The World's First Discovery Yachts

Scenic Eclipse, South Georgia

For more information visit scenic.com.au/eclipse-technology

There's something truly extraordinary about a Discovery Yacht that can adapt to its surroundings and environment. Whether it's spontaneously stopping at a secluded beach or crossing the poles, Scenic Eclipse will take you further than others in safety and comfort.

Discovery Yacht Cruising

Catering for only up to 228 guests (or 200 in Antarctica), Scenic Eclipse combines the sleek design of a super yacht with industry-leading technology.

The Discovery Yachts are custom-built for polar waters with a Polar Class 6 rating, strengthened hull, forward bow thrusters, advanced propulsion systems and stabilisers that are 50% larger than other ships for greater stability.

State-of-the-art technology

The design of Scenic Eclipse reflects our commitment to innovation and the highest safety standards. Features include Safe Return to Port with multiple redundant operating systems and GPS Dynamic Positioning to maintain location without dropping anchor onto sensitive seabeds. This helps protect pristine environments and enables us to stabilise the ship for swift embarkation on Zodiacs and to stop to explore whenever an opportunity presents itself.

Commitment to health & safety

The most recent insights and world-class technologies have been implemented to safeguard your health and safety. The Advanced Heating, Ventilation and Air Conditioning (HVAC) system provides 100% fresh air in each suite and throughout the ship. Scenic Eclipse also has Advanced Wastewater Treatment and highly effective engines to reduce emissions, noise and vibration to ensure minimal disturbance to wildlife and the ultimate comfortable navigation for guests.

“The revolutionary idea of Scenic Eclipse is that it’s an ultra-luxury yacht, but with state-of-the-art design equipment so we can go further and safer. You have incredible technology – fantastic ice strength, dynamic positioning and revolutionary stabilisers, all offering much more flexibility.”

Highlights
Antarctica, South Georgia & Falkland Islands

Fur Seal, Grytviken, South Georgia

For more information visit scenic.com.au/antarctica

Whether you wish to see the Peninsula's highlights or to venture further into remote regions, there's a Scenic Eclipse voyage to suit your expedition dreams. From South Georgia's wildlife sanctuary to the historical Falkland Islands, prepare to be amazed.

A land of pristine beauty and great history

Scenic Eclipse's state-of-the-art design, with a Polar Class 6 rating, strengthened hull, forward bow thrusters, customised stabilisers and advanced sonar technology, allows us to navigate further and faster than others in Antarctica.

Imagine being surrounded by 150,000 King penguins in South Georgia. Playful sea lions, fur and elephant seals also thrive in the "Galapagos of the Southern Ocean".

Discover the Falkland Islands' storied wartime history. Explore the lesser-visited Weddell Sea, famous for its massive tabular icebergs, and Snow Hill Island's Emperor penguin colony, which can be witnessed via an exclusive helicopter excursion at the start of the season^.

Pushing further south than most expedition ships, enjoy an immersive journey to the rarely visited Marguerite Bay, Lemaire Channel, and Crystal Sound to celebrate crossing the Antarctic Circle.

The World's First Discovery Yachts' innovative technology, combined with the benefits of only up to 200 guests, delivers the ultimate Antarctic experience.

Why numbers matter

IAATO limits visitors on shore to 100 at a time and also restricts ships over 200 guests from reaching several sights. With only 200 guests, on Scenic Eclipse you will enjoy multiple landings each day and more time on shore.

^Flights on board our two helicopters are at additional cost, subject to regulatory approval, availability, weight restrictions, medical approval and weather and ice conditions. Helicopters are not available in South Georgia.

5.3 Cancellation: We may cancel Your Journey for any reason (separate to Force Majeure Events), at any time (including prior to and after the Departure Time). For example, We May cancel Your Journey prior to the Departure Time if We do not receive a minimum number of Journey or Cruise passenger bookings to operate the Journey and ensure an enjoyable group atmosphere. Such changes may include cancellation of sightseeing activities, continuous cruising without stopping, operating part of the Journey by coach and provision of off-ship accommodation in hotels or other accommodation.
(b) If We make a material change to Your Journey or Itinerary under this clause but provide You with a reasonably appropriate and equivalent alternative arrangement, then You may not be entitled to a refund and our liability to You will be limited to the arrangements offered under this clause, subject to clause 5.6(c).
(c) To the extent We make a material change to Your Journey under this clause and We do not offer You a reasonably appropriate and equivalent alternative arrangement, You may be entitled to a proportionate refund of the Journey Price that You paid directly to Us (as determined by Us, acting reasonably).
