Raising the bar in river cruising

2024 is looking to be a remarkable year for travel to Europe, and river cruising continues to be one of the most popular ways to travel.

To accommodate growing demand, we're so pleased to introduce six new river cruises featuring new destinations, new experiences ashore, and new ways to connect with the places you explore while cruising the Danube, Main, Rhine, Seine, and Rhône. You'll experience a new way to look at Europe's rivers – with the Tauck difference.

Our longstanding travel partnerships and destination expertise provide unique travel experiences along the rivers on all-included shore excursions that are often exclusive to Tauck – or at private venues – or before or after opening hours. A dedicated team of Tauck Directors and Tauck Cruise Directors guides each journey, often joined by local guides; together, they share their knowledge and expertise on the rivers and ashore.

We're in the business of fulfilling travel dreams, and your river cruise experience begins from the moment you come aboard. Tauck's custom-built riverboats are designed for fewer passengers and more personal space than comparative, same-sized riverboats. With a thoughtful use of space throughout, our goal was to provide larger, more spacious cabins, fewer crowds, and more personalized service.

Our #1 priority is for you to travel effortlessly, with peace of mind, knowing that every aspect of your trip is taken care of, so you can just relax and enjoy those memorable experiences that make travel dreams come true. On behalf of all of us at Tauck, we truly look forward to welcoming you aboard!

Small Is Big

“Small is Big” is a driving force behind our river cruises as we continually seek to provide you with more personalized travel that caters to your comfort and wellbeing. Small groups and more private space aboard our riverboats are key to providing the advantages you expect when you travel with Tauck. Enjoy a choice of included activities, fewer guests aboard than similar sized ships, more spacious accommodations, and more uniquely engaging cultural experiences for Tauck guests only.

Fewer Guests Onboard

Comfortable and crowd-free, our specially designed fleet of custom riverboats boasts bigger cabins and more suites than other riverboats of the same size, offering the most space per guest on Europe’s rivers. We limit the number of guests onboard from 84 or 98 guests on our smaller riverboats, to no more than 130 aboard our larger riverboats, so you can enjoy the freedom to relax and roam as you like. You’ll find public spaces that are warm and welcoming, inviting you to make yourself at home in an elegantly styled dining room, in Arthur’s intimate bistro, in the panoramic piano lounge and bar, or atop the sun deck where serenity and scenery delight and the memories are endless.

Crowd-Free Advantages Ashore

Onshore, your choice of expertly choreographed small group excursions are thoughtfully timed to avoid large gatherings and long lines. Our exclusive Tauck experiences are private and meticulously orchestrated for more personal, meaningful discoveries, and are only available for Tauck guests.

Cruise on our custom-designed riverboats with never more than 130 guests aboard and discover just how intimate a river cruise can be. Public spaces are thoughtfully appointed to assure your comfort and include Arthur's, serving lighter fare for your dining pleasure morning, noon and night, along with all day coffee, tea, and beverages to enjoy as you wish. On land, explore the sights by bicycle like the locals do; they are complimentary for your use onshore.

Closer Connections

The best trips bring meaningful connections that last long after you return home. Meet locals who share their daily lives and cultural insights with you. Explore with historians who tell stories of the past that define the present. Sip wine with vintners and cook alongside gifted chefs, engaging with residents skilled in crafts and professions unique to the destination. Personal discoveries like these enrich every Tauck trip.

Sip wines 11 generations rich at a family-owned museum in Cochem

Stepping off your riverboat in medieval Cochem is like stepping into a picture book of fairy tales, so charming are the sights you'll see here. And while your visit to 1,000 year old Reichsburg Castle and your stroll or bicycle ride through this jewel of a town make for a most memorable day, it is your wine tasting visit with the owner of the Schlagkamp Wine Museum that thrills with an authentic taste of daily life here, past and present. It starts with Riesling, the queen of grapes in this region and introduces a royal line up of Elbling, Rivaner, Grauburgunder and Chardonnay wines, locally produced and proudly poured by your host, Andreas Schlagkamp, as he shares stories about his family's 400-year legacy as vintners. *The Rhine and Moselle* (See page 86)

Dine like royalty at a private palace in Prague Castle

It's not often that you're invited to join Bohemian nobility for dinner in their own private palace, but you'll do just that when you join us at 16th-century Lobkowitz Palace in Prague Castle. Long-time friends of our family, the Lobkowitz family rolls out the royal carpet when Tauck is in town, opening their palace and personal art collection – featuring world-famous paintings, hand-annotated manuscripts by famous composers including Mozart and Beethoven, and a priceless array of historic treasures – to us for a very special evening you'll not soon forget, exclusively Tauck. *The Blue Danube* (See page 22)

Learn about Normandy's popular pomes at an apple farm

With a reputation for producing some of the world's finest wines, France's other vintage crop often stays in the background. But when you visit an apple farm along Normandy's cider route, you'll learn that their pomes have been sought after since ancient times. Vintage ciders are made with apples that have been aged in barrels much like wine. When distilled, the cider becomes a brandy called Calvados. Raise a toast to the farmer as you try freshly pressed apple juice, cider and Calvados, spirited and bold, along with pâtes and confiture, preserved to perfection. *Impressions from the Seine: Paris to Normandy; Cruising the Seine plus Paris & London; Rendezvous on the Seine and River Seine: Chateaux, Impressionism & Normandy* (See pages 92, 96, 98 & 102)

Beyond the velvet ropes at Strahov Monastery Library

One of the best preserved historical libraries in Europe with two magnificent baroque halls dating from the 17th and 18th centuries, the library at Strahov Monastery in Prague is also one of the hardest to view close-up – unless you're with Tauck. We take you behind the velvet ropes to see what other visitors don't. Walk by books lining hand-carved gilded shelves and look up to view the grandiose ceiling fresco, awe-inspiring to behold.

The Blue Danube (See page 18)

A night to remember at storied Slot Loevestein in the Netherlands

An evocative 14th-century keep that has been a prison, home and toll castle, medieval Slot Loevestein takes on a new role as you enjoy a gala evening with dinner for Tauck guests only. Strategically built to keep invaders out and prisoners in, the castle reigns over a nature reserve surrounded by water, yours to explore during an exclusive Tauck experience on *Rhine Connoisseur: Montreux to Brussels* and *Hidden Waterways of Flanders and Holland* (See pages 54 and 58)

Port cocktail-making workshop at a quinta in the Douro Valley

Quintas line the banks above Portugal's golden Douro River, heralding a legacy of wine making traditions since the Romans planted the first vineyards here some 2,000 years ago. Cruise to a quinta in the Douro Valley to discover the time-honored secrets of Portugal's port wine. Enjoy a guided walk in the vineyard before learning tips of the trade in a private port cocktail-making workshop exclusive to Tauck. *Exploring the Douro, plus Lisbon & Madrid*. (See page 122)

You'll travel with a comprehensive, built-in support system that starts with the care and local knowledge of our Tauck Directors and extends to our network of partners around the world. Our Global Response Team continually monitors river conditions, such as high and low water levels, as well as any global situations that may impact our guests. Since the onset of Covid-19, we've fulfilled the travel dreams of tens of thousands of satisfied guests across the globe, providing peace of mind in knowing that you are never alone when you are traveling with Tauck.

Expecting the Unexpected

While we cannot predict events outside of our control, we are still traveling in the time of Covid, and local closures and restrictions still exist. Supply chain issues and labor shortages may also create service challenges in some destinations. Please know that when a change is necessary, what won't change is our commitment to deliver the quality experience you expect when traveling with Tauck. Expecting the unexpected is the best mindset for travel and the unexpected should be embraced in the spirit of adventure.

Protecting Your Travel Investment

Your vacation is important, and we are committed to delivering the trip of your dreams. Should we need to significantly alter our travel plans, you will be given choices – and in the event of a cancellation by Tauck, you will be refunded the cost of your journey.

Deposit Protection Plan: We recommend that all guests independently purchase comprehensive Travel Insurance for the full purchase price of the tour as well as air and / or land program arrangement costs plus medical coverage. Tauck provides a "Deposit Protection Plan" at a cost of AUD \$89 per person per trip; this Tauck "Deposit Protection Plan" only covers a Tauck trip and it does not replace Travel Insurance, which we recommend at the time of booking.

Please visit tauck.com.au/travelconfidently for up-to-date information about destination requirements, safety protocols, our health and safety policy, and more.

Würzburg, Germany

Rhine, Danube Moselle, Main

“As a garden stylist, to experience the natural beauty of the endless vineyards as we cruised the Rhine & Moselle Rivers, and viewed from a castle, how special. And, window boxes overflowing with colorful flowers in September... in the charming villages. It was all spectacular! And can't forget arriving at the palace for dinner!”

Sue Chamberlain
TAUCK GUEST

Join us on the Danube as it flows through the heart of Europe from Germany and Austria to the Black Sea, past a regal procession of old Imperial kingdoms, inviting you to discover opulent Viennese palaces, age-old Hungarian traditions and compelling stories and legends. Born among the towering peaks of the Swiss Alps, the River Rhine entices with country villages, castle keeps and Gothic cathedrals as it makes its way through dense forests and past Dutch windmills, dikes and coastal plains reclaimed from the sea, nearly all the way to the North Sea. The Moselle enchants as it meanders through picture-perfect valleys dotted with centuries-old market towns, ancient abbeys and lush vineyards. And one of Europe's key trade routes, the Main, is stunning in contrasts. A world of discoveries along these four rivers awaits ashore.

design, the Benedictine monastery is considered one of the most beautiful in Germany, and its monastic brewery, founded in 1050, is thought to be the oldest in the world. 6. ■ Timeless charm of Passau

Three rivers run through medieval Passau –the Danube, the Ilz, and the Inn – a convergence of waterways that adds drama and charm to the enchanting cityscape. Passau is famous for swords and glassmaking, and the largest bishopric in Germany; a hilltop castle, formerly the Prince-Bishop’s Residence, presides over the Old Town of medieval and Baroque treasures and cobbled streets. Explore the city on a walking tour with local guides; or take a guided bicycle tour along the Inn River. Return to the riverboat for lunch, and enjoy onboard entertainment this evening as you sail the Danube to Linz, Austria. **Meals BLD**

7. ■ Linz / Salzkammergut / Cesky Krumlov

Salzkammergut was made for Cinemascope and Technicolor; scenes from *The Sound of Music* were shot there. Its

landscape of dramatic alpine peaks, deep valleys, blue lakes, and picture perfect Bavarian villages was the favorite summer retreat of Emperor Franz Josef I who called it “heaven on earth.” Drive from Linz to Salzkammergut to visit the lakeside town of St. Wolfgang, named for the patron saint of carpenters and woodcarvers, and drop in at The Pilgrimage Church to see the Winged Altar, a Renaissance triptych of astonishing woodcarvings that tell stories of the Coronation of the Virgin, and the life of St. Wolfgang. Alternatively, take a day-trip to the Czech Republic to visit Cesky Krumlov, a riverside gem which UNESCO calls “an outstanding example of a small European medieval town,” whose architectural heritage has remained intact for centuries. Explore Cesky Krumlov’s wonderfully preserved Gothic, Renaissance, and Baroque streets and alleys on a guided walking tour, visit the Baroque Theatre, or climb the castle tower for sweeping views. If you wish, you can remain in stay in Linz and explore the city at leisure. **Meals BLD**

This evening, dine at leisure aboard ship as you sail to Budapest, accompanied by Slovak music and entertainment. **Meals BLD**

11. ■ A day in Buda and Pest

The Danube runs through the center of Budapest, dividing Buda and Pest; the districts were independent cities before being joined in 1873, and each still retains a distinct vibe and identity. Rising on hills above the river, Buda is the older

and more tranquil of the two, with its medieval castle, old town, churches, and monumental landmarks like Fisherman's Bastion; Pest is the busy metropolitan side, occupied by the glorious Neo-Gothic Parliament building, palaces, museums, shops, and cafes. A castle dinner on a private island

An evocative water castle that has made history since it was constructed in the 14th century, Slot Loevestein reigns over its own private island, where the Maas and Waal rivers come together. Or you can travel to Germany’s oldest university town, Heidelberg. If you choose Speyer, begin at the impressive Technik Museum, dedicated to every form of technology that moves, from vintage cars to a space shuttle. Then walk to Speyer Cathedral, a UNESCO World Heritage Site, with its natural glass windows and roof made entirely of stone. Or choose an excursion to Heidelberg, where narrow lanes, shops and pubs housed in 17th-century structures in the *Altstadt* are kept lively by the cadence of

A night at Schloss Ehreshoven

Nestled amidst forested woodlands at the edge of the Rhineland in North Rhine-Westphalia, 17th-century Schloss Ehreshoven is the perfect venue for your exclusive Tauck event on Night 3 of your Rhine river cruise. Both a castle and living community in itself, here you will discover a way of life that celebrates the beauty and bounty of the parklands that surround it. Learn about the charitable foundation that’s dedicated to forestry and agricultural sustainability during an evening fit for noble pursuits as you enjoy cocktails and dinner in this private moated castle.

student life. Visit the romantic ruins of Heidelberg Castle, of which Mark Twain wrote in *A Tramp Abroad*; from its terrace and gardens, the sweeping views impress along with the feel of 600 years of history. Return to the ship for a cocktail reception followed by the Chef's Signature Dinner onboard as your riverboat charts a course towards the French city of Strasbourg. **Meals BLD**

6. ■ Sights of Strasbourg & Baden-Baden

Your day begins in the Alsatian cultural capital of Strasbourg, France. It is home to the charming canals and half-timbered houses of La Petite France, stately city residences, a Gothic cathedral, and plenty of winstubs, traditional Alsatian beer pubs. After a morning of sightseeing in Strasbourg, you may choose to stay in town to explore on your own, explore the sights on a bicycle excursion or travel to the German spa resort town of Baden-Baden, on the edge of the Black Forest – where you can either take a walking tour then enjoy free time in this famed spa town, or visit Caracalla Spa, a day devoted to wellness and relaxation. The spa resembles a glass temple, with facilities that include whirlpools, waterfalls, counter-current pools, massage jets and turquoise pools of warm water sourced from natural springs. Return to the ship for dinner and an evening of cruising. **Meals BLD**

7. ■ Lucerne & Mt. Pilatus or Alsace wine

You have a choice of shore excursions today. Drive to Lucerne and head for the heights of Mt. Pilatus aboard a gondola, climbing from Kriens to the very top (Oberhaupt) – nearly 7,000 ft. high, descending back down to Alpnachstad on the world's steepest cogwheel train. Then explore Lucerne, the lakeside "city of lights," as you wish. City landmarks include the Kapellbrücke, a covered wooden footbridge crossing the Reuss River that dates back to the 1330s, an octagonal Water Tower, narrow lanes and lovely squares. Lucerne is the quintessential Swiss city, with a cobalt lake ringed by Alpine peaks, a perfectly preserved medieval *Altstadt* (Old Town), candy-colored houses and waterfront promenades that make walking and wandering pure pleasure. Alternatively, you may prefer to have lunch and a wine tasting along the Alsatian wine route. Drive to Château du Haut-Koenigsbourg, originally built in the 1200s. Burned, abandoned and restored to its former glory in 1899, the castle presents a picture of a mountain fortress of the Middle Ages; after your visit, continue to the French Alsatian town of Riquewihr for lunch and a wine tasting. Everyone's day ends in Basel, a major crossroads of travel and thought since the 15th century. Join us this evening for the captain's farewell reception followed by dinner aboard ship. **Meals BLD**

9. The original Oktoberfest

This morning, get dressed up Bavarian style, in lederhosen or a dirndl, for a full Oktoberfest experience! There are "Oktoberfest" celebrations all over the world, but until you experience the festival in Munich, where the tradition began, you haven't really "done" Oktoberfest – a unique mix of beer consumption, Bavarian feasting, live brass bands, communal singing, and dancing. It all started in 1810 when a royal couple invited the citizens to their wedding festivities on the fields in front of the city. The event was so popular that it took on a life of its own. Today Munich's Oktoberfest is the largest festival in the world. Tauck has reserved seats for you in the center of the action, in one of the exclusive brewery tents for a three-course lunch, traditional Bavarian live music – including the *Ein Prosit* toasting song – and lots of fun. Word to the wise: the local breweries make an especially strong beer just for Oktoberfest, so pace yourself, or choose to drink a *radler* (half lemonade, half beer). A shuttle will run back to your hotel after lunch – or stay and enjoy the festival until evening. Gather with your fellow travelers for a farewell reception and casual dinner at your hotel tonight. **Meals BLD**

5. ■ Baden-Baden in the Black Forest

Arrive in the city of Karlsruhe, where you'll have a choice of excursions. Travel through the Black Forest, the setting for so many of the world's beloved fairy tales, to the Belle Époque spa town of Baden-Baden. In the 19th century, the local healing hot springs and elegant casino attracted the wealthy elite from all over Europe along with many artists whose imaginations were sparked by the social scene; today, Baden-Baden has become known for its arts festivals and its thermal waters. Your visit includes a walking tour of town accompanied by a local guide or time to enjoy the Caracalla Spa as you like. Alternatively, ride an electric bike* in a nature preserve along the river, with an opportunity to explore Baden-Baden as you please. Return late afternoon to your riverboat. **Meals BLD**

6. ■ Rüdesheim & Schloss Ehreshoven

Near the foot of the Niederwald, surrounded by vineyards, the ruins of Ehrenfels Castle watch over the Rhine Gorge; just around the bend, you'll dock in the winemaking town of Rüdesheim, under the lofty gaze of the famous Niederwald Monument. The 1,000-year-old town charms with its cobblestone streets of storybook houses, cafes and wine taverns. Choose between an e-bike ride* along the Rhine or a tour of Rüdesheim and Siegfried's Mechanisches Musikkabinett, a museum dedicated to antique self-playing

musical instruments, including musical clocks, player pianos, fairground organs, self-playing violinas, and the world's largest automated doll orchestra. Cruise on to Linz am Rhein, then drive to Engelskirchen for a visit to its neighboring castle, Schloss Ehreshoven. Built in the 14th century and later expanded in the style of a grand Baroque manor house, the estate is surrounded by a moat, landscaped gardens, and a castle park. Schloss Ehreshoven is often used as a film location – but tonight, schedule permitting, it's the unforgettable setting for Tauck's exclusive cocktail reception and dinner with entertainment. **Meals BLD**

7. ■ Explore all that is Köln (Cologne)

Cruise to Köln, once a Roman provincial capital, and later a wealthy medieval trading port; the city was almost destroyed during World War II, but many of its architectural treasures have been restored including the towering Kölner Dom (Cologne Cathedral), a twin-spired masterpiece of High Gothic architecture – which you'll visit today, schedule permitting. Return to the ship for lunch. This afternoon, you'll cruise the lowlands of the Rhine (with commentary) en route to the city of Dordrecht in the Netherlands. **Meals BLD**

8. ■ The Kinderdijk Windmills

Your riverboat arrives in Dordrecht this morning, an important trading port in the Middle Ages, for an excursion that offers insights into windmills and their ubiquitous role in Dutch life and a visit to the village of Kinderdijk (Child's Dyke), where the flat landscape, crisscrossed with canals, presents the

largest concentration of historic windmills in The Netherlands. Explore Kinderdijk on a walking tour and a boat ride, or on a two-hour bicycle excursion*. The 19 windmills, most of them built in the 18th century, are national monuments; for centuries, their massive wind-driven mechanisms have been used to pump water out of the polder and into reservoirs and canals, reclaiming land from the river. Such ingenious methods of water management have enabled a country that is almost fifty percent below sea level to exist at all, lending weight to the local saying, “God created the Earth, but the Dutch created Holland.” Enjoy free time to explore the cobbled streets of Dordrecht, rich with historic sites, antique shops, and art galleries. **Meals BLD**

9. ■ Amsterdam’s art, canals & more

Wake up in Amsterdam for a city orientation tour that includes a guided visit to the Rijksmuseum, home to art masterpieces of the Dutch Golden Age, including works by Vermeer and Rembrandt’s *The Night Watch*. Board a canal boat for a cruise along the city’s 17th-century waterways, lined with trees, gabled merchant houses and the daily pace of urban life. The remainder of the day is spent as you please, with free time to enjoy all that Amsterdam has to offer. Whether you decide to explore the art museums, relax in one of the many coffeehouses, or stroll along the canals to view the eclectic architecture, your afternoon will be well spent. Your final evening aboard the riverboat includes a shanty choir performance during a farewell reception, followed by dinner. **Meals BLD**

View the windmills of Kinderdijk like the locals do when you join us for an optional two-hour bicycle excursion along the river.

10. Journey home

“First time traveling to France, first time on a riverboat cruise, and first time with Tauck – it just doesn’t get any better than this! The extravagant beauty of Provence, the exceptional and personalized experiences aboard the riverboat and the authentic culinary / wine-tasting tour events all contributed to creating the trip of a lifetime for me! 3. ■ Château de Versailles

It's been imitated throughout history and around the world, but nothing compares to the original Château de Versailles. Just 15 miles from the center of Paris, Versailles was the epicenter of French royal power until 1789, and epitomized the royal lifestyles of Old World Europe. Standing on the grounds of a once humble hunting lodge, the palace at Versailles was built to impress, inside and out. Your visit here includes a look inside the most famous of its many rooms, among them the gilded Hall of Mirrors decorated with paintings, gilded statues, massive arches, shimmering crystal chandeliers, and some 357 mirrors. Step inside the king's over-the-top royal apartments, adorned with lavish Italian-style decoration, marble paneling, and painted ceilings. Then head outside to walk in the palace garden; spread across close to 2,000 acres, it is one of the biggest gardens in the world – alternatively, if you wish, take a bicycle ride through the gardens and along the Grand Canal. The original landscaping took about 40 years to complete; approximately 210,000 flowers and 200,000 trees are planted every year. Return to the riverboat mid-afternoon and continue your Seine cruise. **Meals BLD**

Your cruise along the River Seine introduces you to centuries of French history through the eyes of local guides – from your visit to the Normandy American Cemetery and Memorial, overlooking Omaha Beach, to a morning witnessing the excesses of Chateau de Versailles.

4. ■ Memories in Rouen & a special evening

Experience Rouen, the historic capital of Normandy dubbed “a city of a hundred spires,” immortalized in art and prose. Iconic bell towers punctuate the skyline with half-timbered houses, narrow lanes, and storied squares. On your visit with a local guide, hear tales of the triumphs and trials of Joan of Arc as you follow in her footsteps. You may recognize the Cathédrale Notre-Dame de Rouen the moment you see it; the Impressionist Claude Monet painted it more than thirty times. Be sure to look up when you come to the Rue du Gros-Horloge and take in the city’s astronomical clock installed on a Renaissance arch spanning the street; this marvel of engineering has been renowned for its time-keeping efficiency since 1527. You’ll have some free time to explore the city as you please before tonight’s

Tauck Exclusive. Join us for a reception, a private tour and dinner with music at 16th-century Chateau du Taillis – a Renaissance treasure renowned for its lovely setting, stately gardens and arboretum. **Meals BLD**

5. ■ The Beaches of Normandy

Revisiting the Allied invasion of Normandy in World War II, today’s poignant visit to the beaches of Normandy is led by a local expert who is knowledgeable about the day’s events, the heroics, and the losses of this historic Allied operation of June 6, 1944, as well as the Allied liberation of Western Europe. See Pointe du Hoc where US Army Rangers scaled the 100-foot-high, crater-riddled cliffs and seized the German artillery pieces to keep them from firing on the

Normandy’s Cider Route

The terroir of Normandy is inhospitable for vineyards, but ideal for apple orchards – and with over 800 varieties, apples are very much a part of gastronomic life here, like grapes are in other parts of France. Normans treat their apple cider with the same seriousness as French winemakers. Cider-making is an elaborate process, which you’ll learn about along Normandy’s Cider Route. Cider-making here involves multiple distillations and aging in wooden barrels, much like wine; anything less is considered mere “apple juice.” Calvados, cidre, and pommeau are the three basic libations, but their captivating variations are without number. Visit a farm and learn the secrets – and of course, enjoy a tasting.

American troops landing at Omaha and Utah beaches. Visit Omaha Beach, one of the five landing areas of the Normandy Invasion of World War II, today dotted with the remains of German bunkers. Pause at the Normandy American Cemetery and Memorial overlooking Omaha Beach and the English Channel, the final resting place for more than 9,300 troops who lost their lives in World War II. After lunch, meet your riverboat back in Caudebec-en-Caux. **Meals BLD**

6. ■ Les Andelys & cider

Look up as your riverboat sails into Les Andelys to see the ruins of Château Gaillard atop its hillside perch. Built by Richard the Lionheart, King of England, in 1197, the castle was considered the mightiest royal fortress of its time, built to resist an invasion by the king of France. Take a walking tour of the town and the ruins above, getting a glimpse of the castle's fortifications and savoring the views of the river and town from above. For a change of perspective, drive into the countryside where apples are king. An appetizing visit to a farm shares a taste of freshly pressed cider and aged brandy, accompanied by pâté and confiture, preserved fruit. Cruise to Vernon, arriving in time for an orientation walk of the town, intriguing with its Middle Age architecture. Return to the riverboat late afternoon; following dinner this evening, enjoy entertainment in the lounge. **Meals BLD**

7. ■ Painted impressions in Giverny

A Tauck Exclusive early opening visit to Claude Monet's house and gardens in Giverny provides an opportunity to experience the home and the changing light of day as the artist did. Go inside his pink and green-shuttered house, left exactly as it was when the artist and his family lived here, and stroll through gardens you may have seen in paintings on your museum visit in Paris. Here is where you will see Monet's famous Japanese bridge covered with wisteria, along with smaller bridges, weeping willows, and bamboo woods. You will have time to stop in Giverny's Musée des Impressionismes, dedicated to the Impressionist movement in France and abroad. Later, attend a painting class onboard your riverboat that is led by an American artist who lives in

Dock in Le Havre today for a choice of included shore excursions. Drive to Caen for a guided visit of the Mémorial de Caen, a museum and war memorial commemorating World War II and dedicated to peace; it is regarded as one of the best World War II museums in France – and visit Bayeux to see the Bayeux Tapestry. Alternatively, drive to Étretat to see its stunning white cliffs, then continue to Honfleur, one of the most charming fishing ports in all of Normandy, for free time to explore. See a parade of Renaissance architecture and half-timbered houses along its cobbled streets as you discover for yourself why this colorful town was so beloved by artists like Claude Monet, Gustave Courbet, Eugene Boudin and other acclaimed artists. 6. ■ Sands of time at D-Day beaches

2024 marks the 80th anniversary of D-Day, an operation that began on June 6, 1944 when a massive armada of troops, with more than 5,000 ships and 13,000 aircraft, converged on the heavily fortified France coastline to begin the liberation of Western Europe. The D-Day beaches along Côte de Nacre have stood as poignant reminders of the historic Allied operation. The wartime code names for the beaches along this 50-mile stretch still exist – Utah, Omaha, Gold, Juno, Sword – paying proud tribute to the heroism of the thousands of soldiers who lost their lives here. Our expert local guide shares insights during stops at Pointe du Hoc, Omaha Beach and the American Cemetery, located on a bluff overlooking Omaha Beach. **Meals BLD**

7. ■ Jumièges Abbey & an exclusive evening

Spend the morning at leisure aboard ship or join your Tauck Director for a casual walk in Caudebec-en-Caux. After lunch, drive along the "Route des Fruits" en route to Jumièges Abbey, once one of the great Benedictine abbeys of France. First built in 654, this wealthy limestone abbey grew to house 700 monks and 1,500 lay brothers in its first 50 years. Destruction came in waves when it was attacked by Viking raiders between 841 and 940, rebuilt in the 11th century, then razed again in a succession of French wars. Today it reigns unrivaled in a park-like setting that evokes memories of its former grandeur, giving measure to what Victor Hugo called "the most beautiful ruin in France." This evening an exclusive Tauck experience awaits in the French countryside at 16th-century Renaissance-style Château du Taillis, set on a parkland estate with gardens, where the red carpet is rolled out for a private reception, dinner and musical entertainment for Tauck guests only. **Meals BLD**

Special note: **Paris 2024 Summer Olympic Games**

The city of Paris will host the Olympics (July 26 - August 11) and the Paralympic Games (August 28 - September 8). It's certainly an exciting time for the city, and we will make every effort to operate as scheduled – but please be aware our Paris sightseeing could unexpectedly be subject to change due to construction, restrictions, closings, or access to sites July 1 – September 15.

8. ■ Château Gaillard & a sip of cider

Arrive in Les Andelys. Taking full advantage of its hilltop perch overlooking the river, Château Gaillard is the crowning centerpiece, built in 1198 by Richard the Lionheart (King of England) during a power play with France's King Philip II. Depart the cliff-top for a taste of Normandy cider. With over two thousand varieties of apples, Normandy is naturally proud of its cider and of Calvados – apples have played an important part in Normandy's history, with apple orchards having taken root in Roman times. Visit a local farm for a taste of fresh-pressed apple cider, brandy and pâté en route to your riverboat. Cruise to Vernon for a late afternoon arrival; you'll have an opportunity to join your Tauck Director for an orientation walk in this historic town before dinner aboard ship, followed by onboard entertainment. **Meals BLD**

9. ■ Monet's home & gardens at Giverny

First up – a Tauck Exclusive pre-opening visit that brings you to Claude Monet's home and gardens, so familiar from his paintings – from the house to the wisterias, azaleas and water lilies. His pink stucco house gives the impression that his family of 10 still lives there; rooms showcase his private furnishings, and his collection of Japanese prints adorn walls. Outside, you'll find easels displaying works-in-progress in his garden studio, inspired by the gardens themselves. You will have time to walk pathways bordered with nasturtiums, hollyhocks, hybrid lilies or snapdragons, depending on the season's blooms, and go through the tunnel that leads to the Water Garden and the oft-painted Japanese Bridge. You'll then have an opportunity to view the art itself during a visit to Musée des Impressionismes in Giverny, learning more about the Impressionism art style he inspired. Celebrate your final night at the captain's farewell reception, which is followed by dinner, as you return to Paris. **Meals BLD**

You'll long remember an exclusive Tauck evening at 16th-century Château du Taillis, featuring dinner & music.

4. ■ Lyon & Beaujolais pleasures

Lyon is considered the “culinary capital of France.” You'll discover why during a tasting at the famous Les Halles de Lyon, the celebrated indoor food market that's been a fixture in Lyon since 1850 and offers an unbelievable array of breads, cheeses, fresh fruits and vegetables, sausages, wines, chocolates; it's said that the best chefs in Lyon shop here. But Lyon is also a city with a venerable history, as you'll discover on a sightseeing tour of Vieux Lyon, the old Renaissance part of the city and a UNESCO World Heritage Site, and the gracious Basilica of Notre-Dame de Fourvière, built atop the ruins of an ancient Roman forum. This afternoon, it's off to the Beaujolais countryside for a wine tasting and a visit to the little village of Oingt, in a region renowned for its charming ochre-yellow houses. **Meals BLD**

5. ■ Viviers or Grignan & truffle tasting

Your riverboat cruises this morning to Viviers, a walled city with origins in the 5th century on the right bank of the Rhône – one of the best-preserved medieval towns that you're likely to see in all of France. Its narrow streets and lanes reveal what life might have been like here in the Middle Ages. Your choices today include a walking tour of Viviers with your local guide, including views of the 12th-century cathedral and the richly detailed façade of the Maison des Chevaliers, followed by a lively game of *pétanque* (a form of *boules*, and a popular outdoor game shared among friends) with the locals. Or, drive to Grignan

6. ■ Arles & lunch at a Camargue ranch

In Roman times, Arles was a major capital and a center of religion with its own arch, circus, baths, and an arena for 10,000 spectators. By the time Vincent van Gogh found it in 1888, Arles was a quiet and tranquil town bathed in magical light and hues of yellow and blue that the artist immortalized in paintings. Explore your way this morning, choosing a guided bicycle ride* in the Arles' countryside, or join our local guide for a walking tour that includes a visit inside its still-active Roman arena. Lunch at a private ranch in la Camargue, where you'll dine on farm-grown Provençal specialties, enjoy a musical serenade, and see the region's iconic white horses, fleet-footed *gardians* (cowboys), and the famous black bulls they raise here. As you cruise to Avignon, try your hand at painting a chocolate art piece. An accordionist performs on deck after dinner. **Meals BLD**

7. ■ Avignon & an evening at Duché d'Uzès

Your day in Avignon includes a choice between a bicycling excursion* amidst the pastoral landscapes outside of Avignon, or a walking tour of the fortress-like Palais des Papes, the largest Gothic palace in Europe and a UNESCO

World Heritage Site. In 1309 Pope Clement V moved the papal headquarters from Rome to Avignon; the popes who reigned here until 1377 enjoyed not only formidable lodgings but also the fruit of the vine; they are credited with cultivating the local wine industry widely recognized today by the appellation, Châteauneuf-du-Pape. Along with the 14th-century bridge mentioned in the children's song, this afternoon you can visit another bridge – the Pont du Gard, a Roman aqueduct 160 feet high, spanning the River Gardon. A visit to the on-site museum will show you the secrets behind this impressive work of ancient engineering. Dress up tonight for a royal treat – and a Tauck Exclusive – at the Duché d'Uzès; a cocktail reception and a gala dinner in this 12th-century Duke's castle reveal aristocratic life from the Middle Ages through modern times. **Meals BLD**

Châteauneuf-du-Pape, and wines of the region, are renowned – discover why during a tasting at a premier wine estate.

8. ■ Roussillon / Châteauneuf-du-Pape

Travel into the Luberon region known for trees sculpted by strong-minded *mistral* winds, narrow scenic roads, and tidy buildings of stone. In Roussillon, discover a village with a picturesque central square and building façades distinguished by their painted shades of ochre on a walking tour. The town sits in the middle of one of the world's largest natural deposits of ochre, and its livelihood was once linked to this colorful natural pigment. Return to your riverboat for lunch and sail on to the village of Châteauneuf-du-Pape. The life of this hillside village still centers around growing and producing wine; the vines thrive here, nestled in low hills and flourishing in a Mediterranean climate, with more than 200 days of sunshine and rain-bearing winds in winter that enable the soil to store water for the long hot days of summer. Round pebbles in the soil double as thermal furnaces, storing heat at night and helping to coax the vines to maturity. Taste some of the village's revered Châteauneuf-du-Pape wines at a premier wine estate before returning to ship for the Chef's signature dinner. **Meals BLD**

9. ■ Valence & Tain-l'Hermitage

Dock in Tain-l'Hermitage in Côte du Rhône wine country. Ride a mini train through the local Heritage vineyards, then drive to Valence for a visit to the gourmet cooking school of award-winning chef Anne-Sophie Pic; your visit includes a chef's demonstration, a wine and cheese pairing class, and a tasting of artisan delicacies crafted in the area. And if you wish, visit La Cité du Chocolat Valrhona in Tain-l'Hermitage for a taste of delectable French chocolate. This evening, join us for a farewell reception and dinner. **Meals BLD**

10. Journey Home

Tour ends: Lyon. Disembark ms *Emerald* in Lyon no later than 9:00 AM; fly home anytime thereafter. A transfer from your riverboat to Lyon Airport or Perrache or Part-Dieu train station is included; allow 3 hours for check-in. **Meals B**

Douro River

“Together with 16 friends, we traveled on the Andorinha on the Douro River of Portugal. The ship is beautiful, but the best part of the journey was the staff and crew. Everyone was so friendly, and we felt like one big family on the ship, with lots of laughs along the way. The scenery along the river was spectacular. The port & wine tasting excursions were great. My favorite stop was Porto and the gondola ride, followed by the port & tonic cocktails.”

Therese Casterline Kiernan
TAUCK GUEST

Over 2,000 years of wine heritage are etched into the landscapes of Portugal's River Douro as it meanders from northern Spain to Porto, where it meets the Atlantic. Picturesque quintas with terraced vineyards line the river. Traditional rabelo ply the waters, and timeless World Heritage Sites offer cultural and scenic riches in one of the oldest – and most beautiful – wine-producing regions on Earth. Cruise with us aboard ms *Andorinha*, custom crafted for the Douro, influenced by Portuguese culture, and named for a little swallow that symbolizes all the comforts of home. 2. ■ Porto and the Douro Valley

Situated in northwest Portugal where the Douro meets the Atlantic Ocean, Porto has been known around the globe as the city from which authentic Port wine has been

shipped throughout the world for nearly three centuries. Rising on staggered hills along the river, this colorful city beckons you to its labyrinthine streets and stairways, medieval alleys, Baroque churches, fountains, and bell towers, Beaux-Arts buildings, and bohemian neighborhoods whose narrow cobblestoned lanes wind their way past centuries-old former merchants' homes and trendy cafés. You have a sightseeing choice today. Discover Porto by land, river and air – starting from the historic riverfront Ribeira district, walking to Vila Nova de Gaia and riding a cable car for panoramic views. Alternatively, join a local guide for a walking tour that begins in the riverside Ribeira district, walking uphill to the Cathedral, crossing the top of the Luís I bridge and concluding in Vila Nova de Gaia

with a view overlooking Porto. Return to ms *Andorinha* late morning and begin sailing to the Douro River Valley, bound for the historic port of Peso da Régua. All along the winding river, rugged conical mountains and shale hills carved by concentric vineyard terraces tell of a winemaking history that's thousands of years old. Inhospitable to most other kinds of farming, the terroir is perfect for Portugal's indigenous wine grapes, whose hardy roots can go down 30

feet or more in search of water. And since the latter half of the 17th century, when Portuguese vintners succeeded in creating a sweet fortified wine – now famous around the world as Port, named for the city of Porto – that could make the long sea voyage to Britain and other destinations without spoiling, the Douro Valley has been the only supplier of true Port, the oldest demarcated wine region on Earth. **Meals BLD**

Alternatively, travel to the Museu do Côa in the Vale do Côa Archaeological Park, for stunning exhibits of rock art from the valley's Paleolithic era, discovered in the 1990s; unlike cave art found in other parts of Europe, the thousands of petroglyphs in the Côa region were created in the open air by the valley's earliest inhabitants, and the museum explores their mystery through state-of-the-art multimedia exhibits. Castles on the Rhine

Family River Cruising

“I took my family on Castles on the Rhine and want to express what a wonderful experience it was for all of us. There were about 40 kids on the trip including my 17 year old and 8 year old. It is so hard to pick one memorable moment with the kids... the talent night, the sundeck kite flying, Dutch shoe painting in Amsterdam, docking by a small park in Germany and the tour directors taking all the kids ashore for an impromptu game of soccer. Nothing like watching all ages playing together from the sun deck.”

Start your day with a unique view of the city on a canal boat cruise through historic waterways with a local guide, painting a pair of wooden clogs along the way. Glide beneath curved bridges carrying pedestrians and cyclists, as well as trams and cars, and past the narrow former homes of merchants who stored their goods on the upper floors. Alternatively, set off on a bicycling tour* through fields, forests and vineyards along the Rhine-Moselle (Rheinradweg) bicycle route. Return to lovely Lucerne for some time to explore on your own; sights in this "city of lights" include Altstadt (the Old City), whose narrow cobblestone lanes lead to centuries-old buildings painted with frescoes; the Kappelbrücke (Chapel Bridge), a covered wooden footbridge dating back to the 1330s, with an octagonal water tower that was once used as a prison; picturesque squares like the Kornmarkt, Weinmarkt and Hirschenplatz; and the iconic Lion Monument, honoring the Swiss mercenaries who lost their lives during the French Revolution. ■ 5	Pinhão
■ 6	Régua
■ 7	Guimarães

Explore the city of Porto where the Douro River meets the Atlantic Ocean by bicycle or tuk-tuk and visit landmark sites on a choice of excursions in Madrid including an opportunity to visit the Royal Palace, astounding with 3,400 rooms and lots of treasures.

5. ■ A morning cruise & tiles in Pinhão

Spend the morning cruising the Douro River Valley where mountains and shale hills carved by concentric vineyard terraces tell of a winemaking history thousands of years old. Since the 18th century, when Britain discovered that Portugal's fortified wine could travel long sea journeys without spoiling, the Douro Valley has been the premier port supplier to the world, and the oldest demarcated wine region. Sail the dramatic Valeira Gorge, where the river ran wild and treacherous before it was tamed by dams; in earlier centuries, small wooden boats called *rabelos*, heaped with barrels of wine, would negotiate rocks and shoot the rapids on their way downriver. Arrive in the idyllic, tranquil village of Pinhão, nestled at a riverbend in the valley's premier Cima Corgo region, home to prestigious port-wine estates; a walk through Pinhão includes the enchanting railroad station, built in the 1930s and covered in *azulejos*, pictorial blue tiles that illustrate the region's winemaking heritage. **Meals BLD**

Paddle a kayak on the gentle waters of the Douro near your boat as you explore the scenery surrounding Provesende.

6. ■ Kayaking or hiking & on to Régua

The best way to see the sights like the locals do is by foot or boat. Set off for a drive on hairpin roads to the village of Provesende, perched high on a hilltop with great views of the valley and terraced vineyards below, and hike back down on sloping dirt paths. Or kayak on the calm waters of the river near your boat, savoring the scenery as you paddle. Set sail for Peso da Régua this afternoon. **Meals BLD**

7. ■ Bicycling or Guimarães & a museum

Before there was a railroad, Peso da Régua was an important shipping hub where *rabelos* took on cargoes of port from the local wine estates. Roads from here reach in many directions, offering you a choice of sightseeing possibilities. Travel to *Vinho Verde* country and bicycle through the lush green valleys. Light and effervescent *Vinho Verde* is not actually green wine; depending on whom you ask, the name refers to its youth or the region it's from: a fertile, temperate land of vineyard-clad mountains and lush green valleys rich with scenic bicycle trails. Or drive to the medieval town of Guimarães for a walking tour; known as the "Cradle City," the kingdom of Portugal was born here after a momentous battle in 1128. The city center is a panorama of architectural treasures, including the ruined Castle of Guimarães, with its tempestuous history and sweeping views, the opulent Dukes of Braganza Palace, and the 13th-century São Miguel do Castelo Church. Return to the ship for lunch, then visit the Museu do Douro in Régua. Housed in a renovated 18th-century building, the museum features multimedia exhibits that tell the history of viticulture in the Douro River Valley; also on exhibit is a restored *rabelo*, one of the slender wooden vessels that used to ply the river in great numbers, carrying wine to Porto and the sea. **Meals BLD**

8. ■ Cruise to Porto on the Atlantic Ocean

Your riverboat winds its way through the Baixo Corgo region of the Douro Valley, past *quintas* and terraced vineyards that rise along the river. Enjoy watching the scenery from your riverboat and having fun with your family and friends, arriving in Porto, where the river meets the Atlantic Ocean, late this afternoon. Enjoy an onboard performance by a local “Tuna” ensemble – a youthful academic string band that plays traditional music – after dinner tonight. **Meals BLD**

9. ■ Explore Porto by tuk-tuk or bicycle

Rising on staggered hills along the river, colorful Porto beckons you to its labyrinthine streets and stairways, medieval alleys, baroque churches, fountains, and bell-towers, beaux-arts buildings, and bohemian neighborhoods. It's hard to take a bad picture in Porto, where houses are clad in painted blue tiles, street art is everywhere, and beguiling, eclectic architecture is around every corner. Ride a tuk-tuk, a three-wheeled taxi, on a tour of iconic sights including the Clérigos Belltower, a soaring baroque landmark, and 12th-century Porto Cathedral standing fortress-like on a hilltop overlooking the city; walk across the scenic Dom Luís I Bridge that spans the river and soak up the fabulous views; the bridge links Porto to the city of Vila Nova de Gaia, and you'll ride a cable car down to the Gaia waterfront. Or take a cycling tour along Porto's colorful riverfront, starting in the picturesque and lively Ribeira neighborhood, a UNESCO World Heritage site, and ending where the river meets the Atlantic. Have lunch onboard the riverboat, then enjoy free time to explore this fascinating on your own. Join us this evening back aboard ship for a farewell reception and dinner. **Meals BLD**

The story of *Silent Night*

Silent Night is one of the most famous Christmas carols in history. Written as a poem in 1816 by a young priest named Josef Mohr, and first performed in 1818 in a church in the Austrian village of Oberndorf to the accompaniment of a guitar because of a broken church organ, the carol has been translated into some 300 languages and was declared to be an intangible cultural heritage by UNESCO in 2011. During World War I, it was said to have been sung during a spontaneous "Christmas Truce" between Allied and German soldiers on the Western Front who had been fighting each other just hours before. General Information

Expectations Versus Reality

As a family of travelers, we've learned that every journey starts with a preconceived image of what to expect. Inevitably, this image changes as we experience the real thing. If the actual experience exceeds our expectations, we feel joy. If it falls short, we feel disappointment. For example, hotel accommodations vary significantly around the world in terms of room size, location and service levels. And no matter how hard we try to meet the highest standards, we will all have a favorite and least favorite experience on any trip.

Behind every tour or cruise, there are literally hundreds of people we depend upon to help deliver on your expectations. Should one or two of them fall short, or there is an unexpected change to the itinerary, we hope you will not allow an isolated situation to upset your vacation.

So much of the joy of travel is to experience the unexpected. We hope you share that philosophy.

–The Tauck Family

This brochure is designed to provide you with an honest description of what to expect on your cruise. The Introduction Pages and the General Information (on these pages) are very important for you to understand. This information in addition to other documents we will provide you when you book with us, including our *Travel Terms and Conditions* and *Journey Confirmation*, form the basis of our agreement with you. These documents include important legal obligations and should be read with care.

Inclusive Prices

2024 prices are per person in AUD dollars. Prices include: all accommodations (see below); airport transfers and transportation as detailed in cruise itinerary; basic Internet where available in hotel rooms and aboard riverboats (service levels are not guaranteed); entertainment and special dinners as arranged by Tauck; shore excursions and sightseeing; standard luggage handling (see next column); services of Tauck Directors, Cruise Directors and local guides. Meals are included as specified. Onboard ship, unlimited complimentary beverages including regional wine, beer, premium spirits, coffee, tea, and soft drinks. All appropriate gratuities for hotel, ship staff, local guides & drivers are included. Tauck Director and Tauck Cruise Director gratuities are included on river cruises.

Hotel & Ship Accommodations: Tauck's per person cruise price is based on double occupancy. Hotel rooms with two beds are usually reserved for doubles. The cruise price for rooms / cabins occupied by one person is higher than those when two or more people share the cost of a room. Triples usually have two beds plus a rollaway cot (not recommended for comfort). Aboard our riverboats, triples are accommodated with a pull-out sleeping couch in limited Category 7 suites.

Luggage Handling & Restrictions: Normal luggage handling is included in the cruise cost. Due to space restrictions on our riverboats, we ask that you please limit your checked luggage to one suitcase per person weighing no more than 50 lbs (23 kg). Allowances and restrictions for checked and carry-on luggage vary across airlines, so we urge you to verify your airline's current number of items, size and weight limits to avoid overage fees, which can be expensive. Tauck cannot be held liable for additional fees or inconveniences imposed by your airline.

Not Included in Price

The cruise price does not include your airfare and related taxes and fees to the cruise departure point and from the cruise ending point. As a service, Tauck will make hotel reservations before or after your trip on a space available basis upon request. These hotel charges will be added to your cruise cost. Personal expenses such as phone calls, room service, laundry, airline excess luggage charges (as noted above) and other optional incidental extras are not included.

Luggage Responsibility

Although every effort is made to handle guests' luggage carefully, we cannot be responsible for loss or damaged luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline and ground transportation handling. It is important to have adequate insurance to cover these eventualities.

Bookings without full payment at this time may be subject to cancellation without notice. Failure to make payment will be considered a cancellation by the guest and all applicable cancellation fees will apply.

Personal Travel Documents: Approximately 60 days before departure, and after receipt of final payment, your travel documents will be sent electronically; they will include electronic airline ticket numbers (when applicable), joining instructions, hotel lists, a reading list, clothing suggestions, trip itinerary, and other pertinent information.

Extreme Circumstances: In the event of an act of God, war (declared or undeclared), terrorism, accident, natural disaster, outbreak of disease, pandemic, quarantine, decisions by governments, or other similar event or circumstance beyond Tauck's control, Tauck reserves the right to issue a credit to you in lieu of a money-back refund, applicable to a future Tauck journey.
