*“Viking shines as a cruise ship for grown-ups. It’s unapologetically all-Scandinavian and, just like the Scandinavians themselves, utterly unostentatious. It may be the answer to every cruise-sceptic and design devotee’s seagoing dreams...”*

# THE VIKING STORY

*How one man's vision led to a new way to sail*

*“When we started Viking 26 years ago, we wanted to do things differently – and since then, our mission has resonated with curious travellers.”*

Torstein Hagen, Viking Chairman

## WHEN TORSTEIN HAGEN FOUNDED VIKING

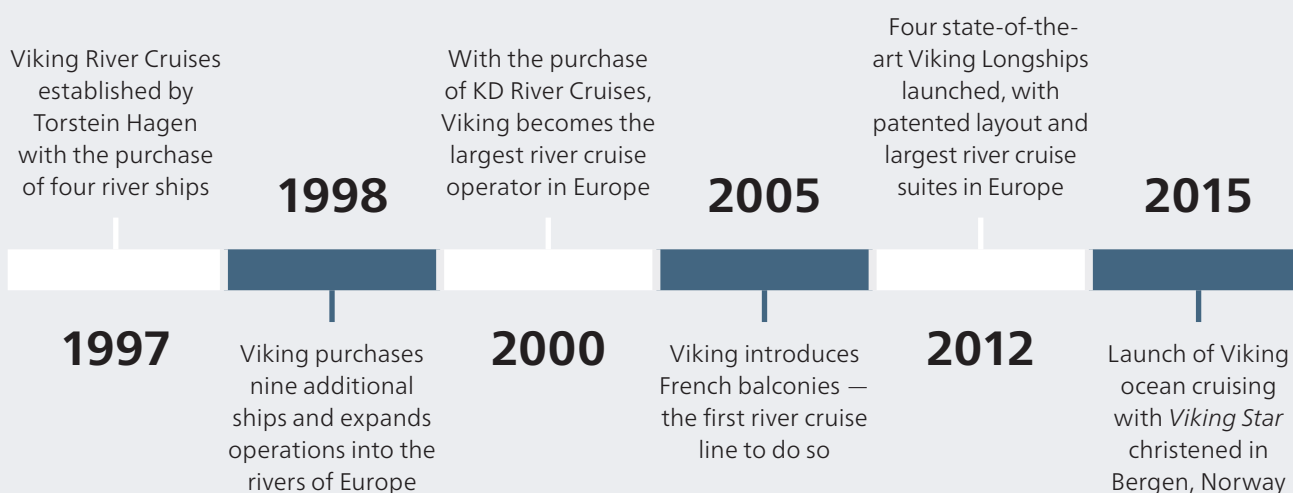

in 1997 with four river ships, he had few supporters and even fewer who believed in his vision. He was 54 years old and had spent much of his career in Norway in shipping, bearing witness to an industry that was ripe for change. Our Norwegian-born patriarch had a deep desire to create something different – and as anyone who has travelled with us will tell you, different is exactly what you get on a Viking voyage.

For more than 26 years our Chairman Torstein – who the Viking family knows simply as ‘Tor’ – has built an award-winning fleet of ships over 80 strong. First, we set the standard for modern river cruises, then we reinvented ocean cruises with the launch of our award-winning small ship voyages and now we

have perfected expedition voyages, with our new, state-of-the-art expedition ships, *Viking Octantis*, and *Viking Polaris*.

A family-owned and operated business when we began, Viking remains a family-owned business to this day, with Tor ensuring his original vivid Viking vision is upheld with each passing year.

TORSTEIN & KARINE HAGEN, SVALBARD, NORWAY

VIKING OFFICES, LOS ANGELES, USA

One needs only to see the beautiful spaces on our ships or take part in a unique shore excursion to feel his high standards and strong eye for detail.

Our award-winning ships are prized for their artfully designed, timeless interiors and our service is a lesson in thoughtful, intuitive attention. We strive for meaningful experiences in every itinerary, and our standout approach to child-free, casino-free, curiosity-fuelled cruising with more added value keeps our well-travelled guests coming back time and time again.

So if you join us every year to explore a new destination, welcome back. And if you're considering sailing with us for the first time, we look forward to welcoming you to the family.

We know you'll love exploring the world with us.

# THE VIKING DIFFERENCE

*Meaningful travel, tailored to you*

**AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE.** Rather, our loyal guests continue to choose us every year because of our unique approach to ocean cruising that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like casinos and black-tie dinners in favour of delivering meaningful experiences, tailored to you.

## **UNIQUELY VIKING**

What makes us so different? We include more, where it matters most.

## **MORE VALUE**

We don't underestimate the importance of good value, so we make sure to include more features and amenities in your cruise fare than other cruise lines. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi, self-service laundries, gratuities and even access to our state-of-the-art spa are part of your Viking fare.

## **MORE CULTURE**

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with local flavours.

## **MORE SPACE**

One of the reasons our guests love our ships is because they cater to just 930 passengers. This allows every individual more personal space, including a private veranda in their stateroom, regardless of the cabin category. Our smaller ships are also naturally more nimble, so we can dock in the hard-to-reach places mega-liners can't, getting you closer to every destination.

## **MORE MEANING**

We aren't called The Thinking Person's Cruise for nothing. We know that uncovering the art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences that linger in the mind long after you disembark.

## **MORE STYLE**

Our elegant Scandinavian-inspired interiors boasting beautiful blonde wood, clean lines and art-covered walls impress all who feast their eyes upon them.

## WHAT VIKING IS NOT

We aren't just known for what we are.  
We are known for what we are not, too.

- **No** casinos
- **No** children under 18
- **No** umbrella drinks
- **No** photographers
- **No** art auctions
- **No** charge for beer and wine with lunch and dinner
- **No** charge for alternative restaurants
- **No** charge for Wi-Fi
- **No** charge for use of self-service laundry
- **No** entrance fee for The Nordic Spa
- **No** spa sales pressure
- **No** inside staterooms
- **No** smoking
- **No** waiting in lines
- **No** formal nights, butlers, or white gloves
- **No** nickel-and-diming

# THE THINKING PERSON'S CRUISE

*Created for discerning travellers with true explorer spirits*

**THEY SAY THAT A CHANGE IS AS GOOD AS A HOLIDAY**, but at Viking we think that a holiday can inspire change. We believe travel should be more than just an escape from the ordinary, so when you travel with us you'll not only uncover some of the world's greatest riches, you'll almost certainly discover something about yourself, too.

We offer myriad ways for our guests to celebrate on board, from atmospheric bars playing live music to exotic cooking demonstrations and thrilling dance performances. But we also know that many of our guests' most treasured memories are of a much quieter nature: moments of speechless awe while walking in the steps of ancient explorers, or inner quietude while sitting on their private veranda with nothing before them but the wide, blue sea.

## EXPLORE, LEARN, UNDERSTAND

Our itineraries have been expertly curated to provide these meaningful moments to our curious, well-travelled guests. Offering greater cultural insight and personal enrichment, we give you opportunities every day of your voyage to engage with your destination through its food, landscapes, culture and history.

Before you travel, we get your inner journey underway by providing you with materials to help you plan and anticipate your voyage. From destination-specific photography advice by professionals to filmographies that inspire wanderlust and recommended reading that informs and enlightens, we begin to broaden your horizons long before you pack your bags.

Once comfortably on board, because we know you always want to learn more, countless activities are on offer that have been designed to educate and inspire. Instead of onboard novelties, we offer world-class lectures on history and art, tastings of vintage wines, restaurant menus inspired by local cuisine and a vast selection of fascinating books, carefully curated in partnership with London's prestigious and historic bookshop, Heywood Hill.

*“My brain lights up like an electrical substation. My blossoming knowledge is entirely due to this journey. The experiences – whether on or off the ship – are enriching: the sights, sounds and flavours arouse my attention, while the cultural exploits spark my imagination. Viking inspires you to be curious about the world and your surroundings; it triggers you to ask ‘I wonder why’ at every turn.”*

Kate Armstrong, Freelance Travel Writer

## **ART, HISTORY, CULTURE**

With various cultural partnerships in place around the world including with the Metropolitan Opera, Los Angeles Ballet and Los Angeles Philharmonic in the USA, Viking also brings its guests closer to art, history and culture while on shore. You might accompany the ship’s chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory or view private collections and hidden vaults at world-class museums.

## **EMBRACING HYGGE**

Underneath all of this excitement and at the root of every Thinking Person’s Cruise is a recognition of hygge (pronounced "hyh-geh") – a Nordic way of life. In embracing our strong cultural roots, we ensure that your inspiring Viking voyage is also one of comfort and contentment. From a peaceful cup of tea enjoyed in The Living Room to that surprising conversation sparked with a like-minded traveller while watching a movie under the stars, our aim is to help you feel more connected – to new friends and the world – on every single voyage. And with more than 250 ports across over 80 countries within reach on our fleet of Viking ocean ships, we’ve never been more easily connected to the rest of the world and the golden discoveries that await there.

Now that’s something to think about.

# THE SMALL-SHIP EXPERTS

*Intimate voyages that give you more time in port*

**AT VIKING**, we believe bigger doesn't always mean better. Our fleet of small river vessels paved the way for a new standard of intimate yet sophisticated cruising over 20 years ago, and since then we have redefined and refined what it means to sail on a smaller scale. Today, with our award-winning ocean ships that cater to just 930 guests, we have solidified our reputation as the small-ship experts as we take our intimate voyages to the high seas.

## **WE DOCK WHERE OTHER SHIPS CAN'T**

Because our vessels are smaller, they have greater manoeuvrability and can dock where the mega-liners that dominate today's ports cannot. On a Viking ship, you will sail into the very heart of some of the world's greatest cities such as London, Hong Kong and Monaco. Boasting prime, central berths in even seldom-visited ports like Kotor, Montenegro and Scotland's Shetland Islands, your ship is always just a short walk from opportunities to discover enriching local experiences to satisfy your inner explorer.

## **MORE TIME IN PORT**

As beautiful as our ships are, we know our exciting itineraries are an integral part of the Viking experience – so we give you more time in port on all ocean voyages, including overnight stays in virtually all ports of embarkation and disembarkation. That means you can take your time meandering through the local markets or enjoying dinner under the stars at that seaside restaurant, without the pressure of rushing back to port.

## **WE MAKE SURE YOU FEEL AT HOME**

When you do step back on board, it will be onto a ship that feels comfortingly familiar. We proudly own and operate all our ships, with each ocean ship featuring an almost identical, considered interior and offering the same reliable, seamless Viking service we're known for. So whether you're about to voyage across the Pacific Ocean or sail over the calm azure waters of the Ionian Sea, when you embark on a Viking ship it will always feel like coming home.

EXPLORERS' LOUNGE

INFINITY POOL

*“Viking is classed as a small ship, carrying up to 930 guests. That's certainly fewer than those mega ships that so many equate with cruising. But equally there are so many different areas that it's always easy to find a quiet spot.”*

Trudi Jenkins, Content Director Traveller

# VIKING INCLUSIVE VALUE

*Everything you need and nothing you don't*

**WHEN YOU'RE A GUEST ON A VIKING SHIP,** we want you to feel at home, so go ahead and leave your wallet in your stateroom. We don't think you should have to spend every time you want a cup of coffee, need to do your laundry or feel like browsing the internet, so we have designed our fares to include as many features and services as possible.

We know how important good value is to our guests, so our voyage fares include everything that you need — like meals and beer and wine with lunch and dinner, shore excursions, Wi-Fi, self-service laundries, onboard gratuities and port taxes and fees.

How can we offer this incredible value? As the world's leading river cruise company, we already have an operational base that permits us certain efficiencies of scale. This applies to the world-wide buying power we leverage when it comes to operational costs, as well as to the significant 'intellectual capital' that exists within our organisation, including our experienced executive management team.

**THEN, THERE IS THE EFFICIENT, STATE-OF-THE-ART DESIGN** of our ships. Our cleverly laid out, all-veranda staterooms maximise your personal space without wasting an inch of it on novelties and onboard attractions that you'll never use.

Finally, we rigorously manage every element of our ships and guest experience with you in mind, so we can pass significant savings straight on to you every time you sail with us.

*"The all-inclusive aspect of Viking's trip is wonderful – it makes the journey much less stressful. You can enjoy the wonderful meals and quality drinks at meals without having to fret about the prices of each dish. The included excursions are tremendous too."*

Bernard O'Shea, Travel Editor Australian Woman's Weekly

# INCLUDED IN YOUR FARE

*Because it's important to you, we make sure it's included in the price*

A Viking ocean voyage offers some of the best value to be found at sea. From all of your meals in our restaurants (including beer and wine) to 24-hour room service, Wi-Fi, the use of our spa facilities and even crew gratuities, we include everything you need in your fare so you can enjoy a stress-free sojourn every time you sail with us.

## **YOUR OWN PRIVATE VERANDA**

All staterooms and suites feature king-size beds and a private veranda, because everyone deserves not just a room with a view, but a comfortable al fresco space to take it all in from.

## **24-HOUR ROOM SERVICE**

Complimentary breakfast in bed or dinner under the stars is just a phone call away.

## **CHOICE OF 8 DINING OPTIONS**

With eight dining options catering to every mood, you can choose to go where your tastebuds take you each day, at no extra cost.

# SERENE SCANDINAVIAN SPACES

*Comfort in every corner. A story in every space.*

**IN TRUE VIKING STYLE**, we take a different approach to design on our ocean ships – so much so that if it weren't for the all-encompassing water views, you wouldn't know you were on a cruise ship at all. We engaged esteemed hotel designers to design and furnish our beautiful interiors, so that from the moment you step on board you will feel the same sense of serenity, warmth and comfort symbolised in the Norwegian concept of hygge. This notion of quiet contentment is in the very air of our light-filled, serene spaces, which together create a true home at sea for our guests.

## **TIMELESS STYLE**

Minimalistic, sleek and modern yet textured, warm and inviting, our signature Scandinavian style imbues every space on board, in a showcase of calming symmetry, exquisite craftsmanship and an abundance of natural materials. Our graceful rooms are equal parts beautiful and functional, and our public spaces are the perfect expression of a timeless design approach that is loved the world over.

## NORDIC INSPIRATION

With inspiration pulled from the exploratory spirit of the original Vikings, you'll encounter our Nordic heritage in every storied space on board our ocean ships. Clean lines, warm blonde joinery and touches of slate nod to our forbears' connection to the natural world, while leather and colourful woven textiles recall the patterns of early Norwegian craftsmen. A clinker-built bar pays tribute to the Viking longships of yesteryear; the Explorers' Lounge is a display of cozy pelts, Turkish marble, amber and pewter inspired by far-reaching trade journeys; and soothing, natural Swedish limestone and fragrant juniper wood abound in the Nordic Spa.

*“The décor on Viking ships is pretty special. Muted colours, Scandinavian chic and light-filled spaces make its interiors elegant but very comfortable, and you get a wonderful sense of cosiness and intimacy.”*

Brian Johnston, Freelance Travel Writer, SMH & The Age Traveller

# IT'S ALL IN THE DETAILS

*It's the little things that make our ships feel like home*

**AS YOU SETTLE IN ON BOARD**, we encourage you to take a closer look around. Because we know that it's the little things that make the biggest difference when you're away from home, we have designed our ships down to the finest detail. The floor-to-ceiling windows found throughout the ship ensure our guests are immersed in their destination from dawn 'til dusk, and we purposefully face many of our sun loungers outward to provide further opportunity to soak up the sweeping sea views. We even source the flour for our kitchens from Minoterie Planchot, because, as our Executive Chef says, "you cannot make real French bread unless you use French flour."

Every onboard feature has been chosen with purpose, and every design flourish holds a tale that can be traced back to our Nordic heritage. The warm, Scandinavian-style Living Room is teeming with nautical touches and houses a clinker-built bar that nods to ancient Viking longships. In the atrium, you'll find a delicate Lichen garden under the stairs, sourced straight from the Finse mountains in Norway. And the design of each Explorers' Lounge across our fleet of ocean ships was inspired by a different explorer, such as former NASA astronaut Anna Lee Fisher – the first mother in space – who inspired the galaxy-themed lounge on *Viking Orion*.

### Storied dining

The tableware at Mamsen's, our traditional Norwegian deli that is named after family matriarch Ragnhild "Mamsen" Hagen, is a replica of the china used in Chairman Tor's family home. After Mamsen passed away, the family found her century-old dishware, and engaged the original producer – Figgjo Norway – to replicate the pattern for Viking guests to enjoy as they journey across the oceans.

In fact, everything about our deli was inspired by Mamsen's love of sharing quality food with family. The dishes originate from Mamsen's very own kitchen, including her Norwegian waffle recipe, a guest favourite on board. To ensure the perfect result, the waffle irons used to make them are replicas from Mamsen's original kitchen.

### Functional staterooms

After a lifetime spent living in hotels, our Chairman wanted to ensure every detail of our ships was elegantly functional. That's why our staterooms feature easy-to-read and open premium bath products, gimmick-free and intuitive remote controls, large and easy-to-access showers, anti-fog mirrors and heated floors. They also feature generous closets with plush robes and slippers, multiple US/EU power outlets and USB ports, and conveniently placed light switches.

### Books by the best

Our incredible onboard libraries have been curated by prestigious London bookseller, Heywood Hill. This historic Mayfair bookshop specialises in creating libraries built around a personal passion or interest, and has curated collections for the Queen and Prince of Wales. The Heywood team spent many hours on board getting to know our guests, hand-picking the libraries for each Viking ship that would spark the curiosity of all who cruise with us.

### Artful from stern to bow

Our ships are proudly peppered with one of the largest collections of works by master expressionist Edvard Munch outside of Oslo's Munch Museum. Combined with our thoughtfully curated collection of classic and contemporary paintings, sculptures, tapestries and photographs by renowned and up-and-coming Scandinavian artists, guests have access to a veritable floating museum of Nordic riches.

Ponder the replica *helleristninger* (rock carvings) – a nod to pre-Viking Age Scandinavia; admire the detailed Bayeux Tapestry, which tells the story of the Battle of Hastings; or be bewitched by Norse mythology under the Yggdrasil-inspired trellis in the Wintergarden, home to the Tree of Life and where the ravens Huginn and Muninn perch on the shoulders of Odin – the god of war.

## AWARD-WINNING SERVICE

*When you have the best people, you have the best service – and Viking has both*

### **WE PREFER GENUINE, PERSONABLE SERVICE**

at Viking, so you'll notice that our international English-speaking team has a special way of making guests feel completely comfortable. Demonstrating impeccable hospitality without excessive formality, nothing is too much trouble for our staff members, who effortlessly create a relaxed, warm and inviting atmosphere so you can settle in from the moment you arrive.

Whether a stateroom steward or one of our captains – many of whom hail from Norway, keeping a long-held Nordic sailing tradition alive – everything our team members do is to make your time with us as memorable as possible. Their esteemed reputation that crosses oceans and continents is one of the main reasons people choose to travel with Viking over other cruise lines, again and again.

### **EMPLOYER OF CHOICE**

Our guests aren't the only ones who return year after year. The 10,000-strong Viking family is loyal, and that's why 98 per cent of our team members come back each year to provide you with the same, trusted Viking service.

Our highly experienced management team brings many years of expertise in luxury ocean cruising to your journey and this inspiring leadership makes Viking an industry employer of choice. This standing allows us to hand-select and train to the highest standard each member of our onboard staff, ensuring the very best people take care of you throughout your voyage.

## OUR SERVICE GUARANTEE

We are the only cruise line to guarantee its award-winning service — that's how confident we are that we will exceed your expectations. However, should you be dissatisfied with our service within the first 24 hours of your trip — whether it's on board or at a hotel — please let us know right away. In the unlikely event the problem cannot be rectified within the following 24 hours, you can depart as soon as possible and we will refund 100% of your cruise fare. We will even assist with any departure reservations. For more information and terms and conditions, please contact us.

## SPECIAL TREATMENT

Will housekeeping leave extra filtered water in your room? Will a waiter learn your favourite wine? Is it possible for members of your ship's crew to feel like good friends? Yes, if they work for Viking.

Oenophiles will be thrilled to know that vintage wines are always included with lunch and dinner, while after-dinner drinks, including rare Armagnacs, are available to purchase at our late-night bar, Torshavn.

# SCANDINAVIA & NORTHERN EUROPE

---

There's a reason we're regarded as the Scandinavia and Northern Europe experts. Our chairman, Torstein Hagen, hails from Norway – a country whose culture was born of the sea – and began his shipping career there. So when you explore this magnificent part of the world with Viking, you'll be doing it with people who have an unmatched understanding of its culture, scenery, and people. Quite simply, you'll discover Scandinavia and Northern Europe with those who know it best.

Our peerless itineraries deliver iconic must-sees while uncovering rich insights. Glide through shimmering Norwegian fjords as you learn the incredible true story of the Vikings, and sail along gleaming coastlines to explore remote outposts. Visit dynamic, progressive cities like Copenhagen, Edinburgh, Stockholm and Oslo, or immerse yourself in new lands, witnessing the magnificent natural beauty of Iceland and Greenland.

In the peak of winter, you won't want to miss the north, where you'll have the opportunity to head off in search of the otherworldly aurora borealis, and feel the true spirit of Norway in the magical, snow-dusted landscapes.

As you enjoy more time in port, more overnight stays and the long daylight hours of the midnight sun, you will see the Nordic world as never before: through the eyes of those who call it home. Let Scandinavia's delicious concoction of history, culture, modernism, and spectacular natural beauty sweep you away.

## OPTIONAL SHORE EXCURSIONS ON YOUR JOURNEY

### PALAZZO AND PROCESSCO

Visit a fabulous palace lovingly maintained by a baroness in the name of her long line of ancestors, the Sciclunas. The 18th-century Palazzo Parisio has stood for generations, an opulent and grand residence featuring gilded plasterworks, ceiling frescoes, crystal chandeliers, lush paintings and sculptures, as well as formal gardens. Conclude your visit with a glass of Prosecco and light refreshments.

### MOTORCYCLE THROUGH PROVENCE

Don your helmet and slip into a sidecar or onto the back of your motorcycle for a scenic ride through Provence. Travel along the Col de la Gineste, which connects Marseille to Cassis, and through the Massif des Calanques. Feel the rush of air on your face as you admire sweeping views of the city, the blue waters of the Mediterranean, Frioul archipelago and France's highest sea cliff, Cap Canaille.

### ALGIER'S SPRAWLING CASBAH

Venture into the heart of daily life in Algiers: its vibrant hillside Casbah. Step into the labyrinth of winding streets and alleyways of this UNESCO World Heritage Site and walk through narrow warrens, passing quaint homes and small shops. Enjoy some customary mint tea before you continue exploring the maze of cobblestone streets, dotted with handicraft stalls and local workshops, with time to browse wooden and brass handicrafts and leather goods.

### ROMAN CATACOMBS

Discover the roots of ancient Rome as you explore the Roman Catacombs and the Vatican City. Walk through centuries-old narrow passages and witness some of the best-preserved early Christian frescoes and sculptures in the world. See ancient wall paintings in the catacombs of Roman martyrs St. Callixtus or St. Sebastian tucked among small hidden chapels and graves, some of which are elaborately carved.

### FEAST FOR THE SENSES

Indulge the senses as you breathe in the sweet aroma of honey and almonds, take in the scents of native floral essential oils and taste wonderfully rich-tasting honey in an array of special blends.

### EXPLORE UNDERGROUND CAVES

Head deep underground and high above the Mediterranean to the magnificent caves and historic village of Nerja. The Nerja Caves are a stunning world of natural and archaeological significance, with artifacts uncovered here pointing to human and animal habitation as far back as 25,000 BC. # QUIET SEASON MEDITERRANEAN

---

The quiet season may just be the best time to visit the Mediterranean. Fewer travellers, easier access to landmarks and easy-going interactions with locals, coupled with low-season airfares, not only make autumn and winter ideal for exploring but also for maximising your travel dollar.

For many travellers, autumn and winter are opportune times to visit the Mediterranean. The Mediterranean continues to shine regardless of when the summer sun has set. The cities and villages of the coast put on a different face. Vineyards are out to bed after the harvest, the bustle has died down and the vast open squares of great cities can be seen in their more natural state: as an uncrowded gathering spot for locals.

As the temperature cools, explore some of Italy's most flavourful produce, such as truffles, grapes, mushrooms, pumpkin, and eggplant. Reconnect with nature by soaking in breathtaking sunsets, crystal clear waterways, and bright stars illuminating the night sky. Celebrate the festive season in one of the world's most appealing regions and delight in festive lights and markets during the holiday season.

Take in the sights more fully at a more relaxed pace, enjoy more comfortable touring in cooler air and linger at places that interest you with fewer crowds to navigate. See the Mediterranean in a different light as you travel its shores of history and uncover treasures from east to west.

Our ships are purpose-built for expeditions to optimise exploring the remotest parts of the world in comfort. Featuring our signature serene Scandinavian design, they are small enough to navigate remote areas but large enough to provide speed, superior handling, and stability in rough seas. Our vessels merge comfort and exploration in an unprecedented way.

As 'The Thinking Person's Cruise Line', we believe travel should be a gateway to insight and discovery. We design our itineraries so you can explore and engage with the nature, culture, science and history of a destination. Not only do we support research efforts and support new scientific discoveries, but we also encourage you to learn from and participate with scientists undertaking primary research, a unique Viking experience.

Uncover the untouched wilderness from the top of the world to the bottom. Vast and dramatic landscapes unfold in Antarctica from monumental glacier-carved fjords to the silent, glassy inlets populated only by whales and penguins. The Arctic brings sweeping landscapes, remote communities and awe-inspiring wildlife. While North America's Great Lakes uncover national parks and the unique ecosystem of remote wilderness islands.

# BOOKING & SALE TERMS & CONDITIONS

## IMPORTANT NOTICE

THE FOLLOWING TERMS AND CONDITIONS GOVERN THE BOOKING AND SALE OF YOUR CRUISE TOUR THROUGH VIKING RIVER CRUISES AUSTRALIA PTY LTD (ACN 131 274 372) ("VRC"). ALSO REFER TO THE PASSENGER TICKET CONTRACT WITH THE CARRIER ("PASSENGER TICKET CONTRACT") FOR THE TERMS AND CONDITIONS GOVERNING THE CRUISE TOUR ITSELF. THE PASSENGER TICKET IS AVAILABLE AT [www.vikingcruises.com.au/passengerticketcontract](http://www.vikingcruises.com.au/passengerticketcontract) AND IS ALSO DELIVERED AT THE TIME OF BOOKING. PLEASE CAREFULLY READ THESE LEGALLY BINDING TERMS AND CONDITIONS AS WELL AS THE TERMS OF THE PASSENGER TICKET, WHICH CONTAIN DISCLAIMERS, SPECIFIC LIMITATIONS OF LIABILITY, AND SUBSTANTIAL PENALTIES FOR CANCELLATION.

## GENERAL CONDITIONS

These are terms and conditions ("Terms") for [www.vikingcruises.com.au](http://www.vikingcruises.com.au) and all other websites, mobile applications, onboard media, blogs, phone, in person, social media and other places, and other online or wireless offerings, whether accessed via computer, mobile device or other technology, owned or operated by VRC or on our behalf (collectively, our "Access Points"). If you do not agree to these Terms, please refrain from accessing the Access Points which offer information on cruises, tours and other products and offerings, including transportation of passengers and baggage on all cruise vessels and other transportation and arrangements (collectively, the "Services") specifically and solely provided by the vessel owner, operator, charterer and/or managers (collectively the "Carrier"). Users of these Access Points agree to be bound by these Terms and the Viking Cruises Privacy Policy (the "Privacy Policy") available at [www.vikingcruises.com.au/privacy-policy/index.html](http://www.vikingcruises.com.au/privacy-policy/index.html). These Terms and the Privacy Policy apply to all visitors, users, and others who use the Access Points to access the Services ("Users") and may not be otherwise modified except by a writing signed by an authorized corporate officer of VRC. As used in these Terms, "Cruise Fare" means the Invoice Fare, as well as any surcharges added after the invoice as allowed by your Passenger Ticket Contract. Gratuities on land are not included in your Cruise Fare. The term "Invoice Fare" is defined as the total amount Carrier charges in its invoice paid as cruise tour fare and for those additional facilities and services added to the cruise tour but excluding Optional Facilities (as defined in your Passenger Ticket Contract). The term "Full Fare" is defined as the Cruise Fare, plus Optional Facilities purchased from Carrier, excluding Optional Shore Excursions (as defined in your Passenger Ticket Contract).

## DISCLAIMERS

VRC acts solely as an Australian and New Zealand sales and marketing agent for the carrier of the ships described in the Viking brochures, website or any other promotional material and for all related travel services. All related services, including land, air and water transportation, accommodations and excursions which comprise your cruise tour, are purchased from third-party providers. VRC neither owns nor operates any vessel or other means of transportation, accommodations or other travel or leisure facilities. The carrier, and not VRC, employs the crew, operates and maintains the vessel, and conducts the cruise tour. Under no circumstances shall VRC be construed as a carrier or as a provider of travel services or accommodations of any nature.

VRC assumes no responsibility or liability whatsoever for acts or omissions of the carrier or those persons or entities providing travel services, accommodations or any other element of a cruise tour. VRC is not responsible for damage, injury, illness, death, loss, accident, delay or irregularity of any kind, occasioned by reason of any act or omission arising during or from the cruise tour. You specifically release VRC from any and all claims for loss or damage to baggage or property and for injury, illness or death, and from all other claims and any loss or delay, arising out of the acts, omissions or negligence of the carrier or other independent contractors, such as air carriers, hotels, shore excursion operators, restaurateurs, transportation providers, spa professionals, medical personnel or other providers of services or facilities.

## LEGALLY BINDING TERMS

In making a cruise fare deposit or any form of approved payment as shown on the invoice, you agree to be bound by these terms and all provisions contained in the passenger ticket contract for your cruise tour. Both these terms and the passenger ticket contract govern your rights and responsibilities and all disputes, including specifically limitations of liability and damages, time limits for claims and suits, class action waiver, forum for suits and governing law. In the event of any conflict between the passenger ticket contract and these terms, the passenger ticket contract controls.

## DEPOSIT AND PAYMENT POLICY

To confirm the booking, a deposit (specified at the time of booking) is required within 3 days of making your booking or your reservation will be cancelled. When more than one cruise

is booked, this Payment Policy applies to each cruise fare. Exceptions to this payment policy apply for Viking's World & Grand Cruises which require a 20% deposit of the Full Fare at time of booking the cruise tour. The final balance (being the full cost of Your Tour as specified on the invoice provided to you at the time of booking) is due no later than 120 days prior to your cruise/tour departure date (unless otherwise stated or within 3 days of booking if cruise/tour departure date is within 120 days of sailing). All reservations are subject to cancellation without notice if payments are not received by the due date. (See Cancellation Policy below for additional details.)

## SURCHARGES

1. You acknowledge that, subject to subclause (2), VRC may, but is not required to, vary the Full Fare in order to pass on to you any increased direct costs on goods or services that must be obtained from third party providers such as fuel costs, the exchange rate between the U.S. dollar and other currencies, airfare costs, fees and taxes imposed upon us by governmental or quasi-governmental agencies, or any direct costs associated with a change in the law (Surcharges) in order to reflect price increases from those third parties.
2. Subject to subclauses (3) and (4), within 10 days of VRC becoming aware of a Surcharge which results in an increase to your Full Fare by more than 5%, VRC shall provide you with written notice of the of the Surcharge and the increased Full Fare (Surcharge Notice).
3. VRC may not serve a Surcharge Notice on you any later than the date that is at least 30 days prior to your date of embarkation.
4. If your cruise is booked within 29 days (inclusive) of embarkation, VRC cannot issue a Surcharge Notice.
5. Upon receiving a Surcharge Notice you may cancel your cruise and terminate these Terms by providing VRC with written notice (Surcharge Termination Notice) on or prior to 5pm AEST on the date that is 7 days after service of the Surcharge Notice (Surcharge Termination Notice Period).
6. If you do not serve a Surcharge Termination Notice within the Surcharge Termination Notice Period, you are deemed to have accepted the increase to your Full Fare set out in the Surcharge Notice.
7. In the event you serve a Surcharge Termination Notice in accordance with subclause (5):
  - a. there will be no cancellation fee payable by you; and
  - b. all amounts paid by you pursuant to these Terms shall be refunded except any costs actually incurred by VRC booking or obtaining third party services, including but not limited to air-line tickets and Optional Shore Excursions (Non-Refundable Services).
8. Notwithstanding subclause (7)(b), VRC will make reasonable endeavours to recover from the relevant third party any amounts paid for the Non-Refundable Services and, should VRC recover any such amount, refund that amount to you.
9. For the avoidance of doubt, "reasonable endeavours" under subclause (8) does not extend to VRC paying any amounts or commencing legal proceedings to recover the Non-Refundable Services.

## PAYMENTS

Visa, Mastercard, American Express, cheques made payable to "Viking River Cruises Australia Pty Ltd" and Electronic Funds Transfers are all acceptable forms of payments. Some credit card companies may impose a "Foreign Transaction Fee" even though your transaction is denominated in Australian dollars. This is an arbitrary fee that occurs in a small number of cases and accrues entirely to the credit card-issuing bank. If a Foreign Transaction fee is applied by the issuing bank, Viking will provide reimbursement of such fees to a nominated bank account once a credit card statement is provided for verification.

## REVISIONS

Once a cruise booking has a deposit or air is paid in full, all changes are subject to an AU\$50.00 charge per change. See Cancellation Policy below for additional details on situations which are classified as cancellations rather than changes.

## CANCELLATION POLICY

In the event you cancel a cruise or tour booking, cancellation fees will apply as noted below unless otherwise expressly stated in your Passenger Ticket Contract or elsewhere in these Terms, or except as provided by applicable law. Cancellation fees also will apply to changes to departure date; substitutions of itinerary; substitution of another person for original booked passenger(s); and changes to a promotional fare. No refunds shall be made in the event of interruption or cancellation by a passenger after commencement of the cruise unless otherwise expressly stated in your Passenger Ticket Contract or elsewhere in these Terms, or except as provided by applicable law. All cancellations must be in writing and sent to VRC's office located at 6/66 Wentworth Avenue, Surry Hills, NSW 2010, Australia or emailed to [reservations.anz@vikingcruises.com](mailto:reservations.anz@vikingcruises.com).

For all air-inclusive packages cancelled after issuance of an airline ticket, the air travel portion is non-refundable. You acknowledge that your cancellation will cause VRC and Carrier difficulty in selling a replacement cruise or cruise tour and thus the cancellation fees described herein apply regardless of whether your cruise or cruise tour is resold. You agree that any losses sustained by VRC and/or Carrier in the event of cancellation would be very difficult or impossible to quantify, and the cancellation fees are fair and reasonable as liquidated damages. The following cancellation fees will be assessed for all written cancellations received prior to departure up to the scheduled time of departure:

### a. Cancellation Fee Schedule Effective for Cruise Tours (other than Grand & World Cruise Voyage) booked on and after June 1, 2023

Written Notice Received Days Prior to Cruise/Tour Departure Date	Cruise/Tour/Land/Air Inclusive Cancellation Fee Per Passenger

For bookings made between 17 December 2022 and 31 May 2023, 100% of your deposit will be issued to you in the form of a future cruise voucher if you cancel before final payment due date.

A full refund will be given for most optional shore excursions if you give notice of cancellation at least 48 hours prior to the optional shore excursion.

## REFUSAL OF PASSAGE; TERMINATION BY PASSENGER

You shall not be entitled to a refund of any amount paid if you must leave the tour prematurely for any reason unless expressly otherwise stated in your Passenger Ticket Contract, nor shall VRC or the Carrier be responsible for any lodging, meals, return transportation, medical or other expenses or loss incurred by any tour participant in these circumstances. Refer to the Passenger Ticket Contract for further details.

## ADVANCED, CANCELLED OR DELAYED; ACTS OF GOD; STRIKES; OTHER CHANGES

VRC and the Carrier reserve the right to withdraw and/or cancel a tour or to make changes in the itinerary and hotel accommodations whenever, in their sole judgment, the conditions warrant it. In the event of charters of the vessels, adverse weather or water conditions, mechanical or other issues with the vessel, docking issues, government or other authority actions, strikes, lockouts, riots, strikes or labour difficulties from whatever cause; or explosion, fire, collision, standing or foundering of the vessel, or breakdown or failure of or damage to the vessel or its hull or machinery or fittings howsoever and wheresoever any or the same may arise or be caused, or civil commotion, riot, insurrection, war, requisitioning of the vessel, political disturbance, acts or threats of terrorism, inability to secure or failure of supplies including fuel, epidemics or pandemics of communicable diseases (including but not limited to COVID-19, influenza, norovirus), governmental restraints or declarations relating to epidemics or pandemics, health emergencies, acts of God, or other circumstances beyond VRC or Carrier's control, VRC or the Carrier may, at any time, cancel, advance, alter, substitute or postpone any scheduled cruise or cruise tour and may, but is not obliged to, substitute another vessel or itinerary and neither VRC nor the Carrier shall be liable for any lodging, meals, return transportation, medical or other expense or loss whatsoever, whether to booked or actual passengers or third parties, by reason of any such circumstances, except as expressly set forth in the Passenger Ticket Contract or as required by applicable law.

**TRAVEL AGENTS**

Your travel agent acts solely for you as your agent, and not as agent for VRC or the Carrier, in making the arrangements for the cruise or cruise tour and any related transportation, lodging or activities. Neither VRC nor the Carrier are responsible for any representation or conduct of your travel agent, including but not limited to, any failure to remit your deposit or other monies to VRC or the Carrier, for which you shall at all times remain liable, or any failure to remit a refund from VRC or the Carrier to you. Receipt by your travel agent or other authorized individual (including any person who books a cruise or cruise tour on your behalf) of these Terms or the Passenger Ticket Contract or other information from Carrier or its agent shall constitute receipt of such materials by you. If your travel agent fails to remit any monies paid by you to the travel agent, you remain liable for the monies due to the Carrier.

**TRANSFERS**

Roundtrip airport-to-vessel transfers are only included when air is purchased with a tour package. Transfers are only valid on your departure and arrival dates. If you should choose to make your own air arrangements, transfers may be purchased through VRC for an additional cost or you may choose to make your own transfer arrangements.

**TRAVEL DOCUMENTS, PASSPORTS, VISAS**

Upon initiation of pre-boarding procedures, you shall have in your possession the Passenger Ticket Contract, a passport valid until six (6) months following disembarkation, any necessary visas, affidavits, inoculations and/or vaccination cards compliant with the requirements of the destinations visited, proof of travel insurance where required by the destination visited, and all other documents necessary for the scheduled ports of call and final destination. You are advised to check with your travel agent or consulate service to determine what documents are required for your travel. It is your responsibility to ensure that you have all necessary documents to participate in the cruise or tour(s) purchased and neither VRC nor the Carrier accepts responsibility for obtaining required visas or for advising passengers of visa or other immigration requirements. If incorrect travel documentation is obtained, passengers may be unable to participate in particular shore excursions and/or may be denied boarding and/or entry into certain countries. Entry into other countries may be refused even if the required information and travel documents are complete. Visa kits from an independent third party are provided upon request as a service to passengers selecting destinations in Russia, China, Egypt, Jordan or Southeast Asia. Please note that, due to airline security measures, if the name on your passport does not match the name on your airline ticket, you may be denied boarding. Final travel documents are issued 3 weeks prior to departure. Documents required prior to 3 weeks will be charged a AU\$50.00 processing fee.

**LIABILITY LIMITATIONS**

In addition to the disclaimers and liability limitations set forth in these terms, the passenger ticket contract also contains important limitations of liability for claims, including for injury, illness, death, baggage and personal property; time limits for claims and suits; designated forum for suits (including exclusive jurisdiction in Basel, Switzerland for claims arising on all cruise tours that do not include U.S. Ports); choice of law and class action waiver. VRC is entitled to rely upon and benefit from all the carrier's rights, limitations of and exemptions from liability, defenses and immunities set forth in the passenger ticket contract.

Persons or entities providing travel services and/or accommodations for your cruise tour are independent contractors and are neither agents nor employees of VRC. All arrangements made for you are with independent contractors otherwise referred to as third-party providers and are made solely for your convenience and at your sole responsibility and cost. All such services and accommodations shall be governed by the passenger ticket contract or other agreements between you and each such third-party provider as an independent contractor. Medical and spa personnel are independent contractors.

VRC accepts no liability or responsibility, whether occasioned by railroad, motorcoach, private car, vessel, aircraft or any other conveyance, reason, or defect, delayed departures or arrivals, missed connections or other delay or irregularity, or mechanical defect, failure or negligence of any nature whatever caused in connection with any accommodations, transportation, services or facilities, substitution of hotels, common carriers or equipment, with or without notice, or for any additional expenses occasioned thereby; or which may be occasioned either by reason or defect, through the acts or defaults of any company or person, or in carrying out the arrangements of the tour, or as a result of any cause beyond the control of VRC. VRC shall not be liable for the inability of any third-party provider/independent contractor to perform any travel service or accommodation referred to in the VRC advertising or any part thereof.

If the entire cruise is cancelled other than by you for any reason, you shall have no claim other than for a full refund of the cruise fare, or, if expressly provided in the passenger ticket contract, a future cruise credit for the value of such cruise fare. The passenger ticket contract constitutes the sole agreement between the carrier and you, it being understood that the various independent contractors otherwise participating in your cruise tour may enter into their own separate contractual arrangements with you, and regardless, you assume the risk of utilizing the services and facilities of those independent contractors. Neither VRC nor the carrier are responsible for any conduct of independent contractors, including those who may assist in or operate shore excursions.

Neither VRC nor the carrier shall in any circumstances be liable to you or any other party for indirect, consequential, incidental, special, punitive or exemplary damages arising out of or related to the booking, the passenger ticket contract, the cruise tour, or the products or services sold hereunder, including but not limited to lost profits or loss of business, even if we have been apprised of the likelihood of such damages occurring.

**WAIVER OF CLASS ACTION:**

These terms and the passenger ticket contract provide for the exclusive resolution of disputes through individual legal action on your own behalf instead of through any class or representative action. Even if the applicable law provides otherwise. You agree that any lawsuit whatsoever against the carrier or VRC shall be litigated by you individually and not as a member of any class or as part of a class or representative action, and you expressly agree to waive any law entitling you to participate in a class action.

**TIME LIMITS FOR CLAIMS AND SUITS**

Forfeiture: the following time limits and forfeiture provisions apply to all claims and suits against the carrier or VRC and cannot be waived except by express written agreement of one of our authorized corporate directors.

a. Claims for personal injury, illness or death. No suit shall be maintainable against the carrier or VRC for personal injury, illness or death of any passenger, and any such suit shall be forfeited, unless written notice of the claim with full particulars shall be delivered to the carrier or VRC within six (6) months from the date when such personal injury, illness or death of the passenger occurred; and in no event shall any suit against the carrier or VRC with respect to personal injury, illness or death be maintainable, and any such suit shall be forfeited, unless suit shall be commenced in the forum designated below within one (1) year from the date when the personal injury, illness or death of the passenger occurred.

b. All other claims. No suit shall be maintainable against the carrier or VRC, and any such suit shall be forfeited, for any claim whatsoever in connection with, related to, or arising directly or indirectly from a cruise, cruise tour, these terms or the passenger ticket contract, other than for personal injury, illness or death, unless written notice of the claim with full particulars shall be delivered to the carrier or VRC within thirty (30) days after termination of the cruise tour to which the claim relates; and in no event shall any suit be maintainable against the carrier or VRC with respect to any claim whatsoever, other than for personal injury, illness or death, and any such suit shall be forfeited, unless suit shall be commenced in the forum designated below within six (6) months from the date of termination of the cruise tour to which the claim relates.

Unless otherwise prohibited by applicable law, Carrier reserves the right to refuse a booking, deny embarkation, disembark, confine to a stateroom, quarantine or remove any person from a cruise tour or Optional Shore Excursion who may be suffering from a contagious or infectious disease (including but not limited to COVID-19), or who, in Carrier's sole opinion, is not fit to travel, or whose presence, in the opinion of the Master or any doctor, may be detrimental to the comfort, safety or wellbeing of the person or any other person, or in the Master's opinion, might be excluded from landing at any destination by immigration or other governmental authorities. You agree that such decisions are final and binding.

## PASSENGER'S WARRANTIES AND FITNESS; PREGNANCY; ACCESSIBILITY LIMITATIONS; HEALTH AND SPECIAL NEEDS; EXPEDITION CRUISES:

a. Warranties and Fitness: You warrant that you and all other passengers traveling in your party are physically, emotionally and otherwise fit to undertake the cruise or cruise tour; that you and they have received all medical inoculations or vaccinations necessary; that you and they will at all times comply with the ship's rules and regulations, including the COVID-19 Policies and Procedures and the orders and directions of the ship's Master, officers and medical staff, as applicable, and that your conduct will not impair the safety of the ship or jeopardize or inconvenience other passengers. VRC and Carrier are not required to provide any inoculations, vaccinations or specialized health or mental care during your cruise tour and all such arrangements are your responsibility. VRC and the Carrier are unable to accommodate women past their 24th week of pregnancy. You are further advised that the living standards and practices at your travel destination(s), including those with respect to the provision of utilities, services and accommodation, may differ from those found in Australia or New Zealand.

b. Special Needs: You are strongly encouraged to advise us at 138 747 for Australia and 0800 447 913 for New Zealand of any accessibility requirements prior to booking so we can determine if reasonable accommodations are available. Please request the appropriate accessibility form for you to review, sign and return to us. Passengers are requested to advise us in writing, at or prior to the time a cruise or cruise tour is booked, of any physical, emotional or mental condition which may require accommodation during the cruise or cruise tour, including if the passenger requires the use of a wheelchair or other mobility equipment, not to exceed 56 cm in width. Passengers must bring and be solely responsible for all necessary items related to the medical condition or mobility challenge. If a mobility, medical, physical, emotional or mental condition arises after the cruise or cruise tour is booked which requires accommodation, you are requested to advise us in writing immediately. VRC and Carrier endeavour to reasonably accommodate special access needs but cannot guarantee they will be able to do so in all cases.

c. General Accessibility Limitations: Some ports of call may have physical conditions which may preclude certain passengers from going ashore. Additionally, for cruise tours in China, on the Mekong River, in Egypt, Peru/Galapagos and for other destinations not specifically noted, certain additional conditions, restrictions and limitations exist on board, at the ports, in excursions and on land that are beyond our control. Ship and

airport access in these and other regions, including lack of wheelchair, walker or scooter accessibility, extended periods of standing and steps, are inherently present in tours that may not be appropriate for guests with certain medical conditions and physical restrictions. Due to restrictions on boat, ship and cabin sizes, certain cruise tours are not appropriate for travellers who use wheelchairs, walkers or scooters. Airports in certain regions typically do not have ramps or elevators. Excursions visit ancient sites with uneven terrain and stairs and include extended periods of walking over uneven surfaces. Passengers using walkers, crutches, or other mobility aids or who may need physical assistance throughout the trip should consider these needs when making a booking as our onboard personnel are not required to perform personal tasks or assist with eating, dressing, toileting, or provide extensive assistance to those with mobility concerns. Motorized scooters typically cannot be taken on board planes in certain regions because authorities such as the China Aviation Administration forbid any battery of capacity greater than 160 Wh (most scooter batteries) onboard an aircraft. Additionally, lithium batteries cannot be placed in checked baggage and must be hand-carried as onboard carry-on. All batteries must have the capacity clearly printed on the outside or they will not be allowed onboard. To calculate your battery capacity if it is only marked in mAh, divide the mAh number by 1,000 and multiply by 3.7. For example, a capacity of 10,400 mAh / 1000 = 10.4 mAh x 3.7 v = 28.48 Wh (under the limit of 160 Wh).

Most vessels and motorcoaches outside Australia and New Zealand are equipped to European standards. Most transportation services, including the vessels and motorcoaches, are not equipped with elevators or wheelchair ramps. VRC and Carrier are not liable for any denial of Services by the Carrier, air carriers, hotels, restaurants or other independent suppliers. VRC and Carrier cannot provide individual assistance for dining, extensive assistance in getting on and off vessels, motorcoaches and other vehicles, or other personal needs. You assume the full risk of use and of any prohibitions imposed by the Carrier or third-party vendors. Motorized scooters are not typically suitable on international tours.

d. Ship Access In Foreign Ports: To embark/disembark from all River ships in foreign ports, and on Ocean ships in various foreign ports, guests must be able to walk down/up steps and ramps without a walker or wheelchair, as gangways/ramps are typically not wide enough to accommodate these items. Not all ships have elevators, and some have split-level decks and/or significant thresholds. Please note: Our personnel are not required to lift guests or to provide other extensive assistance or assistance to those with mobility issues where such assistance creates safety concerns. Passengers with any medical, physical or other special needs should review their proposed ship's layout on our website and consider their needs. There are inherent risks associated with traveling aboard ships that are unique to cruise tour travel. For people who are ill, or have a mental or physical disability or impairment, the risks can be more significant. Passengers acknowledge that access to some areas of the ship and ports of call may be limited or impossible, that assistance may be limited or impossible in case of an emergency or rough seas, and that there may be a lack of immediate access to medical services in certain parts of the world.

e. Service Animals. If you plan to bring a Service Animal on board, we request that you notify us at the time of booking and complete the Service Animal Request Form at least 60 days prior to the commencement of your cruise. This form should be completed and submitted to VRC at customerrelations. anz@vikingcruises. com. Service Animal is defined according to Americans With Disability Act ("ADA") regulations relevant to cruise vessels and means any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual with a disability; emotional support animals are not Service Animals under relevant regulations. Service Animals are permitted in all public areas of the ship except for the galley, and other food preparation areas due to health regulations. Service Animals are not permitted to swim in the pools, whirlpools and spas, due to health regulations. Care and supervision are the responsibility of the owner. Service Animals must be leashed or harnessed in public areas. The passenger must provide food for any Service Animal. If refrigerated space is needed, please advise the ship's Special Request Department. If you decide to disembark in a port, the Service Animal must remain on board in the event the Service Animal does not meet the country's requirements to go ashore. Neither VRC nor Carrier has any control over ports that may prohibit Service Animals from going ashore. Local laws in the Galapagos restrict bringing animals. It is the guest's responsibility to research the ports on the cruise itinerary and confirm if the Service Animal meets those countries' entry requirements. Viking may decline to carry, or disembark, a service animal if it is not housebroken or if it is not under the control of its user and the user does not take effective action to control it. If the Service Animal's behaviour creates a fundamental or direct threat to safety, the Service Animal and passenger may be denied boarding or may be removed from the ship at the passenger's expense. You are also responsible for

ensuring the Service Animal has all necessary vaccinations, as well for providing that documentation to customs or port officials if requested to do so.

f. Use of Oxygen. If you plan to bring oxygen on board, we request that you notify us at the time of booking and complete the Oxygen Concentrator Information Form at least 60 days prior to the commencement of your cruise. Approval to embark and use oxygen concentrators is at the discretion of the medical professionals, and the decision is final and binding. The Form should be completed and submitted to VRC at customerrelations. anz@vikingcruises.com.

- Guests who require supplemental oxygen administration are required to comply with the following:
- Approval to embark is at the discretion of the medical professionals.
- Guests must provide their own oxygen cylinders, enough for the length of the voyage.
- Liquid oxygen is strictly prohibited due to safety concerns.
- Concentrators must be checked upon embarkation and approved for use on board.
- If the length of the itinerary prohibits the initial on-loading of sufficient oxygen cylinders, the guest must make their own arrangements for additional cylinders or refills with a port.
- Cylinders must have the capability of being stored securely, upright, in a fixed system for the duration of the cruise.
- Due to the potentially hazardous nature of supplemental oxygen, the tanks must be stored in a secure area. The guest will be permitted only one tank in their cabin at a time.
- Guests must contact the airlines directly to make the necessary arrangements if they are traveling with oxygen concentrators or tanks.
- Guests must provide their own accessories including:
  - Cannula or mask
  - Wrench and tools required for initiation of a new cylinder
  - All connection accessories required to attach tubing to cylinder and access the flow of oxygen
  - Wheeled carrier for locomotion and mobility throughout the ship and ashore, or appropriate wheelchair connection to hold the cylinder.
  - Guests must arrange with a shoreside company to regulate their oxygen regulators and cylinders for extended itineraries.
  - The ship's cylinders are for emergency situations only. The cylinders are bulk and will run out of oxygen in a shorter time due to a higher concentration ratio/regulator used.

g. Expedition Cruises. Passengers traveling on cruises offered by Viking Expedition, Ltd. and which may involve travel to remote locales, including, but not limited to, the Arctic or Antarctic regions ("Expedition Cruises") are subject to additional terms and conditions as set forth in the Passenger Ticket Contract. Such passengers should read the Passenger Ticket Contract carefully as it contains acknowledgements, requirements, and warranties specific to Expedition Cruises. Expedition Cruises involve additional risks and dangers above and beyond those of non-Expedition Cruises. Because of these inherent risks, all passengers traveling on Expedition Cruises are required to submit a Fit to Travel letter prior to travel and to update the Fit to Travel letter as also set forth in the Passenger Ticket Contract. Expedition Cruises are subject to greater restrictions on services and accommodations than would otherwise be generally applicable, including but not limited to what passengers may be able to bring on board during their travel on an Expedition Cruise. If you are traveling on an Expedition Cruise, you warrant that you have no physical or psychological condition which would entail an unreasonable risk to the health or safety of others or to the safe conduct of the Expedition Cruise and agree to abide by all terms and conditions of the Passenger Ticket Contract.

## POSSESSION OF PROHIBITED ITEMS, ILLEGAL DRUGS AND/OR MARIJUANA

Marijuana possession or use, including medical marijuana and CBD oil, and possession or use of any illegal drugs, is strictly prohibited in many jurisdictions visited and on all ships at all times, as well as in terminals, during shore excursions or any other part of the cruise tour, regardless of any local, state, or other laws which might permit use or possession of marijuana. Passengers who violate the laws of any jurisdiction are subject to being reported to law enforcement or customs authorities, arrest and prosecution. Passengers who bring dangerous items, marijuana (including medical marijuana) or any illegal drugs or controlled substances on board are also subject to immediate disembarkation or denial of boarding. You shall have no claim for refund, loss, damage, inconvenience or compensation whatsoever under any of these circumstances. Refer to the Passenger Ticket Contract for more details.

**SECURITY GUIDE**

As required by the U.S. Cruise Vessel Security and Safety Act of 2010, applicable to ocean cruise ships that embark or disembark in the United States, this guide provides information on emergency contacts and proper procedures for ocean cruises during such voyages. In the event of a medical emergency, missing person or criminal activity, you should immediately dial 999 or contact:

- Security Officer (Deck 1; Phone 9009) (on Viking Star Deck 6; Phone 9708; on Viking Sea Deck 6; Phone 9775)
- Guest Services Desk (Deck 1; Phone 9710)
- Medical Center (Deck A; Phone 2010 Nurse)

All these contacts are available 24 hours a day to report any such incident. The ship's Security Officer is responsible for responding to alleged crimes and missing persons and should be contacted immediately for any such event. Any missing persons and criminal activity should be reported immediately so that appropriate personnel can take prompt action and secure necessary information. The Carrier has zero tolerance for crime on board its vessels. On international voyages that embark or disembark in the United States we are required by federal law to report on-board felonies and missing U.S. nationals to federal agencies. For a missing U.S. national and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of US\$10,000) the incident must be reported to the F.B.I. as soon as possible. These requirements apply to incidents that occur on board in U.S. territorial waters, or on the high seas or in foreign waters if the assailant or victim is a U.S. national. The F.B.I. can assert criminal jurisdiction in all these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and/or impose additional reporting requirements. VRC and the Carrier reserve the right to report any/all criminal allegations to any national, state or local law enforcement agency in addition to those mentioned. For missing persons or felonies arising at any time during the voyage you may independently contact the F.B.I. or U.S. Coast Guard.

For incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. We request you timely report any incident to vessel management. Failure to do so may prevent a thorough collection of information and evidence.
