STEERING THE COURSE TOWARDS AN **ENVIRONMENTALLY RESPONSIBLE FUTURE**

*“We are steering a course
towards a lower carbon future and, by 2050,
will achieve net-zero greenhouse gas emissions”*

PIERFRANCESCO VAGO

Executive Chairman

For us, sustainability means protecting the environment, supporting the people who work with us and choose to travel with us, as well as the communities and places that we visit and do business with.

As a family-owned company with three centuries of seafaring heritage, MSC Cruises is committed to preserving our oceans and our planet, both now and for future generations. With our cruise sustainability programme we are introducing cleaner fuels across our cruise ships, promoting responsible travel through our excursions, reducing plastics, recycling and reusing waste on all our ships and producing our own freshwater on board directly from the sea.

CAN CRUISING DECREASE ENVIRONMENTAL IMPACT?

At MSC Cruises we believe it can be.

From introducing on our latest ships the cleanest marine fuel available to our state-of-the-art water treatment facilities, we're putting environmental responsibility at the heart of everything we do. To preserve the sea we call home, and change cruising for good.

A particular focus is on **minimising air emissions**, with systems in place to meet or exceed regulatory limits, and efforts to **reduce our carbon emissions** profile, including extensive energy efficiency measures on board every ship. Reducing, reusing and recycling waste generated onboard is a key focus across our entire fleet, and we are working hard to eliminate all non-essential single-use plastics from our ships.

Over 80% of freshwater produced on board our fleet is from desalinated seawater – up to 3 million litres per ship every day!

Advanced wastewater treatment ensures all water consumed is purified before returning to the sea.

Every ship in the fleet has a dedicated full-time Environmental Officer responsible for environmental compliance and providing training and education to all our crew.

OUR NEW SHIP: MSC EURIBIA

MASTERING THE SEAS, **RESPECTING THE PLANET**

Named after the ancient goddess Eurybia who harnessed the winds, the tides and even the stars to master the seas, MSC Euribia harnesses state-of-the-art technology to protect and preserve the precious marine ecosystem.

LNG POWERED

MSC Euribia was designed to offer a state-of-the-art cruising experience, with sustainability as the prime objective. Powered by Liquefied Natural Gas - an important step towards our ultimate goal of net-zero emissions operations.

RESPONSIBLE CRUISING

The ship also features furniture options and single-use items made with recycled materials or minimal plastics. Add advanced energy-saving, water treatment and waste management systems, and the result is our most environmentally advanced ship to date.

EXCLUSIVE ITINERARIES

With the ship's credentials unlocking access to exclusive port locations, routes like the inaugural itinerary in Northern Europe take on even greater appeal.

ICONIC DESIGN

MSC Euribia is empowered with striking new features. The hull itself is a visual masterpiece. Created by German artist Alex Flämig and entitled #SaveTheSea, this iconic artwork uses an ocean-inspired colour palette to represent MSC's commitment to the environment and profound respect for the oceans.

WHAT'S IT LIKE TO CRUISE **WITH MSC?**

All settled in? It's time to take a peek at the daily programme to find out what's in store. Oh, tonight's gala night, so head to the professional hair and nail salon or barbershop to be glammed up. Then, it's time to shine as you walk down the Swarovski staircase to start your journey in style.

Finally, don't forget to order room service for a lazy breakfast in your cabin tomorrow morning.

READY, SET, GO!
ALL THE ACTIVITIES

There are many thrills and spills at your fingertips that the days spent at sea will be just as memorable as those in port.

The only tricky bit will be choosing what to do.

First, **it's time for some family fun.**

From shopping to sipping cocktails by the **pool and whirling down the waterslide**, there's something for all ages. Ready for the adrenaline rush of the **ROBOTRON rollercoaster**?

Want to climb in the **MSC Formula Racer simulator**? Sure! As the sun sets, there's even more to do. Tonight you are booked in at the **chef's table before heading to a quiz and a party.**

**IT'S SHOWTIME!
ALL THE ENTERTAINMENT**

After a busy day exploring all the extraordinary sights ashore, you're back on board for a **spectacular evening of fun and entertainment**. After another delicious meal, you're spoilt for choice with the range of night-time activities every night.

First, check out that **top-end show** you love featuring an **international line-up of artists** in the Broadway-style theatre. Then, catch that **live band** you love as you enjoy a digestif.

If that's not what you feel like doing tonight, then why not hit the **casino** for a **night of glamour and roulette** or dance the night away at a disco?

Or if you're looking to spend some quality moments with the kids, then why not head to the **bowling alley and arcade** for some classic family time? Oh, and don't forget to sign up for the ever-popular MSC Factor and MSC MasterChef talent and cooking competitions. The schedule's packed with fun!

**LIFE IS A CAROUSEL
FEEL THE FUN**

Carousel Productions at Sea is an **exclusive and original production that blends breathtaking acrobatics, dance and live music**.

Specially created for MSC Cruises, this artistic and immersive spectacle places you at the heart of the show amidst its extraordinary lights, sounds and special effects.

MSC FOUNDATION

TOGETHER WE CAN MAKE A DIFFERENCE

The MSC Foundation leads and advances all the MSC Group's marine conservation, humanitarian and sustainable development commitments worldwide.

At MSC Foundation we work to **restore** the **critical balance** between **people** and **nature**, using MSC's global reach and unique knowledge of the sea to take immediate action to **protect** and **nurture** the "**blue planet**" and **its people**.

Our programmes include supporting researchers and marine experts to restore the coral reefs and to protect the marine ecosystem at **Super Coral Programme**; and supporting **UNICEF** in the Ivory Coast to foster a women-empowering recycling market that makes plastic waste

into low-cost bricks to build much-needed classrooms. In Senegal, we're supporting **Mercy Ships** to provide lifesaving operations in remote areas. In the Mediterranean, we're with **Marevivo**, raising youth awareness of marine protection and sea pollution.

Globally, we support emergency response initiatives in disaster situations, promptly obtaining and transporting first relief goods to affected areas and their most vulnerable populations.

PROTECTING THE WIDER WORLD FOR THE FUTURE

The MSC Foundation is hard at work researching and restoring the coral reefs around our private Bahamian island, Ocean Cay.

So far, incredible strides have been made to create a sustainable, biodiverse environment across the island and within its rich waters that are host to hundreds of coral varieties and fish species.

Be absorbed by the laid-back hospitality of Jamaica, feel bowled over by turquoise Barbadian bays, discover the phenomenal fauna of the Cayman Islands and dip your toes into the crystal clear waters of Ocean Cay, our exclusive private island and marine reserve in the Bahamas.

Unspoiled beaches, year-round sun and laid-back style, are just waiting to impress. Longer port stays ensure more time to be immersed in island life's cultural richness, friendly vibes and natural beauty.

The swaying palm trees, soft sparkling sands, incredible heritage and delicious cuisine of this cruise will make memories last a lifetime.

1. OUTLINE

All travel services featured in the Company's brochure and/or in the Official Website are advertised for sale by MSC Cruises S.A. ("MSC Cruises"). When we confirm your Booking, you will be entering into a Contract with MSC Cruises for the supply of each travel service to you.

1.1 MSC Cruises (Australia) Pty Ltd, hereinafter referred to as the "Company", provides a booking service for Passengers wishing to book a Holiday Package with MSC Cruises.

1.2 When making your Booking the role of the Company is limited to the Company's Services, however, any enquiries regarding your Booking, Holiday Package, MSC Cruises' Services, cancellations and refunds may be directed to the Company. Certain laws such as the ACL, the CGA and any applicable state-based consumer legislation (Consumer Laws) are in place for your protection.

As the Company helps you to combine and purchase Holiday Packages, the Company will have certain obligations to you under the Consumer Laws.

1.3 These Booking Terms & Conditions:

(a) apply to the supply of Services listed on the Passenger's itinerary from the date that you accept these Booking Terms & Conditions; and

(b) do not alter any rights or protections granted to you under the Consumer Laws.

1.4 You accept these Booking Terms & Conditions (and applicable World Cruise terms and conditions stated on the Official Website), when you submit a Booking Request for any Holiday Package to the Company (or a Booking is made on your behalf pursuant to clause 1.5). A Contract is formed between MSC Cruises and the Passenger upon the Company or the Passenger's Agent sending the booking confirmation to the Passenger.

1.5 If you make a Booking on behalf of a third party, you warrant that you have the authority of that third party to make the Booking on his or her behalf and that that third party has read and has the authority to accept these Booking Terms & Conditions on behalf of all the persons (including any minors) named on the Booking Request submitted to the Company. You are liable for making payment of any Booking you have made irrespective of the name in which the Booking is made and related Service Fees. You must compensate the Company (as applicable) for any losses the Company or MSC Cruises suffers as a result of any conduct of that third party leading to a breach of these Booking Terms & Conditions as the third party is deemed to be a party to these Booking Terms & Conditions pursuant to this clause 1.5.

1.6 If a passenger or his/her representative (other than an Agent) books MSC Cruises Services directly with the Company, the passenger or his/her representative may deal with the Company in relation to those services as well as in relation to making amendments, requesting refunds, cancellations and any other related issues or claims.

1.7 If a passenger, or his/her representative, books MSC Cruises Services through an Agent, any amendments or enquiries on the Booking will need to be made by the Agent (unless otherwise agreed). We note that your Agent may have different cancellations, refund and other terms and conditions that may apply to you and any refunds will be issued back to the Agent (unless otherwise agreed) where applicable and in accordance with the ACL.

1.8 If an Agent makes a Booking, the Agent must provide, and warrants that it has provided, to the Passenger a copy of these Booking Terms & Conditions.

As this is not an MSC Cruises fee, it cannot be refunded by the Company.

5. PRICES AND PRICE GUARANTEE

- 5.1 No change to the Holiday Package price will be made within the 20-day period before departure or once full payment has been received by the Company.
- 5.2 Subject to your rights at law, the Company reserves the right to modify the Contract price at all times prior to those detailed in clause 5.1 up to and including the date you make full payment of the Contract price above to allow variations for:

For paragraph c) any variation of the Holiday Package price will be equal to the full amount of the additional dues, taxes or fees chargeable (or where a reduction in such dues, taxes or fees applies, the Holiday Package price will be adjusted accordingly to reflect the reduction in such dues, taxes or fees).
- 5.4 If the increase in the Holiday Package price issued pursuant to clause 5.2 amounts to more than 8% of the total Holiday Package price at the time of Booking, subject to clause 5.4(a) to clause 5.4(c) you will be entitled to cancel the Contract with a full refund of the Holiday Package price to the extent of the amount paid by you to the Company at the time of cancellation. 7. PASSPORT AND VISAS

- 7.1 Passengers must hold fully valid passports for the whole duration of the Holiday Package and the expiry date must be at least 6 months after the return date.
- 7.2 The Company is not responsible for obtaining visas for any passenger, this is the responsibility of the individual passenger. It is the duty of the Passenger to verify that his/her passport, visas, or other documents for travel are accepted in the countries where the Holiday Package is deployed. Passengers are strongly advised to check for all legal requirements for travelling abroad and at the various ports to include the requirement of visas, immigration, customs, health and excise. Certain countries insist on machine-readable and digital photo passports, especially Russia and the USA. Passengers under 18 years of age (or 21 years of age for United States Passengers or Passengers embarking from a United States port) must travel accompanied by their parents or a legal guardian. If one of the travelling minor's parents is not cruising, a signed authorisation letter, made in accordance with the laws of the country where the minor resides, from the absent parent authorising the minor to travel has to be provided at the moment of Booking.
- 7.3 If the minor is travelling with Passengers that are not his parents or legal guardians, the Company shall require, at the point of booking, a document signed by the parents or legal guardian authorising the minor to travel with a chaperone or a designated individual, in accordance with Company's policies.
- 7.4 Each passenger is liable to the Company and the Carrier for, and you agree to indemnify and keep the Company and the Carrier against, all damages, losses and liabilities (including any fines or penalties imposed by any authorities) incurred by the Company or the Carrier in connection with (directly or indirectly) the Passenger's failure to observe or comply with any local governmental laws or regulations, including requirements relating to visas, immigration, customs, health or excise.

8. FITNESS TO TRAVEL

- 8.1 When you accept these Booking Terms & Conditions, you warrant to the Company and MSC Cruises that the named Passengers on your Booking Request are fit to travel by sea (and if applicable by air) and that their conduct or condition will not impair the safety or convenience of MSC Cruises' vessel (or any third party Carrier booked through the Company) and the other passengers on that vessel or Carrier, and that they can be carried safely in accordance with applicable safety requirements established by international, Australian or national law.
- 8.2 Any Passenger with a condition that may affect his or her fitness to travel (including pregnancy), taking into account the his/her itinerary, must inform the Company or MSC Cruises (as applicable) at the time of Booking and submit a doctor's certificate prior to making a Booking Request.

- 8.3 In any case, the Company, MSC Cruises and any applicable Carriers have the right to request(at their absolute discretion) that the Passengers produce appropriate medical certificates supporting fitness to travel. Unwillingness or inability to produce medical certificates which (in the Company's, MSC Cruises' or any applicable Carrier's reasonable opinion) evidence fitness to travel will be sufficient grounds for a Booking Request to be declined.
- 8.4 Pregnant women are requested to seek medical advice before travelling, and at any stage of their pregnancy they must obtain a medical certificate from a doctor confirming their fitness to travel on board the vessel taking into account the specific itinerary.
- 8.5 MSC Cruises does not have on board any of the cruise vessels adequate medical facilities or equipment for childbirth. The Company cannot accept a Booking and MSC Cruises' vessels cannot carry any Passenger who will be 24 weeks pregnant or more by the end of the Cruise.
- 8.6 The Company and the Carrier expressly reserve the right to refuse boarding rights to any Passenger who appears to be in any advanced state of pregnancy or who does not provide the medical certificate according to clause 8.4 above and shall have no liability in respect of such refusal. In the case of a Booking made for a Passenger who was not aware at the time of Booking and could not have reasonably known at the time of Booking that she was pregnant then; the Company will offer you the choice of:
- (a) booking another Cruise for that Passenger from the Company's brochure and/or from the Official Website of equivalent quality compliant with the abovementioned terms, if available;
 - (b) cancelling and receiving a full refund of the full price paid by you for any cancellation of the Booking less the non-refundable deposit, as long as such cancellation is notified immediately by you as soon as you become aware of that Passenger's pregnancy and it is within 120 days prior to departure. The refund will not include insurance premiums paid which are in no case refundable. Cancellation fees will apply under clause 15 if you notify us within 120 days of departure.
- 8.7 The Passenger acknowledges and accepts that if it appears to the master or doctor on board the relevant MSC Cruises' vessel that the Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to disembark at any port or likely to render MSC Cruises' vessel liable for maintenance, support or repatriation, then:
- (a) the Passenger may not be permitted by MSC Cruises' staff to embark or disembark at any applicable port or transfer to another berth or cabin;
 - (b) the doctor on board the applicable MSC Cruises' vessel has the right to administer first aid and any drug, therapy or other medical treatment and/or to admit and/or confine the Passenger to the vessel's hospital or other similar facility, if such measure is considered necessary by the doctor and is supported by the master's authority; and
 - (c) refusal by the Passenger to cooperate with regard to any treatment deemed necessary by the doctor on board the applicable MSC Cruises' vessel pursuant to this clause 8.7 may result in the Passenger being disembarked at any port, if necessary through the intervention of local police officers or other competent authorities, and neither the Company nor MSC Cruises shall be liable for any loss, expense, damages, liability or compensation to the Passenger in connection with any action taken under this clause 8.7.
- 8.8 Where a Passenger is assessed as unfit to travel and refused embarkation then, to the extent permitted by law, neither the Company nor MSC Cruises has any liability to the Passenger.
- 9. DISABLED PASSENGERS AND PASSENGERS WITH REDUCED MOBILITY**
- 9.1 The Company's and the Carriers' priority is always the comfort and safety of its Passengers and in order to achieve this the Passenger is asked at the time of Booking to provide as much detail as possible of the matters given below so that the Company and Carrier can consider its obligation to carry the Passenger in a safe or operationally feasible manner, taking into account any issues relating to the design of the passenger ship or port infrastructure and equipment including port terminals which may make it impossible to carry out the embarkation, disembarkation or carriage of the Passenger which may have an impact on the Passengers safety and comfort.
- 9.2 When submitting a Booking Request, you must provide full details if the Passenger:
- (a) is unwell, infirm, Disabled or has Reduced Mobility;
 - (b) requires a special Disabled cabin, since there is a limited number of these available and since the Company would like to, wherever possible, accommodate the Passenger so that the Passenger is comfortable and safe for the duration of the Cruise;
 - (c) has any special seating requirements;
 - (d) needs to bring any medical equipment on board; or
 - (e) needs to bring a recognised service or assistance dog on board the vessel (and you confirm that that you are aware that assistance dogs are subject to local regulations with which you must comply).
- 9.3 Where the MSC Cruises and/or authorised crew members of the MSC Cruises' vessel consider it strictly necessary for the safety of the Passenger and in order for the Passenger to fully enjoy the Cruise, they may require a Disabled Passenger or Passenger with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Passenger or Passenger with Reduced Mobility. This requirement will be based entirely on the opinion of the authorised crew member on board the applicable MSC Cruises' vessel assessing the need of the Passenger on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary.
- 9.4 Passengers confined to a wheelchair must furnish their own standard size collapsible wheelchair during the whole Holiday Package and may be requested to be accompanied by a travelling Passenger fit and able to assist them.
- 9.5 If the Passenger has any particular conditions, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organised by the Passenger and at the Passenger's expense. The MSC Cruises' vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of care for physical or psychiatric or other conditions.
- 9.6 The Passenger acknowledges and accepts that:
- (a) after carefully assessing the Passenger's specific needs and requirements, the Company and/or the applicable MSC Cruises' vessel may conclude that the Passenger cannot be carried safely

and in accordance with applicable safety requirements and the Company may refuse to accept a Booking and/or the applicable MSC Cruises' vessel may refuse embarkation of the Disabled Passenger or Passenger with Reduced Mobility on the grounds of safety; and

- (b) he or she may be refused the right to board the applicable MSC Cruises' vessel if he or she has failed to adequately notify the Company of any disabilities or needs for assistance in order for the Company and/or the applicable MSC Cruises' vessel to make an informed assessment that the Passenger can be carried in a safe or operationally feasible manner on the grounds of safety.
- 9.7 If the Passenger does not agree with a decision of the Company and/or the applicable MSC Cruises' vessel under clauses 9.6 of these Booking Terms & Conditions, the Passenger must provide a complaint in writing with all supporting evidence to the Company.
- 9.8 The Company reserves the right to refuse to carry any Passenger who in the opinion of the Company and/or the applicable MSC Cruises' vessel is unfit for travel or whose condition may constitute a danger to themselves or others on the Cruise on the grounds of safety.
- 9.9 For the safety and comfort of the Passenger, if the Passenger becomes aware between the date of Booking the Holiday Package and the date of commencement of the Holiday Package that he/she will require special care or assistance as detailed above, the Passenger must inform the Company immediately so that the Company and the applicable MSC Cruises' vessel can make an informed assessment whether or not the Passenger can be carried in a safe or operationally feasible manner.
- 9.10 Disabled Passengers or Passengers with Reduced Mobility may not be able to go ashore at ports where vessels do not berth alongside. A list of these ports is available upon written request.
- 9.11 The Passenger acknowledges and accepts that:
 - (a) in some ports, it is necessary to anchor offshore rather than alongside. When this is the case, the applicable MSC Cruises' vessel will use a tender to take Passengers ashore (A tender is a small vessel and may not be suitable for persons with Disabilities or Reduced Mobility or balance problems. When using tenders, safety is the utmost priority. It is important that Passengers are able to use the tender safely);
 - (b) Passengers may be required to descend to a platform or pontoon and into the tender. (There may be steps both up and down and Passengers may need to navigate a gap between the platform and the tender (which can be approximately 45cm). Depending on weather, tide and sea conditions, there may be some movement, which could change throughout the course of the day);
 - (c) Passengers must be fit and mobile enough to access and disembark the tender. (If Passengers have impaired mobility, or use a mobility aid such as a stick, then they must carefully consider their ability to embark the tender safely before making their way down to the platform. Passengers must take into consideration the use of steps, the possibility of a gap and height difference between the platform and the tender, and the potential sudden movement of the tender when making a decision).
 - (d) wheelchairs and mobility scooters will not be carried by the crew into the tender;
 - (e) all Passengers must be independently mobile enough to use the tenders;

- (f) carriage by tender may be refused by the master of the applicable MSC Cruises' vessel or any of his officers if there is any doubt as to the safety of any Passenger; and
- (g) all Passengers must take extra care when stepping on and off the tender (There will be crew members there to guide and steady Passengers as they embark and disembark but they cannot support, lift or carry Passengers. The same precautions apply when Passengers disembark the tender in the port.).

- 10.2 Where Passengers become ill during the Cruise with any illness, the ship's doctor may request them to remain in their cabin for reasons of safety. Passengers must follow the instructions of members of the crew members the MSC Cruises' vessel and refusal to do so may result in disembarkation without any liability for loss, expense, liability, compensation or damages or a refund from MSC Cruises or the applicable MSC Cruises' vessel crew members.

 - (b) the Passenger releases and indemnifies the Company and MSC Cruises from all liability arising in connection with any claim that any specific food or ingredient caused or contributed to any allergic reaction experienced by the Passenger.
- 11.4 In case of multiple allergies/intolerances, even though the Passenger or his/her Agent has informed the Company or the

applicable MSC Cruises' vessel, the vessel might not be able to avoid the risk of cross-contamination during food preparation and therefore neither the Company, nor the applicable MSC Cruises' vessel will be held responsible if such contamination occurs.

- (a) said third party satisfies all the conditions for the use of the Holiday Package; and
- (b) written notice is duly sent to the Company no later than 90 days before departure of the Cruise.

14.2 If the conditions stated above in clause 14.1 are met, the name change will in any case be subject to a fee reflecting the costs for the Company of effectuating the transfer. The name change request done prior to 120 days before departure is free of charge. Name changes requested within 90 days of the departure will be considered a cancellation and fees will apply under clause 15.

14.3 You and the third party contract assignee are jointly liable to pay:

- (a) the price of the Holiday Package; and
- (b) any additional cost that may arise as a consequence of the change in Passenger (including but not limited to cancellations fees and/or increased prices levied by Carriers or other third party providers in relation to any name change); and upon the new Passenger's name being registered by the Company or MSC Cruises as the new Passenger, you and/or that new Passenger (or his or her legal guardian) is deemed to have accepted these Booking Terms & Conditions.

14.4 Even after the booking confirmation has been issued, you are also entitled to exchange, once only, the purchased Holiday Package ("Original Holiday Package") with another Holiday Package ("New Holiday Package") on the following conditions:

- (a) the date of departure of the New Holiday Package is later than that of the Original Holiday Package;
- (b) the request for the substitution of the New Holiday Package in place of the Original Holiday Package is received by the Company not later than 90 working days before the date of the scheduled departure of the Original Holiday Package and there is availability of spaces on the New Holiday Package;
- (c) the itinerary for the New Holiday Package refers to the same destination as the Original Holiday Package as defined in the relevant brochure of the Company (or Official Website); and
- (d) the expected date of departure of the New Holiday Package falls within one year from the expected date of departure of the Original Holiday Package.

14.5 The company has the right to assign another cabin for the Passenger, as long as it has similar characteristics. If there is a change in accommodation to a lower-priced cabin, the Passengers affected will be entitled to a refund of the price difference according to the current rates.

14.6 If the price of the New Holiday Package is higher than that of the Original Holiday Package, the difference in price as well as in insurance premium will be borne exclusively by the Passenger. On the other hand, if the price of the New Holiday Package is lower than that of the Original Holiday Package, no reimbursement or refund will be due to the Passenger.

14.7 In case of substitution of the Original Holiday Package with

the New Holiday Package, the Passenger will still be entitled to withdraw from the Contract and therefore cancellation fees will apply. Cancellation fees will be based on the price due (as per above provisions) and the scale provided under clause 15 (Cancellation by the Passenger) according to the Original Holiday Package departure date.

- 14.8 The Company and MSC Cruises will make reasonable endeavours to comply with the Passenger requests for changes to flight, transport or other services arrangements and adapt them to the New Holiday Package. In no case whatsoever will the Company or MSC Cruises be held liable for change requests to a binding Contract that cannot be satisfied and the Carrier's terms and conditions will apply in relation to such changes.
(Name or date changes are not always allowed by Carriers and other transport or services providers. Most Carriers and other transport or services providers treat such changes as a cancellation and charge accordingly.)
- 14.9 Save as provided above, other changes to the Booking may be requested (even after the booking confirmation has been issued) until 90 days prior to departure, subject to a minimum non-refundable administration fee of A\$100/N\$100 per person per amendment. Any additional costs that may arise as a consequence of the change will be exclusively for the Passenger's account.
- 14.10 Requests of amendments to the Booking received by the Company beyond the above time limits will be treated as cancellations and the cancellation charges detailed in clause 15 below will apply.
- 14.11 In case the changes requested by the Passengers entail the printing of new Cruise tickets, further to the above-mentioned fees an amount of A\$55/N\$55 per cabin will be charged to cover the extra costs.
- 14.12 Any changes requested by the Passenger on a Combined Tour shall always apply to the whole Holiday Package. All the relevant time limits run from the scheduled date of departure of the first Cruise of the Combined Tour.
IF THE CONDITIONS STATED ABOVE IN THIS CLAUSE ARE MET, THE SUBSTITUTION OF THE ORIGINAL HOLIDAY PACKAGE WITH THE NEW HOLIDAY PACKAGE OR A NAME CHANGE WILL IN ANY CASE BE SUBJECT TO THE FOLLOWING ADMINISTRATION FEE PER PASSENGER INCLUDING CHILDREN:

BELLA	FANTASTICA	AUREA	YACHT CLUB	WORLD CRUISE
\$50 AUD/NZ	Free once On payment from 2 nd cruise onwards			Loss of deposit to 15% of holiday package as per section 15.6

Any change request related to the World Cruise shall be permitted exclusively for another World Cruise and, in such case, will trigger the loss of the non-refundable deposit equal to 15% of the price of the Package paid by the passenger

15. CANCELLATION BY THE PASSENGER

- 15.1 To cancel a Booking, you must submit a written request (via email) to the Company or via the Passenger's Agent. Please refer to MSC Cruises Cancellation Policy below. All tickets issued and the Confirmation Invoice must be returned together with the notice

of cancellation.

- 15.2 If a cabin remains for single use after you have cancelled the Passenger's Booking, the remaining passenger occupying that cabin will be asked to pay a single surcharge charged by the Company for any single cabin Booking. Alternatively, should the remaining single passenger opt to cancel the Booking, the latter will pay the cancellation charges in accordance with clause 15.1 in addition to the insurance premium.
- 15.3 It may be possible for the Passenger to claim these cancellation charges from his/her travel insurance provider, subject to any applicable deductibles. It is the Passenger's responsibility to make such a claim under the terms of his/her insurance policy.
- 15.4 The Passenger may request the cancellation of a Combined Tour, but such a cancellation shall always apply to the whole Holiday Package. All the relevant time limits run from the scheduled date of departure of the first Cruise of the Combined Tour.

16. BOOKING CHANGES EFFECTED BY THE COMPANY

- 16.1 The Company expressly reserves the right to change the arrangements for the Cruise or the Holiday Package, should MSC Cruises indicate that such changes are necessary or advisable for operational or safety reasons. In such circumstances, to the extent permitted by law, neither the Company nor MSC Cruises is liable for any loss, claims, damage, liability, expenses, costs or injury suffered by the Passenger as a result of such changes.
- 16.2 In the event of a significant alteration to an essential term of the Contract pursuant to clause 16.1 (for example, an alteration which significantly changes any of the main characteristics of MSC Cruises' Services such as a major itinerary change), the Company will inform the Passenger or his/her Agent of such change in writing as soon as reasonably possible. The Passenger will be offered the choice of:
- a) accepting the alteration; or
 - b) booking another Holiday Package from the Company's brochure and/or from the Official Website of equivalent or superior quality, if available; or
 - c) booking another Holiday Package from the Company's brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price; or
 - d) cancelling and receiving a full refund of all monies paid.
- 16.3 Passengers must notify the Company of their decision in writing or via their Agent within 15 days of receiving the notification of alteration of the period indicated. If you fail to revert within this period, the Company will consider this to be an acceptance of the alteration and any cancellations after this period shall attract cancellation charges in accordance with clause 15.1.

17. CANCELLATION BY THE COMPANY

- 17.1 The Company reserves the right to cancel any Holiday Package at any time by giving written notice to the Passenger but the Passenger shall not be entitled to additional compensation, if:
- (a) the cancellation is due to an event of Force Majeure, the consequences of which could not have been avoided by the Company even though it has exercised all due care; or
 - (b) the number of persons enrolled for the Holiday Package is smaller than the 50% of the passenger capacity of the relevant vessel.
- 17.2 In both cases (a) and (b) in clause 17.1, the Company will offer the Passenger the choice of:
- (a) receiving a full refund of all money paid;
 - (b) booking another Holiday Package from the Company's

brochure and/or from the Official Website of equivalent quality cabin type (and within the same type and length of cruise), at no extra cost, if available; or

(c) booking another Holiday Package from the Company's brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price.

- 17.3 The Passenger's decision must be notified to the Company in writing within 15 days of the notice of cancellation.
- 17.4 In cases of cancellation or change of itinerary, to the extent permitted by law, neither the Company nor MSC Cruises is liable for any loss, claims, damage, liability, expenses, costs or injury suffered by the Passenger as a result of such cancellation or change of itinerary.

18. WITHOUT PREJUDICE TO THE ABOVE

- 18.1 The Company and MSC Cruises reserve the right to (in their absolute discretion) reject or cancel new bookings made by or on behalf of former Passengers who, during a previous Holiday Package:
- a) behaved dangerously for their safety and/or the one of other Passengers and/or crew members;
 - b) damaged and/or endangered Company's assets;
 - c) did not solve outstanding debts with the Company;
 - d) violated art. 18 of the present Booking Terms and Conditions.
- The Passenger will be informed of the rejection or cancellation made under the present article in writing.

19. APPLICABLE REFUND RECIPIENT

- 19.1 If a Passenger or his/her authorised representative has made a Booking directly with the Company, the Company will, on behalf of MSC Cruises, pay any applicable refund to the Passenger.
- 19.2 If a Passenger or his/her authorised representative has made a Booking through his/her Agent, the Company will, on behalf of MSC Cruises, pay any applicable refund to the Agent. The Passenger must refer to the Agent's refund policy in the Agent's terms and conditions and make any claim for a refund to the Agent. If the Agent has ceased to operate for any reason (including but not limited to due to insolvency), the Passenger must seek to obtain a refund from the Agent's appointed liquidator or representative. Where the Company has already paid the refund to the Agent, neither the Company nor MSC Cruises will be liable to assist the Passenger with such steps that the Passenger will need to take to attempt to obtain a refund from the Agent (subject to Consumer Laws and the Agent's applicable terms and conditions, if any).
- 19.3 If an Agent fails to pass on to the Passenger the refund received by it from the Company, the Passenger has no claim against the Company or MSC Cruises and the Company and MSC Cruises have no further liability in regard to the refund.

20. THE COMPANY'S LIABILITY

- 20.1 Subject to clause 20.2 to 20.17, the Company (on behalf of MSC Cruises) accepts responsibility for death, injury or illness directly caused by the negligent acts and or omissions of it and MSC Cruises in relation to the Passenger's Holiday Package.
- 20.2 The Passenger acknowledges and accepts that:
- (a) the liability of the Company and MSC Cruises is limited, where applicable, under the conventions mentioned in 20.3 to 20.15 inclusive);

- (b) neither the Company nor MSC Cruises are responsible for any failure to perform its obligations under the Contract which is:
- (i) wholly or partially attributable to the fault of the Passenger;
 - (ii) an unforeseeable or unavoidable act or omission of a third party unconnected with the supply of any service to be provided under the Contract;
 - (iii) an unusual or unforeseeable circumstance beyond the control of the Company and/or MSC Cruises the consequences of which could not have been avoided even if all due care had been exercised, including (but not limited to) a Force Majeure; or
 - (iv) an event which neither MSC Cruises nor the Company could, even with all due care, have foreseen or forestalled;
- (c) neither the Company nor MSC Cruises is responsible for:
- (i) any loss caused to you or the Passenger as a result of the Passenger finding he or she is unable to participate in certain activities included in the Holiday Package (due to an unexpected medical condition or otherwise);
 - (ii) any loss caused to you or the Passenger as a result of you or the Passenger failing to safe keep any tour vouchers provided to you or the Passenger by the Company or MSC Cruises and failing to produce such vouchers where required;
 - (iii) any loss caused due to any injury suffered by you or the Passenger, death and/or any damage to your property or the Passenger's property and you acknowledge that there are certain risks associated with international travel (including but not limited to risks such as luggage being damaged while participating in your Holiday Package, specific risks associated with Shore Excursions, and the risk of contracting a disease or other medical condition while on the MSC Cruises' vessel or on a Carrier) and accept such risks;
 - (iv) any incidental expenses that you or the Passenger may incur as part of booking a Holiday Package or otherwise; and
 - (v) any loss caused by any factors beyond our control.
- 20.3 For claims not involving personal injury, death or illness or which are not subject to the international conventions referred to in this clause 20, to the maximum extent permitted by law and subject to certain statutory guarantees you may have under the Consumer Laws (including the CGA and the ACL), the Company's maximum aggregate liability for breach of the Company's obligations under these Booking Terms & Conditions or breach of the Company's duties at law or in equity (however arising) is limited at the Company's option to:
- (a) the cost you have paid to the Company for the services provided by the Company which you have booked at the date of such breach by the Company and excludes any services related to the Holiday Package which are provided by MSC Cruises and, if applicable, Carriers; or
 - (b) the cost of resupplying the services referred to in (a) above.
- 20.4 Neither the Company nor MSC Cruises is liable for any special, indirect, consequential or economic loss (including damage or loss of profits or anticipated profits, loss of revenue, loss of use, loss of contract or other opportunity), whether in contract or tort or arising from any other cause of action, suffered by you or any other person resulting from any act or omission by the Company and/or MSC Cruises (including breach, termination or non-observance of the terms of any agreement which incorporates these Booking Terms & Conditions).
- 20.5 All carriage (by land, air and sea) is subject to the Conditions of Carriage of the actual Carrier. These may limit or exclude liability. Copies of these terms and conditions are available on request from the Company.
- 20.6 Carriage of Passengers and their luggage by air is governed by various International conventions (the "International Air Conventions"), including the Warsaw Convention 1929 (as amended by The Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) and the Montreal Convention 1999. To the extent that the Company or MSC Cruises may be liable as a non-performing air Carrier to Passengers in respect of carriage by air, the terms of the International Air Conventions (including any subsequent amendments and any new convention which may be applicable to a Contract for a Cruise between MSC Cruises and a Passenger) are expressly incorporated into these Booking Terms and Conditions and in the Conditions of Carriage. The International Air Conventions fix limitations of liability of the Carrier for death and personal injury, loss of and damage to luggage and delay. Any liability of the Company or MSC Cruises toward the Passenger arising from a carriage by air is subject to the limitation of liability provided by said Conventions. Copies of these conventions are available upon request.
- 20.7 Insofar as the Company and/or MSC Cruises may be liable to a Passenger in respect of claims arising out of carriage by air, land or sea, the Company and MSC Cruises shall respectively be entitled to all the rights, defences, immunities and limitations available to the actual Carriers (including under the Carrier's own conditions of carriage) and under all the applicable regulations and/or conventions, such as the Athens Convention and the International Air Conventions and nothing in these Booking Terms & Conditions nor in the Carrier's conditions of carriage shall be deemed as a waiver thereof. If any term, condition, section or provision becomes invalid or is so judged, the remaining terms, conditions, sections and provisions shall be deemed severable and shall remain in force.
- 20.8 The liability (if any) of the Company and MSC Cruises for damages suffered as a result of death or personal injury to the Passenger, or loss or damage to luggage shall be determined in accordance with the following:
- (a) the Carriage by Sea EU Regulation 392/2009 Concerning the Rights of Passengers when travelling by sea in the event of Accidents (EU Regulation 392/2009) will apply to international carriage by sea where the port of embarkation or disembarkation is in the EU or where the vessel has an EU flag or where the contract of carriage is made in the EU (a copy of EU Regulation 392/2009 are available on request and can be downloaded from the Internet at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/2724/annex-b-reg-ec-392-2009.pdf. A summary of EU Regulation 392/2009 can be found at <http://ec.europa.eu/transport/themes/passengers/maritime/doc/rights-in-case-of-accident.pdf>);
 - (b) where the vessel is being used as floating accommodation then the provisions of the Athens Convention 1974 and the limits therein will apply and are hereby expressly incorporated into these Booking Terms & Conditions including any claims for loss of or damage to luggage and or death and or personal injury;
 - (c) the level of damages the Company and MSC Cruises may be liable to pay in relation to death and/or personal injury

and or loss of or damage to Luggage is limited and shall in no circumstances whatsoever exceed the limits of liability set out in EU Regulation 392/2009, or where applicable Athens Convention 1974;

(d) the liability of the Company and MSC Cruises for death, personal injury or illness to the Passenger will not exceed 46.666 Special Drawing Rights ("SDR") as provided and defined in the Athens Convention 1974 or, where applicable, the maximum sum of 400,000 SDR pursuant to EU Regulation 392/2009 or The Athens Convention 2002 and, where there is liability for war and terrorism under EU Regulation 392/2009 or The Athens Convention 2002, 250.000 SDR;

(e) the liability of the Company and MSC Cruises for loss of or damage to Passenger's luggage or other property will not exceed 833 SDR per Passenger under the Athens Convention 1974 or 2,250 SDR where EU Regulation 392/2009 or Athens Convention 2002 applies;

(f) any liability of the Company and MSC Cruises will be subject to the applicable deductibles per Passenger, such sum to be deducted from the loss or damage to luggage or other property; and

(g) the Passenger understands that the conversion rate of SDR's fluctuates daily and may be obtained from a bank or Internet. The value of an SDR can be calculated by visiting http://www.imf.org/external/np/fin/data/rms_five.aspx.

20.9 It is presumed under the Athens Convention 1974 and where applicable The Athens Convention 2002 or EU Regulation 392/2009 that the applicable MSC Cruises' vessel has delivered Luggage to a Passenger unless written notice is given by the Passenger within the following periods:

(a) in the case of apparent damage before or at the time of disembarkation or redelivery; and

(b) in the case of damage which is not apparent or loss of Luggage within fifteen days from the disembarkation or delivery or of the date that such delivery should have taken place.

20.10 If the carriage provided hereunder is not "international carriage" as defined in Article 2 of EU Regulation 392/2009 or the vessel is being used as a floating hotel and or domestic carriage by sea in the UK, the provisions of the Athens Convention 1974 shall apply to this contract and be deemed to be incorporated herein mutatis mutandis.

The Company shall not be liable for loss or damage to any valuables such as monies, negotiable securities, precious metal items, jewellery, art, cameras, computers, electronic equipment, or any other valuables unless they are deposited with the Carrier for safe-keeping, and a higher limit is agreed expressly and in writing at the time of deposit, and an extra charge is paid by the Passenger for declared value protection. Use of the ship's safe is not a deposit with the ship. Where there is liability for loss of or damage to valuables deposited with the ship then such liability is limited to 1,200 SDR under the Athens Convention 1974 or 3,375SDR where EU Regulation 392/2009 or Athens Convention 2002 applies.

20.11 The Company and the Carrier shall have full benefit of any applicable laws providing for limitation and/or exoneration of liability in connection with the provision of the Services (including without limitation, law and/or the laws of the vessel's flag in

respect of/or the global limitation on damages recoverable from the Carrier). Nothing in these Booking Terms and Conditions is intended to operate to limit or deprive the Company and the Carrier of any such statutory or otherwise limitation or exoneration or liability. The servant and/or agents of the Company and the Carrier shall have the full benefit of all such provisions relating to the limitation of liability.

20.12 Without prejudice to the provisions of clauses 20.1 to 20.9 above, if any claim is brought against the Company and Carrier in any jurisdiction where the applicable exemptions and limitations incorporated in these Booking Terms and Conditions are held to be legally unenforceable then the Company and the Carrier shall not be liable for death, injury, illness, damage, delay or other loss or detriment to any person or property arising out of any cause of whatsoever nature which has not been shown to have been caused by the Company and Carrier's own negligence or fault.

20.13 The liability of the Company is excluded for claims arising out of loss or damage directly or indirectly occasioned by circumstances where performance and/or prompt performance of the Contract or the Services is prevented by reason of war, or threat of war, riot, civil strike, industrial dispute whether by the Company's employees or others, terrorist activity or the threat of terrorist activity, failure of power supplies, health risks or epidemics natural or nuclear disaster, fire or adverse weather conditions or adverse sea states, Passenger's suicide or attempted suicide or the Passenger's deliberate exposure to unnecessary danger (except in an attempt to save human life), or the consequences of the Passenger participating in an unusual and dangerous activity and any other circumstance of any nature whatsoever outside the Company's control.

20.14 Where the Company or MSC Cruises has any legal liability for loss of or damage to property otherwise than in accordance with the Athens Convention or International Air Conventions then, to the extent permitted by law, its liability shall not at any time exceed EUR 500.00 and the Company and MSC Cruises shall not at any time be liable for money or valuables. Passengers must not pack money or other valuables in their luggage.

20.15 To the extent permitted by law, the Company's and MSC Cruises' liability under the Contract will not at any time exceed that of any Carrier under its Conditions of Carriage and/or applicable or incorporated international conventions (including the International Air Conventions).

20.16 Any damages payable by the Company or MSC Cruises (for any reason) under the Contract shall be reduced in proportion to any contributory negligence by the Passenger (or the Agent, where applicable).

20.17 The limitations and exclusions in this clause 20 apply only to the extent permitted by the laws applicable to the Contract and the Services (including applicable Consumer Laws).

21. ITINERARY / RIGHT TO CHANGE

21.1 MSC Cruises reserves the right at its sole discretion and/or that of the master of any vessel (which will not be exercised unreasonably) to decide whether to deviate from the advertised or ordinary itinerary, to delay or anticipate any sailing, to omit or change scheduled ports of call, to arrange for substantially equivalent carriage by another vessel, to tow or be towed or assist other

vessels or to perform any similar act which, in its and/or master's sole discretion will deem advisable or necessary for the safety, of the Passenger, of the vessel and crew. In such circumstances, to the extent permitted by law, neither the Company nor MSC Cruises will be liable for any loss, claims, damage, liability, expenses, costs or injury suffered by the Passenger as a result of such deviation.

22. PASSENGER'S RESPONSIBILITY

- 22.1 The Passenger has a duty to follow the instructions and orders of the master and officers while on board. The Passenger hereby accepts and agrees that the master and officers are entitled and have authority to inspect any person on board, any cabin, baggage and belonging for safety, security or other lawful reasons.
- 22.2 The Passenger hereby expressly agrees to allow any such inspection.
- 22.3 Passengers must have received all necessary medical inoculations prior to the Cruise and have in their possession all tickets, valid passports, visas, medical cards and any other documents necessary for the scheduled ports of call and disembarkation.
- 22.4 Each Passenger warrants that he/she is physically and mentally fit to undertake the Cruise.
- 22.5 The applicable MSC Cruises' vessel and/or the master and/or authorised crew members have the right of refusing the boarding or order the disembarkation of any Passenger should they deem it necessary, for the safety, security, of the Passenger, of the other Passengers or of the ship or should the Passenger's conduct which, in the reasonable opinion of the master, is likely to endanger or impair the comfort and enjoyment of other Passengers on board.
- 22.6 No Passenger shall bring any animals whatsoever, except for recognised service or assistance dogs, subject to clause 9 above.
- 22.7 Passengers' behaviour must not affect and reduce the safety, peace and enjoyment of the Cruise by other Passengers.
- 22.8 The Passenger must not carry firearms, ammunition, explosives or flammable, toxic or dangerous substances, goods or articles on board any vessels which could be dangerous for the safety of Passengers and the vessels.
- 22.9 Passenger is liable for any damage suffered by the Company and/or MSC Cruises and/or any supplier of any service that forms part of the Holiday Package as a result of the Passenger's failure to comply with his contractual obligations. In particular, the Passenger shall be liable for all damages caused to the vessel or its furnishings and equipment, for injury or loss to other Passengers and third parties, and also for all penalties, fines and expenses attributable by the Passenger that the Company, MSC Cruises or any of MSC Cruises' suppliers may be liable to pay.
- 22.10 Passengers are not allowed to sell and/or purchase from other passengers or travel operators on board the ship any type of commercial services – including but not limited to Shore Excursions – which are not officially offered by MSC Cruises or its agreed independent contractors.
- 22.11 Neither the Company nor MSC Cruises will be under any liability whatsoever to any Passenger in respect of any breach or non-observance by any Passenger of the provisions of this clause 20 and any Passenger shall indemnify the Company and/or MSC Cruises against any loss or damage occasioned to the

applicable MSC Cruises' vessel or the Company or any of MSC Cruises' suppliers by such breach or non-observance.

23. FLIGHTS

- 23.1 Where air carriage is included in the Contract, the Company will advise Passengers of flight timings from data supplied by the air Carrier as part of the holiday documentation. The flight schedule is for information only. The Passenger's contract of carriage by air and the rights and obligations arising under it remain with the air Carrier. It is the Passenger's responsibility to ensure arrival at the airport in sufficient time to check in and board the aircraft. Passengers must note that not all medical equipment can be carried or used on board aircrafts. Passengers must check with the airline prior to carriage.
- 23.2 If the Contract does not include flights, it is the Passenger's responsibility to obtain a valid ticket directly from an air Carrier suitable for and in time for travel to the vessel (and including local transfers which the Passenger must arrange), as necessary.

- 23.4 The Company and MSC Cruises are unable to state the identity of the airline or the aircraft type applicable to the Passenger's travel package. All flights will be operated on scheduled or chartered services of recognised air Carriers. In those circumstances the air ticket payment needs to be made by the Company in advance and is normally not refunded by the air Carrier (regardless of the cancellation provisions with regard to the Cruise).
- 23.5 The Passenger will receive confirmation of flight timings and routes with their travel documents, which will be sent out approximately 30 days before departure.
- 23.6 For travel on dates other than those published in the Company's brochure and/or in the Official Website or on a particular Carrier or routing a higher fare may apply in which case the Passenger will be notified before Booking.

24. COMPLAINTS

- 24.1 Any Passenger with a complaint whilst on a Cruise must bring it to the attention of the Cruise staff on board the applicable MSC Cruises' vessel as soon as possible. If the Cruise staff is unable to resolve the problem, any complaint must be notified in writing to the Company within 60 days of the termination of the Cruise. Failure to report the complaint within this time may adversely affect the Company's ability to deal with it. Complaints relating to any other part of a Holiday Package must be made promptly to the Company or the supplier.
- 24.2 Notices of claim for loss or damage to luggage or other property shall be given to the Carrier in writing before or at the time of disembarkation, or if not apparent, within fifteen (15) days from the date of disembarkation.

The Passenger shall provide such further information

as may be required by the Company to deal with the complaint. If the Passenger is not satisfied with the response then it may complain to the relevant enforcement body in the country of embarkation.
