The Rockies and Alaska feature larger-than-life regions of natural perfection teeming with incredible wildlife. With diverse First Nations legacies and stylish cities, enjoy an in-depth exploration on our Rockies and Alaska journeys.

BEAUTIFUL BRITISH COLUMBIA

British Columbia invites you to turn the pages of history and explore pristine wilderness all in one province. Alpine resorts such as Whistler are havens for outdoor enthusiasts, while Emerald Lake is Yoho National Park's dazzling centrepiece. A scene of unflinching natural beauty that makes you want to simply exhale.

AMAZING ALBERTA

Canada's national treasure, the Rocky Mountains, is a wish-list destination best explored aboard the iconic Rocky Mountaineer train. Named one of the world's best rail trips by *National Geographic*, it's the only way to see some of the most remarkable stretches of the historic Canadian Pacific Railway up close.

By land, there is so much to see. Explore Banff and Jasper National Parks. Cross Athabasca Glacier on

an Ice Explorer ride and traverse the Icefields Parkway. And the jewel in this region's crown is Lake Louise, which must be seen to be believed.

From Alberta's rugged beauty, the city of Calgary brings you a foot-stomping extravaganza known as 'The Greatest Show on Earth', which attracts over a million visitors from around the world each year. The Calgary Stampede is a community-wide festival and one of those defining holiday experiences not to be missed.

INSIDE PASSAGE CRUISE

Although Alaska is the USA's 49th state, it has a distinct 'last frontier' feel. On a cruise through Alaska's Inside Passage, you'll discover some of the world's most remote coastal scenery, and explore Alaska Native heritage and pioneering history.

The pinnacle of this adventure is a full day in Glacier Bay National Park, a place that is also woven into the storytelling of the local Tlingit people. Along the way, dock in frontier towns to unearth their gold rush past and learn about Indigenous cultures and traditions.

Winter Wonderland

Nothing can compare to the first snow of winter, as you watch the sparkling white flakes fall gracefully from the sky.

Dash through the snow of the Rocky Mountains during the most wonderful time of the year.

BREATHTAKING WINTER LANDSCAPES

Winter is an enchanting time in Canada as the Rockies don their winter coat, fairy lights sparkle throughout the villages, and alpine resorts begin to dress up for the occasion. Holiday decorations and festive activities abound here.

WHISTLER'S WHITE WONDERS

Named for the furry marmots that populate the area and whistle like deflating balloons, the beautiful alpine village of Whistler is one of the world's most popular ski resorts. Nestled in the shade of the formidable Whistler and Blackcomb Mountains, this wintertime village has a frosted landscape, which brings to life scenes reminiscent of fairy tales.

FESTIVE EXPERIENCES

Enjoy special excursions and experiences on our Christmas tours that are unique to this time of year. Visit The Butchart Gardens and be spellbound by the festive atmosphere, holiday wreaths, carollers and the stunning 12 Days of Christmas light display. Spend Christmas Day in Banff for the ultimate winter wonderland experience. Meanwhile, in Vancouver, cross the Capilano Suspension Bridge and be dazzled by the Canyon Lights display.

“I’ve just returned from the most wonderful Christmas tour in Canada... The whole tour was so memorable that after being home for three days my friend and I are looking for another Travelmarvel White Christmas.”

BOOKING AND PAYING FOR YOUR HOLIDAY

AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

AIRLINE LOYALTY POINT ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are strongly recommended to purchase at the time of booking.

TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. For your protection we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the

cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

TRAVEL INFORMATION & DOCUMENTS

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, a surcharge of between 0.5% and 3% will be added your tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions and annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your ticket/s.

FORCE MAJEURE

Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event.

Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. Travelmarvel reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by Travelmarvel within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

It is your responsibility to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

The cruise liaison may differ from the land Tour Director. The eleven night Canada and New England Cruise is not escorted by a Travelmarvel Cruise Liaison. A Travelmarvel Tour Director is not included on Stopover Packages.

GRATUITIES

Gratuities for the land portion of your tour and on board your cruise are included within the tour price. Gratuities cannot be redeemed for cash. Gratuities are not included for any individual purchases. Gratuities are not included on the VIA Rail and Amtrak train journeys.

CHOOSING YOUR HOLIDAY

To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for your requirements. Our brochures contain limited information, however there is more information online at www.travelmarvel.com.au and our staff are available to discuss your options.

HOTELS

Hotel rooms in North America are often smaller than those in Australia and New Zealand. In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 4pm and require check-out by 11am.

At certain times of the year, hotels may choose to renovate the exterior or interior of their property. Hotels will do their utmost to ensure that there is as minimal disruption as possible to guests.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

TWIN/TRIPLE ROOMS

Twin/Triple Room prices are subject to availability and based on existing room/cabin sizes, hotel bedding (twin/double beds) or stateroom availability on cruises (normally max. two beds per room). While cruising, triple cabins will consist of a sofa bed.

PASSENGERS NEEDING ASSISTANCE

Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches, minibuses and 4WD are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Travelmarvel ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

HEALTH & FITNESS

A good level of health and fitness is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which include uneven ground and stairs. Mobility is needed for boarding or alighting coaches and ships. We recommend a visit to the doctor and dentist before travelling. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other guests. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. If your holiday package includes a Holland America cruise, you may be required to complete an additional Holland America form. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

VISA & PASSPORTS

A passport that is valid for at least six months after you return home is required. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

SHORE EXCURSIONS

The timing of shore excursions on all river or ocean ship holiday packages may differ slightly for each package. Published times are a guide only and are subject to change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours. Venue closures outside of Travelmarvel's control may affect our ability to operate some excursions.

ENHANCE YOUR JOURNEY – OPTIONAL EXPERIENCES

These select experiences are an additional cost to the land tour price. Minimum and maximum group numbers apply for the tour to operate and all tours are subject to availability and local conditions. Gratuities are not included on optional experiences.

IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

For all holiday packages in this brochure, Travelmarvel cancellation fees apply as follows (in addition to charges of any independent suppliers e.g.: airlines and hotels):

Days of Notice Prior to Departure	Fee Per Person
100 days or more	Loss of deposit
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

For Wilderness Lodge Extensions, the following applies:

Days of Notice Prior to Departure	Fee Per Person

If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

CHANGES TO TICKETED AIRFARES

If you wish to amend the date or touring on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will

be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels, etc., over whom we have no direct control. On occasions changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. Group tours require a minimum number of bookings in order for the tour to be financially viable and to have a pleasant group atmosphere. In the event that adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a full refund of monies paid for arrangements made by Travelmarvel).

ON HOLIDAY

NOISE & VIBRATION

You acknowledge and accept that some noise and vibration may be experienced and Travelmarvel is not liable to you for any such noise or vibration.

SEAT ROTATION

Passengers rotate seats in the coach daily so everyone enjoys window and front seating. In fairness to all passengers, no exceptions will be made.

CHANGES DUE TO WEATHER

April and May are spring and during this period snow and ice will be present. This will result in some lakes being frozen and/or inaccessible. Sometimes due to elements beyond our control it may be necessary to make alternations to our itinerary. The Blue River Safari starts operating mid-May. The Tundra Wilderness Tour is seasonal, departures in May and September may operate on a modified itinerary. The Athabasca Glacier Ice Explorer may not operate until early May. If unavailable a refund or alternative will be offered on tour. A number of sightseeing options are weather dependent.
