

The Original Coastal Voyage since 1893

The Original Norwegian Coastal Voyage

Our signature voyage along the Norwegian coast travels from Bergen in the south, across the Arctic Circle, up to Kirkenes, and back. It's 12 days and 2,500 nautical miles of some of the most stunning scenery you've ever seen.

Along the way, your ship stops at 34 coastal communities, day and night. This is the everyday Norwegian coast; an authentic experience in the making since 1893.

Your home at sea

Our ships are especially designed to make your voyage as relaxing and as comfortable as possible. Sit back, enjoy the stunning views, and feel the worries fade away.

Laidback lifestyle

As your home away from home, your small and intimate ship enjoys a casual, informal ambience. Take our dress code, for example. We don't have one. The local Norwegians who travel with us don't dress up for dinner, so you don't need to either. This is where you can feel at home and walk around all day in your loungewear if you like.

You'll also find our staff to be friendly and helpful. Many of them live in the areas we sail through and will happily share nuggets of local insider knowledge with you.

Detox and de-stress

Get away from it all by joining us at sea on a coastal voyage, leaving cares and concerns behind. Many like to take the opportunity to undergo a digital detox, freeing themselves from the persistent pings of emails and text messages.

As we sail past sparkling fjords, picturesque islands, and calming mountain scenery, you'll naturally fall into the soothing rhythm of daily life on the ship. Fully relaxed and reset, the stress that was previously weighing on you may melt away into a distant memory.

Bask in the views

Your surroundings are the star of the show on your voyage with us. Watch the ever-changing landscape go by from the ship's expansive outdoor decks, which are also the ideal spot for witnessing the Northern Lights in winter or the Midnight Sun in summer.

Throughout the ship, you'll notice how we bring the outside in with impressive floor-to-ceiling windows – in the lounge, the restaurants, the gym, and even the sauna. So, you can have a workout, steam your pores, tuck into your meal, sip cocktails at the bar, all the while missing none of the spectacular scenery outside.

Enjoy the ship's lounge

One of the best places to unwind on the ship is the Explorer Lounge & Bar. This area features wide windows offering stunning views of the coastal scenery. With it being the site of the ship's bar, it is the natural, social hub of the ship.

Come here to sink into an armchair with a drink, swap stories, and get to know your fellow ship-mates. You can also opt to nestle into a quiet, cosy nook with a book, either in the lounge or in the many other seating areas found around the ship.

Home suite home

You have a range of cabins to choose from on board, all with ensuite bathrooms, and all comfortable and stylish. The simple, Scandinavian-designed rooms are an appealing mix of clear-cut lines, polished surfaces, and natural materials that harmonise with the landscapes outside. Likewise, your bed boasts fine linen and smooth, soft duvets, keeping you warm and snug as you sail off to sleep.

A touch of *koselig*

Throughout our ships, whether in the lounge, the restaurants, or your cabin, you'll find beautiful and simple interior design, imbued with the Norwegian concept of *koselig*.

A Scandi idea

The minimalist forms, bold colours, and atmospheric lighting of Scandinavian interior design have influenced modern tastes in décor the world over. At the heart of its success is the pursuit of *koselig*, or *hygge* as the Danes refer to it.

For Norwegians, *koselig* doesn't simply translate to the word "cosy", but goes much deeper. It's a word that conjures up a sense of being at home; embraced by a warm hug; wrapped in the pages of a good book; snuggling up under the duvet; the morning sun with the smell of freshly brewed coffee; candle-light; and an open fire.

You'll find splashes of *koselig* on board our ships; in the eclectic furniture of the bakery, interesting ornaments in the restaurants, and in the artwork that adorns the walls of common areas. The same influence is clear in the calm ambience of the Explorer Lounge & Bar, complete with a smokeless, non-wood burning fireplace.

Classic and charming

MS Vesterålen is one of our oldest ships in service, featuring an intimate atmosphere and nostalgic cabins. There is a small lounge to the aft of the ship, a café in the middle, and a restaurant at the bow. Without a doubt, the pièce de resistance is the newly refurbished panorama lounge occupying the top deck and boasting the best views on board.

Cabin categories

Cabins on board are your comfortable haven at sea for a good night's sleep. They all have ensuite bathrooms and are available across four main categories, each clearly designed with *koselig* in mind.

Expedition Suites

– Located on the upper decks, these spacious, sublime rooms are the best we have to offer. All boast large bay windows or a private balcony with splendid views.

Arctic Superior

– Enjoy outside views of the passing scenery with these roomy cabins which are normally situated on the upper or middle decks.

Polar Outside

– Found on the middle decks, this category comes with a window or small porthole for exterior views. Some cabins look out onto the mid-level walking deck.

Polar Inside

– Similar in size to Polar Outside cabins, just without the window. Cabins may have single beds that can be combined into a double, or with one bed converting into a sofa.

Committed to the future of the coast

Everything we've done for the past 130 years has been to serve, nurture, and care for Norway's coast. Our mission: to preserve our beautiful home for generations to come.

Bye heavy fuel oil, hello biofuel

It's been over a decade since we called time on highly polluting heavy fuel oil, opting instead for more expensive synthetic fuel which has 30 times less sulphur emissions. Sadly, heavy fuel oil still accounts for 75% of marine fuel burned in the Arctic today. We continue to work with NGOs to campaign for a world-wide ban so that everyone will make the switch too.

But we're not stopping there. We've already begun the process to phase in biofuel for our fleet. Rather than going for cheap biofuel made from cash crops often linked to deforestation,

we're insisting on biofuel that is produced from organic waste and which carries International Sustainability & Carbon Certification (ISCC).

Top tech

By 2023, our seven Coastal Express ships will each be installed with state-of-the-art wastewater treatment systems and advanced catalytic converters. Three of the seven ships will also be fitted with fuel-efficient, battery-based hybrid power. These upgrades, together with biofuels will cut CO₂ emissions by up to 25% and NO_x emissions by 80%.

Rest assured, we'll continue

to implement new green-tech and pioneering solutions with the aim of bringing emissions from our ships on the coast down to zero.

Riding the electric wave

All our ships on the Norwegian coast are equipped for shore-power connectivity, allowing us to plug into ports for emission-free power. Only the port in Bergen has this facility right now, but we're working closely with other ports like Trondheim to soon make the technology available there too.

Together with our partners, we've also put Norway's first electric tour bus into service for

our excursions in the town of Ålesund, with plans to roll out more such buses at even more of the ports we visit.

Putting an end to single-use plastics

In 2018, we banned all unnecessary single-use plastic, and are proud to be the first cruise line in the world to do so. On board, instead of plastic straws, bottles, cups, and bags, you'll find environmentally friendly alternatives made of biodegradable paper or bamboo.

Efficient delivery

Each year, our busy ships transport over 100,000 tons of

producers along
the coast

Biofuel produced from organic waste

Powerful innovations and intelligent initiatives to reduce waste and emissions

Delivering goods along the coast from food to medicine every year

goods – everything from food to medicine – a distance of 2,680 nautical miles, equivalent to almost 5,000 kilometres. It's a feat that would require 10,000 trailer trucks to match. Less trucks on the road means a lot less gas guzzled and emissions released.

Local food, sustainably sourced

Our Norway's Coastal Kitchen concept draws from around 50 sustainable producers along the coast. Together, they supply 80% of our food ingredients and drinks, delivered to our onboard chefs at 15 ports on our route. Not only does this mean fresh flavours that give you a true taste

of Norway, it also means minimal food miles and energy used on refrigeration.

Expect organic, high-quality, artisanal fare, along with plant-based gourmet menus. Various initiatives to reduce food waste are also in the pipeline, looking set to reduce food waste by more than 30%.

Linking lives

Our tireless service on the Norwegian coast is a lifeline for the 34 coastal communities we connect, of which only three have a train station. For more than 125 years, our ships have tied together people north and south of the country – friends, family, lovers, business partners,

knitting clubs, local football teams. Some even spend their first few hours of life aboard with us; as newborns travelling home from hospital with their parents.

Supporting livelihoods

Every ship needs a crew of cleaners, engineers, chefs, and hundreds of people behind the scenes. Each role represents an important job for people along the coast. 45% of our manager-level employees are women, a figure we're actively increasing. We're also Norway's biggest provider of maritime apprenticeships, training hundreds of young people.

Our partnership with local

excursion providers and food producers leaves lasting benefits to the economy here, which in turn ripple out to the wider community. This is sustainable, small-scale tourism at its best, ensuring local businesses are healthy and generating important income for entrepreneurs, their staff, and their families.

Hurtigruten Foundation

We established the Hurtigruten Foundation in 2015 to make a difference to important projects around the world, including the

Norwegian coast. The total funds we've donated so far sit well over four million Norwegian Kroner across 34 initiatives in ten countries. You can do your part by hanging a Green Stay tag on your cabin door during your voyage to tell us that your cabin doesn't need cleaning that day. This helps us save

on water, cleaning products, and energy. For every day you hang a Green Stay tag during your voyage, we give 5 NOK to the Hurtigruten Foundation. The Foundation then funds various projects along the coast, such as beach clean-ups, hiking paths, and art programmes.

Names: The Northern Lights are also known as aurora borealis. The term was coined by Galileo Galilei in 1619. "Aurora" is Latin for "dawn" and "Borealis" means "Northern Winds". They are sometimes referred to as "Polar Lights", a term that includes the Southern Lights too.

Colour spectrum: Ranging in rarity from white to blue to green to pink and purple, the colour depends on the composition of gases in the Earth's atmosphere, at what altitude charged solar particles collide with them, and at what speed.

Shapes: The number and the sequence of these collisions creates different shapes and movements. There are four main types: the corona aurora (rays of light), the drapery aurora (ribbons or curtains), the arc aurora (a rainbow) and the diffuse aurora (a hazy glow).

The Original Northern Lights Promise

Sailing on The Hurtigruten Coastal Express has always been the best way to see and enjoy the aurora. We're so confident of this that we offer you the closest thing you'll get to a guarantee.

Sail with us on our 12-day Classic Voyage between 1 October and 31 March, and if the Northern Lights don't appear at least once within sight from the ship, we promise to give you a 6 or 7-day voyage the following Northern Lights season absolutely FREE.

Northern
Lights
Promise®

The Greatest Show on Earth

The Northern Lights are one of the world's most celebrated natural phenomena for a reason. On our ships, the spectacular sight of the aurora lighting up the night never fails to impress.

Photon-producing particles

The aurora occurs when electrically charged particles from the sun, also known as the “solar wind” or “solar storms”, collide with gases in the Earth's upper atmosphere. The Earth's magnetic field steers the charged particles towards the North and South poles, forming auroral ovals or zones. The collisions produce photons that appear as jaw-dropping flashes and swirls of light in the sky.

In Pole position

In the northern hemisphere, the best chances in Europe of seeing this spectacular light show is in Northern Norway between October and March. Sitting above the Arctic Circle inside the Auroral Zone, it is a region ideally situated for Northern Lights sightings.

Of the 34 ports that The Hurtigruten Coastal Express visits, 22 are above the Arctic Circle. On our 12-day Classic Voyage, you'll spend six nights in the Auroral Zone, upping your chances of seeing the Northern Lights not just once, but multiple times.

A floating observatory

There's nowhere better to see the Northern Lights than sailing along pristine fjords with us, far from the ambient lights on shore. Away from air and light pollution, the visibility and vibrancy of the lights improves, along with your odds of a sighting. And as the ship is on the move, we'll be passing overcast areas, giving aurora hunters a better likelihood of sailing under clear skies.

Front-row seats

You'll find not knowing exactly when the aurora might appear creates a real sense of suspense and thrill. When you do hear the crew announce a sighting, the frisson of excitement that seems to ripple through the ship is palpable. Everyone hurries up to the observation deck or gazes intently out of the ship's large windows, eagerly looking skywards.

What patterns, colours, and intensity of light will you be lucky enough to witness on board with us? Each sighting is unique and seeing the aurora parade across the skies, whether for a few minutes or more, is a truly special and magical moment that you'll cherish forever

Northern Lights over Norway

Oslo – Helsinki

On this fully escorted small group tour from Norway's capital Oslo, ride one of the world's most famous trains, the Flåm Railway, before joining The Coastal Express northbound voyage.

Visit charming hamlets, sail through picturesque fjords and hopefully see the magnificent Northern Lights on this journey up into Arctic Norway.

From Kirkenes in Norway's far north, you'll then head south into Finnish Lapland and enjoy gazing up at the night sky inside your glass igloo.

Then discover Rovaniemi, the official home town of Santa Claus and experience a day trip to medieval Tallinn in Estonia.

DAY 1 : Arrive in Oslo

Independently travel from the airport or train station to your hotel. In the evening meet the rest of your group and guide at our welcome dinner.

DAY 2 : Oslo

An Oslo grand city tour including Vigeland Sculpture Park, Oslo Opera house, Holmenkollen Ski Jump and more awaits.

DAY 3 : Flåm

Begin your "Norway in a Nutshell" tour with a morning train to Myrdal, where we transfer onto the famous Flåm Railway. Watch spectacular fjord views all the way to the beautiful, tiny village of Flåm.

DAY 4 : Bergen

We take the ferry from Flåm to Gudvangen, then continue by bus. Waterfalls line the road as we weave through the valley to Voss. For the last leg of your 'Norway in a Nutshell' journey, we travel via train to Bergen.

DAY 5 : Bergen, embarkation

Enjoy a walking tour of Bergen, including St Mary's Church, Håkon's Hall and the UNESCO World Heritage listed Bryggen, before heading to Troldhaugen, home of Norwegian famous composer Edvard Grieg. Later, relax in our exclusive guest lounge before embarking your Hurtigruten Norwegian Coastal Express ship.

DAY 6 : Ålesund

Navigate skerries and islands before reaching Ålesund, renowned for its beautiful Art Nouveau architecture.

DAY 7 : Trondheim

Trondheim greets us today, with plenty of time to explore Norway's first capital. A must-see is Nidaros Cathedral, nicknamed 'Norway's Notre Dame'.

DAY 8 : Lofoten Islands

Cross the Arctic Circle, beginning your Arctic tour of Norway. The stunning Lofoten Wall welcomes us in the afternoon, as the ship sails into the archipelago.

DAY 9 : Tromsø

Uncover Tromsø, a major cultural hub above the Arctic Circle and famed viewing point for the Northern Lights. The city's historic centre is distinguished by its centuries old wooden houses and the distinctive 1965 Arctic Cathedral.

DAY 10 : Honningsvåg

The nearest port to the North Cape and only 2000km from the geographical North Pole.

DAY 11 : Kirkenes – disembarkation – Saariselkä

Discover Inari, an area famous for its large Sámi population and also visit the newly renovated Siida Sámi museum.

DAY 12 : Saariselkä

Enjoy an evening Reindeer Safari with the chance of experiencing the Northern Lights. Here you'll also have the opportunity to meet a local Sámi family.

DAY 13 : Sinettä

Explore Santa Claus Village and in the evening, check into an Arctic SnowHotel where you'll slumber in a toasty glass igloo.

Our journey ends after breakfast.

Sailing under the Midnight Sun

Australian Bronwen Pyle joined The Norwegian Coastal Express on a journey under the Midnight Sun, enjoying a glimpse of life in the Arctic during its brightest season.

Bronwen can't help but smile whenever she talks about her summer voyage in Northern Norway. Originally from the sleepy small town of Stanthorpe in Queensland, the 38-year-old lawyer has spent the last few years working in London. When her parents came to visit her and do a tour of Europe, she wanted them to have a family holiday to be remembered.

A summer's adventure

"For years, my parents talked about wanting to experience the Norwegian coast. I'd heard from friends that THE thing to do – to really get a sense of Norway and its coastline – was to take a trip with The Norwegian Coastal Express", Bronwen says enthusiastically.

"That summer we spent some fun and memorable weeks travelling through Europe and enjoying lazy summer days. But sailing the Norwegian coast stood out as the highlight of the trip. Especially because we got to experience the Midnight Sun together, something my parents had only heard about but never experienced."

When the day never ends

Bronwen booked them on a midsummer's southbound voyage which starts in Kirkenes, Northern Norway. They had the Midnight Sun accompany them for their first few nights. "The day kept on going and going, never getting dark, even all through the night. The non-stop day actually gave us even more time to admire the scenery on the route."

She continues, "On the first night, as the ship sailed past small cabins and hamlets, we noticed families hanging out in their gardens, eating and drinking till the middle of the night. Some of them even raised their glasses to us as we went by!"

"The second night, we were walking around the city of Tromsø at half past midnight, and there were still lots of people out and about. Some were just sitting on the terrace of bars and cafés, sunbathing, and chatting with their friends. It was a really nice atmosphere – relaxed but also with a bit of a buzz in the air."

One place in particular stood out for Bronwen and her parents. "The area around Svolveær in Lofoten was one of our favourite sightseeing spots. The landscape was fantastic, with crystal blue water, steep mountains, and white sandy beaches. It was cloudy that evening, but while we were taking pictures, the sky opened above us and shafts of sunlight beamed down. It was out of this world".

Special memories

Bronwen explains that the Midnight Sun also seemed to inspire life on board the ship. "Both the crew and other guests were so friendly – the extra sunlight probably made us all more cheerful!" she exclaims. "Being surrounded by spectacular views of the fjords and mountains glowing with sunlight 24-7 probably helped too!"

"Summer is also about the food, and I just loved the Norwegian ice-cream, cheeses, and chocolate!", she says with a chuckle. "But what I cherish most about the voyage was sitting on deck with my 80-year-old dad, chatting late into the night while taking in the constantly changing landscapes under the Midnight Sun. It was beautiful," says Bronwen with a warm smile. "Sharing that experience with him is a really special memory for me."

“The day kept on going and going, never getting dark, even all through the night. The non-stop day actually gave us even more time to admire the scenery on the route.”

- Bronwen Pyle

Bronwen's five Midnight Sun tips:

1. The best place to experience the Midnight Sun is out on the ship's deck. You might want to get out there early in the evening to secure a seat and a good spot.
2. You'll probably be busy taking pictures of the incredible scenery. But remember to take time out from behind the lens to just be in the moment as well.
3. To keep awake, grab a coffee from the onboard bar. You can also get your caffeine fix at some of the ports and stretch your legs at the same time.
4. The extra hours of sunlight can make it hard to sleep. Burn off excess energy in the onboard gym or on optional excursions during the day.
5. The thick curtains in your cabin do a good job of blocking out the sunlight, but maybe bring an eye mask in case a few rays peek through.

**NEW
VOYAGE**

The Midnight Sun, Norway

Stockholm – Bergen

Bask in long summer days under the Midnight Sun, as you explore Finnish Lapland and take in the Norwegian coastal towns on this semi-escorted small group tour.

From Stockholm, an overnight ferry brings us to Helsinki. We spend the next few days exploring Rovaniemi, the home of Santa Claus, and Saariselka, cultural centre of the indigenous Sámi. Crossing over to northern Norway, you'll join the ship in Kirkenes for a southbound voyage.

DAY 1 : Arrive in Stockholm

Meet your Tour Manager along with the rest of your group and be treated to a welcome dinner at the hotel which will be a three-course set menu or a buffet.

DAY 2 : Stockholm - Helsinki

See more of Stockholm on a private four-hour guided tour of the city, including the old town and City Hall, where the Nobel Peace Prize ball is held each year. This evening, board a ferry bound for Helsinki.

DAY 3 : Helsinki

After disembarking the overnight ferry, board a private coach for a three-hour tour of Helsinki including the 'Church of Rock' and Sibelius Park.

DAY 4 : Rovaniemi

After breakfast board a train to Rovaniemi, the home of Santa Claus. Our journey will take us across the Arctic Circle, to the far north of Finland.

DAY 5 : Saariselkä

Explore Santa Claus Village before we continue our journey north to the Midnight Sun Village in Saariselkä, where for the next two nights you'll be staying in your very own Midnight Sun cabin.

DAY 6 : Saariselkä

Today you'll get to meet friendly Siberian huskies as they accompany you on a hike through the wilderness. Learn about arctic wildlife, pick fresh berries and take a drink straight from a mountain stream along the way. Enjoy dinner at the hotel followed by a Midnight Sun Photography Expedition.

DAY 7 : Kirkenes

Today we'll board a private coach to continue our journey through Finnish Lapland. Our first stop is the small township of Inari where we'll explore the newly renovated SIIDA museum. Continuing north, we'll cross the border into Norway and arrive at Kirkenes.

DAY 8 : Kirkenes

Today we visit the Snowhotel Kirkenes 365. This is the first hotel completely made of snow and ice. Enter a real-life winter wonderland, even in the middle of summer. Visit the resident huskies and reindeer before we board our ship headed south. The tour manager leaves the group after embarkation.

DAY 9 : Mehamn / Tromsø

On your Hurtigruten voyage south, we stop at 34 ports along the coast. Today we make early morning stops at Honningsvåg and Havøysund, before continuing to Hammerfest and then eventually Tromsø where we arrive just before midnight. Take a stroll around the city under the Midnight Sun - you might be surprised at how busy it is.

DAY 10 : Tromsø / Stamsund

Today, you'll be exploring the archipelagos of Lofoten and Vesterålen, real highlights of our Norway scenic route, before we continue to Stokmarknes. This is where The Hurtigruten Coastal Express began almost 130 years ago.

DAY 11 : Bodø / Rørvik

Crossing the Arctic Circle is an important 'rite of passage', we'll celebrate the occasion with a taste of Arctic tradition - a spoonful of cod liver oil. Leaving the Polar region means saying goodbye to the Midnight Sun, but you'll still see incredibly long days throughout the rest of the summer voyage.

DAY 12 : Trondheim / Ålesund

This morning, you'll have the opportunity to explore the historic royal city of Trondheim for a few hours. Be sure to visit the majestic Nidaros Cathedral, built over the burial site of King Olav II who reigned from 1015 to 1028.

DAY 13 : Ålesund / Bergen

On our last day onboard we'll dock at Florø, Norway's westernmost community, in the morning. As we leave the port, get ready to snap some shots of Stabben Lighthouse. After disembarking, we'll board a private bus for a city sightseeing tour of Bergen, including the UNESCO World Heritage-listed Bryggen, St Mary's Church, Håkon's Hall and the home of Norway's most famous composer, Edvard Grieg.

DAY 14 : Bergen

You have the day at leisure to explore the city, then join the group for tonight's farewell dinner at a local restaurant.

DAY 15 : Bergen

Our journey ends after breakfast.

Oslo – Bergen – Kirkenes – Bergen

Under the never-ending glow of Midnight Sun or dancing skies of the Northern Lights, travel from cosmopolitan Oslo to Europe's northernmost point - The North Cape - by rail, bus, ship and gondola! Journey along some of the world's most scenic and beautiful railways as you travel through the snow-covered countryside to Bergen via Flåm and Voss. With a range of authentic Norwegian experiences, majestic fjords and friendly locals - discover this and so much more on this 16-day self-guided itinerary.

DAY 1: Arrive in Oslo

Explore Oslo's historical and beautiful capital, known for its compact size and cultural attractions like the Viking ship museum, trendy restaurants, and the Royal Palace.

DAY 2: Oslo – Myrdal – Flåm

Board the train at Oslo Central Railway Station and embark on the scenic 'Norway in a Nutshell' tour to Myrdal. Take in the beautiful landscapes, before joining the Flåm Railway and descending over 900 meters to explore Flåm town, brewery and railway museum.

DAY 3: Flåm – Gudvangen – Voss

After breakfast, take the ferry from Flåm to Gudvangen, admiring the stunning views of Nærøyfjord. Explore the beautiful valley from Gudvangen to Voss, and for a memorable experience, take the Voss Gondola to Mount Hanguren's summit for panoramic views of the area.

DAY 4: Voss – Bergen

Explore Voss after breakfast, then take the train to Bergen. Upon arrival, explore the charming UNESCO-listed Bryggen district, with its colourful wharfs and 14th-century history. Enjoy a stroll in the alleyways, a meal at an outdoor café, a trip on the Fløibanen funicular, or a visit to the famous fish market.

*Terms and conditions apply. Visit hurtigruten.com.au for more

DAY 5 : Bergen

After breakfast, explore the picturesque city before boarding the ship at the port for a voyage towards the Arctic Circle. Enjoy a delicious dinner buffet made from fresh coastal produce as we sail north from Bergen along the Viking route of Hjeltefjord. Relax and admire the spectacular landscapes from the deck or panorama lounge.

DAY 6 : Florø – Molde

Experience the breathtaking Nordfjord in the early morning, followed by a delicious breakfast. Sail past West Cape to arrive at the Art Nouveau city of Ålesund, famous for its stunning architecture and Atlanterhavsparken aquarium. Take a tour of the aquarium and visit resident penguins before heading to Mount Aksla for an incredible view. In Molde, the 'City of Roses', enjoy the lovely municipal gardens and stunning views of 222 mountain peaks across the fjord, known as 'the Molde Panorama'.

DAY 7 : Kristiansund – Rørvik

Trondheim, founded by Viking king Olav Tryggvason in 997, is a charming city with a rich cultural heritage. Visit the Nidaros Cathedral, Norway's only gothic cathedral and burial site of St. Olav, on an optional excursion. From September to May, explore Trondheim by carriage on the world's northernmost tram line, by kayak on the River Nid, or by bike. In the afternoon, the ship sails northwest, passing through the narrow channel of Stokksund and towards the lovely town of Rørvik.

DAY 8 : Brønnøysund – Svolvær

Today we cross the Arctic Circle and mark the occasion with a fun Arctic Circle ceremony on board. We then sail along the beautiful coast of Helgeland to Bodø, where you can experience Saltstraumen, the world's most powerful maelstrom, by small boat. In the afternoon, the 1,000 metre-high Lofoten Wall looms on the horizon, ushering us towards majestic granite cliffs and white sandy beaches.

DAY 9 : Stokmarknes – Skjervøy

We then sail to the Arctic exploration capital of Tromsø for a prolonged stay. Here, you can taste beer from the world's northernmost brewery and participate in seasonal activities.

DAY 10 : Øksfjord – Berlevåg

After a brief stop in Hammerfest, we arrive in Havøysund the world's northernmost fishing village. One of the most popular excursions is a visit to the North Cape, one of the northernmost points on the European continent marked by the photogenic globe monument.

Snowmobile excursion

DAY 11: Båtsfjord – Berlevåg

We arrive early into Vadsø before docking in Kirkenes - the ship's turning point for the return journey. As the ship starts its voyage south, remember that you've seen only half of what Norway's coastline offers. The ports we visited by night going north are now seen by day.

DAY 12: Mehamn – Tromsø

Following a stop at Honningsvåg, the ship continues then to Hammerfest, where you can see the UNESCO-listed Meridian Column. Continuing on we return to Tromsø, just in time to enjoy a midnight concert at the Arctic Cathedral.

DAY 13: Tromsø – Stamsund

The island groups of Lofoten and Vesterålen offer some of the most stunning natural scenery of the entire voyage. We then make a short stop at Risøyhamn, to deliver passengers, groceries and mail, and then continue to Stokmarknes, where Hurtigruten was founded 130 years ago.

DAY 14: Bodø – Rørvik

Celebrate crossing the Arctic Circle with a 'taste' of Arctic tradition – a fun ceremony highlighted by a spoonful of cod liver oil. As we sail along the Helgeland coast, you'll see the strange mountain Torghatten, famous for its distinctive hole in the center. We also sail past the Seven Sisters mountain range – with peaks up to 1,100 m high.

DAY 15: Trondheim – Ålesund

We revisit Trondheim to further explore its colourful history! From there we call at Kristiansund, a city spread across four islands with an excellent harbour that has been active since the Stone Age. Today, it is Norway's 'cured cod capital' because of its centuries-old export of dried fish.

DAY 16: Ålesund – Bergen

We navigate the mouth of the mighty Sognefjord and enjoy superb views of the island-studded coastline before you disembark in Bergen.

The Flåm Railway

©SHUTTERSTOCK

The Flåm Railway

Flåmsbana, also known as Flåm Railway, is one of the world's most beautiful train journeys. Spanning 20 kilometers, this remarkable railway took two decades to construct. Operating between Myrdal and Flåm, the train offers a captivating experience, revealing rivers flowing through rugged canyons, waterfalls descending from towering snow-covered peaks and vertigo-inducing mountain farms perched on sheer slopes.

Aurlandsfjord and Nærøfjord

The Aurlandsfjord is a 17-kilometre arm of the world's second-longest fjord, the Sognefjord, and starts in Flåm and ends at the mountain Beitelen, which separates the Aurlandsfjord from the Nærøfjord. Together with the Nærøfjord, the Aurlandsfjord is one of the most picturesque fjords in the world. This stunning fjord is a part of the World Heritage area and is surrounded by mountains that reach heights of over 1,400 meters.

Timeless voyages

The essence of Norway's coast and Svalbard,
curated and distilled into two new sailings.

The Svalbard Express

Bask in 24-hour daylight as we sail to the High Arctic

The Svalbard Express brings you to Norway's mountaineering capital, Åndalsnes, to the age-old fishing villages of Træna, and on up to Vesterålen and beyond.

Your ship then crosses the Barents Sea via the bird cliffs of Bjørnøya island and arrives in Svalbard at the far-flung Arctic frontier town of Longyearbyen.

Next, you'll venture into polar bear territory at former coal mining town Ny-Ålesund before returning to mainland Norway. Marvel at Senja island and the stunningly scenic Lofoten archipelago.

From the Arctic, the ship sails south along the legendary mountains of the Helgeland coast, into Hjørundfjord at the heart of the Sunnmøre Alps, and back to Bergen.

First sailed in 1968	Bergen – Longyearbyen – Bergen

An iconic heritage

Sailing at the same time as The Svalbard Express and The North Cape Express is The Coastal Express. This is the classic voyage that Hurtigruten was founded on, loved by locals and guests since 1893.

The Coastal Express fleet sails every week, all year, from Bergen to Kirkenes and back over 12 days. Along the way, our ships bring cargo and passengers to 34 coastal communities day and night, stopping in ports for a few minutes or a few hours.

The North Cape Express

Between Oslo and Norway’s capes in search of the aurora

The North Cape Express starts either in Bergen or in Oslo, bound for Honningsvåg at the top of the Norwegian coast, gateway to Norway’s North Cape.

Along the way, the ship calls in at fishing villages like Lødingen in Lofoten and cities such as Alta, famous for its striking Northern Lights cathedral and clear skies, ideal for viewing the aurora.

We’ll also go to Haugesund, ‘Home of the Viking Kings’, a place rich in ancient heritage. A stop here must be accompanied by a cruise of nearby Hardangerfjord and its many fruit orchards.

Apart from North Cape, you’ll also visit Norway’s southernmost points, whether on an excursion to Lindesnes Lighthouse near Kristiansand or strolling the sandy beaches to Lista Lighthouse at Farsund.

Day 1 | Bergen

It's only fitting that your Norwegian coastal experience begins in Bergen, Norway's cultural and artistic hotspot. Take the transfer from the airport to your hotel, located in the heart of the city. The rest of the day or evening is spent at your leisure.

Day 2 | Bergen

Today you'll have the chance to explore Bergen on a sightseeing tour before joining the ship. Enjoy visiting well-known sites such as Nordnes peninsula, medieval Håkon's Hall, the Renaissance-era Rosenkrantz Tower, 12th-century St Mary's Church and UNESCO-listed buildings in the Bryggen district. Once aboard MS Trollfjord, you'll meet your fellow travellers and our Coastal Experience Team.

Day 3 | Molde

Molde is the capital and commercial centre of Romsdalen, which sits on the southern coast of the Romsdal

Peninsula. With a long stop at this port, you'll have all the time you need to get your fill of the town with a number of optional excursions available. This includes nearby Atlantic Road, an icon of the Norwegian coast that often features in Hollywood movies.

Day 4 | Rørvik

The Vikna archipelago is a chain of around 6,000 islands, islets and skerries. The largest of the chain, Inner-Vikna, is where we'll make our next stop. We aim to dock at the port town of Rørvik around mid-morning, remaining there most of the day.

Day 5 | Lødingen

Lødingen is a village on the southwestern shore of Hinnøya. This is a port that our ships used to visit on one of our earlier coastal routes and returning here is a kind of homecoming for us. The highlight of this visit has to be the breathtaking fjords and mountains that the Norwegian coast is so famous for.

Day 6 | Alta

Alta is one of the bigger coastal towns we visit, with a population of over 10,000 people. A particularly famous part of the town is Alta River, one of Norway's best salmon rivers. The area is known for particularly good Northern Lights visibility, so keep your camera ready. The snow and climate of Alta also creates the perfect conditions to build and maintain the Igloo Hotel; you'll have the chance to visit and tour the world's northernmost ice hotel, built out of snow and ice every winter and carved with different artistic themes by local sculptors.

Day 7 | Honningsvåg

The highlight of any trip to Honningsvåg is a visit to the North Cape, one of the northernmost points of mainland Europe marked with a famous globe monument. As we're visiting in winter, we can get there by snowmobile. Add the ethereal Northern Lights dancing in the sky above, and you've got a sight you'll never

forget. Having reached the northernmost point of our voyage, we'll turn around and begin going south as we sail away in the evening.

Day 8 | Tromsø

Today, you'll arrive at the Arctic Capital itself, sitting around 217 miles north of the Arctic Circle. You've sailed on The North Cape Express, exploring just a few of Norway's coastal cities and villages. During the journey, you'll have experienced Norway's varied climate, seen majestic mountains and fjords, and maybe gazed up in awe at the Northern Lights once or even a few times.

Day 1 | Oslo

Welcome to Norway! First stop: Norway's thriving capital, Oslo. The rest of the day or evening is spent at your leisure.

Day 2 | Oslo

Today, you'll get to know Oslo even better on a tour to two of the city's main attractions; Vigeland Sculpture Park and Holmenkollen Ski Jump. The tour will end at the pier where your ship, MS Trollfjord, is waiting to depart by early evening.

Day 3 | Kristiansand and Farsund

Sitting along the southern tip of the country is Norway's fifth largest city, Kristiansand. Enjoy a guided walk through the city; along these roads, you'll find architecture from different eras, speaking to the extensive rebuilds the city had to go through after major fires and even a World War II attack. In the late afternoon we'll continue to Farsund where you'll get the

chance to hike the sandy beaches of Lista and see Lista Lighthouse.

Day 4 | Haugesund and Hardangerfjord

After a short stop in Haugesund the 'Home of the Viking Kings', you'll rejoin the ship for some scenic cruising in Hardangerfjord. At 179 kilometres in length, it is the second longest fjord in the country, and fifth longest in the world. The region is famous for its apple products, from jams and juice to its award-winning cider, which one food writer described as 'Nordic Champagne'. Weather permitting, we may be able to dock at Rosendal or one of the other picturesque settlements that cling to the shores by the fjord.

Day 5 | Ålesund

After a hearty breakfast on the ship, we'll dock mid-morning at a town that spreads out across a string of islands. With almost an

entire day to explore, you'll have plenty of time to see all that Art Nouveau town Ålesund has to offer.

Day 6 | Brønnøysund

Brønnøysund sits on a narrow peninsula that juts out of the mainland. You can also look forward to visiting the Vega Islands. Made up of over 6,500 islands, reefs, and skerries, the archipelago received status as a UNESCO World Heritage Site in 2004. On an island south of Brønnøysund, you'll also find Torghatten mountain, recognisable by a natural tunnel that runs through the centre. We'll continue sailing north in the afternoon, leaving the Helgeland coast behind us as we cross the Arctic Circle around midnight.

Day 7 | Svolvær and Stokmarknes

We explore Lofoten, a striking group of islands that rise out of the Norwegian Sea. We'll dock

mid-morning in Svolvær, the biggest town of the archipelago, humming with shops, restaurants, galleries, and cafés to enjoy. We can't visit the area without spending some time in Stokmarknes. This historic town is part of Vesterålen, an archipelago just northeast of Lofoten. This one is particularly special to us; it was here that the Hurtigruten Original Coastal Express was founded in 1893 by shipping pioneer Richard With.

On MS Trollfjord, picking one of our Polar Outside or Arctic Superior cabins, or an Expedition Suite, grants you the precious luxury of being able to gaze out your window at the majestic Norwegian coast while still cuddled up in the comfort of your cabin. Each cabin has individual specifications.

Expedition Suite

Luxurious, spacious, stylish, these suites are the finest on the ship and are all located on the upper deck for views to match. They feature seating areas with a TV, an espresso machine, a mini bar loaded with goodies, ensuite bathrooms, and soft, king-size beds.

Arctic Superior

Pure comfort is the hallmark of these cabins. Situated on almost every deck, they all have ensuite shower rooms, a TV, mini bar, and kettle with complimentary teas and coffees. Most of the cabins have double beds and some have separate beds.

Polar Outside

Our Polar Outside cabins are mostly on the lower decks. All have ensuite shower rooms. Most feature a window or small porthole for exterior views. Some views may be blocked by lifeboats and others may look out onto the mid-level walking deck.

Polar Inside

These are similar in size to Polar Outside cabins, just without the window. Cabins may have twin single beds, one of which converts into a sofa, or have upper and lower berths with one bed above the other for a traditional sailing experience.

Porterage

Please be aware that luggage handling is not included in your voyage, unless embarking or disembarking the ship at the terminal in Bergen. You'll need to carry your own luggage on and off the ship at all other ports.

Safety Briefing

It is a requirement that all our passengers attend a compulsory safety briefing either in Bergen or in Kirkenes, depending on where you first board the ship. If your voyages start in Bergen, the safety briefing will be in the terminal lounge there, before embarkation. In Kirkenes it will be on board the ship, after embarkation. The briefing lasts between 10-15 minutes and is mandatory for all guests including those who have travelled with us before.

The briefing will include a demonstration of how to put on a life jacket and the instructions to be followed in the unlikely event of an evacuation or other emergency during the voyage. There will be an opportunity to ask questions if you have any concerns. Please familiarise yourself with the emergency procedures as shown on the diagram on your cabin door and in public areas, and ask at reception if in doubt.

Disembarking

Whenever our ships stop at one of the 34 ports along the

Norwegian coast, you are free to disembark the ship. However, please take care that you are back on board in time, especially if the ship arrives with a delay but departs on time to keep to the schedule. The departure time will always be clearly displayed at the gangway. Please note that ships cannot wait for late passengers. If you miss your ship, you will need to arrange transport by yourself and at your own expense to the next port on the schedule.

On the last day of your voyage, you will be asked to vacate your cabin a few hours before final disembarkation. If your final disembarkation is in Bergen, your luggage will be delivered directly to the baggage belt in the terminal. Information regarding luggage handling and disembarkation at other ports is available when on board.

When on board

Activities on board/ Coastal Experience Team

All our ships along the Norwegian coast have a Coastal Experience Team who travel aboard with you and organise lectures, presentations, on-deck guiding, and photography sessions. Topics will be relevant for the season and region we're sailing in at the time, drawing you closer to the surrounding landscapes and local culture. These activities are included in the voyage price and are optional to join. The Coastal

Experience Team also issues a daily programme outlining excursions and guided hikes. Excursions and guided hikes are optional and not included in your voyage price. The Coastal Experience Team will also be more than happy to make suggestions for what you can see and do in various ports.

Changes to the itinerary and excursions

Please note that all voyages and excursions are provisional and subject to change – current weather and sea conditions may affect our itinerary and the viability of certain excursions. Excursions may also be subject to minimum/maximum numbers.

Safety

In many ports, you might notice a lot of activity on the quay with cars joining/leaving the ships and/or goods being loaded or unloaded. Please be alert to any vehicles whenever embarking and disembarking. Take extra care during winter months when the ground is usually icy and slippery, particularly on the outside decks and when disembarking the ship or getting down from coaches. Ice spikes and other winter clothing can be purchased in the ship's store. It is also probably best to keep valuable items, including mobile phones and cameras, out of sight and not to carry large amounts of cash.

Cabins

If you're travelling on a Platinum fare or a Select fare on a 12 or 11-day voyage, you'll be able to choose your cabin grade and cabin number at no extra charge (subject to availability). If you're on a 6 or 7-day voyage with a Select fare, you can pick your cabin number for a small fee. For guests on a Basic fare, your cabin grade and number will be assigned to you at check-in on board.

Please note that cabins on decks with passenger access to outside areas may sometimes have an obstructed view and/or have other passengers walking past their window. Our ships call at ports around the clock and some cabins may experience some noise and vibration during docking and loading of goods. This varies depending on the location of your cabin and the ship. Please ask our reservations team for advice on the best cabin location for you.

Meals

Our 12, 11, 7, and 6-day voyages are full board with three meals a day included. For shorter voyages, you will have the option to add specific meals or meal packages to your booking, whether half board with breakfast and dinner only or full board.

As part of our Norway's Coastal Kitchen concept, dishes are made from locally sourced ingredients, freshly fished, plucked, and farmed, and then delivered direct to our ships at half of the ports we visit.

©AGUIRRE CONCELLO

Breakfast is usually open from 7am and consists of a selection of cold meats, cheeses, eggs, cereals and fruit, with freshly baked bread, and pastries. Sveler pancakes and waffles are also made to order. Lunch consists of a mixture of buffets and set menus, usually served from 12pm. Dinner starts from 6pm.

On evenings with fixed seating, guests with a Select or Platinum fare can request their preferred dining time when booking, although this may be subject to availability. Guests on a Basic fare will be assigned their dining time when they first check-in on board. The 12-day Classic Round Voyage begins with a buffet dinner on departure from Bergen, and ends with brunch on arrival back in Bergen.

You have the option to enjoy an à la carte fine dining experience in the Kysten restaurant (except on MS Vesterålen) for a small additional charge. All meals in Kysten are included for Platinum fare guests. In addition, the café and bakery on board offer hot and cold drinks and snacks. Check the opening times when on board.

Environment

We have significantly reduced single-use plastic on board and encourage our guests to do the same. For example, you can replace multiple disposable plastic bottles with just one refillable water bottle.

Garbage sorting and recycling

is standard practice aboard all ships. Please remember to turn off lights when leaving your cabin and unplug any electrical transformers when not in use. When ashore, kindly bring your litter back to the ship or dispose of it in public bins.

Whenever we are near wildlife, please heed the advice of your Coastal Experience Team and excursion guides, and always act in a way that does not interfere with the wildlife's natural behaviour.

Medical assistance

There is no doctor or pharmacy on board. However, officers are trained in first-aid and can provide emergency medical assistance. The ships are also never too far from land should urgent medical assistance be required.

Languages

Norwegian and English are the official onboard languages. Some Coastal Guides, reception staff, and crew may also speak German. Most of the crew on MS Richard With will speak French as well.

Most of our excursions can also be conducted in two or three languages. Please contact the Coastal Guides on board for further information.

Mobile phones

Private mobile phones may be used on board although the reception may vary. Check with your provider for rates when using your phone abroad.

Internet

We offer complimentary Wi-Fi on board our ships for guests registered on our 1893 Ambassador loyalty programme. It's free to sign up and you'll also have access to discounts and a range of other benefits.

Please note that the Wi-Fi signal varies depending on different locations on the ship. As the ship sails in remote regions of Norway, speeds may also be lower and not suitable for streaming services.

Electric current

The sockets used on board are the 220v AC, two-pin Continental type. Please bring your own adapters with you if needed.

Laundry

Laundry rooms with washing machines, dryers, and irons are available on all ships. You can buy tokens for the washing machines and dryers at reception.

Payment options

Norwegian Kroner (NOK) is the onboard currency. We operate a cashless system on board and accept Visa, American Express, MasterCard, and Diners Card. You can also use your cabin card on board to order snacks, drinks, meals, excursions, and guided hikes. The balance is then settled at the end of your voyage.

Gratuities policy

It is not standard practice to tip on Coastal Express ships, but if you

feel that certain crew members should be rewarded for providing an exceptional service, there are tip boxes in the restaurant together with envelopes.

Shop

All our ships have a shop carrying a selection of high-quality, handcrafted, local goods. We sell clothing by well-regarded Norwegian brands, outdoor equipment suitable for excursions and hikes, as well as authentic gifts and souvenirs. There is also a small selection of toiletries available for purchase.

Smoking

Smoking, including e-cigarettes and vaping, is only permitted in designated areas on the outside decks. However, all forms of smoking are strictly forbidden even in designated areas when the ship is in port and refuelling. The crew will advise guests when this is the case.

Stabilisers

All of our ships are equipped with stabilisers for a smoother sailing. Please be aware that they don't guarantee there isn't some swaying of the ship when winds and waves are high.

TERMS AND CONDITIONS

1. YOUR CONTRACT

These Booking Terms and Conditions together with our privacy policy, the information contained in your brochure and any other written information that we brought to your attention before we confirmed your booking, form the basis of your contract with Hurtigruten Ltd whose registered office is at Bedford House, 69-79 Fulham High Street, London, SW6 3JW (Company No: 02865967), a company wholly owned by Hurtigruten AS.

When you book an air package holiday or sailing with us the contract between us will exist as soon as you or your travel agent asks us to confirm your booking. We then become responsible to provide you with the voyage arrangements or air package holiday you have booked and you become responsible to pay for them, in each case subject to these terms and conditions. You will also become responsible to pay for any additional arrangements made by us on your behalf including International Flights not included in any air package, optional excursions, travel insurance or other arrangements requested by you and booked.

When you make a booking you guarantee you have the authority to accept and do accept on behalf of your party the terms of these booking conditions and accept responsibility for making all payments to us for all members of the party. We are unable to accept provisional or conditional bookings. We will send all documents and other information to you and you will be responsible for ensuring that all other members of the party are kept fully informed.

A confirmation invoice which you should check as soon as you receive it will be sent on receipt of your deposit. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge and additional costs (see clauses 5 and 67 below) which may be as much as the whole of the original price of your arrangements. Only one invoice and one set of documents will be issued. No verbal amendments may be made by either party to these written booking conditions; any change must be in writing signed by the Chief Executive of Hurtigruten AS.

If you book your holiday through a travel agent all communication must be through that agent. Please quote your booking reference number in all communications.

You are responsible for complying with any visa or other entry requirements for you or any of your party who are not full European Union Passport Holders.

2. PAYMENT

Once you have asked us to confirm your booking the total price of the arrangements you have booked is due and is payable as follows:

- (i) If you book more than 90 days before your scheduled departure date a non-refundable deposit of 25%. The balance is due 90 days before your scheduled departure date. No second invoice will be sent. Travel documents will be issued 7 to 14 days prior to departure.
- (ii) If you book less than 90 days before your scheduled departure date the full price is payable when you book.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it).

Online Bookings

Bookings made online that cost less than A\$ 1,482 or made within 90 days of departure require full payment at the time of booking and no refund is made if cancelled.

Your booking may be cancelled if we do not receive payment by the due date (we will not normally send reminders) and cancellation charges as set out under 'If You Cancel' (see below) will be payable by you.

3. FITNESS TO TRAVEL ON THE SHIP, PREGNANCY, DISABILITY OR REDUCED MOBILITY, MEDICAL/ MOBILITY EQUIPMENT

In order to ensure that the Carrier is able to carry passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ships flag state every Passenger warrants that he/she is fit to travel by sea and that his/her conduct or condition will not impair the safety of the ship or inconvenience the other passengers. We reserve the right to require any Passenger to produce medical evidence of fitness to travel in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. If we consider it necessary, we are entitled to administer a health questionnaire prior to boarding.

If it appears to us, the Master or the Company's nominated medical representative that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to land at any port, or likely to render the Carrier liable for Passenger maintenance, support or repatriation, then the Carrier or the Master shall have the right to take any of the following courses:

- (i) Refuse to embark the Passenger at any port;
- (ii) Disembark the Passenger at any port;
- (iii) Transfer the Passenger to another berth or cabin;
- (iv) If the Company's nominated medical representative considers it advisable, to place or confine him/her or to transfer the Passenger to a health facility at any port, at the Passenger's expense;
- (v) to administer first aid and administer any drug, medicine or other substance or to admit and/or confine the Passenger to a hospital or other similar institution at any port provided that the ship's nominated medical representative and/or Master considers that any such steps are necessary.

Where a Passenger is refused embarkation as a result of safety and/or fitness to travel, neither we nor the carrier shall be liable for any loss or expense occasioned to the passenger thereby, nor shall the passenger be entitled to any compensation from the

Carrier.

Passengers who need assistance and/or have special requests or need special facilities or equipment with regard to accommodation, seating or services required or need to bring medical equipment must notify us at the time of booking. If there are any particular conditions, disabled or reduced mobility which require personal care or supervision then such personal care or supervision must be organised by the passenger and at the passenger's expense. Those passengers confined to wheelchairs must furnish their own standard size foldable wheelchairs but needn't be accompanied by a travelling companion. Unless we and/or the Carrier agree otherwise and in writing Passengers are limited to bringing 2 items of such mobility or medical equipment on board per cabin with a total value not exceeding A\$4,075. All equipment must be capable of being carried safely and must be declared before the sailing. The Carrier may decline to carry such equipment where it is not safe to do so or where it has not been notified in time to enable a risk assessment to be carried out.

Pregnant women are highly recommended to seek medical advice prior to travel at any stage of their pregnancy. Women who are up to 23 weeks pregnant at the end of the cruise are required to produce a medical certificate of fitness to travel. The Carrier cannot for safety reasons carry pregnant passengers of 24 weeks or more by the end of the cruise.

4. A - PRICES

All Voyage prices shown in this brochure are in Australian Dollars and are per person per cabin twin share unless otherwise stated. Prices are valid as at March 2023.

Single/Sole occupancy of cabins with more than one berth is at our discretion as single/sole use of multiple berth cabins will be limited. The price of your voyage or air package holiday arrangements was calculated using exchange rates quoted in the Financial Times Guide to World Currencies on 19.01.2018, Norwegian Kroner (NOK) 10.86; Euros 1.13. We reserve the right to change any of the prices quoted in this brochure although there will be no change within 30 days of your departure date. You will be advised of the current price of the voyage or air package holiday you wish to book before your contract is confirmed.

The price of your confirmed holidays is subject at all times to variations in:

- (i) the price of transportation resulting from the cost of fuel or other power sources;
- (ii) the level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of your holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- (iii) the exchange rates relevant to your package.

You will be charged for the amount of any increase in accordance with this clause and, where this is necessary, we will notify you of the relevant adjustments by issuing a new invoice. However, if this means that you have to pay an increase of more than 8% of the total price of

your confirmed holiday (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting the price increase and paying the requested amount, accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any amendment charges and/or additional services or travel arrangements not forming part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date on your new invoice.

Should the price of your voyage or air package holiday go down due to changes above then any refund due will be paid to you, less an administration fee of A\$111. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual or other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

4. B - VOYAGE AND AIR PACKAGE HOLIDAY

Prices Do Not Include:

- Travel Insurance • Luggage Handling
- International Flights except where included in the Air Package Holiday Price • Optional Excursions • Gratuities

Optional Excursions booked before you travel or local excursions or other activities that you may choose to book and pay for whilst on holiday are not part of your voyage or air package holiday arrangements provided by us nor are we agents for the provider of the service. For any excursion or other activity you book before departure or with which you are assisted in arranging whilst on holiday, your contract will solely be with the supplier of the excursion or activity and not with Hurtigruten. We are not responsible for the provision of your excursion or activity or for anything that happens during the course of its provision by the supplier.

5. IF YOU CHANGE OR TRANSFER YOUR BOOKING

If you wish to change your travel arrangements after they have been confirmed we will do our utmost to help but it may not always be possible. Any request for changes to be made must be in writing by the person who made the booking or your travel agent. You will be asked to pay an administration charge of A\$111 per person and any further cost we incur in making this alteration. NB: most airlines will charge a fee for ticket changes. Costs may increase the closer to the departure date that changes are made. For example, the transfer within 60 days of departure of arrangements involving a scheduled flight will mean the cancellation and re-booking of this flight and a significant additional charge.

If you change the number of people in your party, the price of the arrangements will be recalculated for the new party size e.g. this may mean that accommodation is under-occupied and each member of the party may have to pay an increased price.

Any increase in price caused by changes you have requested is not a cancellation charge even though it may arise because a member of your party has cancelled. Any change by you to your confirmed arrangements after departure is in all cases subject to availability and any relevant costs.

Transfer of Booking: If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

that person is introduced by you and satisfies all the conditions applicable to the Arrangements;

we are notified not less than 7 days before departure;

you pay any outstanding balance payment, an administration fee of A\$185 per person as well as any additional fees, charges or other costs arising from the transfer; and

the transferee agrees to these booking conditions and all other requirements applicable to the holiday booking.

You and the transferee remain jointly and severally liable for payment of all sums.

If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

6. IF YOU CANCEL

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. We recommend 'Recorded Delivery'. Cancellation takes effect the day we receive your letter or email. Since we incur costs in relation to your arrangements from the time we confirm your booking you will have to pay the applicable cancellation charges as shown in the table below (which also applies if we cancel because you have failed to make payments on time - see 'Payment' section) together with the cost of any air fare for which we have had to pay at the time of the booking and will be payable immediately on cancellation.

NORWEGIAN COASTAL VOYAGES:

When the cancellation letter is received by us before departure	Charges as a % of the total holiday cost (excl. insurance premiums)
90 or more days	25%
60-89 days	40%
28-59 days	70%
14-27 days	90%
Less than 14 days	100%

If you have to cancel for a reason covered by your travel insurance you may be able to reclaim the cancellation charges, less applicable excess. Insurance premiums are not refundable.

7. IF YOU CANCEL DUE TO FORCE MAJEURE

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of unavoidable and extraordinary circumstances occurring at your holiday destination or its immediate vicinity and significantly

affecting the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation. Please see clause 9 for more information on Force Majeure.

8. IF WE CHANGE OR CANCEL YOUR BOOKING

We reserve the right to change any of the details, and correct any errors in this brochure or invoices at any time. If changes are made before you have made your booking we will advise you before we confirm your arrangements.

We reserve the right in any circumstances to cancel your travel arrangements (for example if a minimum number of participants for a particular travel arrangements not reached, we may have to cancel it) and to change airline, aircraft types, vessels and itineraries without liability for any subsequent loss. Even after we have confirmed your booking we may have to cancel or make alterations to your booking but we will not cancel your travel arrangements less than 60 days before your departure except for reasons of force majeure or failure by you to pay the final balance in full.

Most alterations will be minor and while we will do our best to notify you or your travel agent of any changes as soon as reasonably possible if there is time before your departure, we will have no other liability to you.

Occasionally we may have to make a significant change ("Significant Change") to your confirmed arrangements.

(a) accept the Significant Change and the contract between us will then be varied to incorporate the change; or

(b) take alternative arrangements altogether (subject to availability). If the alternative arrangements selected are a lower price than those originally confirmed the difference will (if already paid) be refunded to you; or

(c) withdraw from the booking completely in which case we will, as soon as possible, refund all money paid to us.

You must inform us of your decision as soon as reasonably possible and not later than 7 days of being informed of the alteration. If you choose (a) or (b) above, you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, as per the amount shown in Scale A below. If you choose (c) we will pay you compensation shown in Scale B below. In all cases we will have no liability for any other or greater compensation or for expenses or losses incurred.

Period before departure date notification given by us	Credit/Compensation per fare paying passenger (excluding infants)*	
	Scale A	Scale B
0-7 days	A\$93	A\$46
8-14 days	A\$74	A\$37
15-28 days	A\$56	A\$28
29-42 days	A\$37	A\$19
43-59 days	A\$19	A\$9

*The compensation shown above applies to full fare paying adults only. Children or others travelling at concessionary rates will receive compensation pro rata

based on the concessionary price against the full adult price as shown on the confirmation.

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

where we make a change that is not a Significant Change;

where we make a Significant Change or cancel your arrangements more than 60 days before departure;

where we have to cancel your arrangements as a result of your failure to make full payment on time;

where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;

where we are forced to cancel or change your arrangements due to Force Majeure (see clause 9).

Please note: where arrangements with a higher price than the original arrangements are offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if the arrangements offered by us and accepted by you are of a higher price than those originally booked by you and in the same location where no additional payment is made by you.

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

A flight or ship delay does not constitute a change to holiday arrangements.

9. FORCE MAJEURE

Except where otherwise expressly stated in these Booking Conditions we are unable to accept liability or pay compensation where the performance or prompt performance of our contractual obligation is prevented or affected by reason of circumstances amounting to 'force majeure' i.e. any event which we or the supplier(s) of the service(s) could not, even with due care foresee or avoid. Such events may include, but are not limited to, war, threat of war or civil commotions, riots, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather, fire, flood, drought, government action, airport and port regulations and closures, technical transportation problems, maintenance to vessels, scheduling of transport and similar events outside our control.

A flight or ship delay does not constitute a change to holiday arrangements.

10. COMPLAINT PROCEDURE

If there is a problem during your holiday, you must report it on board immediately or to the relevant airline, ground handler, hotelier or other supplier, so that prompt efforts can be made to resolve the problem. In the unlikely event that a problem cannot be resolved at the time and you wish to complain, you must send us full written details within 28 days of your return.

Failure to take either or both of these steps will prejudice our ability to resolve

your problem and / or investigate it fully. In consequence, any right to compensation you may have will be extinguished or, at the very least, substantially reduced.

Where the port of embarkation for your sailing is in the EU then any complaints relating to EU Regulation 1177/2010 on Passenger Rights when travelling by Sea and Inland waterways must be made to us in writing no later than 2 months after return from travel or the date on which the service complained of was performed. We will provide a final reply within 2 months. You must supply full details to enable us to deal with your complaint.

Please note that we offer an Alternative Dispute Resolution service through our ABTA membership. Please see clause 11 for further details. You can also access the European Commission Online Dispute (ODR) Resolution Platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

11. OUR LIABILITY TO YOU

(i) We will accept responsibility for those arrangements we agree to provide or arrange for you as an 'organiser' under the Package Travel, Package Holidays and Package Tours Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations) as set out below. Subject to these booking conditions, if we or our suppliers perform or arrange your contracted holiday arrangements negligently, taking into consideration all relevant factors, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(iii) Where death and/or personal injury and/or loss of or damage to property occurs during carriage by air or by sea then liability and the extent of damages recoverable will be dealt with by International Conventions as set out in paragraphs (v) and (vi) and not otherwise.

(iv) As set out in these booking conditions we limit the maximum amount we may have to pay you for any claims you may make against us which do not involve personal injury, illness or death. Except where loss of and/or damage to luggage or personal possessions is concerned if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 12 (vi) below.

(v) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of

TERMS AND CONDITIONS

compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay under the international convention or regulation which applies to the travel arrangements or hotel stay in question. (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens convention for international travel by sea).

Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request. We do not have any liability to you by virtue of the Regulation 261/2004 which applies solely to the operating carrier. Any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier; any sums you receive from the carrier will be deducted from any amount due from ourselves.

(vi) Travel by sea is governed by the provisions of the Convention Relating to the Carriage of Passengers and their Luggage by Sea 1974 as amended in 1976 ("The Athens Convention") and where applicable from 1 January 2013 EU Regulation 392/2009 relating to the Liability of carriers of passengers by sea in the event of accidents ("EU Regulation 392/2009"). For the purposes of the Athens Convention and EU Regulation 392/2009 we are the Contracting Carrier.

The Athens Convention and EU Regulation 392/2009 limit the Carriers' liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It is presumed that luggage has been delivered to you undamaged unless written notice is given by us and/or the performing Carrier.

a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or

b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Damages for cabin luggage payable by the Carrier are limited up to the Athens Convention limit of 833 SDRs or 2250 SDRs if EU Regulation 392/2009 applies. Limits shall be reduced in proportion to any contributory negligence by the Client and by the maximum deductible specified in Article 8(4) of the Athens Convention or EU Regulation 392/2009.

In so far as we may be liable to a Client in respect of claims arising out of

carriage by sea, we shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions and nothing in these Booking Conditions shall be deemed as a surrender thereof. To the extent that any provision in these Booking Conditions is made null and void by the Athens Convention or EU Regulation 392/2009 or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not further.

Any liability in respect of death and personal injury and loss of and damage to luggage which we may incur to you shall always be subject to the limits of liability contained in the Athens Convention or EU Regulation 392/2009 for death/personal injury of 46,666 Special Drawing Rights (SDR) or 300,000 SDR under Athens Convention or 400,000 SDRs under EU Regulation 392/2009 except in the case of liability for war or terrorism 250,000 SDRs. We are not liable for valuables, monies or other securities including jewellery and watches. If they have been deposited with the reception desk on the ship for safe keeping and a receipt issued then in those limited circumstances the Carriers liability will be as set out in the Athens Convention or EU Regulation 392/2009. The use of safes on board a Vessel is not a deposit with the ship or with the company under the Athens Convention or EU Regulation 392/2009 or otherwise. The limits are 1200 SDRs pursuant to Athens or 3,375 SDRs pursuant to EU Regulation 392/2009.

(vii) Where there is any loss of or damage to property including luggage which is not covered by any international convention and where liability is not limited by reference to any enactment, terms of conditions, then any legal liability that we may have for any such losses or damage will not exceed \$926 per guest.

(viii) You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out in clause 10 above. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

(ix) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business.

(x) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

12. YOUR RESPONSIBILITIES AND INDEMNITY

When you book arrangements with us you accept responsibility for the proper

conduct of yourself and your party. If your actions or omissions cause damage to any property in the provision of the contracted arrangements, or cause delay or diversion to any flight or other means of transportation, you agree to fully indemnify us against any claim (including professional fees and legal costs) made against us by or on behalf of the owner of such property or the operator of the flight or other means of transportation. The Captain of an aircraft or Master of a ship has authority over the aircraft/ship and passengers at all times when they are boarding or on board. There will be no liability on our part, or that of any supplier, for any refund, compensation, or costs thus incurred. Additionally, we will have the right to recover full costs resulting from the incident from the passenger.

At any port or place we may refuse to embark or may disembark any passenger who, in the opinion of the ship's authorized personnel, might be excluded from landing at further destinations by local authorities or who may be suffering from any contagious or infectious disease, or whose presence may be detrimental to the wellbeing of passengers or crew. In cases of quarantine of the ship, or individual passengers (passengers may be required to remain in their cabin or as instructed by authorised personnel on board if they or any other occupant of the accommodation presents any symptoms or may be considered to put other passengers at risk) we will not be liable for expenses thus caused and in such cases as above there will be no entitlement to any refund or compensation and we will have no liability for costs incurred as a result.

Your specific passport and visa and health requirements and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept responsibility if you cannot travel because you have not complied with the latest requirements. If you have made independent travel arrangements you accept responsibility for joining the ship in good time, regardless of any change to the sailing time or date, or to the itinerary. We are not able to refund monies paid to us, or any third party acting on our or your behalf, or make compensation or other payments where, for whatever reason, you fail to join the ship. Passengers going ashore are responsible for re-boarding the ship prior to departure from port.

We reserve the right to substitute another vessel for the scheduled vessel whether or not owned or operated by Hurtigruten. Any part of the travel arrangements and the voyage is subject to cancellation, delay, modification, or island/mainland visit cancellation for any reason, including medical disembarkation of crew or passengers or any other circumstances beyond our or our suppliers' control. You therefore acknowledge and agree that the scheduled itinerary for the voyage and the announced departure and arrival times are not guaranteed and we shall not be liable to passengers for any damages or other claims in the event of any delay, changes in itinerary or inability to perform services by reason of any event or events beyond our or our suppliers' control.

13. INSURANCE

It is a condition of the contract with us

that every member of the booking has travel insurance in force for the entire duration of the booking, covering at least the cancellation of the booking and providing medical cover for illness or injury and repatriation while overseas. Please provide us with the name of your insurer, together with their 24-hour emergency number when you book or as soon as possible.

14. TIMINGS, DELAYS & OTHER TRAVEL INFORMATION

Timings are estimates only and cannot be guaranteed, even if shown on tickets. They may be changed due to regulatory authority requirements, weather conditions, maintenance or technical reasons, and the ability of passengers to check in and board on time. Sometimes delays cannot be avoided but in such situations, in conjunction with our local agents or representatives, we will try to ensure your comfort during the course of any delay.

Where the port of embarkation is in the EU and the company reasonably expects the departure of a cruise to be delayed for more than 90 minutes beyond its scheduled departure time, passengers departing from port terminal shall be offered free of charge snacks, meals or refreshments as are appropriate given the waiting time, provided they are available and can reasonably be supplied. If the delay in departure necessitates a stay of one or more nights or a stay additional to that intended by the passenger where and when physically possible the Company shall, subject to the Package Travel Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations, offer passengers departing from port terminals free of charge adequate accommodation on board or ashore, and transport to and from the port terminal and place of accommodation in addition to the snacks, meals and refreshments previously referred to. The maximum amount that the company will pay for accommodation ashore and transport to and from the port terminal shall be equivalent to 80 Euros per person per night for a maximum of three nights. The company will not have an obligation to provide such accommodation ashore where the delay is caused by weather conditions endangering the safe operation of the ship.

Please note the existence of a "Community list" (available for inspection at https://ec.europa.eu/transport/modes/air/safety/air-ban_en) detailing air carriers that are subject to an operating ban with the EU Community.

15. PROMPT ASSISTANCE

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to you or a third party unconnected with the provision of the arrangements, or as a result of failures due to unusual and extraordinary circumstances, and you suffer an injury or other material loss, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and with distance communications and finding alternative travel arrangements. Where you experience a delay which is not owing to any failure by us, our employees or sub-contractors, this prompt assistance is likely to extend to providing help in locating refreshments, accommodation and communications but not paying for them. Any airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

16. VALIDITY OF TERMS AND CONDITIONS

These terms and conditions are valid from January 2018 and the details and prices may be superseded. Changes may occur after the date of release, and some hotel/ship facilities may become unavailable. While this website features photography and descriptions of local wildlife, there is no guarantee of sightings.

17. LAW AND JURISDICTION

Your contract shall be governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so.

18. DATA PROTECTION

In order to process your booking and ensure your travel arrangements run smoothly and meet your requirements we, Hurtigruten Ltd, need to use the information you provide such as name, address, any special needs/dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, ships, hotels, transport companies etc. The information may also be provided to security or credit checking companies, public authorities such as customs/immigration if required by them, or as required by law.

Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country. We will not pass any information on to any person not responsible for part of your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we cannot provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.) Please note that where information is also held by your travel agent, this is subject to your agent's own data protection policy. Hurtigruten is not responsible for the privacy practices of any other companies.
