TRAVEL**

We are all **INTREPID**

Every Intrepid adventure starts with curiosity.

A desire to understand, to learn something new, to challenge beliefs and push boundaries. To switch on our out-of-office alerts, to say farewell to daily routines, to have fun.

For some, being Intrepid means trying a dish they can't pronounce, or learning the salsa in a Cuban bar. It's climbing a mountain, or an encounter with a silverback gorilla.

For others, it's packing for a solo adventure, getting out of that bubble of familiarity, and making new friends in all corners of the globe.

Whether you've been travelling for years or you've never left home, we want to lead you to those moments of discovery, to satisfy that curiosity, to be Intrepid.

Because now, more than ever, the world needs more Intrepid people.

Why CHOOSE INTREPID

THE ULTIMATE ITINERARIES

We know this is your trip of a lifetime, and we're committed to making it unforgettable. Our itineraries strike the perfect balance between the structured and the spontaneous, with a focus on experiences only made possible when you're travelling with a local leader. You want freedom and flexibility as well as the highlights – that's why we craft tours that give you both.

Agra, India

02

SMALLER GROUPS

Our groups are perfectly sized – on average, just ten travellers – to let you feel like you're exploring a destination independently, but big enough to create a good social vibe. Whether it's swapping stories at a local homestay, sharing a table at a hole-in-the-wall restaurant, or enjoying a drink at the end of a jam-packed day, our small group size opens up big opportunities the larger groups can only dream of.

Oaxaca, Mexico

Luxor, Egypt

LEGENDARY LOCAL LEADERS

Get ready to go beyond the main streets and into the heart of a destination. Travelling with our expert local leaders means you can focus on being in the moment instead of worrying about missing the last train out of town or where you can safely stroll. It's adventure travel with all the boring details taken care of, guided by a local who wants to bring you into their world.

Myaing, Myanmar

MORE DESTINATIONS, MORE WAYS TO TRAVEL

We run thousands of trips in a range of styles and visit every continent on earth. And we do it all with our signature attention to detail and passion for real life experiences. Our destination experts are constantly scouring the globe for sights and experiences to share – so you can discover your new favourite place, or explore a guidebook staple from a new perspective.

Everest Base Camp, Nepal

TRAVEL FOR GOOD

We know our travellers care about the world as much as we do. From a meal made with produce grown on a family-run farm to learning how to basket-weave in a small village that's home to a community-based tourism project, when you travel with us you know that your journey is giving back. Don't just take our word for it – as the world's first travel B Corp, we follow strict ethical standards on sustainability, supply chains and social responsibility.

HOW WE *Travel*

We're all about real life experiences. The surprising moments that turn into the stories you tell for years to come. You'll find them off the beaten track, in the bustle of a Marrakech souk or a quiet village along the Mekong Delta. These experiences are raw, authentic and totally unforgettable.

Rabat, Morocco

THE ICONIC AND THE UNEXPECTED

Sure, the first time you look at a famous monument is incredible, but so is finding yourself in the middle of a village football game or sharing a laugh with a market vendor. Our trips combine the iconic with the unexpected to give you genuine insight into local life.

AUTHENTIC FOOD

We know that food while you travel is more than fuel, and our trips include meals that enhance your adventure and give you a taste of the local flavours. Think a traditional Khmer dinner in the grounds of a Cambodian temple, or a hearty dinner with an Amish family in Berlin, Ohio.

Bijaipur, India

Halong Bay junk boat, Vietnam

STAY REAL

We think where you lay your head can be just as immersive as what you see in the day. Like spending the night at a 17th-century Rajasthani castle or a gite in the High Atlas Mountains. No matter where we stay, we always choose locally run accommodation.

GET AROUND, GO DEEPER

Wherever possible, we do things the local way – including transport. It's better for the environment and a great way to immerse yourself in another culture. From gliding through the backwaters of Kerala in a pole boat, to zipping through Tochigi on a bullet train, we choose ways to get you there that take you deeper.

The Nile, Egypt

Sacred Valley, Peru

LOCAL CONNECTIONS

By sharing laughter, stories and adventures with local people, you'll learn about different ways of life. More importantly, you'll find common ground. We believe you'll learn more sharing a meal in a small community in Vietnam's Da Bac or staying in a Nepalese village recovering from the 2015 earthquake, than wearing a headset and following a flag.

SEE THE WORLD

Your way

No matter what kind of adventure you're looking for, our themed trips will help you to find it. Whether you want to pump the pedals, discover a destination through its culinary treats, or travel with kids, our diverse range of themed itineraries have got you covered.

FESTIVALS

These trips are lantern-lit, confetti-filled celebrations to remember. Go behind the scenes to watch feats of strength and displays of culture during **Mongolia's Naadam Festival** – enter CBSOS on our website to find out more.

FOOD

These tours get you munching, crunching, sipping and slurping just like a local. Bibimbap, kimchi, gochujang and craft beer all await you on a **South Korea Real Food Adventure**, see page 111.

CYCLING

It's just you, the wind and the wide-open road. Cycle beyond the big city lights of Tokyo through peaceful seaside villages and bamboo forests on our **Cycle Japan Adventure**, see page 109.

WALK & TREK

Each journey may begin with a single step, but some require a few more than others. Explore a different path and challenge your body and spirit with an epic trip through the Himalayas on an **Annapurna Base Camp Trek**, see page 81.

SAILING

Navigate the seas and learn the ropes or kick back on deck and soak up the rays – our sailing trips have something for everyone. Glide off the tourist trail and into the clear waters around Myanmar on the **Mergui Archipelago Sailing Experience**, see page 60.

ADVENTURE CRUISING

Our small ships can dock in remote ports that the big boats can't reach, so you can get to know the secret spots like a local. Head east of Bali in search of Komodo dragons and deserted beaches on an **Indonesian Island Cruise**, see page 64.

CHOOSE YOUR STYLE

Every one of our trips has a particular style. It's a way to help pick the adventure that best suits you, whether you're after just the essentials, a whole bunch of inclusions or a little bit of both. The choice is yours.

BASIX

Authentic experiences and the icons at a great price, our Basix trips feature simple accommodation, local transport and are perfect for the independent traveller.

ORIGINAL

These are the trips we've built our reputation on! A mix of included activities and free time, tourist-class hotels and unique accommodation, some meals on us and the chance to follow your nose.

COMFORT

More inclusions, cushier accommodation and a more relaxed pace – comfort trips are adventure travel with some of the rough edges smoothed away.

PHYSICAL RATING

Each of our trips has a physical rating, so you can tell how exerting a trip is and how fit you'll need to be to enjoy it. As a guide:

- Easy and relaxing
- Bring your walking shoes
- An average level of fitness required
- Action-packed, physically demanding
- Full-on active adventure for the more agile traveller

MEET YOUR *Leaders*

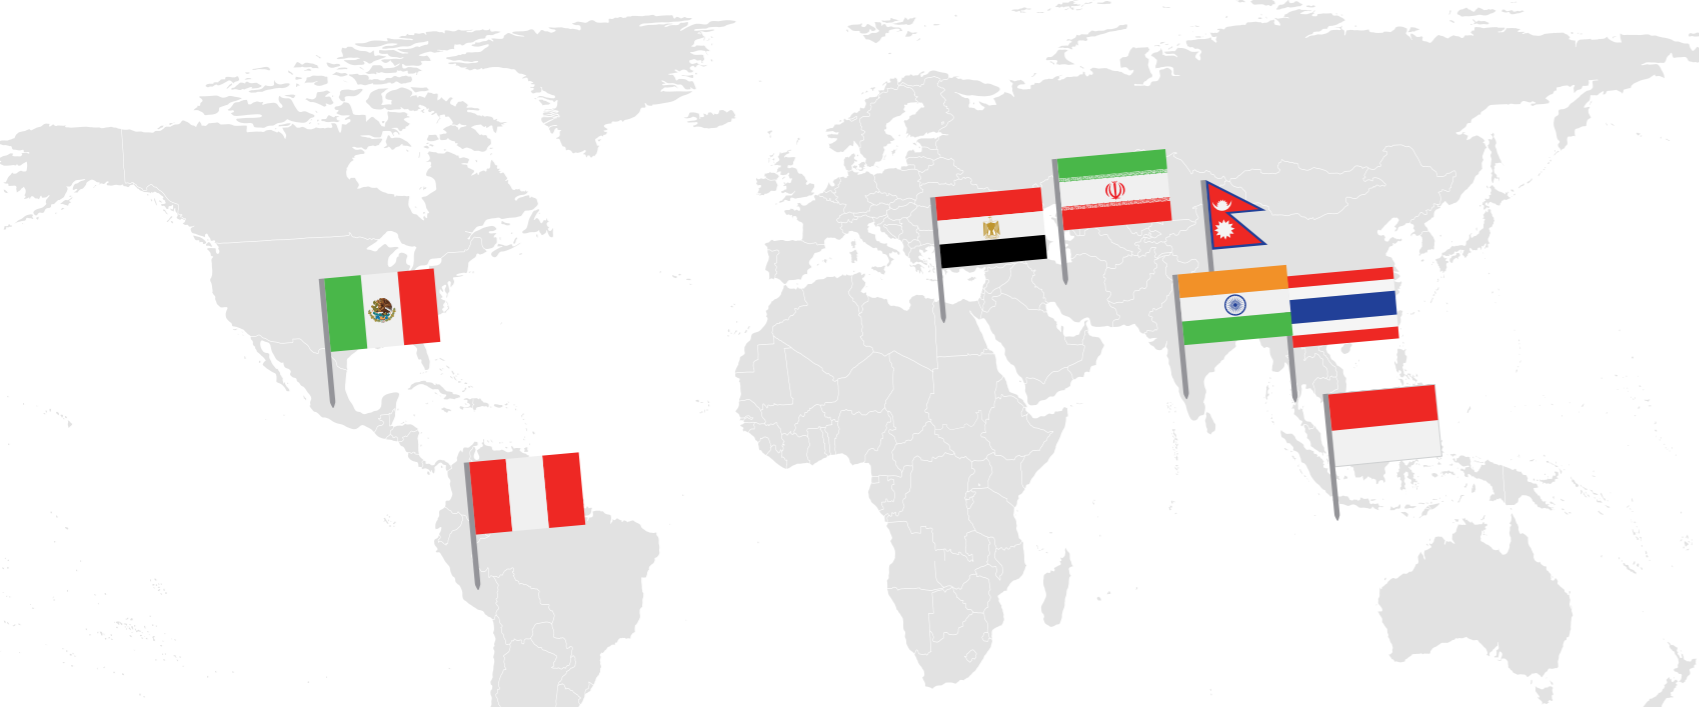

Our award-winning leaders are a diverse bunch with one thing in common: a passion for their part of the world. Here are just some you might meet on your travels.

Whether she's taking travellers to the best pad ka prow stall in Bangkok or the floating markets of Amphawa, Sasha helps people really connect with Thailand with her signature warmth and local knowledge. What matters most to Sasha is being kind and open, having fun, and providing her groups with an awesome experience of Thailand.

She's a friend and a translator, a problem-solver and that all-important link between being a traveller and a local. And while she loves being able to travel all over India, Ankita's favourite thing about leading for Intrepid is meeting new people and having different conversations every day. Her other fave thing? Introducing travellers to her most-loved Indian food: vegetarian thalis, a platter made up of curries, pickles, rice and bread (and watching them try to finish it!).

We're the WORLD'S BIGGEST TRAVEL B CORP

In 2018, we made our commitment to doing good official when we became the world's largest certified travel B Corp. Animal welfare

In 2014, we became the first global tour operator to ban elephant rides on our trips after we funded eye-opening research by World Animal Protection.

Gender equality

In 2017, we committed to doubling our number of female leaders by 2020; since then, we've grown from 150 to over 300 female leaders globally.

Ending modern slavery

Last year, we campaigned for laws that recognised orphanage tourism as a form of modern slavery. In 2016 we removed orphanage visits from all of our itineraries.

Community-based tourism

Responsible, community-based tourism is good for travellers and locals alike. That's why we work with organisations like ActionAid to develop projects that empower communities.

TRAVEL WITH IMPACT

We don't think travel should cost the earth, and we see it as our responsibility to help protect the planet we love to explore. We've been carbon neutral since 2010, and we offset the carbon emissions from our global business offices and our trips by supporting various projects all over the world.

BE THE CHANGE

Since 2002, The Intrepid Foundation has been offering travellers a tangible, transparent way to give back to the communities we visit. It's simple: you donate, we double your contribution, and then we give 100% of that money to a community-based project. Thanks to you, we've donated over AU \$7 million to more than 130 local organisations around the world, helping to improve the livelihoods of vulnerable individuals and communities through sustainable travel experiences.

TRAVEL TALES FROM THE JOURNAL

6 REASONS WHY VIETNAM IS PERFECT FOR FIRST-TIME TRAVELLERS

Choosing where to go for your first-ever international trip is practically the equivalent of choosing where to go on your honeymoon: It's a ~very significant~ decision that you'll remember forever and ever. (No pressure or anything!).

But seriously, your first trip abroad is a biggie for a million reasons, not least because it'll be your first time experiencing a culture outside of your own. That means you'll want your destination to hit all the standard requirements – great food, interesting stuff to do, beautiful scenery – as well as being somewhere foreigners are welcome.

May I suggest Vietnam? I went there on a group trip early on in my adventure-taking life, and it's one of the best places for travelling with others, and for first-time international travellers in general.

We all need a little destination inspiration, which is why your next stop should be The Journal, Intrepid Travel's award-winning blog. Written by travellers, for travellers, The Journal is filled with travel advice, inspiration, stories, city guides and more. Want to know what Vietnam is like for first-time travellers, what you'll eat in Uzbekistan, or what it's like sleeping on an overnight train in India? You'll find it on The Journal.

WHAT IT'S LIKE TRAVELLING TO UZBEKISTAN

It was raining lightly as we taxied along the runway at Tashkent airport. It was early evening; the sky was grey and the buildings lining the tarmac were large and imposing. 'Aha,' I thought. 'This is exactly what I thought Uzbekistan would be like. Bleak and grey.'

It's ironic really, because I knew nothing about the country before arriving. I shouldn't have formulated any ideas or expectations about exactly what Uzbekistan would be like, because I had nothing to base it on. And after spending nine days exploring this Central Asian country, turns out I couldn't have been more wrong.

EVERYTHING YOU NEED TO KNOW ABOUT A NIGHT ON AN OVERNIGHT TRAIN

Picture this: you're researching your next overseas adventure. You want to go somewhere you've never been before, do something a bit different, meet new people and taste new food. All the key ingredients of adventure, right?

Through a Google search or past travel experiences or a recommendation from a friend, you find yourself at Intrepid's website. And there, you find your perfect trip. Well done. You flip through the image gallery, read through the highlights, and find a date that works for you. You start reading the day-to-day itinerary – it's all looking so good.

But then, something stops you in your tracks. Your perfect trip involves a night (or more) on an overnight train. 'Nope,' you think, shutting your laptop in a huff. Your trip's ruined. Well it definitely doesn't have to be like that.

SAILING & ADVENTURE CRUISING

Our Asia sailing and cruising trips follow a simple recipe. Start with a generous scoop of aquamarine water and secret strips of golden sand (remember to remove all traces of tourist crowds). Throw in a handful of rare coral and tropical fish, then leave to simmer while you work on that tan. Slow it right down with a guided trek through the jungle, and serve with a sizzling stir-fry courtesy of your onboard chef. Want to try the recipe for yourself? We've got just the trip for you.

MEET THE FLEET

When sailing the waters of the Mergui Archipelago or Southern Thailand, a twin-hulled catamaran – with kayaks and stand-up paddleboards – is our vessel of choice. These boats carry up to eight travellers, plus crew, and consist of four twin-share cabins, while our Phuket vessel carries up to 14 travellers. Our Adventure Cruising trips operate on the M/S Panorama II. A motor sailer, the Panorama II can accommodate 49 guests but is compact enough to dock in small ports and anchor near tiny beaches.

CHINA & TIBET

You don't get to be one of the world's oldest civilisations without accumulating a wealth of history, traditions and formidable man-made wonders. In China, ancient villages and temples stand alongside megacities defined by space-age skylines. In Tibet, centuries of isolation have manifested in a kingdom steeped in spirituality. Known for its lonely peaks, Buddhist beliefs and yak butter tea, Tibet's weather is often cold, but the region is warm in spirit.
