Outback *Spirit*

1 Arnhem Land

Arnhem Land is Aboriginal land, and a place few have the opportunity to experience. Occupying the north-eastern corner of the Territory, this sacred country is home to breathtaking landscapes, rare wildlife and the oldest surviving culture in human history.

3 Queensland

One minute it's rolling red sand dunes and the next, the world's oldest rainforest or colourful reefs. From the tip of Australia on the Cape York Peninsula to the outback interior, Queensland is full of surprises.

5 The West

Home to the hidden waterfalls of Karijini, the vineyards and fine wines of the Margaret River Region and World Heritage-listed Shark Bay, the Pilbara and South West are Mother Nature at her finest.

7 Tasmania

Pristine, rugged and pure, Tasmania is a place of proud people, produce and environment. On this adventure, you will sample all of it.

2 The Kimberley

From early explorer pioneer settlements to the Bungle Bungle Range and Horizontal Falls, the Kimberley is a place where history collides. With the rugged escarpments, magnificent gorges, and pristine waterways, you'll be blown away by just how spectacular it is.

4 Central Australia

Endlessly fascinating and uncompromisingly remote, Central Australia and Corner Country command deep reverence and respect. This is an area made for adventure and packed with sights that are guaranteed to take your breath away.

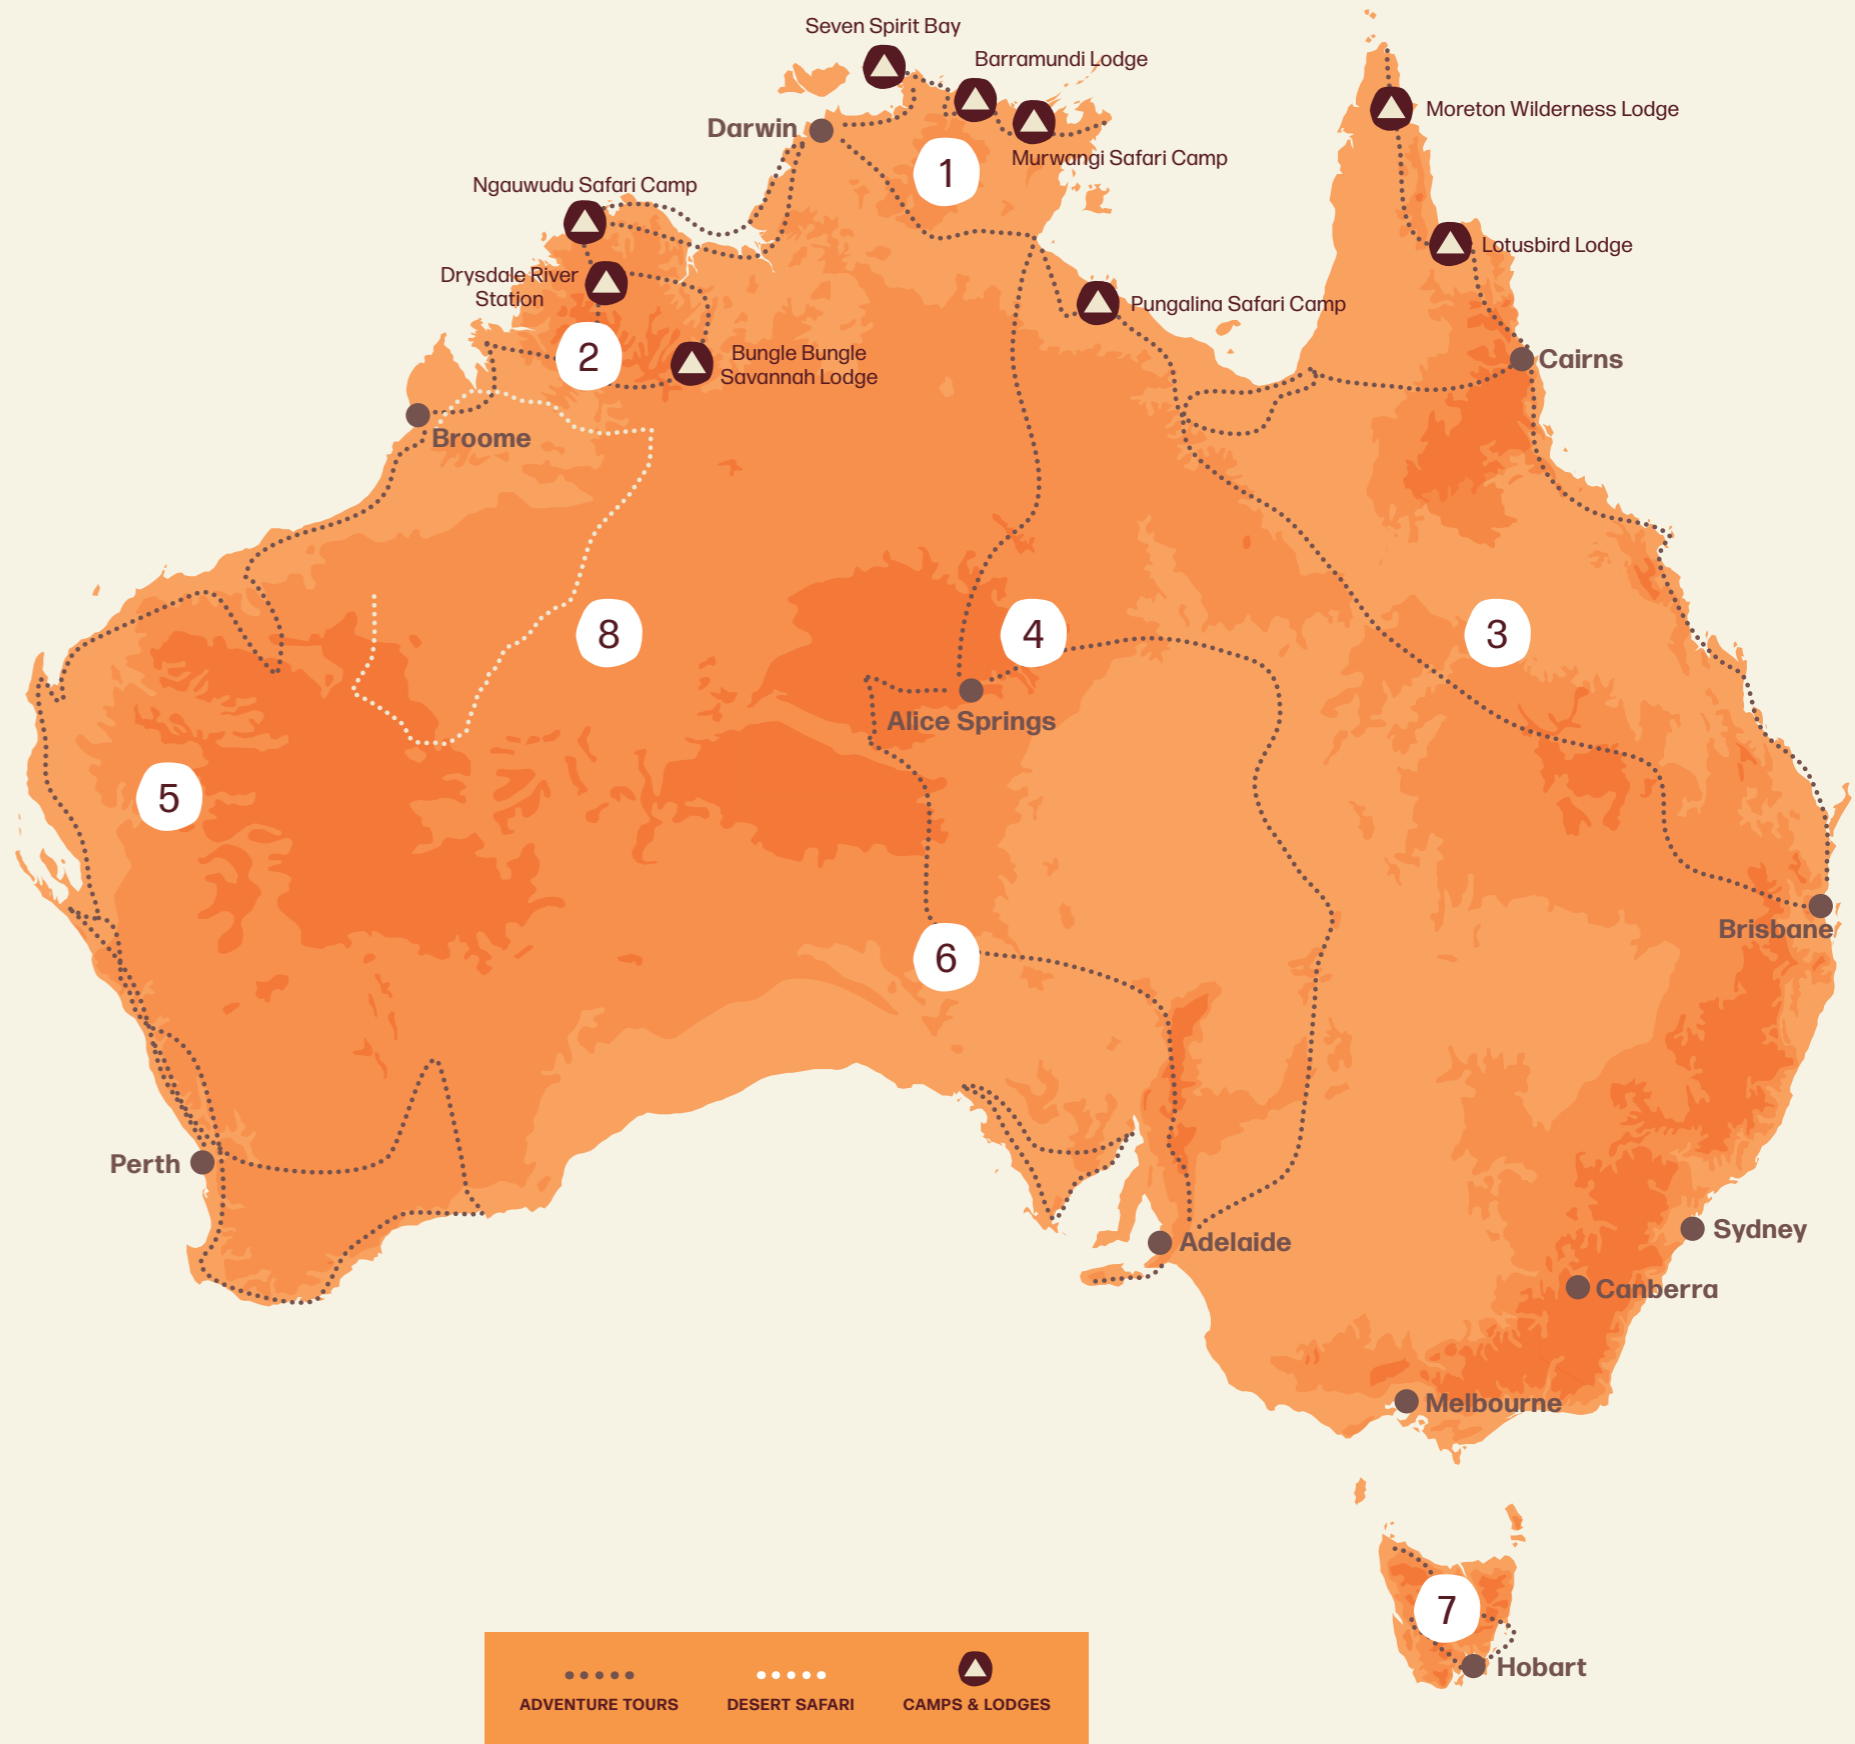

6 South Australia

Whether it's Wilpena Pound or the migrating Southern Right Whales along the coast of Kangaroo Island, Australia's southern region is full of wonder. This culturally vibrant state is renowned for its festivals, fine wines, and stunning outback landscapes.

8 Desert Safari

The Canning Stock Route is one of Australia's most challenging places to traverse, now made possible with Outback Spirit and our unique Mercedes-Benz G-Wagon expedition vehicles.

Mercedes-Benz 4WD Fleet

Out here, there's only one way to get around. And that's on board our \$30 million fleet of all-terrain, Mercedes-Benz 4WDs, which provide unparalleled access to even the most remote parts of this country in total comfort.

Smooth all the way

Roads can be rare around here, but with the sturdiest parabolic suspension systems available, the journey will always be a breeze. On board our Mercedes-Benz fleet, you'll be cushioned from the landscape, travelling through rugged environments in comfort.

Time to get comfortable

You'll cover a large amount of distance on your journey. Thankfully, our custom fleet provides more legroom than just about any other commercial tour vehicle available. So, you can stretch back, relax and have a chat.

A safer way to travel

It's no secret that Mercedes-Benz make some of the safest vehicles on the market. And that's no different here. From exceptional handling to superior suspension, there's not a single thing you'll have to worry about.

Quiet when you need it

On the outside, every tour vehicle is equipped with modular design and exceptional sound deadening materials. On the inside you'll find reclining leather seats, carpet and velour, resulting in a more soothing outback experience.

Passion and Expertise

Day 2: Darwin - Maningrida - Barramundi Lodge

We spend the next two nights at Barramundi Lodge, which is owned and operated by Outback Spirit. With special permission from traditional owners, the lodge has exclusive fishing licenses for numerous remote waterways, including the Tomkinson and Liverpool Rivers. The lodge features 12 beautiful safari suites and a restaurant overlooking the floodplains below. **B.L.D**

Stay: 2 nights at Barramundi Lodge

Day 3: Maningrida Fishing & Wilderness Adventure - Arts & Cultural Centre

This morning, we enjoy an exclusive fishing adventure on the Liverpool and Tomkinson Rivers. Our expert fishing guides will take you wherever the fish are biting aboard our sturdy Ocean Master vessels, the pinnacle for remote marine adventures. Today's fishing adventure is also a wilderness tour, so even if fishing isn't your thing, you'll still enjoy the amazing scenery and informative commentary.

We then visit the Maningrida Arts and Cultural Centre and the Djomi Museum for an immersion in the culture and spiritual richness of the area. Maningrida Arts & Culture is a pre-eminent site of contemporary Indigenous cultural expression and art-making and the Maningrida Art Centre empowers local Indigenous artists to pursue successful global careers from their homeland and township bases.

Later this afternoon, we'll enjoy a sunset drink on the deck before dinner and tell everyone about the one that got away. **B.L.D**

Day 4: Maningrida - Mount Borradaile

Departing Maningrida after breakfast, our travels take us through the stone country of west Arnhem Land. We'll cross the Goomadeer and Liverpool Rivers before arriving at the turnoff to Davidson's Arnhemland Safaris, Mount Borradaile. From here, we travel along a 40km bush track into the safari lodge, arriving in time for lunch.

This afternoon, the highly trained staff at Mount Borradaile will take you through 40,000 years of Aboriginal culture in a truly awe-inspiring landscape. The area contains some of the most stunning rock art galleries in the world with subjects ranging from now-extinct animals to 20th-century sailing ships and the iconic Rainbow Serpent. Later this afternoon, we return to the lodge for dinner. **B.L.D**

Stay: 2 nights at Davidson's Arnhemland Safari Lodge

Day 5: Mount Borradaile

Today, we jump into the open-back Toyotas and continue exploring the wonderland that is Mount Borradaile. We'll visit the ancient catacombs, where the sandstone has been eroded by wind and water over 600 million years, resulting in a massive cave system that is full of Aboriginal art. Learn about the variety of techniques used in rock paintings as the styles evolved over thousands of years of occupation and storytelling. We'll also wander through various occupation sites and view a range of artefacts from when these sites were in use.

After lunch, it's time to explore the incredible wetlands of Cooper Creek. Admire the prolific birdlife and large crocodiles sunning themselves on the banks as you discover lagoons that seem as if they have sprung from a story book. As the sun seeks the horizon, setting over the floodplain, enjoy a glass of wine and some nibbles before returning to the lodge. **B.L.D**

Maningrida, NT

Day 6: Arnhem Land – Kakadu National Park

This morning, we continue travelling through Arnhem Land. Our first stop is at the Injalak Art Gallery located in Oenpelli, which has over 200 active members, including artists, weavers, and craftspeople from Gunbalanya and surrounds.

We then cross Cahill's Crossing and enter into World Heritage-listed Kakadu National Park. Kakadu covers almost 20,000 square kilometres and is renowned for its vast wetlands, exotic wildlife, millions of migratory birds and an estimated 5,000 ancient rock art sites. The Bininj/Mungguy people have called Kakadu home for some 65,000 years

Here, we visit Ubirr art site, home to some outstanding rock art. Enjoy a 1km circular track walk to take in the multiple sites. Those feeling fit can make the steep 250m climb to the top of the rocky escarpment for magnificent views across the Magela floodplain. After lunch, we visit the cultural centre before checking into our hotel for the next two nights. **B.L.D**

Stay: 2 nights at Mercure Crocodile Hotel

Mount Borradaile, NT

Day 7: Kakadu National Park

It's an early start today as we head to the airstrip, where you'll gain an aerial perspective on this incredible environment. Take to the skies on a 30-minute scenic flight over ancient escarpments, floodplains and winding rivers, exhibiting the results of 1.8 billion years of continuous erosion.

After landing at Jabiru Airport, we depart for Burrungkuy (Nourlangie) rock art site, with more amazing rock paintings, which date back 20,000 years. You also have the opportunity to climb up to the Gunwarddeharde lookout for majestic views.

We then visit the Warradjan Cultural Centre, where the Traditional Owners share their story through an interactive educational experience that brings to life tens of thousands of years of human life in Kakadu. The gift shop here has an extensive range of handcrafted, authentic, local-made arts and crafts.

Later this afternoon, we take to the water for the Yellow Water (Ngurrungurrudjba) wetlands cruise. This area is home to an array of birdlife and some impressive saltwater crocodiles.

We return to the hotel in time for dinner. **B.L.D**

Day 8: Kakadu National Park - Darwin

Setting our sights for Darwin, we will cross the South Alligator River with its expansive wetlands which, for many years, were used for buffalo hunting. We'll travel via Humpty Doo before arriving into Darwin, where our tour ends.

The Kimberley

It's Australia's final frontier, a region rich in history spanning the dawn of man to the modern age. Parts of the Kimberley are so remote, you'll be one of a handful that walk there. Take in the wonders of this pristine environment with Outback Spirit.

A Deeper Journey into The Kimberley

The Final Frontier of Australia.

Outback Spirit is one of the largest tour operators in the Kimberley, offering hand crafted itineraries born from 20 years of experience. Your adventure will cover all major highlights, including Ngauwudu (Mitchell Plateau), Purnululu National Park and a few unknowns only we can show you. And you'll be guided by the locals every step of the way.

Purnululu National Park, The Bungle Bungle Range

Witness the majesty of the Bungle Bungles, one of Australia's most iconic sacred sites, from two perspectives: up above on a scenic helicopter flight or down below on a guided tour following the 'dome trail' for a close up of these unique formations.

Garaangaddim, Horizontal Falls

Known as Garaangaddim by the local Indigenous people, Horizontal Falls is a truly curious phenomenon - a place where tidal currents cause waterfalls to ebb and flow. And we'll take you right into the swirling heart of it.

Purnululu National Park, Cathedral Gorge

One of the planet's few natural amphitheatres and a World Heritage-listed site, Cathedral Gorge is a place that once seen, few people seldom forget. Equally eerie and magnificent, it will make you appreciate the beauty of mother nature.

Network of camps and lodges

Situated in the wilds of Ngauwudu, Mitchell Plateau or in the heart of Purnululu National Park, Outback Spirit has a network of camps and lodges in the Kimberley region. Here you will always lay your head in spectacular locations.

Exclusive Camps and Lodges

Immerse yourself in the Bungle Bungle Range with a two-night stay at this ideally positioned safari lodge within Purnululu National Park.

At a glance

- All-inclusive experience

- Close to all the attractions within the Bungle Bungle Range, including Cathedral Gorge, Echidna Chasm and Piccaninny Creek
- Delicious home-style meals
- Comfortable cabins with private ensuites
- The only lodge in the Bungle Bungle Range with a swimming pool

Bungle Bungle Savannah Lodge is the most established accommodation within the World Heritage-listed Purnululu National Park (the Bungle Bungle Range). Located in the south of the park on Bellburn Creek, the lodge features 28 architecturally designed cabins, scattered throughout a bush setting. There's also a licensed restaurant and outdoor bar area overlooking the creek, an ideal spot for a cool drink at the end of the day.

Although recently upgraded, Bungle Bungle Savannah Lodge was one of the original safari facilities in the park and is still the most ideal spot from which to explore this fascinating geological landmark. It's close to all of the park's highlights, including Cathedral Gorge and Piccaninny Creek, and is one of only a handful of accommodation facilities in the area.

Outback Spirit is a 50% owner of the Bungle Bungle Savannah Lodge, in partnership with Aviair in Kununurra.

Built exclusively for Outback Spirit guests, Ngauwudu Safari Camp allows for in-depth exploration of the stunning Mitchell Plateau.

Ngauwudu (pronounced Ng-woo-doo) is the Aboriginal name for the Mitchell Plateau, a striking and untouched wilderness in the North Kimberley. Outback Spirit's safari camp is one of only two permanent camps at Ngauwudu and is by far the most luxurious and spacious.

Ngauwudu Safari Camp was expanded and renewed for the 2022 touring season, with a multi-million-dollar upgrade and the addition of eight new Safari Suites. The original Safari Suites have all been beautifully outfitted, with new furniture, fittings and bedding. This, along with private ensuites, crisp laundered linen, full insect screening and a wide verandah with outdoor furniture, makes for an even more luxurious experience. The Wawida Pavilion, home to Ngauwudu Safari Camp's restaurant and bar, has also been transformed, with updated dining facilities, a cosy lounge and extended alfresco area, perfect for relaxing during the day or night.

Coral Adventurer, The Kimberley, WA

Your Journey

In true expedition style, Coral Expeditions refrains from providing a rigid day-by-day itinerary to prioritise flexibility throughout the journey and maximise your expeditionary experience. The below is an indication of the itinerary departing Darwin and arriving Broome. For the opposite direction, the itinerary is in reverse.

Day 1: Depart Darwin or Broome

Darwin Departures: Arrive at Darwin Fort Hill Wharf for boarding at 8:00am. There will be a light breakfast available before we cruise across Joseph Bonaparte Gulf.

Broome Departures: Arrive at the Mangrove Hotel at 3:30pm before our transfer to Broome Deep Water Port for boarding.

Stay: 10 nights on Coral Geographer, Coral Adventurer, or Coral Discoverer

King George River & Falls

Fed by the King George River, 80m tall King George Falls are the most impressive Kimberley waterfalls and the highest twin falls in Western Australia. Before reaching the base of King George Falls, we cruise through steep-sided gorges carved by a flooded river system 400 million years ago.

Vansittart Bay

Vansittart Bay boasts culturally rich sites, including the ancient Gwion Gwion (Bradshaw) Aboriginal rock art galleries. Jar Island, named for the pottery remnants left by Makassan fishermen, and Anjo Peninsula, home to the wreckage of a US Airforce C-53 Skytrooper aircraft from 1942.

Mitchell Falls, Winyalkan, & Swift Bay

Opt for a scenic helicopter tour (extra fee) to Mitchell Falls with its cascading rock pools and hidden rock art galleries. Or explore sandstone caves at Wollaston Bay or Wollaston Creek, and visit Wandjina and Gwion art galleries at Swift Bay.

Prince Frederick Harbour & Bigge Island

The harbour is dotted with islands lined with mangroves and monsoon rainforests, set against a backdrop of ochre-hued escarpment. We will take our Xplorer tender vessels on a cruise up Porosus Creek to view some striking rock formations.

Prince Regent River & Careening Bay

King Cascade is a beautiful, terraced waterfall and is one of the most photographed waterfalls in the Kimberley. We reach King Cascade after cruising in our Xplorer tender vessels down the steep-sided Prince Regent River.

Montgomery Reef

Twice daily, colossal 11m tides reveal Montgomery Reef from the Indian Ocean, unveiling a flat-topped reef with rock pools and rivulets. We explore closely in our Xplorer and Zodiac tenders, watching opportunistic birds feast on exposed marine life.

Doubtful Bay & Raft Point

Raft Point guards the entrance to Doubtful Bay, that harbours significant sites such as the ancient Wandjina rock art galleries. We visit the rock art galleries when Traditional Owners are available to guide us. Red Cone Creek winds down to Ruby Falls through stacked rock formations, offering climbing opportunities before leading to freshwater swimming holes and waterfalls.

Horizontal Falls

The Horizontal Falls, born from the Kimberley's immense 11m tides, showcase nature's power as ocean rushes through a narrow gorge, creating a horizontal waterfall. Riding these rapids on our Zodiacs is a Kimberley cruise highlight. Talbot Bay, in the Buccaneer Archipelago, features ancient rocks over 2 billion years old. Witness geological forces at Cyclone Creek's rock formations and sail past Koolan Island, ending with sunset drinks at Nares Point.

The Lacepede Islands

The Lacepede Islands, a class-A nature reserve, host nesting sites for brown boobies, roseate terns, and green turtles. Explore the lagoons via Xplorer and Zodiac tenders.

Day 11: Arrive Broome or Darwin

Broome Arrivals: Arrive in Broome this morning at 8:00am.

Darwin Arrivals: Arrive at Darwin this morning at 8:30am.

A post-cruise transfer to Broome CBD or Airport is included.

Your Journey

Day 1: Alice Springs

Welcome to Alice Springs, the heart of Australia, in more ways than one. Today, you'll meet our passionate Outback Spirit crew, who will be looking after you for the next eight days. Check-in at DoubleTree by Hilton, where we'll stay for the first two nights, before welcome drinks and a short briefing on what you can expect during the Red Centre Explorer tour. Tonight's dinner is at the hotel. **D**
Stay: 2 nights at DoubleTree by Hilton

Day 2: Alice Springs

Today, we explore Alice Springs and surrounds and see natural rock formations that are truly spectacular. After breakfast, we'll venture to the West MacDonnell Ranges and enjoy a walk to Simpsons Gap. Known as 'Rungtjirpa' by the Arrernte people, Simpsons Gap is an important spiritual site and home to dozens of rare plants and native wildlife.

We visit Standley Chasm-Angkerle Atwatye, a cultural icon of Central Australia and 100% owned and operated by the Arrernte community, followed by the Alice Springs Desert Park. Here we'll enjoy lunch and immerse ourselves in the stories of the desert that will help us to appreciate and enjoy the beautiful landscape that we are travelling through. This evening, we enjoy a classic-style outdoor BBQ and show under the incredible night sky. **B.L.D**

Day 3: Kings Canyon

Today, we say goodbye to Alice Springs and go deeper into the outback. First up is a visit to Ellery Creek for a short walk and morning tea, then we travel to Ormiston Gorge to see its towering red cliffs. We'll stop for lunch before our journey to the mighty Kings Canyon and Watarrka National Park.

As we drive through the outback, we'll take the scenic Mereenie Loop 4WD track through the West MacDonnell Ranges and arrive at Kings Canyon Resort, where we'll spend the next two nights. Tonight, we dine at Carmichael's, a relaxed space situated in Kings Canyon Resort surrounded by native trees and bushlands. **B.L.D**

Stay: 2 nights at Kings Canyon Resort

Day 4: Kings Canyon and Watarrka National Park

This morning, we depart early to experience the beauty of Kings Canyon. Two walks are available, including the spectacular 6km rim walk, which features breathtaking views of the Watarrka National Park before descending into the 'Garden of Eden'. For those who wish to save energy, a more relaxed 2.6km walk is also available along the creek on the canyon floor.

After the morning's activities, we return to Kings Canyon Resort for lunch to rest and refresh. The afternoon is spent learning about Aboriginal culture with Karrke Aboriginal Cultural Experience and Tours.

For those wishing to take the optional helicopter flight over Kings Canyon, this afternoon offers some time to enjoy Kings Canyon from the air (at own expense).

As afternoon turns to evening, we'll enjoy sunset drinks and canapes at Light-Towers, an immersive sound and light installation by the acclaimed artist Bruce Munro. Tonight, we'll enjoy dinner at the newly renovated Kings Canyon Bar & Grill and gather to recall the day's adventures. **B.L.D**

Day 5: Kings Canyon - Uluru-Kata Tjuta National Park

Today is special. We depart Kings Canyon for Uluru-Kata Tjuta National Park, passing through Kings Creek Station to enjoy an informative paper talk and lunch at Curtin Springs, a million-acre cattle station. In the early afternoon, we arrive at the award-winning Sails in the Desert Hotel, part of the Ayers Rock Resort.

This evening, we are transferred to the Wintjiri Wiru Sunset Dinner. A breathtaking cultural storytelling experience through choreographed drones, lasers and projections illuminating the night sky.

After a short journey from the resort, we venture to an open-air theatre set upon a dune top. Enjoy cocktails infused with native ingredients while taking in the incredible views of Uluru. As darkness descends, enjoy a gourmet dinner hamper where native ingredients are combined with modern techniques to create a balanced and flavourful palette as the night sky lights up before our eyes. Witness the ancient Mala story re-told and feel a powerful connection to country listening to a traditional Inma soundtrack and narration in the local Pitjantjatjara language.

Stay: 3 nights at Sails in the Desert

Day 6: Uluru-Kata Tjuta National Park

After breakfast, we depart to discover Kata Tjuta (the Olgas) and admire the stunning rock formations on a guided walk into Walpa Gorge.

We take in the cultural centre and enjoy a guided tour around the base of Uluru, which stands 348 metres above the desert plains. Learn about traditional Anangu culture and why Uluru, one of the largest monoliths in the world, is such a sacred site.

We let our creativity shine this afternoon during the Maruku Arts dot painting workshop. A local Anangu artist will teach us about traditional art, symbols, tools, and more.

Tonight we visit Bruce Munro's global phenomenon 'Field of Light'. Aptly named Tili Wiru Tjuta Nyakutjaku (looking at lots of beautiful lights), 'Field of Light' features 50,000 slender stems crowned with radiant frosted spheres spread across an area the size of 7 football fields.

Departing the hotel before sunset, we head to an exclusive dune top location with majestic views of Uluru. Enjoy drinks and canapes as the desert gently illuminates and comes to life. After your host provides some insights into this remarkable installation, you'll explore the stunning display via the dedicated pathways.

This evening, we return to the hotel for dinner.

B.L.D

Note: Dinner this evening will be at approximately 9pm.

Day 7: Uluru-Kata Tjuta National Park

Early risers will experience the sun rising over Uluru this morning and the colours of dawn spreading across the landscape. Breakfast is at the hotel before we depart for the Mala Walk. Admire the fine examples of rock art along this walk before arriving at Kantju Gorge, a place of profound peacefulness surrounded by sheer vertical walls.

We return to the hotel for lunch with an afternoon ahead of us, which you can spend at your leisure or participate in additional touring of the area, including a visit to the Gallery of Central Australia and a Bush Tucker Experience.

This evening, we'll enjoy the unique 'Sounds of Silence' dining experience under the stars. Offering the best of the Red Centre distilled into four magical hours, the evening begins with canapes and chilled sparkling wine served on a viewing platform overlooking the Uluru-Kata Tjuta National Park. As the sun sets and darkness falls, listen to the sound of the didgeridoo and enjoy a premium bush tucker-inspired buffet incorporating native bush ingredients. Afterwards, settle back and listen to the resident star talker decode the southern night sky.

After this incredible experience, we return to Sails in the Desert for our final night. **B.L.D**

Day 8: Farewell

After a hearty breakfast at the hotel we farewell the passengers flying home from Ayers Rock Airport, and continue our journey to Alice Springs where the Red Centre Explorer tour comes to an end. **B**

Desert Safari

Australia is more than a country. It's a continent. And that couldn't ring truer than here, in its endless desert expanses. These places are isolating, challenging and near impossible. However, with the help of Outback Spirit's Mercedes-Benz G-Wagon fleet and 24-hour mechanical service, we've defied all odds. Fulfill that lifelong dream of travelling the Canning Stock Route with Outback Spirit.

Journey Deeper on a Desert Safari

A desert safari is a unique way to explore the Australian outback. While our other adventures showcase the beauty of the outback, a desert safari ventures deeper, taking you across rugged terrain, travelling off-road in one of our hardy, yet comfortable, Mercedes-Benz G-Wagons.

You'll get up close to nature, with intimate and comfortable camping experiences across the hard-to-access parts of the outback.

The bare necessities

On board each of our six-wheel drive military style G-Wagons is a specially designed and engineered pod. One vehicle houses a mobile kitchen, whilst another features two equal size bathrooms, complete with hot showers and flushing toilets.

Guided by experience

In each Desert Safari crew, there are five professional Driver Guides, highly experienced in remote, off-road touring. There are countless strengths required for a successful expedition, such as mechanical know-how, in-depth knowledge of the desert environment, and catering skills. There's an experienced camp cook, who'll provide delicious cuisine for the expedition. And, with ample refrigeration and a re-supply rendezvous, we're never short of quality, fresh food.

Camp in comfort

We provide the best camping equipment available to make the experience as enjoyable as possible. The large tents are easy to erect, with only one centre pole and a few pegs. You'll be sleeping off the ground on sturdy, lightweight stretcher beds, with a self-inflating mattress on top. As the desert nights can get quite chilly, we also provide a high-quality sleeping bag to keep you warm and cosy.

Mercedes-Benz G-Wagon

Travel off-road in one of our incredible Mercedes-Benz G-Wagons - one of the most capable and robust all-terrain vehicles in the world.

The Mercedes-Benz G-Wagon

One of the most capable and robust all-terrain vehicles in the world, the G-Wagon has an enhanced drivetrain and suspension. In fact, the Australian Defence Force (ADF) has upgraded its ageing Land Rover fleet with approximately 2,500 of these vehicles. It is the only vehicle that could meet the demands of this unique expedition. Off-road, they are simply unmatched.

Our custom fleet

We have a fleet that consists of both 6x6 and 4x4 vehicles. The 6x6 underpins the expedition, thanks to its high payload and remarkable capability. This allows us to carry our own kitchen and amenities units, both of which were custom made and engineered for Outback Spirit. We operate two separate yet identical convoys for this expedition. Each consists of three 6x6 vehicles and two 4x4's.

Travel in comfort

All passenger seats are full-size coach seats with seat belts, and all face forward (seat rotations occur daily). They feature good legroom (far more than normal 4WD vehicles), great visibility and are very comfortable. The vehicles are also equipped with satellite telephones and advanced medical kits. Comfort-wise, nothing comes close. And then there's the engineering and safety for which Mercedes-Benz is renowned. When it comes to our guests' comfort and safety, no expense is spared.

Alice Springs Telegraph Station

The Alice Springs Telegraph Station Historical Reserve marks the original site of the first European settlement in Alice Springs. Established in 1871 to relay messages between Darwin and Adelaide along the Overland Telegraph Line which connected Australia's population centres with the north of the country and Britain using the undersea telegraph network. Before the telegraph line was built, a message to England would have to travel by boat, taking 3-4 months each way. After the telegraph line was built, morse code messages could reach London in as little as 5 hours - slow by today's standards, but revolutionary for people of the 19th century.

The Historic Museum

Guided Tours through the heritage museum and precinct are a great way to immerse yourself in the history of the Telegraph Station, the origins of Alice Springs as a town and the Stolen Generation of the Bungalow era of the 1930s. Learn about the back story, and inner workings of the original Telegraph Station and Post Office, as well as experience a working display of Meidinger batteries - replicas of those that powered the Overland Telegraph Line back in the 1870s - which is unique in the southern hemisphere.

Guided tours daily between April and November.

From \$16.10 per adult

*Price based on entry fee for travel in 2024.

The Trail Station Café

The Trail Station Cafe is nestled along the vibrant Alice Springs Trail, next to the historic Alice Springs Telegraph Station. Offering all your on the go needs with freshly brewed coffee, toasted croissants, gourmet sandwiches, ice-creams and a tempting selection of cakes to choose from. Whether you're planning a picnic on the grassy lawns, walking one of the marked trails or tackling the terrain on bike - the Trail Station Café is the ideal stop for adventurers and explorers alike.

The table below outlines the following dependent on the Fare Class you have booked: (a) the basis on which your Journey Price is calculated; (b) when you are required to pay your Deposit and Final Payment; (c) terms on which you may request amendments; and (d) cancellation fees payable if you give notice or are deemed to have cancelled your booking.

If you fail to make payment of the Final Payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after the reminder, you will be deemed to have cancelled your booking.

Cancellations and requests to amend the dates of travel must be made by contacting us. If you have booked through a travel agent, please contact them to make the request. Amendment requests are subject to availability. If an alternative date within 12 months of the original commencement date (or within such other window of applicable alternative dates, if specified in the table below for a particular Fare Class) is unavailable or unsuitable for you and you notify us that you cannot travel on the original dates for your Journey then you will be deemed to have cancelled your booking and cancellation fees may apply depending on your Fare Class.

If we are able to confirm a request to amend the dates of travel for your Journey, then other than with respect to the Fully Flexible Fare Class: (a) you are not permitted to make further amendments; and (b) cancellation of the amended Journey will be subject to cancellation fees of 100% of the Journey Price irrespective of when notice to cancel is received. For the avoidance of doubt, multiple amendments are permitted for the Fully Flexible Fare Class.

5. Cancellations by Us

If we cancel your Journey for reasons other than Force Majeure (see below) or a failure to satisfy minimum numbers (see below), you will be offered (at your election) a refund of the Journey Price received by us, the offer of an alternative Journey of comparable quality if appropriate or a Credit Note of all funds received.

To the fullest extent permitted by law, we will not be responsible for any other loss or costs you incur (for example, airfares not included in your Journey, insurance and visa expenses) if your Journey or particular Journey Services are cancelled for any reason.

6. Minimum Numbers

Journeys are based on a minimum number of passengers travelling, except where we expressly state that a specific Journey date is a guaranteed departure date. We will advise you prior to issuing your Booking Confirmation if this is the case. If a Journey fails to satisfy minimum numbers, the Journey may be cancelled, rescheduled or re-costed. We will give you notice no later than 100 days prior to the Journey's commencement. If the Journey is rescheduled or re-costed, you will have the option to either accept the rescheduled departure date or the new cost (as applicable) or to cancel your booking. You must make this election within 7 days of receiving notice from us. If we cancel the Journey or if you cancel your booking in these circumstances, we will at your election refund all payments made or credit payments towards an alternative Journey.

7. Amendments by Us

Prior to travel

Due to the dynamic nature of the travel industry, we may occasionally need to make amendments or modifications to the itinerary of your Journey and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your Journey's itinerary or its inclusions that materially detract from the overall characteristics or value of the Journey (where we determine it can still proceed), then we will notify you within a reasonable time and you may elect to:

- proceed with the Journey, in which case we will refund you an amount attributable to the reduction in value determined by us acting reasonably; or
- cancel your Journey, in which case we will refund the Journey Price received by us at that time.

If you do not contact us to make an election within 7 days of us notifying you of the significant change (or within a reasonable shorter timeframe where the change is notified nearer to your Journey's commencement), then you will be deemed to have elected to proceed with the Journey.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the Journey's inclusions may need to change during your Journey due to local circumstances beyond our reasonable control, including but not limited to road or rail track conditions, poor weather, changes in transport schedules, cultural considerations and/or vehicle breakdowns. In these circumstances we will endeavour to make suitable alternative arrangements, which may include the use of light aircraft.

Accommodation

Due to the dynamic nature of the travel industry, we may need to substitute hotels, vessels and other forms of accommodation with alternative properties or vessels. We will endeavour for these substitutes to be of a substantially comparable standard. We will endeavour to minimise substitutions. You acknowledge that these substitutions will not be considered a significant change.

General

To the fullest extent permitted by law:

- we will not be responsible for any omissions or modifications to the itinerary of your Journey or its inclusions due to Force Majeure or other circumstances beyond our control happening after we have confirmed your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;
- if you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and
- we will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary of your Journey or its inclusions.

8. Force Majeure

Prior to travel

If: (a) in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your Journey cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or (b) you give us notice no more than 14 days prior to commencement of your Journey that you cannot reasonably participate in it due to Government Restrictions then we may:

- reschedule your Journey, but only if you are agreeable to the rescheduled arrangements; or
- cancel your Journey, in which case our contract with you will terminate.

If we cancel your Journey, neither of us will have any claim for damages against the other. However, we will issue you with a Credit Note equal to the Journey Price received by us. Please note that our ability to issue you with a Credit Note may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits. In such circumstances we may instead pay you a cash refund of the Journey Price received by us less: (a) unrecoverable third-party costs and other expenses that remain payable by us for your Journey Services; (b) overhead charges incurred by us relative to the Journey Price; and (c) fair compensation for work undertaken by us in relation to the Journey until the time of cancellation.

For the avoidance of doubt and without limitation, an illness, the development of a medical condition or the failure of any commercial transportation not included in your Journey is not considered a Force Majeure event.

During Journey

If we cancel Journey Services due to Force Majeure during your Journey, we will provide you at your election with either a refund of recovered third party costs plus any third party costs we don't incur for the cancelled Journey Services or a Credit Note of the same value.

General

If we provide you with any alternative services or assistance where Journey Services are cancelled due to Force Majeure which you accept, then you agree that any amount to be refunded to you will be reduced by the value of these services and that assistance.

To the fullest extent permitted by law, our liability to you for cancellations due to Force Majeure is limited to your rights under this clause.

9. Prior to your Journey

Travel Insurance

It is strongly encouraged that you are adequately insured for the duration of your Journey. We recommend comprehensive travel insurance to cover cancellation, medical requirements, medical evacuation, luggage and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your Deposit. This is because cancellation fees may be payable from that time.

Passports, Visas & Vaccinations

If you are not an Australian citizen it is your responsibility to ensure you hold a valid passport with sufficient validity and any required visas for your Journey. It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the Journey.

Health & Fitness

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the Journey. You must complete our 'Fitness to Travel Form' within a reasonable time after we issue your Booking Confirmation and in any event prior to travel. We may cancel your booking or refuse to board you without any right of refund if you fail to complete the 'Fitness to Travel Form' within a reasonable time after we have reminded you to do so.

Some walking tracks have sections of steep, uneven, rocky ground and may be slippery. Temperatures may be extreme. You are required to have a reasonable level of mobility and to be able to board and alight vehicles unaided by our personnel. Due to space restrictions onboard our touring vessels, we are unable to accommodate wheelchairs or walkers. Touring vehicles are not equipped with wheelchair lifts or ramps. If you require special assistance, you must be accompanied by a person who is able to provide such assistance.

Our personnel will be pleased to provide general assistance throughout your Journey. However our personnel are unable to meet the needs of guests requiring regular medical attention and are not able to act as carers. If you require special assistance, you must be accompanied by a person who is able to provide such assistance.

If you have doubts about your ability to undertake the Journey, please contact us to discuss your circumstances prior to making a Booking.

Existing Medical Conditions If you have a medical condition which may reasonably be expected to increase your risk of needing medical attention or special assistance, or which may materially affect the usual conduct of the Journey, then you must advise us prior to or at the time you make your Booking.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition prior to or at the time you made your Booking, we will provide you with a full refund of payments received.

If you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you and cancellation fees will apply.

New Medical Conditions You must advise us of any new or changed medical conditions which may reasonably be expected to increase your risk of needing medical attention or special assistance, or which may materially affect the usual conduct of the Journey.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, or if you fail to provide a medical assessment within a reasonable time or our request, then this will be considered a cancellation by you and cancellation fees will apply.

General We may refuse to confirm your Booking or to permit you to commence the Journey, and we may remove you from Journey, without any liability on our part and without an obligation to provide you with a refund if you have any illness, injury, disease or other medical condition which makes travel unsafe for you, other guests or our employees.

Dietary Requirements

Special dietary requests are required to be notified to us within 7 days after we issue your Booking Confirmation. We will endeavour to communicate your requirements to relevant suppliers. However, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens other than in circumstances where we have been negligent.

Risk Acceptances & Waivers

You acknowledge that your Journey may expose you to inherent personal risks which may be greater than those present in your everyday life. This could be because of the adventurous nature of the Journey, travelling through and visiting remote destinations, and interactions with wildlife. You travel on the basis that you accept these inherent risks and that to the fullest extent permitted by law we will not be responsible for any personal injury or death resulting from the materialisation of an inherent risk.

You acknowledge and agree that your participation in certain activities may be subject to you agreeing to a form of risk acceptance and waiver of liability for participation in the activity. Independent Suppliers and Additional Services Principals may also require you to agree to such forms.

Our Journeys

Journey Services supplied by us To the extent only that we are the principal supplier to you of Journey Services which we directly control, operate or own then we will provide those Journey Services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and contractors (where we have direct control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the Journey Services, or due to an event of Force Majeure.

Services supplied by Independent Suppliers Where an Independent Supplier is the supplier of Journey Services, you acknowledge that our obligations to you are limited to taking reasonable care to select a reputable Independent Supplier and arranging for them to provide those Journey Services to you. Independent Suppliers over whom we may not have direct control could include hoteliers, independent transport companies (i.e., vehicles not operated by us), excursion operators, venue operators and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions, omissions or negligence of an Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Recreational Services

If we supply any Recreational Services to you, then to the maximum extent permitted by law we exclude any liability for death, physical injury or mental injury or any other liability referred to in section 139A(3) of the Competition and Consumer Act 2010 (Cth) resulting from our failure to comply with a guarantee that applies under Subdivision B of Division 1 of Part 3-2 of the Australian Consumer Law. This exclusion does not apply to significant personal injury caused by our reckless conduct.

Additional Services

You agree that our responsibility to you for any Additional Services is limited to arranging for you to contract with the Additional Services Principal. You agree that you will be subject to the Additional Services Principal’s own booking conditions. Any claim in connection with the supply (or failure to supply) those Additional Services must be made directly against the Additional Services Principal. We will in no way be responsible for the actions, omissions or negligence of the Additional Services Principal or any person engaged by them to deliver the Additional Services.

General Liability Limitation

We cannot guarantee our schedule. As a result, you should allow ample time for connections. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

Australian Consumer Law and corresponding legislation in State and Territory jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts (“Consumer Guarantees”). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent permitted. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the Journey Services to be resupplied or payment of the cost of the Journey Price.

13. Complaints

In the event of a problem with any aspect of your Journey Services you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven’t resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your Journey. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant). Notification of a complaint does not guarantee any particular outcome.

If you fail to follow this procedure, this may limit your rights to make a claim.

14. Refunds

Any refunds payable by us under these Booking Conditions will be made as follows: (a) if you paid us directly with a credit or debit card, we will credit the same card with the refund unless you advise us that the card has expired or is no longer active; (b) if you paid us by direct bank transfer, we will pay the refund to a bank account notified by you; and (c) if you booked your Journey through a travel agent, then we will pay the refund to the travel agent.

15. Deemed Acceptance

If you place a booking on behalf of another party, you represent and promise to us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur but would not have incurred had this been the case.

16. Image Release

We and our suppliers may take photographs or make recordings of you and your activities that identify you during the Journey. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us as least 21 days prior to the commencement of your Journey.

17. General

The contract between us and you is governed by the laws of the State of New South Wales, provided that if the civil liability legislation of New South Wales does not apply because a cause of action arose outside New South Wales, then the contract (to the extent it relates to that cause of action) shall be governed by the State or Territory in which the cause of action arose. Any disputes shall be dealt with by a court with the appropriate jurisdiction in the State or Territory of the governing law.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.

Any personal information you provide to us will be collected, stored, used, protected and shared in accordance with Australian Privacy Principles (and foreign privacy laws, if applicable), and our Privacy Policy, which is published at www.outbackspirittours.com.au/privacy.
