VIKING GYMIR IN GERMANY

When we first launched our first river voyages in 1997, we wanted to offer the most unique and culturally enriching itineraries possible. This began a journey that has marked the rise of river cruising as the fastest-growing travel segment. Soon our guests grew eager to journey with us on the iconic waterways of Europe—the Rhine, Main, Danube, Seine and Rhone Rivers—and farther afield to the Douro, Nile and Mekong Rivers.

Since then, we have been doing what comes quite naturally to us –innovating the travel experience in a way that enriches and engages our guests—and along the way we have received many accolades from travellers and industry insiders alike.

Our famous Viking Longships have been designed and refined for their journey, providing comfort and relaxation as you meander along the world’s rivers, stopping to explore each fascinating destination you arrive in. With prime docking locations, we sail into the very heart of riverside villages and cities, offering direct access that gives you more time to discover the true nature of everywhere you visit.

Our spacious onboard atmosphere maximises space with generous, open areas filled with natural light and our distinct Scandinavian design, reminiscent of a boutique hotel, creates quiet, understated luxury. Our itineraries have been expertly curated to provide meaningful moments for our curious, well-travelled guests, offering greater cultural insight and personal enrichment.

If you are a first-time river voyager or have never embarked on a Viking river journey, you most likely have many questions. From picking your ideal voyage, choosing the time of year to cruise to the necessary things to pack, our guide answers all these questions to ensure your future river voyage is smooth sailing. Simply use the QR code below to navigate the mini brochure.

I hope this brochure inspires your next voyage.
We can’t wait to welcome you on board.

THE WORLD OF VIKING

Wherever you choose to go—Europe, Southeast Asia, Egypt, USA or beyond—Viking takes you to places you can only fully appreciate by river, and we take you there in comfort.

• Select cruise & tour destinations

THE VIKING STORY

How one man's vision led to a new way to sail

“We wanted to do things differently –and since then, our mission has resonated with curious travellers.”

Torstein Hagen, Viking Chairman

WHEN TORSTEIN HAGEN FOUNDED VIKING

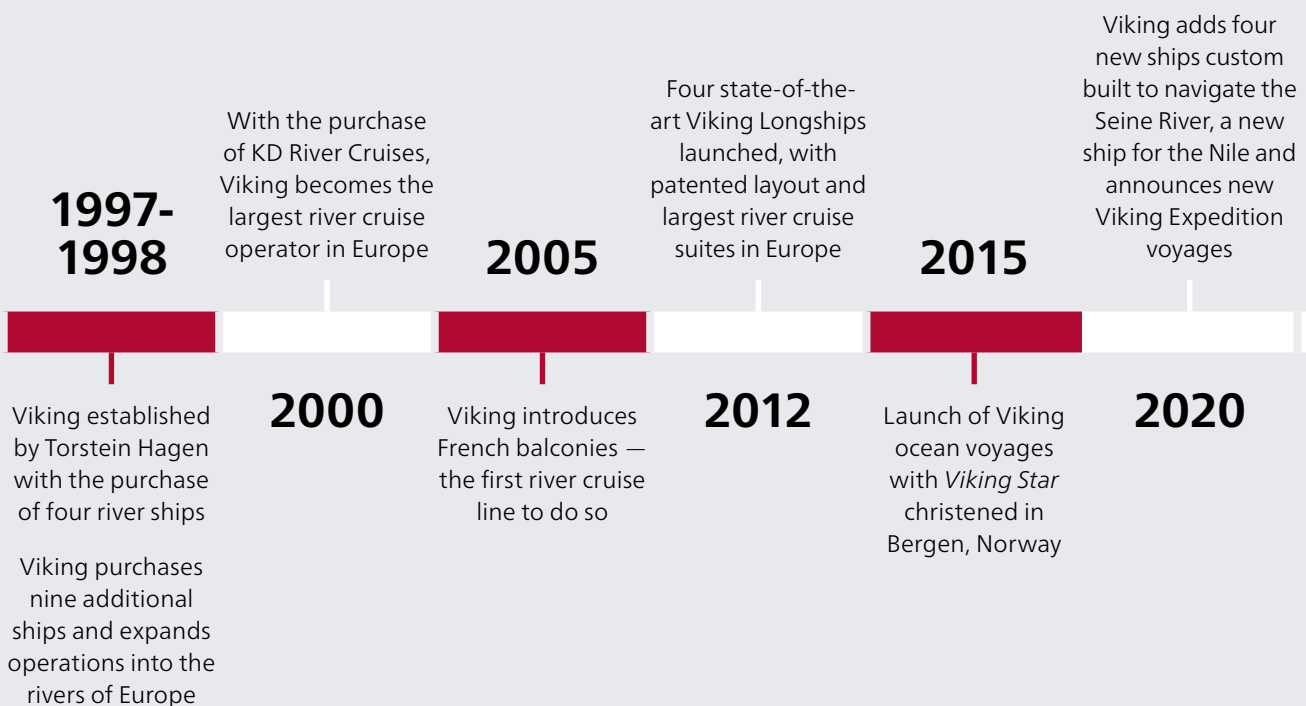

in 1997 with four river ships, he had few supporters and even fewer who believed in his vision. He was 54 years old and had spent much of his career in Norway in shipping, bearing witness to an industry that was ripe for change. Our Norwegian-born patriarch had a deep desire to create something different—and as anyone who has travelled with us will tell you, different is exactly what you get on a Viking voyage.

For more than 27 years our Chairman Torstein—who the Viking family knows simply as ‘Tor’—has built an award-winning fleet of ships over 90 strong. First, we

TORSTEIN HAGEN

set the standard for modern river cruises, then we reinvented ocean cruises with the launch of our award-winning small ship voyages and now we have perfected expedition voyages, with our state-of-the-art expedition ships, *Viking Octantis*, and *Viking Polaris*.

TORSTEIN & KARINE HAGEN, SVALBARD, NORWAY

VIKING OFFICES, LOS ANGELES, USA

A family-owned and operated business when we began, Viking remains a family-owned business to this day, with Tor ensuring his original vivid Viking vision is upheld with each passing year.

One needs only to see the beautiful spaces on our ships or take part in a unique shore excursion to feel his high standards and strong eye for detail.

Our award-winning ships are prized for their artfully designed, timeless interiors and our service is a lesson in thoughtful, intuitive attention. We strive for meaningful experiences in every itinerary, and our standout approach to child-free, casino-free, curiosity-fuelled cruising with more added value keeps our well-travelled guests coming back time and time again.

So if you join us every year to explore a new destination, welcome back. And if you're considering sailing with us for the first time, we look forward to welcoming you to the family.

We know you'll love exploring the world with us.

THE VIKING DIFFERENCE

Meaningful travel, tailored to you

AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE.

Rather, our loyal guests continue to choose us every year because of our unique approach to cruising that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like black-tie dinners in favour of delivering meaningful experiences, tailored to you. Instead, we include more, where it matters most.

MORE VALUE

We don't underestimate the importance of good value, so we include more in your fare. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi and gratuities are part of your Viking fare.

MORE CULTURE

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with flavour.

MORE CONNECTION

On your voyage, you will have ample opportunities to meet like-minded travellers. Our spaces have been designed to create a relaxed atmosphere where you can mingle with your fellow guests. By the end of your journey, our hope is that you will feel infinitely more connected—both to your destinations and new-found friends.

MORE MEANING

We aren't called The Thinking Person's Cruise Line for nothing. We know that uncovering art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences.

MORE STYLE

Our elegant Scandinavian-inspired interiors boast beautiful blonde wood, clean lines and art-covered walls.

THE RESTAURANT

DESIGNED FOR THE THINKING PERSON

Created for discerning travellers with true explorer spirits

THEY SAY THAT A CHANGE IS AS GOOD AS A HOLIDAY, but at Viking we think that a holiday can inspire change. We believe travel should be more than just an escape from the ordinary, so when you travel with us you'll not only uncover some of the world's greatest riches, you'll almost certainly discover something about yourself, too.

We offer a myriad of ways for our guests to celebrate on board, from informative lectures on history and art to exotic cooking demonstrations and musical performances. But we also know that many of our guests' most treasured memories are of a much quieter nature: moments of speechless awe while walking in the steps of ancient explorers, or inner quietude while sitting on the Sun Deck or the Aquavit Terrace marvelling at the changing landscapes passing by.

EXPLORE, LEARN, UNDERSTAND

Our itineraries have been expertly curated to provide these meaningful moments to our curious, well-travelled guests. Offering greater cultural insight and personal enrichment, we give you opportunities every day of your voyage to engage with your destination through its food, landscapes, culture and history.

Before you travel, we get your journey underway by providing you with materials to help you plan and anticipate your voyage. From destination-specific photography advice by professionals to filmographies that inspire wanderlust and recommended reading that informs and enlightens, we begin to broaden your horizons long before you pack your bags.

Once comfortably on board, because we know you always want to learn more, countless activities are on offer designed to educate and inspire. Instead of onboard novelties, we offer world-class lectures on history and art, tastings of vintage wines, menus inspired by local cuisine and a vast selection of fascinating books, carefully curated in partnership with London's prestigious and historic bookshop, Heywood Hill.

ART, HISTORY, CULTURE

With various cultural partnerships in place around the world including the British Museum, Highclere Castle, and Heywood Hill literary collectors, Viking also brings its guests closer to art, history and culture while on shore. You might accompany the ship's chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory or view private collections and hidden vaults at world-class museums.

EMBRACING HYGGE

Underneath all of this excitement and at the root of every Thinking Person's Cruise is a recognition of hygge (pronounced "hyh-geh")—a Nordic way of life. In embracing our strong cultural roots, we ensure that your inspiring Viking voyage is also one of comfort and contentment. From a peaceful cup of tea enjoyed to that surprising conversation sparked with a like-minded traveller, our aim is to help you feel more connected—to new friends and the world—on every single journey. We've never been more easily connected to the rest of the world and the golden discoveries that await there.

Now that's something to think about.

"If you're a curious traveller, keen on art and culture and looking to learn more about the destinations you visit, then you'll appreciate Viking's educational focus. For me, it's the Thinking Person's Cruise Line."

Brian Johnston, Freelance Travel Writer

Exclusive to Viking, the Aquavit Terrace is the only outdoor restaurant on any river ship in Europe. Combining the comfort of a lounge with the invigorating fresh air of a terrace, it is the perfect place to become one with the outdoors, to indulge in a delicious meal while you watch the picturesque sights of your new destination float by.

AQUAVIT LOUNGE

VIKING LONGSHIPS ARE DESIGNED TO MEET THE HIGHEST ENVIRONMENTAL STANDARDS

ENVIRONMENTALLY CONSIDERATE

Reducing impact through design and technology

ALL VIKING LONGSHIPS are powered by true diesel-electric hybrid engines that meet stringent emission standards and reduce vibrations for a remarkably smooth ride. Key features of the ships' energy-efficient design include:

- **EFFICIENT USE OF SPACE.** Because every bit of added weight results in extra fuel consumption, we are careful to add to our ships only what is needed, prioritising optimal guest comfort and operational efficiency.
- **SHORE POWER.** Viking Longships utilise shore power where possible to reduce reliance on fuel while in port.
- **BATTERY PACKS.** Our newest Viking Longships have battery packs installed on board, which are expected to reduce our emissions by an additional 5%.
- **LED LIGHTING.** The lighting instruments on board Viking Longships are more energy-efficient LEDs, utilising low wattage and therefore lower heat output, lower power usage and a longer life.

- **SOLAR PANELS.** Located on the Sun Deck, these onboard solar panels help make Viking Longships the greenest vessels on the rivers of Europe.

Beyond the technical aspects of the ships' design, Viking Longships are also equipped with the following features to reduce environmental impact:

- **ADVANCED RECYCLING & WASTE MANAGEMENT.** In addition to garbage and recycling separation facilities, Viking Longships are equipped with a "zero" discharge wastewater treatment system making them environmentally safe for any river they sail.
- **NOISE AND LIGHT REDUCTION.** Our vessels feature state-of-the-art insulation to ensure the overwater noise from on board is kept to a minimum, keeping local life undisturbed. On board lighting has also been designed to ensure no light pollution is disturbing local fish and wildlife.
- **BIODIVERSITY-SUPPORTING DOCKING LOCATIONS.** With more than 60 Viking-owned docking locations, specifically designed for Viking Longships, we provide an infrastructure that has close to zero impact on biodiversity.

LIFE ON THE RIVERS

THE RIVER CRUISE EXPERIENCE IS A JOURNEY LIKE NO OTHER. Our elegant ships will gently carry you into some of the most incredible cities and picturesque towns, where you'll explore the food, landscapes, history and culture of these captivating regions.

RIVER LOCKS

River locks are an engineering marvel used since the 14th century in Europe. They are designed to allow vessels to overcome the height differences of rivers, enabling them to navigate the length of a river seamlessly. You will experience lock navigation on many European rivers, the Mississippi and the Nile. Europe has some of the highest locks in the world, with some up to 25 metres high. The Carrapatelo Lock measures 85 metres in length, 12 metres in width and stands at an incredible height of 75 metres. Some itineraries will only transit a few locks, while others will pass through up to 77 locks over 15 days.

As your ship approaches a lock, the forward door opens, allowing the ship to enter the lock compartment with the door closing behind. The lock compartment is then filled with water or emptied of water as your ship raises or lowers to the new river level height. The far door then opens, allowing your ship to continue on its way. The locks are carefully scheduled and each vessel will have an appointed time. Your captain will expertly navigate your ship through these locks, sometimes with only centimetres to spare on each side.

Lock transit is a fascinating experience, and your captain will invite you to the sundeck for some lock transits to experience this remarkable engineering marvel up close.

As you gather on the deck, you can't help but be in awe at the precision and engineering behind this centuries-old technology. The gentle hum of the machinery and the sight of the massive gates moving with smoothly add to the sense of

wonder. It's a unique experience that not only enhances your journey but also deepens your appreciation for the intricate systems that make river travel possible. Each lock transit is a reminder of the incredible human ingenuity that allows us to traverse these waterways, overcoming natural obstacles with ease.

HIGH AND LOW WATER LEVELS

From time to time, the rivers can experience unusually high or low water levels making navigation through locks or under bridges difficult.

Viking has two key advantages to handling water level disruptions. First, we own and operate our ships. We have a Switzerland-based nautical team and a network of local partners and authorities that focus on monitoring and adapting to current water levels so that you experience the least possible disruption.

Second, we strategically launch sister ships on the same itinerary, sailing in opposite directions. This tactic allows us to implement a ship swap in the event of low or high water. This is typically seamless as you and your luggage are transferred to an identical stateroom on a sister ship sailing in the opposite direction.

These advantages allow us to minimise the impact that water levels can have on an itinerary, meaning you can focus on enjoying yourself, rather than worrying about potential changes or cancellations.

DOUBLE DOCKING

Viking owns many dock locations along the rivers, and we strive to arrange the most convenient docking available. On occasion, due to limited space or local regulations, ships may be required to dock alongside each other. During this time the view from your stateroom may be impeded temporarily and you may need to pass through another ship (or the other ship's guests may pass through yours) to embark or disembark.

To cross from one ship to another you may simply walk right through, or there could be a number of different decks, this depends on factors such as the height of the dock, to the type of ship we are docked next to and the tidal levels of the river on the day.

EUROPEAN SEASON GUIDE

SPRING

With a colourful blanket of flowers washing over Europe's countryside, springtime becomes a feast for the senses

STRASBOURG, FRANCE

With thousands of wildflowers in bloom, spring is when Europe comes to life. To experience warm sunshine married with the vibrant colours of thousands of flowers blossoming, we recommend a trip to Holland or Belgium.

The city of Amsterdam is synonymous with tulips, and in spring, the city's surrounding landscapes are transformed into a sea of colour. Every year, from March until May, colourful blooms adorn the city's outdoor spaces; notable buildings are dressed in a variety of floral designs; and the soft scent of tulips fills the air of pedestrian walkways.

With more than seven million flowers in bloom at Keukenhof Gardens, including crocus, daffodils, hyacinths, and of course, tulips, it is a must-visit for the season.

Departures during spring tulip season complement your itinerary's regular highlights such as the windmills of Kinderdijk, traversing the scenic canals and bridges of Amsterdam or walking the old-world streets of Brussels with its cobblestone streets and squares.

EUROPEAN SEASON GUIDE

SUMMER

The enchanting cities of Europe become abuzz with activity in the summertime with warm days cooled by a slight breeze at night

To enjoy a quintessential European summer, set sail between June and August. With longer days and warm balmy nights, this season offers more time to explore. Temperatures tend to peak in August, so opt for June travel if hot weather doesn't agree with you as much.

During the European summertime, there are many wildflowers still in bloom. Most famous at this time of the year is the fragrant fields of lavender throughout Provence in France. Visit this region during its flowering season that spans from mid-June to mid-August, with the peak bloom usually occurring in July, to witness fields awash with the distinctive purple of lavender.

You can visit Coustellet and the Lavender Museum, founded by a family that runs a vast lavender farm in a nearby village. Dedicated to the beautiful flower's cultivation, distillation and legend, this unique museum features a fascinating collection of objects and exhibits that chronicle its use by perfume makers and by civilisations dating back to ancient Rome.

EUROPEAN SEASON GUIDE

AUTUMN

Enjoy cooler temperatures and autumnal hues as life in the cities begins to wind down. The grape harvest begins, and so a visit to the vineyards is a must

Between September and November, Europe falls into autumn. Expect to see hues of burnt orange and golden yellow throughout the cities while you enjoy lower temperatures and fewer crowds.

This season is known for its grape harvesting. Explore the south of France and discover charming ports, vineyards, farms and forests. Visit Bordeaux, the country's famed wine region, witness the harvest and taste local wines paired with French fare as you watch the autumnal sun set.

The grape harvest season is also one of the best times to visit the Douro Valley in Portugal, the world's oldest demarcated wine region where the weather is always warm.

Autumn in Europe is a time of vibrant festivals and cultural events. From Oktoberfest in Germany to the Chestnut Festival in Italy, there are countless opportunities to immerse yourself in local traditions and celebrations. Whether you're wandering through historic cities or enjoying the tranquility of the countryside, autumn in Europe offers an enchanting experience.

EUROPEAN SEASON GUIDE

WINTER

The enchanting cities of Europe become abuzz with activity in the summertime with warm days cooled by a slight breeze at night

Christmas in Europe is a magical time of year. Explore the lands where our most cherished Christmas traditions began. See towns along Europe's rivers transform into a winter wonderland with squares packed with festive Christmas markets from mid-November through to late-December.

Cosy stalls sell all manner of handmade crafts by local artisans, delicious regional treats and authentic holiday accoutrement. Each market boasts its own heritage with a history dating back centuries.

Back on board, the Christmas spirit continues with freshly baked gingerbread cookies, sparkling decorations, live festive music and mulled wine enjoyed with your fellow guests.

Winter is also traditionally the quiet season in Europe, with less tourists and more locals. The bustle dies down and the vast open squares of great destinations such as Amsterdam, Basel, Vienna, Budapest and Cologne can be seen in their more natural state. With fewer crowds, you can linger longer at the places that interest you and take in all the sites at a more relaxed pace.

VIKING OCEAN VOYAGES

ANOTHER WAY TO EXPLORE

After leading the river cruise industry for two decades, we have taken that same small-ship, destination-focused experience to the seas and redefined ocean cruising.

Because our vessels are smaller, they have greater maneuverability and can dock where the mega-liners that dominate today's ports cannot. On a Viking ship, you will sail into the very heart of some of the world's greatest cities such as London, Hong Kong and Monaco. No other cruise line brings you closer to your destination's doorstep or helps you uncover so much about a culture and its beauty while you are there.

Our award-winning vessels with fewer than 1,000 guests and all veranda staterooms, are intimate yet sophisticated. With no kids, no casinos and all-inclusive pricing, we focus on delivering meaningful experiences tailored to you.

We design our itineraries to allow you to spend more time in port, with overnight stays in virtually all ports of embarkation and disembarkation. With fewer days at sea, you will have ample time to immerse yourself fully in each destination.

Whether you choose to explore Scandinavia, the Mediterranean, Asia, North America, South America, the Caribbean, Australia and New Zealand, or experience one of our magnificent Grand Voyages, a Viking ship will take you there in comfort.

OUR SHIPS ON THE RIVERS

The Viking river fleet

Viking has the most extensive fleet of river vessels in the world, with each ship type being designed specifically to navigate the historic rivers of the region through which it is sailing.

OUR VIKING LONGSHIPS IN EUROPE

Stylish, light and Scandinavian-inspired design, everywhere on board our award-winning Viking Longships you will find quiet corners that invite you to pause and reflect: in the alcoves, the library, the lounge areas, the Sun Deck, the Aquavit Terrace and of course, the sanctuary of your stateroom. Home to just 190 guests, all staterooms have a window, and many boast a French balcony or private veranda.

OUR ELBE SHIPS IN EUROPE

Viking Beyla and *Viking Astrild* are inspired by our award-winning Viking Longships, and are home to 98 guests. They boast many of the same design features, including the stylish lounge and restaurant and the Aquavit Terrace for al fresco dining.

“Viking is great for travellers who don’t just want to see the world, but want to understand it and know more about it. To learn something of other cultures and other histories.”

Bernard O’Shea, Australian Woman’s Weekly Travel Editor

OUR DOURO SHIPS IN PORTUGAL

Taking inspiration from the Viking Longships, *Viking Hemming*, *Viking Helgrim*, *Viking Torgil* and *Viking Osfrid* are especially designed to sail the Douro River and are slightly smaller. Accommodating just 106 guests in a variety of stateroom classes, all with sweeping river views, they also boast a small rooftop pool to make the most of sunnier climates.

OUR NILE SHIPS IN EGYPT

Specifically built to navigate the Nile River, our ships have been designed to international standards of comfort and elegance, with French balconies and hotel-style beds in every spacious stateroom. *Viking Osiris*, *Viking Hathor* and *Viking Sobek* are the newest most sophisticated river ships sailing in the region, while *Viking Ra* and *MS Antares* offer a more classic cruising experience.

OUR MEKONG SHIPS IN SOUTHEAST ASIA

Designed to navigate the Mekong River, hosting just 80 guests, *Viking Saigon* and *Viking Tonle* offer understated elegance and have been built to reflect the clean, Scandinavian design principles for which Viking is known. Explore one of the world’s most scenic regions in comfort with outdoor verandas, hotel-style beds and public areas bathed in light.

OUR MISSISSIPPI SHIP IN THE USA

Purpose-built for the Mississippi and hosting 386 guests, *Viking Mississippi* joined the fleet in 2022 and is inspired by our award-winning Viking Longships and ocean ships and features public spaces that are familiar to guests but that have been reimagined for Mississippi River voyages.

BOOKING & SALE TERMS & CONDITIONS

IMPORTANT NOTICE

THE FOLLOWING TERMS AND CONDITIONS GOVERN THE BOOKING AND SALE OF YOUR CRUISE TOUR THROUGH VIKING RIVER CRUISES AUSTRALIA PTY LTD (ACN 131 274 372) ("VRC"). ALSO REFER TO THE PASSENGER TICKET CONTRACT WITH THE CARRIER ("PASSENGER TICKET CONTRACT") FOR THE TERMS AND CONDITIONS GOVERNING THE CRUISE TOUR ITSELF. THE PASSENGER TICKET IS AVAILABLE AT vikingcruises.com.au/legal AND IS ALSO DELIVERED AT THE TIME OF BOOKING. PLEASE CAREFULLY READ THESE LEGALLY BINDING TERMS AND CONDITIONS AS WELL AS THE TERMS OF THE PASSENGER TICKET, WHICH CONTAIN DISCLAIMERS, SPECIFIC LIMITATIONS OF LIABILITY, AND SUBSTANTIAL PENALTIES FOR CANCELLATION.

GENERAL CONDITIONS

General Conditions: These are terms and conditions ("Terms") for viking.com.au and all other websites, mobile applications, onboard media, blogs, phone, in person, social media and other places, and other online or wireless offerings, whether accessed via computer, mobile device or other technology, owned or operated by VRC or on our behalf (collectively, our "Access Points"). If you do not agree to these Terms, please refrain from accessing the Access Points which offer information on cruises, tours and other products and offerings, including transportation of passengers and baggage on all cruise vessels and other transportation and arrangements (collectively, the "Services") specifically and solely provided by the vessel owner, operator, charterer and/or managers (collectively the "Carrier"). Users of these Access Points agree to be bound by these Terms and the Viking Cruises Privacy Policy (the "Privacy Policy") available at vikingcruises.com.au/privacy-policy/index.html. These Terms and the Privacy Policy apply to all visitors, users, and others who use the Access Points to access the Services ("Users") and may not be otherwise modified except by a writing signed by an authorized corporate officer of VRC. As used in these Terms, "Cruise Fare" means the total amount Carrier charges in its invoice and which is paid as cruise tour fare and for those additional facilities and services added to the cruise tour, but excludes Optional Facilities, (as those terms are defined in your Passenger Ticket Contract) and/or personal charges. The term "Full Fare" is defined as the full combined Cruise Fare, plus land or air component purchased from Carrier and excluding Optional Shore Excursions (as defined in your Passenger Ticket Contract).

DISCLAIMERS

VRC acts solely as an Australian and New Zealand sales and marketing agent for the carrier of the ships described in the Viking brochures, website or any other promotional material and for all related travel services. All related services, including land, air and water transportation, accommodations and excursions which comprise your cruise tour, are purchased from third-party providers. VRC neither owns nor operates any vessel or other means of transportation, accommodations or other travel or leisure facilities. The carrier, and not VRC, employs the crew, operates and maintains the vessel, and conducts the cruise tour. Under no circumstances shall VRC be construed as a carrier or as a provider of travel services or accommodations of any nature.

VRC assumes no responsibility or liability whatsoever for acts or omissions of the carrier or those persons or entities providing travel services, accommodations or any other element of a cruise tour. VRC is not responsible for damage, injury, illness, death, loss, accident, delay or irregularity of any kind, occasioned by reason of any act or omission arising during or from the cruise tour. You specifically release VRC from any and all claims for loss or damage to baggage or property and for injury, illness or death, and from all other claims and any loss or delay, arising out of the acts, omissions or negligence of the carrier or other independent contractors, such as air carriers, hotels, shore excursion operators, restaurateurs, transportation providers, spa professionals, medical personnel or other providers of services or facilities.

LEGALLY BINDING TERMS

In making a cruise fare deposit or any form of approved payment as shown on the invoice, you agree to be bound by these terms and all provisions contained in the passenger ticket contract for your cruise tour. Both these terms and the passenger ticket contract govern your rights and responsibilities and all disputes, including specifically limitations of liability and damages, time limits for claims and suits, class action waiver, forum for suits and governing law. In the event of any conflict between the passenger ticket contract and these terms, the passenger ticket contract controls.

DEPOSIT AND PAYMENT POLICY

To confirm the booking, a deposit (specified at the time of booking) is required within 3 days of making your booking or your reservation will be cancelled. When more than one cruise is booked, this Payment Policy applies to each cruise fare. Exceptions to this payment policy apply for Viking's World &

Grand Cruises which require a 20% deposit of the Full Fare at time of booking the cruise tour. The final balance is due (being the full cost of Your Tour as specified on the invoice provided to you at the time of booking) is due no later than 120 days prior to your cruise/tour departure date (unless otherwise stated or within 3 days of booking if cruise/tour departure date is within 120 days of sailing). All reservations are subject to cancellation without notice if payments are not received by the due date. (See Cancellation Policy below for additional details.)

PAYMENTS

Visa, Mastercard, American Express, cheques made payable to "Viking River Cruises Australia Pty Ltd" and Electronic Funds Transfers are all acceptable forms of payments. Some credit card companies may impose a "Foreign Transaction Fee" even though your transaction is denominated in Australian dollars. This is an arbitrary fee that occurs in a small number of cases and accrues entirely to the credit card-issuing bank. If a Foreign Transaction fee is applied by the issuing bank, Viking will provide reimbursement of such fees to a nominated bank account once a credit card statement is provided for verification.

REVISIONS

Once a cruise booking has a deposit or air is paid in full, all changes are subject to an AU\$50.00 charge per change. See Cancellation Policy below for additional details on situations which are classified as cancellations rather than changes.

CANCELLATION POLICY

In the event you cancel a cruise or tour booking, cancellation fees will apply as noted below unless otherwise expressly stated in your Passenger Ticket Contract or elsewhere in these Terms, or except as provided by applicable law. Cancellation fees also will apply to changes to departure date; substitutions of itinerary; substitution of another person for original booked passenger(s); and changes to a promotional fare. No refunds shall be made in the event of interruption or cancellation by a passenger after commencement of the cruise unless otherwise expressly stated in your Passenger Ticket Contract or elsewhere in these Terms, or except as provided by applicable law. All cancellations must be in writing and sent to VRC's office located at 6/66 Wentworth Avenue, Surry Hills, NSW 2010, Australia or emailed to reservations.anz@viking.com For all air-inclusive packages cancelled after issuance of an airline ticket, the air travel portion is non-refundable. You acknowledge that your cancellation will cause VRC and Carrier difficulty in selling a replacement cruise or cruise tour and thus the cancellation fees described herein apply regardless of whether your cruise or cruise tour is resold. You agree that any losses sustained by VRC and/or Carrier in the event of cancellation would be very difficult or impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages. The following cancellation fees will be assessed for all written cancellations received prior to departure up to the scheduled time of departure:

a. Cancellation Fee Schedule Effective for Cruise Tours (other than Grand & World Cruise Voyage) booked on and after June 1, 2023

Written Notice Received Days Prior to Cruise/Tour Departure Date	Cruise/Tour/Land/Air Inclusive Cancellation Fee Per Passenger

A full refund will be given for most optional shore excursions if you give notice of cancellation at least 48 hours prior to the

optional shore excursion.

REFUSAL OF PASSAGE; TERMINATION BY PASSENGER

You shall not be entitled to a refund of any amount paid if you must leave the tour prematurely for any reason unless expressly otherwise stated in your Passenger Ticket Contract, nor shall VRC or the Carrier be responsible for any lodging, meals, return transportation, medical or other expenses or loss incurred by any tour participant in these circumstances. Refer to the Passenger Ticket Contract for further details.

ADVANCED, CANCELLED OR DELAYED; ACTS OF GOD; STRIKES; OTHER CHANGES

VRC and the Carrier reserve the right to withdraw and/or cancel a tour or to make changes in the itinerary and hotel accommodations whenever, in their sole judgment, the conditions warrant it. In the event of charters of the vessels, adverse weather or water conditions, mechanical or other issues with the vessel, docking issues, government or other authority actions, truces, lockouts, riots, strikes or labour difficulties from whatever cause; or explosion, fire, collision, standing or foundering of the vessel, or breakdown or failure of or damage to the vessel or its hull or machinery or fittings howsoever and wheresoever any or the same may arise or be caused, or civil commotion, riot, insurrection, war, requisitioning of the vessel, political disturbance, acts or threats of terrorism, inability to secure or failure of supplies including fuel, epidemics or pandemics of communicable diseases (including but not limited to COVID-19, influenza, norovirus), governmental restraints or declarations relating to epidemics or pandemics, health emergencies, acts of God, or other circumstances beyond VRC or Carrier's control, VRC or the Carrier may, at any time, cancel, advance, alter, substitute or postpone any scheduled cruise or cruise tour and may, but is not obliged to, substitute another vessel or itinerary and neither VRC nor the Carrier shall be liable for any lodging, meals, return transportation, medical or other expense or loss whatsoever, whether to booked or actual passengers or third parties, by reason of any such circumstances, except as expressly set forth in the Passenger Ticket Contract or as required by applicable law.

TRAVEL AGENTS

Your travel agent acts solely for you as your agent, and not as agent for VRC or the Carrier, in making the arrangements for the cruise or cruise tour and any related transportation, lodging or activities. Neither VRC nor the Carrier are responsible for any representation or conduct of your travel agent, including but not limited to, any failure to remit your deposit or other monies to VRC or the Carrier, for which you shall at all times remain liable, or any failure to remit a refund from VRC or the Carrier to you. Receipt by your travel agent or other authorized individual (including any person who books a cruise or cruise tour on your behalf) of these Terms or the Passenger Ticket Contract or other information from Carrier or its agent shall constitute receipt of such materials by you. If your travel agent fails to remit any monies paid by you to the travel agent, you remain liable for the monies due to the Carrier.

TRANSFERS

Roundtrip airport-to-vessel transfers are only included when air is purchased with a tour package. Transfers are only valid on tour departure and arrival dates. If you should choose to make your own air arrangements, transfers may be purchased through VRC for an additional cost or you may choose to make your own transfer arrangements.

TRAVEL DOCUMENTS, PASSPORTS, VISAS

Upon initiation of pre-boarding procedures, you shall have in your possession the Passenger Ticket Contract, a passport valid until six (6) months following disembarkation, any necessary visas, affidavits, inoculations and/or vaccination cards compliant with the requirements of the destinations visited, proof of travel insurance where required by the destination visited, and all other documents necessary for the scheduled ports of call and final destination. You are advised to check with your travel agent or consulate service to determine what documents are required for your travel. It is your responsibility to ensure that you have all necessary documents to participate in the cruise or tour(s) purchased and neither VRC nor the Carrier accepts responsibility for obtaining required visas or for advising passengers of visa or other immigration requirements. If incorrect travel documentation is obtained, passengers may be unable to participate in particular shore excursions and/or may be denied boarding and/or entry into certain countries. Entry into other countries may be refused even if the required information and travel documents are complete. Visa kits from an independent third party are provided upon request as a service to passengers selecting destinations in Russia, China, Egypt, Jordan or Southeast Asia. Please note that, due to airline security measures, if the name on your passport does not match the name on your airline ticket, you may be

denied boarding. Final travel documents are issued 3 weeks prior to departure. Documents required prior to 3 weeks will be charged a AU\$50.00 processing fee.

LIABILITY LIMITATIONS

In addition to the disclaimers and liability limitations set forth in these terms, the passenger ticket contract also contains important limitations of liability for claims, including for injury, illness, death, baggage and personal property; time limits for claims and suits; designated forum for suits (including exclusive jurisdiction in Basel, Switzerland for claims arising on all cruise tours that do not include U.S. Ports); choice of law and class action waiver. VRC is entitled to rely upon and benefit from all the carrier's rights, limitations of and exemptions from liability, defenses and immunities set forth in the passenger ticket contract.

Persons or entities providing travel services and/or accommodations for your cruise tour are independent contractors and are neither agents nor employees of VRC. All arrangements made for you are with independent contractors otherwise referred to as third-party providers and are made solely for your convenience and at your sole responsibility and cost. All such services and accommodations shall be governed by the passenger ticket contract or other agreements between you and each such third-party provider as an independent contractor. Medical and spa personnel are independent contractors.

VRC accepts no liability or responsibility, whether occasioned by railroad, motorcoach, private car, vessel, aircraft or any other conveyance, reason, or defect, delayed departures or arrivals, missed connections or other delay or irregularity, or mechanical defect, failure or negligence of any nature whatever caused in connection with any accommodations, transportation, services or facilities, substitution of hotels, common carriers or equipment, with or without notice, or for any additional expenses occasioned thereby; or which may be occasioned either by reason or defect, through the acts or defaults of any company or person, or in carrying out the arrangements of the tour, or as a result of any cause beyond the control of VRC. VRC shall not be liable for the inability of any third-party provider/ independent contractor to perform any travel service or accommodation referred to in the VRC advertising or any part thereof.

If the entire cruise is cancelled other than by you for any reason, you shall have no claim other than for a full refund of the cruise fare, or, if expressly provided in the passenger ticket contract, a future cruise credit for the value of such cruise fare. The passenger ticket contract constitutes the sole agreement between the carrier and you, it being understood that the various independent contractors otherwise participating in your cruise tour may enter into their own separate contractual arrangements with you, and regardless, you assume the risk of utilizing the services and facilities of those independent contractors. Neither VRC nor the carrier are responsible for any conduct of independent contractors, including those who may assist in or operate shore excursions.

Neither VRC nor the carrier shall in any circumstances be liable to you or any other party for indirect, consequential, incidental, special, punitive or exemplary damages arising out of or related to the booking, the passenger ticket contract, the cruise tour, or the products or services sold hereunder, including but not limited to lost profits or loss of business, even if we have been apprised of the likelihood of such damages occurring.

WAIVER OF CLASS ACTION:

These terms and the passenger ticket contract provide for the exclusive resolution of disputes through individual legal action on your own behalf instead of through any class or representative action. Even if the applicable law provides otherwise. You agree that any lawsuit whatsoever against the carrier or VRC shall be litigated by you individually and not as a member of any class or as part of a class or representative action, and you expressly agree to waive any law entitling you to participate in a class action.

TIME LIMITS FOR CLAIMS AND SUITS

Forfeiture: the following time limits and forfeiture provisions apply to all claims and suits against the carrier or VRC and cannot be waived except by express written agreement of one of our authorized corporate directors.

a. Claims for personal injury, illness or death. No suit shall be maintainable against the carrier or VRC for personal injury, illness or death of any passenger, and any such suit shall be forfeited, unless written notice of the claim with full particulars shall be delivered to the carrier or VRC within six (6) months from the date when such personal injury, illness or death of the passenger occurred; and in no event shall any suit against the carrier or VRC with respect to personal injury, illness or death be maintainable, and any such suit shall be forfeited, unless suit shall be commenced in the forum designated below within one (1) year from the date when the personal injury, illness or death of

the passenger occurred.

b. All other claims. No suit shall be maintainable against the carrier or VRC, and any such suit shall be forfeited, for any claim whatsoever in connection with, related to, or arising directly or indirectly from a cruise, cruise tour, these terms or the passenger ticket contract, other than for personal injury, illness or death, unless written notice of the claim with full particulars shall be delivered to the carrier or VRC within thirty (30) days after termination of the cruise tour to which the claim relates; and in no event shall any suit be maintainable against the carrier or VRC with respect to any claim whatsoever, other than for personal injury, illness or death, and any such suit shall be forfeited, unless suit shall be commenced in the forum designated below within six (6) months from the date of termination of the cruise tour to which the claim relates.

SERVICES PROVIDED BY AIRLINES:

VRC reserves the right to choose the air carrier, routing and city airport from each gateway city for passengers booking air through VRC. VRC may utilize contracted fares and contracted inventory as outlined by each specific air carrier, therefore all flights and routings may not be available. Any changes (including name changes) made to a booking or issued airline ticket will incur a minimum of AU\$50.00 per ticket change fee, plus any additional charges imposed by the subject air carrier. Any additional costs including penalties for cancellations/re-bookings will be made at the passenger's expense unless otherwise required by law. All airline tickets issued by VRC are non-refundable. Neither VRC nor Carrier are responsible for altered travel plans caused by airline delays or for any act, omission or event occurring with the airline. In some cases VRC may not be able to confirm ancillary services including, but not limited to airline seat assignments, frequent flyer credit, special meals, and wheelchair requests. In some cases, these ancillary services may not be offered by the airline, or in other cases, may be arranged by a passenger's travel agent or directly with the airline. Airline-imposed baggage fees and other fees may apply and be charged by the air carrier at the time of service.

PUBLIC HEALTH; ACKNOWLEDGEMENT AND ACCEPTANCE OF RISKS.

Physician Consultation Recommended; Acknowledgement of Health Risks. You are encouraged to discuss the advisability of travel with your physician and to review the websites of the United States Centers for Disease Control and Prevention ("CDC"), the World Health Organization ("WHO") or other relevant government agencies for updated information.

You acknowledge, understand and accept that while aboard the vessel, in terminals and boarding areas, or during activities ashore and/ or while traveling to or from the vessel, you or other guests may be exposed to communicable illnesses, including but not limited to Covid-19, influenza, colds and norovirus. You further understand and accept that the risk of exposures to these communicable illnesses and others is inherent in most activities where people interact or share common facilities, are beyond carrier or VRC's control, and cannot be eliminated under any circumstances. You knowingly and voluntarily accept these risks as part of your passenger ticket contract, including the risk of serious illness or death arising from such exposures, and/ or all related damages, loss, costs and expenses of any nature whatsoever.

Right to Refuse Booking or Passage, to Disembark or Quarantine. Unless otherwise prohibited by applicable law, Carrier reserves the right to refuse a booking, deny embarkation, disembark, confine to a stateroom, quarantine or remove any person from a cruise tour or Optional Shore Excursion who may be suffering from a contagious or infectious disease (including but not limited to COVID-19), or who, in Carrier's sole opinion, is not fit to travel, or whose presence, in the opinion of the Master or any doctor, may be detrimental to the comfort, safety or wellbeing of the person or any other person, or in the Master's opinion, might be excluded from landing at any destination by immigration or other governmental authorities. You agree that such decisions are final and binding.

PASSENGER'S WARRANTIES AND FITNESS; PREGNANCY; ACCESSIBILITY LIMITATIONS; HEALTH AND SPECIAL NEEDS; EXPEDITION CRUISES:

a. Warranties and Fitness: You warrant that you and all other passengers traveling in your party are physically, emotionally and otherwise fit to undertake the cruise or cruise tour; that you and

BOOKING & SALE TERMS & CONDITIONS

(CONTINUED)

they have received all medical inoculations or vaccinations necessary; that you and they will at all times comply with the ship's rules and regulations, including the COVID-19 Policies and Procedures and the orders and directions of the ship's Master, officers and medical staff, as applicable, and that your conduct will not impair the safety of the ship or jeopardize or inconvenience other passengers. VRC and Carrier are not required to provide any inoculations, vaccinations or specialized health or mental care during your cruise tour and all such arrangements are your responsibility. VRC and the Carrier are unable to accommodate women past their 24th week of pregnancy. You are further advised that the living standards and practices at your travel destination(s), including those with respect to the provision of utilities, services and accommodation, may differ from those found in Australia or New Zealand.

b. Special Needs: You are strongly encouraged to advise us at 138 747 for Australia and 0800 447 913 for New Zealand of any accessibility requirements prior to booking so we can determine if reasonable accommodations are available. Please request the appropriate accessibility form for you to review, sign and return to us. Passengers are requested to advise us in writing, at or prior to the time a cruise or cruise tour is booked, of any physical, emotional or mental condition which may require accommodation during the cruise or cruise tour, including if the passenger requires the use of a wheelchair or other mobility equipment, not to exceed 56 cm in width. Passengers must bring and be solely responsible for all necessary items related to the medical condition or mobility challenge. If a mobility, medical, physical, emotional or mental condition arises after the cruise or cruise tour is booked which requires accommodation, you are requested to advise us in writing immediately. VRC and Carrier endeavour to reasonably accommodate special access needs but cannot guarantee they will be able to do so in all cases.

c. General Accessibility Limitations: Some ports of call may have physical conditions which may preclude certain passengers from going ashore. Additionally, for cruise tours in China, on the Mekong River, in Egypt, Peru/Galapagos and for other destinations not specifically noted, certain additional conditions, restrictions and limitations exist on board, at the ports, in excursions and on land that are beyond our control. Ship and airport access in these and other regions, including lack of wheelchair, walker or scooter accessibility, extended periods of standing and steps, are inherently present in tours that may not be appropriate for guests with certain medical conditions and physical restrictions. Due to restrictions on boat, ship and cabin sizes, certain cruise tours are not appropriate for travellers who use wheelchairs, walkers or scooters. Airports in certain regions typically do not have ramps or elevators. Excursions visit ancient sites with uneven terrain and stairs and include extended periods of walking over uneven surfaces. Passengers using walkers, crutches, or other mobility aids or who may need physical assistance throughout the trip should consider these needs when making a booking as our onboard personnel are not required to perform personal tasks or assist with eating, dressing, toileting, or provide extensive assistance to those with mobility concerns. Motorized scooters typically cannot be taken on board planes in certain regions because authorities such as the China Aviation Administration forbid any battery of capacity greater than 160 Wh (most scooter batteries) onboard an aircraft. Additionally, lithium batteries cannot be placed in checked baggage and must be hand-carried as onboard carry-on. All batteries must have the capacity clearly printed on the outside or they will not be allowed onboard. To calculate your battery capacity if it is only marked in mAh, divide the mAh number by 1,000 and multiply by 3.7. For example, a capacity of 10,400 mAh / 1000 = 10.4 mAh × 3.7 v = 28.48 Wh (under the limit of 160 Wh).

Most vessels and motorcoaches outside Australia and New Zealand are equipped to European standards. Most transportation services, including the vessels and motorcoaches, are not equipped with elevators or wheelchair ramps. VRC and Carrier are not liable for any denial of Services by the Carrier, air carriers, hotels, restaurants or other independent suppliers. VRC and Carrier cannot provide individual assistance for dining, extensive assistance in getting on and off vessels, motorcoaches and other vehicles, or other personal needs. You assume the full risk of use and of any prohibitions imposed by the Carrier or third-party vendors. Motorized scooters are not typically suitable on international tours.

d. Ship Access In Foreign Ports: To embark/disembark from all River ships in foreign ports, and on Ocean ships in various foreign ports, guests must be able to walk down/up steps and ramps without a walker or wheelchair, as gangways/ramps are typically not wide enough to accommodate these items. Not all ships have elevators, and some have split-level decks and/or significant thresholds. Please note: Our personnel are not required to lift guests or to provide other extensive assistance or assistance to those with mobility issues where such assistance creates safety concerns. Passengers with any medical, physical or other special needs should review their proposed ship's layout on our website and consider their needs. There are inherent risks associated with traveling aboard ships that are unique to cruise tour travel. For people who are ill, or have a mental or physical disability

or impairment, the risks can be more significant. Passengers acknowledge that access to some areas of the ship and ports of call may be limited or impossible, that assistance may be limited or impossible in case of an emergency or rough seas, and that there may be a lack of immediate access to medical services in certain parts of the world.

e. Service Animals. If you plan to bring a Service Animal on board, we request that you notify us at the time of booking and complete the Service Animal Request Form at least 60 days prior to the commencement of your cruise. This form should be completed and submitted to VRC at customerrelations.anz@vikingcruises.com. Service Animal is defined according to Americans With Disability Act ("ADA") regulations relevant to cruise vessels and means any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual with a disability; emotional support animals are not Service Animals under relevant regulations. Service Animals are permitted in all public areas of the ship except for the galley, and other food preparation areas due to health regulations. Service Animals are not permitted to swim in the pools, whirlpools and spas, due to health regulations. Care and supervision are the responsibility of the owner. Service Animals must be leashed or harnessed in public areas. The passenger must provide food for any Service Animal. If refrigerated space is needed, please advise the ship's Special Request Department. If you decide to disembark in a port, the Service Animal must remain on board in the event the Service Animal does not meet the country's requirements to go ashore. Neither VRC nor Carrier has any control over ports that may prohibit Service Animals from going ashore. Local laws in the Galapagos restrict bringing animals. It is the guest's responsibility to research the ports on the cruise itinerary and confirm if the Service Animal meets those countries' entry requirements. Viking may decline to carry, or disembark, a service animal if it is not housebroken or if it is not under the control of its user and the user does not take effective action to control it. If the Service Animal's behaviour creates a fundamental or direct threat to safety, the Service Animal and passenger may be denied boarding or may be removed from the ship at the passenger's expense. You are also responsible for ensuring the Service Animal has all necessary vaccinations, as well for providing that documentation to customs or port officials if requested to do so.

f. Use of Oxygen. If you plan to bring oxygen on board, we request that you notify us at the time of booking and complete the Oxygen Concentrator Information Form at least 60 days prior to the commencement of your cruise. Approval to embark and use oxygen concentrators is at the discretion of the medical professionals, and the decision is final and binding. The Form should be completed and submitted to VRC at customerrelations.anz@viking.com.

Guests who require supplemental oxygen administration are required to comply with the following:

- Approval to embark is at the discretion of the medical professionals.
- Guests must provide their own oxygen concentrator, enough for the length of the voyage.
- Liquid oxygen is strictly prohibited due to safety concerns.
- Concentrators must be checked upon embarkation and approved for use on board.
- Guests must contact the airlines directly to make the necessary arrangements if they are traveling with portable oxygen concentrators.
- Guests must provide their own accessories including:
 - o Cannula or mask
 - o Any equipment needed to maintain portable oxygen concentrator during the cruise. Ship does not have the resources to maintain.
 - o All connection accessories required to attach tubing to portable oxygen concentrator.
 - o Wheeled carrier for locomotion and mobility throughout the ship and ashore, or appropriate wheelchair connection to hold the portable oxygen concentrator.

g. Expedition Cruises. Passengers traveling on cruises offered by Viking Expedition, Ltd. and which may involve travel to remote locales, including, but not limited to, the Arctic or Antarctic regions ("Expedition Cruises") are subject to additional terms and conditions as set forth in the Passenger Ticket Contract. Such passengers should read the Passenger Ticket Contract carefully as it contains acknowledgements, requirements, and warranties specific to Expedition Cruises. Expedition Cruises involve additional risks and dangers above and beyond those of non-Expedition Cruises. Because of these inherent risks, all passengers traveling on Expedition Cruises are required to submit a Fit to Travel letter prior to travel and to update the Fit to Travel letter as also set forth in the Passenger Ticket Contract. Expedition Cruises are subject to greater restrictions on services and accommodations than would otherwise be generally applicable, including but not limited to what passengers may

be able to bring on board during their travel on an Expedition Cruise. If you are traveling on an Expedition Cruise, you warrant that you have no physical or psychological condition which would entail an unreasonable risk to the health or safety of others or to the safe conduct of the Expedition Cruise and agree to abide by all terms and conditions of the Passenger Ticket Contract.

POSSESSION OF PROHIBITED ITEMS, ILLEGAL DRUGS AND/OR MARIJUANA

Marijuana possession or use, including medical marijuana and CBD oil, and possession or use of any illegal drugs, is strictly prohibited in many jurisdictions visited and on all ships at all times, as well as in terminals, during shore excursions or any other part of the cruise tour, regardless of any local, state, or other laws which might permit use or possession of marijuana. Passengers who violate the laws of any jurisdiction are subject to being reported to law enforcement or customs authorities, arrest and prosecution. Passengers who bring dangerous items, marijuana (including medical marijuana) or any illegal drugs or controlled substances on board are also subject to immediate disembarkation or denial of boarding. You shall have no claim for refund, loss, damage, inconvenience or compensation whatsoever under any of these circumstances. Refer to the Passenger Ticket Contract for more details.

SECURITY GUIDE

As required by the U.S. Cruise Vessel Security and Safety Act of 2010, applicable to ocean cruise ships that embark or disembark in the United States, this guide provides information on emergency contacts and proper procedures for ocean cruises during such voyages. In the event of a medical emergency, missing person or criminal activity, you should immediately dial 999 or contact:

- Security Officer (Deck 1; Phone 9009) (on Viking Star Deck 6; Phone 9708; on Viking Sea Deck 6; Phone 9775)
- Guest Services Desk (Deck 1; Phone 9710)
- Medical Center (Deck A; Phone 2010 Nurse)

All these contacts are available 24 hours a day to report any such incident. The ship's Security Officer is responsible for responding to alleged crimes and missing persons and should be contacted immediately for any such event. Any missing persons and criminal activity should be reported immediately so that appropriate personnel can take prompt action and secure necessary information. The Carrier has zero tolerance for crime on board its vessels. On international voyages that embark or disembark in the United States we are required by federal law to report on-board felonies and missing U.S. nationals to federal agencies. For a missing U.S. national and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of US\$10,000) the incident must be reported to the F.B.I. as soon as possible. These requirements apply to incidents that occur on board in U.S. territorial waters, or on the high seas or in foreign waters if the assailant or victim is a U.S. national. The F.B.I. can assert criminal jurisdiction in all these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and/or impose additional reporting requirements. VRC and the Carrier reserve the right to report any/all criminal allegations to any national, state or local law enforcement agency in addition to those mentioned. For missing persons or felonies arising at any time during the voyage you may independently contact the F.B.I. or U.S. Coast Guard.

For incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. We request you timely report any incident to vessel management. Failure to do so may prevent a thorough collection of information and evidence.
