ALL-INCLUSIVE BOUTIQUE RIVER CRUISES

You deserve the best

TINY NOTICEABLE TOUCHES

Unparalleled luxury found in every detail

You Deserve the Best

For more than four decades, Uniworld has specialised in providing beautifully curated, one-of-a-kind journeys aboard our award-winning **Floating Boutique Hotels**. Our fleet of destination-inspired ships sails the rivers of Europe, Egypt, Southeast Asia, India and Peru in all-inclusive luxury, and we'd be honoured to welcome you onboard.

Find your inspiration as you read through the pages of this brochure. From our more traditional cruises along the **Rhine, Main and Danube**—offering up experiences both picturesque and historic; to indulgent voyages in **France, Italy and Portugal**; and such **Extraordinary Destinations** as the Amazon Rainforest and the Mekong Delta; there is truly something for everyone.

In 2024, our guests can travel farther and longer than ever with the most ambitious journey in the modern river cruising industry, our 55-day **Rivers of the World** cruise. We've also introduced no less than five new **Cruise & Rail** itineraries, combining some of our most popular river cruises with luxury train journeys to the Swiss Alps, Istanbul, the Balkan region and more.

The excitement continues with the addition of two beautiful Super Ships to our fleet. **S.S. Victoria** joining in 2024 and **S.S. Elisabeth** in 2025, will both bring contemporary luxury and the largest suites to the rivers of Europe.

In 2025, we have several new itineraries, including the 15-day **Rhine, Moselle & Belgium Grand Discovery**, an 11-day **Dutch & Belgian Holiday Celebration** for the winter, and an 18-day combination of our Bordeaux and Portugal itineraries, **Wine Roads of France & Portugal**.

In whichever way you choose to explore the world, do it in the unparalleled style of Uniworld. After all, **you deserve the best.**

Warmest regards,

Ellen Bettridge

WELCOME TO LUXURY RIVER CRUISING

This is cruising at its absolute best

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a floating boutique hotel; designed to immerse you in the destination and fully equipped with luxurious amenities, beautiful public spaces and multiple dining venues throughout.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, a host of onboard wellness opportunities plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

INTIMATE & RELAXING EXPERIENCE

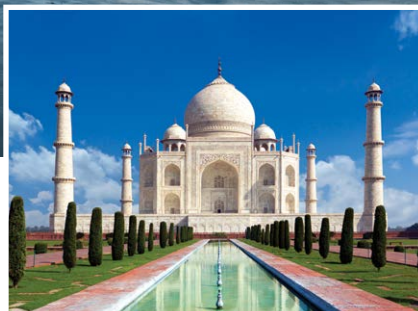

Compared to ocean cruising, a river cruise ship is smaller and therefore offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travellers and also receive better access to the incredible staff onboard.

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. River cruising is the best way to cruise, and the best and most luxurious river cruises are with Uniworld.

UNMATCHED CONVENIENCE

By its nature, cruising along rivers allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from early access to the world's greatest landmarks such as the Taj Mahal, private after-hours visit to St. Mark's Basilica or receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

A HISTORY OF OUR HOSPITALITY EXCELLENCE

The story of our travel family

From the moment you step onboard our one-of-a-kind award-winning ships, you notice the Uniworld difference. That's because we share the guiding influence of the Tollman family with the renowned Red Carnation Hotel Collection. The Tollmans are the creative visionaries behind our luxury, floating boutique hotel experience and their passion for personal touches can be found everywhere—from the distinct design of our ships to the recipes for our locally sourced cuisine and the unmatched staff attentiveness. With over a century of experience in tourism and hospitality, the Tollman family provides us with invaluable connections, destination knowledge and expertise. We're proud to follow their commitment to hospitality excellence.

DESIGNED TO INSPIRE

The Tollmans have designed a collection of gorgeous boutique hotel properties around the world, and they've taken that penchant for bespoke creations to the rivers with our floating boutique hotels. Step onboard to see how they've crafted our ships to reflect the rivers on which we cruise, with distinctive themes, beautiful colour palettes, original art and personally selected furnishings.

A SPIRIT OF SERVICE

If there's one thing we share with every single one of our sister brands, it's that guests are at the heart of every experience, and we all want you to feel like family from the moment we first greet you. Whether it's remembering exactly how you like your cocktail prepared, ending every exchange with a cheerful grin, or surprising you with a thoughtful treat, we and our travel family have created a legacy of providing unforgettable experiences.

A NOURISHED PALATE

Much of the attention to detail you'll find onboard took root in the kitchen. Delicious dishes and culinary feats have become a cornerstone for Red Carnation Hotels and Uniworld Boutique River Cruises alike. Whether that means immersing you in your destinations with authentic local cuisine or serving comfort foods from the Tollman family recipes, like our guests' favourite sesame fried chicken.

FOLLOWING IN THE CREATIVE FOOTSTEPS

of The Red Carnation Hotel Collection

Boutique hospitality, unmatched service and a dedication to going above and beyond for our guests are deep-rooted in our DNA—we're the only cruise line to also own and operate a collection of luxury boutique hotels. Uniworld is modelled after our sister company, the five-star Red Carnation Hotel Collection, and we've been able to tap into their more than 100 years of experience and bring their knowledge and expertise to the rivers.

Thanks to their words of wisdom, we employ our own full-time staff, both onboard and onshore, and don't outsource any elements of your cruise to third parties. When you travel with Uniworld, you know exactly what you'll get, each and every time.

THE RED CARNATION HOTEL COLLECTION

THE MOST PERSONAL SERVICE

from the most tenured crew on the rivers

We treat our staff and guests like family—a philosophy instilled in our company culture as a family-owned business. This philosophy, rooted in the Tollman family's long-standing involvement in the hospitality industry, is the driving force behind our guest-centric atmosphere. And it's the reason you leave your cruise feeling like part of the family.

It's also why each detail carries the same weight. ***"No request is too large, No detail too small"*** comes to life in the interactions we share with our guests. Your river cruise is focused on a singular goal: to give you the unique and unforgettable experience you seek, with the impeccable, personalised service you deserve.

Every guest receives our full attention, with an incredible guest-to-staff ratio of 2.4 to 1 (the best on the rivers), unmatched attention to detail, and in-suite butlers trained to the highest standards in the industry because everything worth doing, is worth doing well.

"First Uniworld cruise and would definitely recommend them as a preferred cruise line. Paid attention to my every need. Very attentive to every detail."

AN ARTFUL PRESENTATION

of delicious farm-to-table cuisine

A CUT ABOVE THE REST

Uniworld's kitchens attract a particularly talented team of chefs, every one of them passionate about turning local ingredients into culinary masterpieces. Their work has even earned them recognition by the prestigious gastronomical society, *The Chaîne des Rôtisseurs*.

WE'VE HONED OUR CRAFT

Our culinary philosophy is ever-evolving, designed to appeal to the discerning palates of international travellers, with a variety of traditional dishes, inspired contemporary flavours, delicious healthy dining options and comfort cooking. From breakfast to lunch to dinner, each meal is carefully crafted exactly to your tastes.

OUR RECIPES, CATERED TO YOU

For those interested in healthier dining options, our *Travelling Lite* menu features all the flavour of our traditional menu, but with fewer calories. We also offer a variety of vegetarian, vegan and gluten-free options, prepared just for you. If you have a specific meal preference or desire, just ask.

ENDLESS POURS

With every meal, enjoy a choice of featured fine local wines, selected by our onboard sommelier, grown and bottled directly from the regions you visit. Not restricted to a dining room or even the bar, you can ask our bartenders to bring you all the premium wine, beers, spirits and signature cocktails you desire.

The ships in our fleet are passion projects, through and through. To step onboard is to step into a world where the colours and one-of-a-kind details of your destinations come to life.

OUR COMMITMENT

*to unrivalled excellence in
luxury river cruising*

More than 10 years ago we redefined the term “unsurpassed luxury” when we launched the first Super Ship—the S.S. *Antoinette*. With custom décor that brought the Rhine region to life onboard, this ship completely transformed the standards of river cruising. We continue to launch new Super Ships with each passing year as we work towards transforming our entire fleet, delivering the absolute best experience in river cruising.

Our Super Ships represent the epitome of luxury in river cruising. It’s the one-of-a-kind design that Uniworld represents, with more suites, more dining options and more luxurious *Tiny Noticeable Touches* throughout.

Uniworld guests have 12 extraordinary Super Ships to choose from, including the newest to our fleet— S.S. *Victoria* and S.S. *Elisabeth* in Western Europe, S.S. *Sphinx* in Egypt, *Mekong Jewel* in Vietnam & Cambodia, S.S. *La Venezia* in Italy and S.S. *São Gabriel* in Portugal.

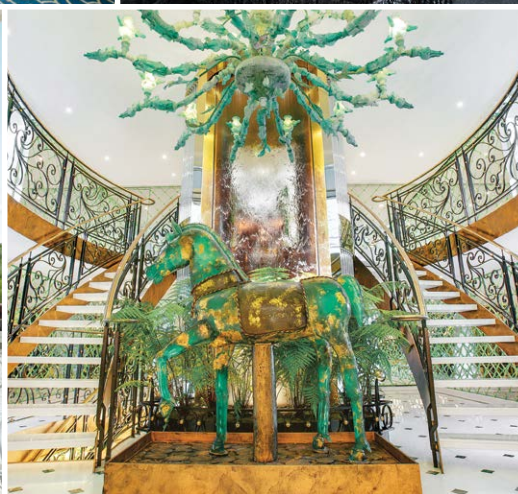

We don’t believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity. That’s why the select few ships we operate account for the best of the best on the world’s rivers.

This commitment to quality has consistently earned us a top ranked spot in both *Condé Nast Traveler’s Readers’ Choice Awards* and *Travel + Leisure’s World’s Best Awards*, year after year.

*“Beautiful amenities on the ship, strong communication,
experience that made us feel the ship was our home.”*

MORE SPACE

Our suites feature more room to roam, often with living areas, spacious bedrooms and larger bathrooms equipped with double sinks, tubs and marble tile.

FULLY STOCKED BAR

In addition to a bottle of wine upon arrival, our in-suite mini bars are filled with a selection of drinks. You'll also have a crystal carafe that can be refilled daily as you please, from a selection of brandy, whiskey and vodka.

A PASSION FOR SUSTAINABLE TOURISM

and a penchant for giving back

As part of our dedication to sustainability, we focus on making a positive impact and advocating for environmental, social and economic responsibility. We're proud to be part of The Travel Corporation (TTC) and further its **How We Tread Right** strategy, which is anchored to the United Nations Sustainable Development Goals. Under the guidance of Uniworld's Sustainability Officer, Julie Higgins, we've made significant progress across several areas of operation. Read below for highlights from 2023!

Leanpath

02

01

CLIMATE ACTION

We've become the only cruise line to join **Path2Zero**, a research project aimed at reaching net-zero carbon emissions in Europe. We're contributing financial support, advice and the expertise of our captains and engineers, who are helping test real-world solutions in the program's "Living Labs."

02

FOOD WASTE

Over the last couple of years, we've piloted a comprehensive food waste measurement and reduction system known as **Leanpath** on select ships. In 2022 alone, food waste was reduced by 34% across 6 Uniworld ships, equating to 24,169 meals saved. In 2023, we expanded the program to every ship we own!

03

03

ELIMINATING PLASTIC

We're eliminating single-use plastics across our fleet by introducing refillable toiletry dispensers, bamboo room keys, cloth laundry bags and more. Along the way, we've discovered that these high quality, sustainable alternatives also provide a more luxurious experience than their disposable counterparts.

04

EXPERIENCES

Our **MAKE TRAVEL MATTER® Experiences** take guests on unique and immersive local experiences that show them how their travels can directly and positively impact the destinations they visit. We already have MTM Experiences on 25% of our itineraries and are striving to reach 100% by 2025.

The S.S. La Venezia offers a vibrant yet sophisticated discovery of Venice and its surrounding islands, and stands witness to Italy's incomparable architecture, artistic contributions, world-renowned fashion and famed cuisine. The redesign of this Super Ship drew influence from the fine Fortuny fabrics displayed prominently onboard. Murano glass, gilded accents and artistic etched elements pay homage to popular Venetian aesthetics of the early 20th century.
