assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. GPT does not provide personal assistance to any traveller. Travelling with a collapsible wheelchair / mobility scooter is subject to availability at the time of booking as each tour only has the capacity to cater for one wheelchair / mobility scooter traveller - conditions apply. Accessible Rooms are subject to availability and not always allocated in the room type advertised and may be located away from the group.

GPT makes reasonable effort to accommodate the needs of travellers with specific disabilities however, it is not responsible for any denial of services by any third party or independent suppliers or for any additional expenses charged by those parties.

DIETARY REQUESTS

GPT limit special dietary requests to Vegetarian, Vegan, Gluten Free, Lactose Free, Diabetic and any life-threatening allergies (whereby the traveller carries an EpiPen). These requests will be forwarded to the hotel and / or attraction suppliers but cannot be guaranteed and does not constitute a term of your contract with us. Tour meal options may be limited. As a volume group tour operator, contracting specific menus which range from Buffet to A-la-carte, the logistics of arranging meals meeting the correct criteria over an extended touring itinerary can be challenging and cannot be guaranteed to meet the expectations of the traveller(s). Therefore, religious dietary requests (Hindu Vegetarian, Kosher, Halal) cannot be accommodated. Any further intolerances needing to be managed are the responsibility of the traveller. Airlines have restricted dietary conditions which vary, all requests should be discussed with your Travel Agent at the time of booking.

AIRFARE

The airlines require all Trans-Tasman flight bookings to have the air ticket issued within 24 hours of confirmation of the airline reservation. As GPT offer a fully inclusive package price, the dollar difference between 'Land Only' price and 'Package Price' does not represent the airfare deposit amount due.

Enquire with your Travel Agent as to the exact amount of airfare deposit and taxes required at the time of booking. Surcharges may apply over peak travel times.

The Australian prepaid airline and airport taxes are subject to change. Exact amounts will be confirmed to your Travel Agent at time of booking.

GPT is not responsible for the accrual of airline frequent flyer points, this at the discretion of the airlines. Airline frequent flyer points are only issued on certain fare classes.

Airline tickets are bound by the fare rules set out by the airline. Changes or cancellations to ticketed flights may attract further fees and charges in accordance with fare rules which is beyond the control of GPT.

Choosing Air New Zealand's Flexibility fares enabling full refund of ticket and taxes on cancellation requires payment of an additional per person fee per international sector and must be booked and paid for as part of the original ticket. Terms and Conditions of the Flexibility fares are set by Air New Zealand and turnaround time of refunds at the time of cancellation are out of GPT's control. GPT tour cancellation fees will apply.

All airline flight credits are subject to validity and expiration dates and new flights must be booked within the airlines pre-determined dates.

COACH SEAT ROTATION

For the enjoyment and fairness of all travellers, GPT operates a daily seat rotation system which all travellers must participate in as a condition of booking. There is no exception to this policy and special consideration to an individual's specific needs cannot be accommodated. The coach seat plan is displayed inside the coach for your reference.

VALIDITY

Booking Terms and Conditions are correct at time of publishing and subject to change without notice.
