Booking Terms and Conditions

These **Booking Conditions** set out the terms on which you contract with us for the Tour. By making a Booking, you acknowledge that you have read, understood and agree to be bound by these Booking Conditions.

PRICES

For Australian residents, Tour Prices are stated in Australian Dollars ($AUD). Tour Prices are subject to change prior to you making a Booking.

Tour Prices are per person, twin share. Single supplements are payable for solo guests requesting single accommodation. Your Booking Confirmation will confirm the Tour Price.

The Tour Price is for the Tour (including flights, where expressly included). The price for any Additional Services will be itemised separately.

PAYMENT

Deposit: Unless otherwise stated in your Booking Confirmation or in the terms of a special or promotional offer, you must pay a Deposit within 7 days after making a Booking as follows:

- **Signature Mid-Size Group Touring and selected Special Interest Group Touring:** AUD$200 per person for Australian residents
- **Ultimate Small Group Touring:** AUD$500 per person for Australian residents

If the Tour includes flights, you must also pay any additional amount required to secure the airfare, taxes and related charges at the time of Booking. Flights may be subject to instant purchase requirements.

Final Payment: Payment in full must be received no later than 60 days prior to commencement of the Tour. For Bookings made within 60 days of commencement of the Tour, full payment is required at the time of Booking.

Payment Failure: If you fail to make payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after issuing the reminder, you will be deemed to have cancelled your Booking.

CANCELLATION

You may cancel your Booking by giving written notice to us. We will make refunds to you less cancellation fees in accordance with the conditions below, calculated from the date which we receive written notice:

- **Cancellation 60 days or more before commencement of the Tour:** Deposit plus the cost of any flight included in the Tour if already ticketed
- **59 days to 15 days before commencement of the Tour:** 50% of the Tour Price plus the cost of any flight included in the Tour if already ticketed
- **14 days or less before commencement of the Tour, or no show:** 100% of the Tour Price plus the cost of any flight included in the Tour if already ticketed

The cancellation charges specified above represent a genuine pre-estimate of the losses we will incur if you cancel at particular points in time. A transfer of a confirmed booking to another departure date is deemed to be cancellation of the original booking. Cancellation of Additional Services are subject to the terms and conditions of the Additional Services Principal.

REFUNDS

Any refunds payable by us under these Booking Conditions will be made as follows: (a) if you paid us directly with a credit or debit card, we will credit the same card with the refund unless you advise us that the card has expired or is no longer active; (b) if you paid us by direct bank transfer, we will pay the refund to a bank account notified by you; and (c) if you booked the Tour through a travel agent, then we will pay the refund to the travel agent, and our obligation to refund will be satisfied even if the agent does not remit funds to you.

PRE TOUR

Health & Fitness: It is your responsibility to ensure that you have a suitable level of health, fitness and mobility to undertake the Tour. Our "Touring with Confidence" document, accessible on our website, provides further detail on the level of physical activity generally involved in the Tour.

Our tour leaders and representatives are responsible for assisting with the general coordination of the Tour, and Independent Suppliers are responsible for the general operation and delivery of the relevant Tour Services. However, they cannot provide individual care, personal assistance or mobility support.

You must be able to self-manage your mobility and personal care requirements. If you require assistance, including assistance with walking, dressing, personal care, boarding or alighting vehicles, traversing up or down flights of stairs, or pushing a wheelchair, you must travel with a companion who is capable of providing that assistance for the duration of the Tour.

If, in our reasonable opinion: (a) you are not fit to travel; (b) you have any illness, injury, disease, or other medical condition which makes travel unsafe for you, other guests, our representatives, or Independent Suppliers; (c) you require assistance that cannot reasonably be provided; or (d) your participation may materially affect the safe or usual conduct of the Tour, then we may: (e) refuse to confirm your Booking; (f) refuse to permit you to commence the Tour; or (g) require you to leave the Tour, in each case without any liability on our part and standard cancellation fees will apply.

If you have doubts about your ability to undertake the Tour, please contact us to discuss your circumstances prior to making a Booking.

Existing Medical Conditions: If you have a medical condition which may reasonably be expected to increase your risk of requiring medical attention or special assistance, or which may materially affect the usual conduct of the Tour, then you must advise us.

We will issue you with our fitness to travel ("Good to Go") form approximately 120 days prior to commencement of your Tour, and you must complete and return it within 30 days of its issue.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner, which you must provide within the timeframe reasonably required by us.

If you fail to complete and return the Good to Go form within 30 days of its issue, or fail to provide any requested medical assessment, medical clearance or other information within the required timeframe, we may cancel your Booking. Any such cancellation will be treated as a cancellation by you and the applicable cancellation fees will apply.

If the information provided in the Good to Go form or the medical assessment indicates that, having regard to the nature of the Tour, you are not fit to travel or will require special assistance which we cannot reasonably provide, then we may cancel your Booking. Provided you notified us of your medical condition by completing and returning the Good to Go form within 30 days of issue, and provided a medical assessment (if requested) within the required timeframe, we will provide you with a refund of payments received less the cost of any flights included in the Tour if already ticketed.

New Medical Conditions: You must advise us of any new or changed medical conditions which may reasonably be expected to increase your risk of requiring medical attention or special assistance, or which may materially affect the usual conduct of the Tour.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, or if you fail to provide a medical assessment within a reasonable time on our request, then this will be considered a cancellation by you and cancellation fees will apply.

Dietary Requirements: Special dietary requests must be notified to us within 7 days after we issue your Booking Confirmation. We only accept requests for vegetarian, vegan, gluten free, lactose free or diabetic meals, or allergies. We will endeavour to pass accepted requests to relevant suppliers, but they cannot be guaranteed and do not form part of your contract with us. Religious dietary requests, including, for example, Hindu vegetarian, kosher and halal meals, cannot be managed by us and remain your responsibility. You are responsible for managing any other dietary requirements or intolerances and for checking meals and beverages for allergens. To the fullest extent permitted by law, we are not liable for meals or beverages containing allergens or failing to meet a dietary request, except to the extent caused by our negligence.

Travel Insurance: We strongly recommend that you are insured for the duration of the Tour. We recommend comprehensive travel insurance to cover cancellation, medical requirements, medical evacuation, luggage, and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your Deposit. This is because cancellation fees may be payable from that time.

ON TOUR

Coach Seat Rotation: For the enjoyment and fairness of all guests, we operate a daily coach seat rotation system, which is detailed on our website. You must participate in the seat rotation system as a condition of your Booking.

The coach seat plan will be displayed inside the coach or otherwise communicated by our representatives. You must follow all reasonable directions regarding seating arrangements.

Special seating requests cannot be accommodated.
