DISCOVER THE BEAUTY OF EUROPE
BY RIVER, OCEAN, LAND AND RAIL

For an in-depth discovery, combine your next cruise with an exciting land or rail journey. Our diverse program gives you the chance to stay longer and uncover some of Europe's most enchanting destinations.

Cruise on state-of-the-art river ships

River Cruising

Undoubtedly one of the more relaxing ways to travel, river cruising allows you to see more of Europe at a comfortable pace. Unpack once and wake each day to an exciting new destination, docking right in town, closer to the sights you've come to see. Step ashore and bask in the freedom to explore. With the brand-new, custom-designed MS Estrela, in Portugal, joining our fleet of state-of-the-art river ships in 2024, there has never been a better time to explore Europe's most iconic waterways.

Coastal Cruising

A small ship coastal cruise through Croatia's Adriatic waters aboard MV Princess Eleganza offers an intimate holiday experience. This vessel allows you to experience the most spectacular and inaccessible sections of the Croatian shoreline. See some of the best scenery of the Norwegian coast with our partner Hurtigruten, including that of Senja, the Vesterålen archipelago, the stunning Lofoten Islands, and the Helgeland Coast.

Land Journeys

Embark on an exciting land journey to visit the famous landmarks and lesser-known gems of Europe. Delve into fascinating cultures and explore striking landscapes, all in total comfort while staying in centrally located hotels. From the picturesque scenery of Italy, the Swiss Alps and Eastern Europe, to the architectural wonders of Spain, the delights of Portugal and the magic of Morocco, an immersive land journey is the perfect complement to any river cruise.

Rail Adventures

A delightful contrast to the fast pace of everyday life, rail travel is relaxing, comfortable and social. Be left in awe by the ever-changing scenery as you travel through diverse landscapes that cannot be accessed by any other form of transport. From fantastic heritage railways to futuristic high-speed trains that zip from city to city, your experience will be so much more than your average train ride.

Hidden along the banks of Europe's rivers lies a host of treasures, from ancient castle ruins to opulent baroque palaces. You'll be left spellbound as you explore quaint towns and vibrant cities.

EXPERIENCE AMSTERDAM

Life in Amsterdam turns at a frenetic pace, yet the graceful, canal-crossed streets bring a calmness to the Dutch capital. The carefree chime of bike riders' bells and endless streets of tall and narrow houses lend a warm and inviting charm to this cosy city.

BEAUTIFUL BUDAPEST

Travelling between its two districts of Buda and Pest, you'll find yourself captivated by monumental buildings, pretty boulevards and the dynamic culture of Hungary's incredible capital.

GERMAN WONDERS

Germany is teeming with exquisite architecture, medieval villages and compelling monuments. In Miltenberg, get lost amid cobbled lanes and charming buildings. In Würzburg, glimpse an opulent baroque palace and wander through perfectly manicured gardens. And in Bamberg, unearth the magic of the past as you explore its World Heritage-listed Old Town.

WALTZ INTO VIENNA

Filled with imperial history and a rich classical music culture, few capitals are as grand as Austria's. Stumble upon statues of the city's musical greats or indulge in Sachertorte and Viennese coffee following an afternoon spent sightseeing, exploring and shopping.

TULIPS IN BLOOM

Discover Belgium and the Netherlands bursting with colour and life in spring. Eclectic and unique, both countries shine at this time of year when brilliant blooms and fields of flowers make for spectacular viewing along waterways and in parks and gardens. You'll be mesmerised by the millions of tulips in full bloom on display in the 32 hectares of garden beds at the beautiful Keukenhof Gardens just outside Amsterdam.

THE BREATHTAKING BALKANS

Continue down the lower Danube to the Balkans. This spectacular region is brimming with natural marvels, from soaring mountains to pristine gorges and rivers. Croatia Coastal Cruising

Explore the crystal-clear waters of the Adriatic Sea to discover historical wonders and places of breathtaking natural beauty

The Dalmatian Coast has been inspiring sailors since ancient times. Join just a handful of other guests for a Coastal Cruise along its unspoilt shores, pausing at some of the region's most stunning islands.

THE DALMATIAN COAST

Boasting rich natural charm and fascinating historical significance, the Adriatic Sea's stunning Dalmatian Coast offers a treasure trove of must-see sights. Between the historic walled city of Dubrovnik and the delightful Croatian coastal town of Opatija lie the ancient ports of Rab, Zadar, Šibenik and Split. See grand relics and proud structures such as St Michael's Fortress, the Cathedral of St James and the Palace of Diocletian.

THE PEARL OF THE ADRIATIC

Dubrovnik Old Town is undoubtedly one of the best examples of a medieval citadel in Europe. Your exploration begins as you pass through the impressive Pile Gate, under the gaze of Saint Blaise. Having gained international attention as 'King's Landing' in the popular series 'Game of Thrones', Dubrovnik has established itself as a must-see location in Eastern Europe.

DIVE INTO CROATIA

Enjoy the sweet life and the benefits of small ship cruising. Drop anchor and dive into the alluring waters of the Adriatic. A quick dip in the idyllic sea is the perfect refreshment – and your ship, or lunch, is never far away.

IRRESISTIBLE ISLANDS

Meanwhile, Croatia's islands boast more than their share of azure waters and stunning beaches. On Korčula, Vis and Rab, you will find an endless source of enjoyment along charming waterfronts, in serene coves and on forested hilltops.

KRKA NATIONAL PARK

Lush greenery melds with cascading waterfalls at Krka National Park, home to one of Croatia's stunning World Heritage sites. Admiring nature's artful touch is not hard, with promenade boardwalks snaking through vibrant scenery to the impressive Skradinski Buk waterfall.

YOUR COASTAL CRUISE SHIP

With just 36 passengers on board your intimate small ship, you'll enjoy sightseeing at a more leisurely pace, without the crowds associated with a larger vessel. Soak up the laid-back atmosphere in the public areas or perhaps take a dip in the warm waters of the Adriatic from your ship's swimming platform. Revel in the chance to dine in charming restaurants ashore with overnight port stays, and skirt close to the coast, venturing into areas that larger ships simply can't access, ensuring a serene and exclusive experience.

Life on board MV PRINCESS ELEGANZA

The MV Princess Eleganza cruises to dreamy Adriatic islands along the Croatian coastline. With only 36 guests on board, it's a wonderfully intimate way to get to know some of Europe's most beautiful sights, from crescent bays to lively villages and islands draped in pines. Docking right on the doorstep of each town, and away from larger cruise ships, affords you more time to explore.

Norway Coastal Cruising

Explore Norway's magnificent coastline, where the extraordinary meets the edge of the world

Wild. Dramatic. Mysterious and mesmerising. The land of the midnight sun. A place all of its own where ribbons of magical light dance across the sky. From its beautiful fjords and unique cityscapes to its rugged northern shores, Norway is simply breathtaking.

THE REMARKABLE NORTH

Travelmarvel has partnered with leading Norwegian cruise company Hurtigruten to bring the fjords and far-away wilds of Norway's northern coastal regions within reach. Explore Europe's northernmost edges along a route that Hurtigruten ships have been sailing since 1893, dropping supplies to coastal towns and remote fishing villages. Known as 'the world's most beautiful voyage', it covers most of Norway's northern and western coasts. Sail with local Norwegians who rely on Hurtigruten's ships for transport, post and cargo, stopping at coastal communities both big and small.

Explore Northern Norway in the land of the midnight sun, where sunset merges into sunrise and the sun remains visible for up to five months of the year. From the small fishing village of Kirkenes, high above the Arctic Circle in Norway's extreme northeast, sail into the Barents Sea on a memorable journey into places of otherworldly beauty. Trace a landscape as vast

as it is imposing along the coast to Bergen, calling in at a parade of small, colourful coastal towns on your voyage.

SEAS OF SPLENDOUR

The Norwegian Coastal Express is an expedition through some of the world's most spectacular scenery, where picturesque villages sit beneath towering mountains. Delight in the beauty of the Helgeland Coast, be spellbound by the dramatic granite peaks of the neighbouring Lofoten and Vesterålen islands, and marvel at the raw wilderness of the North Cape plateau soaring 307 metres above the Arctic Ocean.

LAND OF OPPORTUNITY

It is said that to truly experience Norway, one must follow its coast, where the bulk of the wealth of the nation is procured. Visit two of the world's economic powerhouses, Bergen, Norway's second-largest city, and Trondheim, the nation's centre of technology.

Life on board a **HURTIGRUTEN SHIP**

A Hurtigruten cruise is the ultimate way to discover Norway's captivating coastline. Journey aboard a comfortable ship featuring modern cabins and a range of welcoming social spaces, including the panorama lounge and observation saloon. Indulge in an array of authentic local cuisine in the ship's restaurant and deepen your knowledge of the region at lectures led by experts in history, culture, science, geology and more throughout your cruise.

Bernina Express, Switzerland

Great Rail Journeys

Climb aboard and experience Europe's finest rail adventures

There's something special about discovering Europe by rail. The continent's most majestic scenery and landscapes are truly on show aboard some of Europe's many iconic trains.

STUNNING SCANDINAVIA

Experience the serene perfection of the northern fjords on the Arctic Circle Express. Pass mountains and gorgeous lakes. Travel into the untamed wilderness of Lapland, home of the Indigenous Sámi. Board the Flåm Railway for a breathtaking journey to Myrdal, then cruise along Norway's longest and deepest fjords.

HIGHLANDS & ISLANDS

In the Scottish Highlands, be left in awe by an amphitheatre of steely lochs, coastal meadows and enchanting glens as you travel the West Highland Line. Skirt by the beautiful Loch Lomond and wind through the boggy moorland and rocky outcrops of Rannoch Moor. You'll also step aboard the famed Jacobite Steam Train, known as the 'Hogwarts Express' from the Harry Potter films. This legendary train passes the impressive Ben Nevis and climbs into the mountains around Glenfinnan on its approach to Mallaig, the final leg of the West Highland Line.

ALPINE WONDERS

Dominated by the iconic Matterhorn, the Alps are Europe's largest mountain range. The region's picturesque railways, which include Switzerland's famous Glacier Express as well as the Jungfrau and the Bernina Express, are incredible feats of engineering. During your journey from St. Moritz to Brig aboard the Glacier Express, you'll take in every inch of mountain scenery through the train's impressive panoramic windows. Frequent bridge crossings offer a succession of awe-inspiring views of the valleys below. Along the way, you'll reach dizzying heights as you traverse the dramatic Landwasser Viaduct. The grand scenery of the Rhine Valley continues as you enjoy a two-course lunch in your seat. The world's slowest express train then scales the Oberalp Pass, before making its gradual descent, bringing you alongside small alpine villages on your way to Brig.

Embrace the ROMANCE OF RAIL

See Jungfrau summit, Switzerland

Enjoy a ride on the Flåm Railway, Norway

From fantastic heritage railways to modern high-speed trains zipping from city to city, your experience will be so much more than your average train ride.

HIGH-SPEED RAIL NETWORK

This sprawling continent is well connected by a stunningly efficient high-speed rail network. The Eurostar glides from London, underneath the English Channel, directly to Paris, while Italy's high-speed trains and Germany's ICE (InterCity Express) have both revolutionised rail travel.

FLÅM RAILWAY, NORWAY

Riding some of the world's steepest tracks, Flåm Railway is one of the boldest examples of engineering. Swirl in and out of mountain tunnels as you are whisked through the Flåm Valley alongside the largest fjord in Europe, the Sognefjord.

RAUMA RAILWAY, NORWAY

Known as Norway's 'most beautiful and wildest' train journey, the Rauma Railway stretches for 114 kilometres following the Rauma River, travelling through tunnels, over bridges and along steep cliff faces.

GLACIER EXPRESS, SWITZERLAND

Known as the world's slowest express, this bright red train meanders through the Swiss Alps, between St. Moritz and Zermatt, navigating 91 tunnels, 291 bridges and the 2,000-metre-high Oberalp Pass. With some of the world's most incredible landscapes and mountains outside your window, it's a bonus that the journey takes longer than expected.

Travel through amazing scenery in Europe

Travel on the Zugspitze Railway, Germany

See Glenfinnan Viaduct on the Jacobite Steam Train, Scotland

JUNGFRAU RAILWAY, SWITZERLAND

If you've always dreamed of reaching great heights, Switzerland's Jungfrau Railway is your ticket. This cogwheel line takes its passengers to the Jungfrauoch, Europe's highest railway station, which is over 3,400 metres above sea level.

BERNINA EXPRESS, SWITZERLAND AND ITALY

Following valleys through Switzerland and Italy, the Bernina Railway threads through the slopes as it makes its way from St. Moritz to Tirano. The line is World Heritage-listed due to the engineering feats that were required to cross the Bernina Pass.

ZUGSPITZE RAILWAY, GERMANY

Reach the summit of Germany's highest mountain, the Zugspitze, aboard this historic rack railway. Incredible scenery of picturesque mountains, alpine forests and glaciers that shimmer like cut glass ensures that this railway is one of Germany's most spectacular.

WEST HIGHLAND LINE, SCOTLAND

Scotland's West Highland Line, with the Jacobite Steam Train as its star, may be best known as the line of the Hogwarts Express from the Harry Potter movies, but traditionalists still call it the 'Iron Road to the Isles'. Climb through valleys and skirt romantic glens in the shadow of Ben Nevis.

KYLE LINE, SCOTLAND

Completed in 1897, the Kyle Line will take you from Scotland's east to west. The final leg, between Stromeferry and Kyle of Lochalsh, required 31 cuttings and 29 tunnels, all carved through solid rock; an incredible engineering feat for its time.

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read, and have read these booking conditions; and that you agree to them applying to your holiday arrangements booked with us and which we agree to make, provide or perform (as applicable) as part of our contract with you. References in these booking conditions to your 'holiday package' are references to the tour or cruise package you have booked with Travelmarvel. References to "excursions" are references to short trips or tours included or available as part of your holiday package.

These Terms & Conditions were correct at time of publication. For the most up to date Terms & Conditions visit our website www.travelmarvel.com.au/legal/general-information-conditions

GOVERNING LAW

These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

PRICE VALIDITY

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website - www.travelmarvel.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

TRANSFERS

Airport transfers are included on the first and last day of the tour package or with pre and post accommodation booked by Travelmarvel. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the ship/hotel at their own expense. Some holiday packages include group transfers from or in between airports/hotel/ships and vice versa. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group. Combined cruise and land tours, or cruise include transfer and flights between tours as specified.

PUBLIC HOLIDAYS & FESTIVAL

Virtually all countries have public holidays, religious or otherwise. The festivities may temporarily disrupt your holiday and some religious holidays may result in a reduction of facilities and entertainment.

BOOKING AND PAYING FOR YOUR HOLIDAY

AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

AIRLINE LOYALTY POINT ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be

non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we recommend you purchase at the time of booking.

TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. For your protection we strongly recommend that you purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

TRAVEL INFORMATION & DOCUMENTS

After booking, you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions and annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your ticket/s.

FORCE MAJEURE

Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not

have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

DATA PROTECTION POLICY

Any personal information (including sensitive information and health information) that Travelmarvel obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, how we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. 5. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your

travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. CHOOSING YOUR HOLIDAY

Our brochures contain limited information, however there is more information online at travelmarvel.com.au and our staff are available to discuss your options.

HOTELS

Hotel rooms may be smaller than those in Australia and New Zealand. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and

service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. Bedding configurations on board cruises may vary with the category booked.

CRUISING – CABIN/SUITE/STATEROOM SELECTION

Travelmarvel will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, Travelmarvel reserves the right to make changes to cabin assignment within the category booked without prior notice. Where guaranteed-grade cabins are confirmed, the shipping company reserves the right to allocate cabins within the grade booked or better, regardless of their location or configuration.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms/ suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

PASSENGERS NEEDING ASSISTANCE

Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches, minibuses and 4WD vehicles are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks, as some do not have elevators. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Ships often sail through remote areas that do not have convenient docking facilities. In such instances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide it is not safe for a passenger to negotiate such operations they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor.

HEALTH & FITNESS

A good level of health and fitness is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which include uneven ground and stairs. Mobility is needed for boarding or alighting coaches and ships. We recommend a visit to the doctor and dentist before travelling. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other guests. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

VISA & PASSPORTS

A passport that is valid for at least six months after you return home is required. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

ENHANCE YOUR JOURNEY – OPTIONAL EXPERIENCES

These Select Experiences are an additional cost to the land tour price. Minimum and maximum group numbers apply for the tour to operate and all tours are subject to availability and local conditions. Gratuities are not included on optional experiences.

IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

For all holiday packages in this brochure, Travelmarvel cancellation fees apply as follows (in addition to charges of any independent suppliers e.g.: airlines and hotels):

Days of Notice	Fee Per Person
Prior to Departure	Loss of deposit
100 days or more	
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

CHANGES TO TICKETED AIRFARES

If you wish to amend the date or touring on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels, etc., over whom we have no direct control. On occasions changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. Group tours require a minimum number of bookings in order for the tour to be financially viable and to have a pleasant group atmosphere. In the event that adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a full refund of monies paid for arrangements made by Travelmarvel).

ON HOLIDAY

NOISE & VIBRATION

Travelmarvel takes reasonable steps to minimise noise and vibrations on its cruise ships. You acknowledge and accept that some noise and vibration may be experienced and Travelmarvel is not liable to you for any such noise or vibration.

DOCKING POSITION

During port stops, river ships may dock side by side, obstructing views and requiring you to pass through other ships to embark or disembark.

SUN DECK

During passage through locks or under low bridges, or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interests of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15-day cruise. The lower Sky Deck on the Travelmarvel Polaris, Vega and Capella will remain open and accessible throughout your cruise and will only close for short periods if required for safety.

PAYABLE TRANSFERS

Arrival transfers in Zürich for the Alpine Discovery tour (EUTLS10 and EUTCHS17) are included on Day 1 only, if booking an additional night pre tour, transfers are available at a price.

SEAT ROTATION

Passengers rotate seats in the coach daily so everyone enjoys window and front seating. In fairness to all passengers, no exceptions will be made.

GREAT RAIL JOURNEYS

Rail journeys are operated by our partner Great Rail Journeys, based in York (UK), and are escorted by a Great Rail Journeys Tour Manager. For tours operated by our partner, your contract is with Great Rail Journeys as the principal operator of the tour. Portage is not included on all of the rail journey programs. (See individual itineraries). We strongly recommend you limit your luggage to one suitcase weighing in less than the standard airline allowable luggage limit, to ensure you are able to manage your luggage both on and off trains and at other points throughout your journey.
